Any veteran between the ages of 21 and 50 years of age, with the minimum education of the 12th grade, who is interested in retail merchandising, has an opportunity of taking a year on-the-job training with a drug company having stores in Michigan, Ohio, Indiana and Wisconsin. This on-the-job training program will qualify you for assistant store manager. It will also give you the opportunity, if you can qualify, to advance into the other branches of their business, which includes manufacturing, wholesaling, photo finishing, sales promotion and advertising as well as retail merchandising. For further information on the subject contact your County Counselor Gilbert M. Lindsay.

"Quonsets"

FOR THE FARM!

Here are three all-steel, arch-rib buildings that are "naturals" for many farm uses. Tested and proved under widely varying conditions by the armed forces throughout the world, these "Quonsets" provide fire-safety and freedom from rot, sag, warp and termite destruction. They are economical to buy and maintain. Constructed with Stran-Steel nailable framing members, these highly flexible buildings are easy to erect, can be added to simply and economically.

"Quonset 40"

40' wide by any length desired, in extensions of 20'. Fire-safe, sag-proof, rot-proof, warp-proof. Quick and easy to erect, maintain, and add to when required. 12'x12' sliding door, four windows and ventilating louvers in each end-panel are standard. Additional windows can be installed in sides, if desired.

"Quonset 20"

If a smaller building will meet your requirements, the all-steel, arch-rib "Quonset 20" should fill the bill. 20' wide by any length, in extensions of 12'. Physical properties are identical to those of the "Quonset 40". Walk-door, two windows and ventilating louvers in end-panel are standard. Side windows are available, if desired.

"Quonset 24"

An ideal building for implement, auto, truck or farm produce storage. 24' wide by any length, in extensions of 12'. The "Quonset 24" is available with or without front sliding doors or solid front panels. Walk-door and windows for end-panels, as well as solid steel interior partitions for any 12' section, are also available, if desired.

Let's talk over your
building needs today!

Public Welcome

Let's Review

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

EDUCATION, or the lack of it, gets blamed for about all the world's ills. It is pretty generally agreed that the peoples of Earth need teaching, or perhaps re-teaching. Moreover it is not much trouble in any company to start a free-for-all discussion about the science of education. In fact there are some who insist that teaching is an art and not a science at all.

George William Curtis once wrote: "While good men sit at home, not knowing that there's anything to be done, nor caring to know, half persuaded that this republic is the contemptible rule of a mob and secretly longing for some splendid and vigorous despotism . . . remember that it is not a government mastered by ignorance; it is a government betrayed by intelligence."

Study! SCHOOLING actually does not help people much unless it makes better neighbors of them. It should, by all means, train them to engage in activities with other people, for the benefit of all. Today this is clearly the most essential feature of education because people who don't understand cooperation are being led by the nose straight through collectivism to dictatorship.

We have a sad state of affairs indeed when intelligent people realize that things are taking place which they suspect are very bad for the country, yet fail to take a hand in remedying matters.

Preserving the personal liberty of all people ought to be every man's personal duty. Those who have been without freedom consider its safety a high moral obligation.

Stay! SOME men have deep learning in fields that do not embrace history, government or economics. Others have gained far-flung knowledge without sensing the duties of citizenship or any obligation toward other people. Curtis' long life ended before this century began but he saw the political dangers of this day with amazing clearness: "Betrayed by intelligence," he said.

The notion that a nation may be governed, not by a ruler but by the people themselves, was not new in Mr. Curtis' time. Our own republic was hardly half as old as now when he began writing for *Harper's Monthly*. Otherwise he had all the examples we have. One big difference in his generation and ours is this: They still appreciated their freedom.

"Some commentators crusade for penetrating study in narrow fields of learning while others advocate wider browsing ranges. Consolidating our recent scientific gains and preserving our freedom is, however, our No. 1 problem. Our vital classroom need is a refresher course in comparative welfare. Who, when and where have people lived best? Answer: We, right here in the U.S.A."

WRONG WAY

"Can you get me
Belle's Beauty Shoppe?"

RIGHT WAY

"7290 please"

Back when everybody knew everybody else, and there were fewer telephones in service, some folks got in the habit of calling by names instead of numbers. They'd ask the operator for "Jim Smith's Garage" or "Mary Jones on Elm Street."

Usually the operator had the number in her head, or at least had time to look it up.

These days there are so many folks with telephones that your operators just can't remember all the numbers. Also, the increased load of calls has made it necessary to employ new operators—girls who aren't familiar with subscribers' names. So calling by name slows up service for everybody.

To help us give you better, faster telephone service this summer, please call by number—not by name. If the number isn't in your directory, please ask "Information" for it. Then jot it down for future reference. Thanks a lot!

Mr. and Mrs. J. H. George, of "Let George Do It" fame, have found a real rainbow trout stream in the Pigeon river, east of Vanderbilt. The couple brought back their limit (30) after a few hours in the stream Sunday afternoon. Conservation officers who happened (?) by, declared them to be "the finest catch seen in a long time."

Excerpt from Town Clerk:

In a pool near the Chamber of Commerce office in Charlevoix, a commercial fisherman keeps minnows. Every afternoon a couple of blackbirds follow the same procedure to get a meal. The male hides on a little island in the middle of the pool. His wife flaps her wings on the shore, scaring the minnows around a bend in the island whereupon the old man spears one, flaps away with it. They're not greedy... one is the limit.

Are We Going Back to This?

So you don't like the price stabilization program? During the first World War and after, 50 lbs. of sugar cost \$13.50. Now, at least last week, with the same amount of money, you could buy: 50 lbs. sugar \$3.50, 2 dozen eggs .90, 2 loaves of bread .24, 1 lb. of cheese .49, 10 lbs. of flour 1.43, 1 dozen oranges .75, 2 boxes corn flakes .30, 4 cans of corn .52, 2 cans cold meat .71, 3 lbs. coffee .95, 2 lbs. butter 1.74, 2 quarts milk .30, 2 cans of peas .52, 1 peck of potatoes .78, 1 cabbage .07, 1 dozen sweet rolls .30.

The theatre is about the only place left where you still get your money's worth. The other night we saw two cartoons, the News, a travelogue, and the feature picture. The show was so long that we had to sneak down a side street to get home and shave.

Plans Made for Venetian Night Parade

The eighth annual Venetian Night and Water Carnival will be held on Sunday, July 28. The event, a casualty of the war, has not been held since 1941. It was first held in 1935.

The Water Carnival will open at 3 p. m. in Round Lake, off East Park, with the following events: 3 p. m., diving contest, junior boys; 3:30 p. m., diving contest for junior girls; 4 p. m., diving contest for senior boys, and at 4:30 p. m., diving contest for senior girls.

A diving exhibition by the boys from Camp Hayo-wentha will follow the diving events. Special canoe and portage races will be held at 5 p. m. with 300-yd. senior boys' swimming races scheduled for 5:30 and 300-yd. senior girls swimming races at 5:45 p. m.

The evening program will open at 7:30 p. m. with a program of Sea Chanties by the famous Camp Charlevoix Boys' chorus. At 8 p. m. the Charlevoix Marine Band, under the direction of Max Smith, of Petoskey, will present a special concert. The program will conclude with several numbers by the Saturday Niteers quartette, H. B. Miles, Al Young, Charles Hamlin and Dr. D. C. Nettleton, members of the local chapter of the SPEBSQSSA, winners of the National Achievement award.

The colorful Venetian Boat parade and fireworks will conclude the day's activities. More than 20 boats have already been entered in the parade and it is expected that the total count will be in the forties. Entries may be made with Will Belinger of the Marine club.

S. E. Coleman, secretary of the Board of Commerce, asks that entries for all other events be at his office no later than July 27. Prizes will be offered for all events.

Cheboygan '9' Here Sunday

The Cheboygan baseball team, which has a record of five wins and no losses in the first half of the Northwestern Michigan baseball league, will invade Charlevoix Sunday, July 21 in the hopes of keeping a clean slate in the win column.

Charlevoix has won three and lost three in the first half of the schedule, and the local nine will be out to win the "double-header" from the league leaders.

Game starts at 1:30 p. m. at the south athletic field, tickets for which are now on sale by members of the club and Curtis market.

MRS. LADD APPOINTED TO REGIONAL COMMITTEE

Mrs. Harry W. Ladd has been appointed to membership on the regional committee of the girl scouts it was announced today. This committee promotes and interprets the girl scout program in the Great Lakes district, comprised of Illinois, Michigan, Indiana and Wisconsin.

4-H Campers Enjoy Outing

Sixty-nine 4-H club members spent four happy days at the Charlevoix County 4-H camp held at the Church of God Camp grounds from July 9th until July 12. The program was varied and included educational features and recreation to help keep club members busy all of the time.

Recreation consisted of soft ball, volley ball, horse shoes, a water roast, and treasure hunt. Since the camp ground is located about two miles from Lake Charlevoix, Fred Willis, of the Charlevoix Co-op, transported the entire camp group to the lake with his truck. Many of the parents visited the camp for the evening programs.

Boys visited the Oakley Saunders and Robert Wilson farms where classes of cattle were judged; girls participated in food preparation and clothing judging.

Those attending from Charlevoix include: Dale Doss, Gloria Henry, Zella Murphy, Wilma Gregory, Quinella White, Joyce McGowan, Marilyn Ikens, Lois Dylestra, Virginia Smith, Dale Suomela, Vane Smith, Charles Donaldson, Howard Pearl, Annette Donaldson, Velma May, Barbara Roff, Patricia Murray, Luanna Bambach, Kay Cunningham, Joyce Fiedler, Shirley Wakefield.

Doris Montgomery, Esther DeJong, Billy Hair, Joyce Murray, Milford Saunders, James Joliffe, Howard Campbell, Donna Hawes, Peggy Price, Herbert Boss, Jerry Price, Nathan Boss, Reta Boss, Barbara Gennett, Janet Kruik, Betty Warner, Donna Everts, Charles Cross, Tom Bleha, Stewart Root, Billy Reed, Leo Speigl and John Speigl.

Betty and Ann Gill represented Ironton at the outing.

Harbor Program Aids Charlevoix

The Corps of Army Engineers, outlining its civil works program for the year ending June 30, 1947, said Sunday it plans to spend \$3,860,250 in Michigan for rivers and harbors work.

The amount is contained in the \$308,854,250 appropriated by Congress for the entire nation. Michigan's projects include expenditure of \$1,611,250 on the St. Mary's river.

The rest of the amount to be spent in Michigan is for maintenance and operation, as follows: St. Joseph harbor, \$21,000; South Haven harbor, \$17,500; Holland harbor, \$12,000.

Grand Haven harbor and river, \$48,000; Muskegon harbor, \$15,000; Ludington harbor, \$25,000; Manistee harbor, \$22,000; Frankfort harbor, \$18,500; Leeland harbor, \$12,000; Charlevoix harbor, \$7,000; St. Mary's river, \$1,200,000.

Island's Oldest Resident Dies

Friday, June 28, marked the passing of Beaver Island's oldest resident.

Fred Nackermann was born in Hamilton, Ont., on April 16, 1857. While still an infant he moved with his family to Marquette, Michigan, where he grew up and received his education.

When he was 18 years old the family moved to Elk Rapids, and there he began work as a bricklayer with his father and brother, who worked on construction and maintenance of blast furnaces throughout northern Michigan. He followed this trade for nearly 60 years. Since 1900 his home has been on Beaver Island, the birthplace of his wife, Mary Ann McCauley, whom he married in Holy Cross church May 18, 1881.

Surviving are his widow; his only child, Frank, postmaster at St. James, Mich.; and five grandchildren, Barbara, Rodney, Rosemary, Ellen and Colleen, all of Beaver Island.

Requiem high mass was sung by Rev. Fabian Keenan in Holy Cross church at 9 a. m. Tuesday. He lies at rest in Holy Cross cemetery.

Locals Lose In Overtime Play, 16 - 12

Fans were thrilled at last Sunday's baseball game when the local team tied the score at 12 all, only to have the near triumph nipped in the tenth inning. Up until the 9th, East Jordan was in the lead, then Charlevoix tried their old last minute rally with Lady Luck smiling upon them, but Jordan came back in the 10th and Miss Luck turned coat, and went hand-in-hand with the Jordanites to give them their final four run lead.

In the fourth inning Charlevoix made 5 runs on 5 hits. These runs were made by following men planting singles, and bringing home the lacon one at a time. That was "C" 's only spectacular inning until the ninth. When bases loaded "Chick" Gallagher knocked a triple to tie the score. But that needs some explaining.

Archie W. walked, and "Jimmy" Ferris took first on an error on left field. Then Swanson, and Henley walked. Ferris came in on catcher's error, and "Hardrock" Ager got to first on balls. The bases were loaded and "Chick" Gallagher was up.

With an ovation that would turn Casey, of Mudville fame, green with envy, Chick walloped in three bagger into right field. That tied the game all up, 12 and 12.

Then East Jordan came back and did almost the same thing, to give them four more runs, and the game fizzled out.

Zeitlers Announce Daughter's Marriage

Mr. and Mrs. Andrew Zeitler announce the marriage of their daughter, Ellen, to Cecil L. Drost, son of Christ Drost, of this city, at a ceremony performed at Alpena at 2 o'clock Monday afternoon, July 8. Municipal Judge Ivan LaBlance read the simple service in the presence of Christ Drost and Mr. and Mrs. George Drost, of Alpena.

The bride chose an afternoon dress of Copenhagen blue crepe and white accessories for her wedding. Her carriage was of pink rosebud.

After a short wedding trip the couple have returned here to make their home.

The bride, who attended the Charlevoix schools, is a member of the staff at the local Kroger store. The bridegroom was discharged from the army last fall after serving 49 months with the medical corps of the Fifth Division in Iceland and Europe.

Ensign Stanley E. Shapton Takes New Jersey Bride

Miss Elsie Bentel, daughter of Mr. and Mrs. Charles W. Bentel, of Paterson, N. J., became the bride of Ensign Stanley E. Shapton, USNR, son of Mr. and Mrs. Earl Shapton of Detroit and Charlevoix, at a ceremony performed at St. Paul's Episcopal church, Paterson, Saturday, June 22. The Rev. William Griffin officiated before an altar decorated with white snapdragons.

The bride wore a white satin gown fashioned with a sweetheart neckline trimmed with seed pearls. The full skirt ended in a short train. Her fingertip veil fell from a pearl tiara and she carried a cascade bouquet of mixed white flowers.

Miss Jane Ohaemus, of Wellesley, Mass., as maid of honor, wore a pale yellow marquisette off the shoulder gown with matching head-dress. She carried a cascade bouquet of white daisies.

The bridesmaids, Miss Betty Schocklin and Ruth Donnelly, of Paterson, wore pale lime marquisette off the shoulder gowns with matching wreaths in their hair. They carried cascade bouquets of yellow daisies.

James Anderson, of Jersey City, N. J., assisted the bridegroom as best man and William Schooley, Jr., and Joe Dotilio acted as the groomsmen.

MRS. ROSA NETTLETON

Dr. Trudeau Offices Located on Bridge St.

Dr. John Trudeau, who came here recently to establish a medical practice, has moved to permanent offices at 805 Bridge St. He was formerly located at 106 Clinton street.

Dr. Trudeau graduated from the Detroit College of Medicine and Surgery in 1933 and received his internship at Grace hospital, Detroit. He practiced in Detroit for three years and at Rogers City for five years before entering the Army Medical Corps. He served for 42 months with the 9th Service Command. He was a major at the time of his discharge on March 1, 1946.

He was accompanied here by his wife and ten months' old daughter. They will make their home at 209 W. Upright ave.

Nurse Recruit Campaign Opens

The critical need for nurses in Michigan has brought about a situation in which the nursing profession now offers greater opportunities than ever before.

At least 1,000 girls must enroll in our schools of nursing this year if the minimum requirements for nursing care are met.

There are 11,000 active registered nurses in the state at present and the state will need at least 18,000 graduate nurses within the next five years.

In addition to hospital work for the nurse, other positions are open in the public health service field, in the army and navy nurse corps, in industry, in teaching, in orthopedics, and in tuberculosis nursing and psychiatric nursing.

United Vets Hold Meet

The United Veterans, an organization comprised of Veterans of Foreign Wars, American Legion and Amvets, met last Thursday night at the VFW hall. It was the first meeting of the newly formed organization.

Following a regular business meeting, the group discussed the traffic condition in Charlevoix and the enforcement of ordinances and laws here.

A committee of four, with Lee Allard as chairman, was named to investigate traffic conditions on Bridge street. The group was empowered to offer suggestions and to act in traffic matters. William Superann, Jr., Norman Houck and Elmer Gibson are members of the committee.

A short discussion of inadequate boat house rentals and boat slips ensued, and members will discuss it further with other pertinent subjects at future meetings.

Next meeting will be held the second Tuesday in August at the American Legion hall.

Lansing Dry Cleaner Defeats Howell Brink of Grand Rapids

Mrs. Rosa Nettleton, well-known local artist, will give an exhibit of her work at the Community Room of the City Hall July 23 to July 27 inclusive.

The exhibit will include 60 paintings, carvings and pen and ink drawings and still feature 140 figurines showing some of the historical costumes of the past 1,000 years.

Descriptive talks on art and costume will be given by Mrs. Nettleton each day at 4 o'clock. A tableau or guest speaker will be presented each evening at 8 p. m.

Hours of the exhibit will be from 2 to 5 p. m. and 7:30 to 9 p. m. Tuesday through Friday and from 10:30 a. m. until 12 noon and from 2 until 5 p. m. Saturday.

In a recent interview relating to her study of the history of dress, Mrs. Nettleton said: "The psychology of dress is a broad subject and a lifetime of study is not sufficient to cover it. All through the ages dress shows the character of the people and the conditions under which they lived. In our time much has been added to our knowledge of ancient peoples by the work of our archaeologists."

In excavations at the site of ancient Sumerian cities near the banks of the Euphrates river little statues were found of people who lived nearly 5,000 years ago. These statues are now in the Chicago Museum of Art.

On the Island of Crete, in the Mediterranean Sea have been uncovered in the ruins of their ancient civilizations, statues of these wonderfully gifted people of that island, who lived 2500 years before Christ.

We are vastly indebted to the ancient Egyptian artists for their custom of depicting, not only their own people, but all peoples of surrounding countries they came in contact with, in painting, statuary and descriptive hieroglyphics, and so bringing to us through the ages a knowledge of the dress and appearance of the men and women of those far off times, who lived, loved, married and raised families, just as we do today.

During the Middle Ages the wonderful tapestries wrought by the ladies of that time show us the dames with their towering head dresses and voluminous trailing skirts.

The 19th century, from the year 1800 to its close, has throughout its space many varied and remarkable styles of dress and our own 20th century is not without its oddities, as witness the hobble skirt and flapper styles for women and the peg-top trousers for men.

So it is that after years of study of costume one can tell almost the exact period that a certain costume may have been the fashion of the time.

I have been asked how I came to take up the study of costume. I think this study is a matter of interest to all who have the incentive to do Art Work, but one must have time to give to intensive research required to make authentic representations of costumes of past ages. It has, therefore, been only during the past ten or 12 years that I have been able to give this work all the study needed.

I have also been asked to speak of the process of making the little figurines. Well, first one must spend very much time in research to make sure their sketches are accurate. Then get a board (if you can), basswood or white pine are good, and transfer the drawing on to the board and cut out around the outline. A little carving on the figure helps to make it more realistic. Lastly paint the figurine, making sure the colors are correct—and there you are.

The mechanical part of the work being not nearly so important as the preliminary study.

Dr. J. E. McClintock, of Sioux City, Iowa, has arrived in this city to be associated in the practice of medicine with Dr. F. E. McMillan, the latter announced this week. He will be located in the office of Dr. McMillan, at 213 1/2 Bridge St. beginning Wednesday, July 17.

Dr. McClintock is a graduate of the University of Iowa and received his internship at Youngstown, Iowa. He was discharged from the medical corps recently after four years military service. His wife and three children accompanied him here to make their home.

Train Service Interrupted When Coast Guard Tender Rams Trestle

The U. S. Coast Guard light-house tender, Sundew, under the command of Warrant Officer James Barker, was severely damaged Thursday afternoon when it struck the Pere Marquette railway bridge abutment.

Pulling away from its berth at the Charlevoix lighthouse supply depot, the ship swung out into the channel to proceed east into Lake Charlevoix when it was caught in a strong current and a sudden gust of wind and forced against the cement abutment.

A 14-foot hole 4 1/2 inches wide was torn in the ship's starboard side near the bow, five feet above the water line. The railway trestle was shifted the width of the track and rail traffic over the bridge was interrupted.

No estimate of the damage has been made pending an investigation by Pere Marquette and Coast Guard officials. Temporary repairs were made to the ship which will be taken to the drydock at Manitowish, Wis.

CAMP CHARLEVOIX

NEWS OF ACTIVITIES
Jim Lead, Scribe

Last week we mentioned the snipe hunt and snipe breakfast the juniors here at Camp Charlevoix enjoyed, and again they hit the news with a hike along the Strawberry Bay and an evening cookout. The big lodge was pretty quiet and lonely with all the juniors gone, so the intermediates and seniors consoled themselves with a twilight canoe ride around Olds' Point and a fast game of Capture and Lantern. John Williamson's team beat out Dave Harding's for the evening honors by the time the juniors returned and when the last canoe had docked, all were ready for a short evening dip and a good night's sleep.

The counselors opened the dramatic season with a bang, and the campers seemed to find our serious thespian efforts rather amusing. Ken Smith, as the busy-body, Jim Lead, as the host, Fred Jeffers and Don (Fried) Bacon as the party boys, gave a lesson in "If Men Played Bridge as Women Do," and by the time the act was over, no one in the audience any longer believed the four gentlemen were serious, so the impresarios for the remainder of the evening found the audience extremely receptive to their slapstick. Next on the program was a scene from the "Old Village School," and Chief Reimann as Clarabelle made quite a scene out of it. There were other leaguities of schoolgirl use too—and none of us had ever seen little Mike Groelle or Bob Landow in curls and skirts before. Our conception of the modern girl differs

slightly from these sterling impressions, but the performance was amusing, and schoolmaster Seitz had quite a time controlling his mischievous little class on the last day of school. Not to be outdone by any of the Broadway theatricals, the counselors ended the evening with their own Gaities, with Queenie Mulligan and Cutie Holton swaying and smiling to the fascinating rhythm of the camp piano. Lasting effects of the program were a few split sides and several permanent nicknames.

The week began properly, of course, with morning chapel services on Sunday, and Bob Mulligan spoke to the campers as they sat around the outdoor chapel in their Sunday best. "I am third—first comes God, then the other fellow, and last, myself," was Bob's theme, and I must admit that Bob would make an excellent pastor. Bob is very proud and justly so of his juniors' accomplishments this week. John Allison and Stuart Slaek were asked to stand and take a bow for their swift advancement in swimming classes this week, and some of the juniors have been working on some beautiful projects in wood, tile and metal, and leather, too, to bring home for use and show when the season is over. The juniors have added to their weekly program with increased instruction in western style riding, canoeing and riflery, and the boys have done some pretty worthwhile work.

ELLSWORTH NOTES

By John Timmer

Jefferson Monroe Bearss, 88, was buried Monday, July 8, in Ellsworth cemetery after funeral services at Matthews Funeral home, Bellaire. Mr. Bearss, Antrim county pioneer and retired farmer, died Saturday at the home of a son, Harold, of Alpena, after an illness of eight months. He was born March 21, 1858, in Canada, and came to Ellsworth vicinity at the age of 16. For several years he worked as a lumberman, then opened the first livery barn in Ellsworth and operated the first stage route between Ellsworth and East Jordan and later purchased a farm three miles southeast of Ellsworth where he lived until 1940. He was a member of the Order of Oddfellows. Surviving are two other sons, Ralph of Boyne City and Leo of Lincoln Park; a daughter, Mrs. Edward Rehman of Dearborn; twenty-three grandchildren and two great-grandchildren.

A record number of 259 votes were cast Monday at the annual election of Banks Township public school. Duane Johnson and William Pette were re-elected as directors. Forty-eight votes were voided because improperly filled out. A proposal to add 2 mills to the tax roll for improvements was defeated by a vote of 145 to 76.

Miss Jeanette Elzinga, daughter of Mr. and Mrs. Albert Elzinga, of Atwood, and Max Bolser, son of Louis and Martha Bolser of Ellsworth, were united in marriage at 5 o'clock June 22, at the parsonage of Atwood Christian Reformed church with Rev. Herman Goodyke officiating. Martin Elzinga, brother of the bride, and Margaret Hoffman, daughter of Mr. and Mrs. Joe Hoffman, attended the couple. Immediately following the ceremony, they left for Charlevoix to have a dinner. Saturday night they left for Niagara Falls and spent a few days there. Returning, they stopped over in Detroit to visit an uncle of the groom. Mrs. Max Bolser is now attending Ferris Institute where she will study for five weeks.

MINUTES OF ANNUAL MEETING CHARLEVOIX TOWNSHIP UNIT SCHOOL DISTRICT No. 1 JULY 8, 1946

Meeting was called to order at 8:15 p. m. by President Harold Withers in the High School Session Hall.

The Chairman of the Election Board, Mr. Max Novak, read the results of the election during the day for two trustees for a three-year term, expiring July, 1949: 120 ballots cast; 103 votes for E. D. Hawley, 99 votes for Catherine C. Bergeon, 33 votes for Harry W. Ladd. Mr. Hawley and Mrs. Bergeon were elected as trustees for the above mentioned term.

Minutes of the Annual Meeting of June 11, 1945, were read. Walker Miles offered a correction in the size of the lot purchased by R. J. Abfalter. Moved by Mr. Miles, seconded by Howard E. Brumm, that the minutes be adopted as corrected. Motion passed.

Minutes of Special Meeting of May 29, 1946, in regard to annexation of nine rural school districts, were read. Moved by Mr. Miles, supported by Mrs. Charles J. Bleha, that these minutes be accepted. Motion passed.

The Secretary's Report for the year 1945-46 was read. Charles J. Bleha moved, Miss Lillis Flanders seconded, that this report be adopted. Motion passed.

The Treasurer's Report for the year 1945-46 was read. Mrs. Bleha moved, Mrs. Clyde Warner seconded, that this report be accepted as read. Motion passed.

The Librarian's Report for the year 1945-46 was read. It was moved by Mr. Miles, supported by Mr. Bleha, that this report be accepted. Motion passed.

The Secretary presented a bid from Mr. Herbert A. Campbell in the amount of \$50 for the parcel of land described as follows: Beginning at a point on the West line of Burns St., which point is 1185.2 ft. East and 173.25 ft. North of the N. E. corner of Michigan and Petoskey Avenues, then 32.9 ft. N. to the S. line of said Govt. Lot 2, then W. 155.4 ft. along the S. line of said Govt. Lot 2, thence S. 37.2 ft., thence E. 155.4 ft. to the point of beginning, being part of Govt. Lot 3. Section 23-T34N-R8W.

A motion was made by Mr. Miles, supported by Mr. Timmer, that Mr. Campbell's bid on the above described property be accepted. The following amendment was then made by Mr. Miles, supported by Mr. Brumm: The school district to bear no expense incurred in the transfer of title. The amendment was voted on and passed. The motion as amended was voted on and carried.

Moved by Mr. Brumm, supported by Mr. Timmer, that the Board of Education be authorized to dispose at their discretion of all property and contents acquired through the recent annexation of nine rural school districts. Motion carried.

Moved by Mr. Miles, seconded by Mr. Novak, that the Board salaries remain at \$150 each for the year 1946-47. Motion carried.

The President stated that if a shelter would be advantageous at any bus stop, the Board would give favorable consideration to such a suggestion. Also that any comments or suggestions from rural members on the operation of the school or transportation system, would be very welcome.

Moved by Mr. Miles, seconded by Mr. Novak, that the meeting be adjourned. Motion carried and meeting adjourned at 9:15 p. m.

The Early (Evening) Bird gets his Long Distance call through faster

• LOW NIGHT RATES ARE IN EFFECT AT 6 P. M.

This summer the telephone system in resort areas is handling the greatest number of Long Distance calls in history. There may be times when your call can't be put through promptly—especially during the peak hours. These are from 10 A. M. to noon, and 7 to 9 P. M.

If you have an evening Long Distance call to make, remember that low night rates start at 6 o'clock, well in advance of the usual evening rush. And you'll help toward better service all around if you'll keep all of your calls just as brief as possible.

This New Engine Clean-up Program may be the one thing that will put power in the last long drive

It's done a wonderful job of serving you—that old car. And now, with new ones in the offing, it's nearing the close of its long assignment.

But this last stretch may be toughest of all. If there's a lot of dirt in the engine—and that's likely—sticky deposits may suddenly clog the oiling system—with disastrous results.

To meet the situation, your Standard Oil Dealer offers a new, economical, five-point Engine Clean-up Program. It includes the use of two remarkable new Standard Oil Products—Stano-Purge and Stano-Vim—which do an effective cleaning job without requiring expensive dismantling of the engine.

New, economical, 5 point
Engine Clean-up Program

- 1 Stano-Purge—Purges crankcase and engine. Cleans oil screen. Removes deposits tending to clog oil lines and channels.
- 2 Stano-Vim—Introduced through carburetor air intake, it cleans out deposits in valve area. Restores pep, power, smooth engine operation.
- 3 Oil Change—Oil Filter Replacement. Fresh oil always helps keep an engine clean. A clean filter keeps the oil clean.
- 4 Radiator Flushing—Old engines need efficient cooling.
- 5 Fan Belt Check-up—A worn belt is an unwise risk.

WIL-MET, MARIHO TO LEAD PARADE

Along the Avenue

By The Editor

We had the pleasure of dining at the Grey Gables last Thursday evening as guests of Mr. and Mrs. Russell Dundas through the courtesy of Capt. and Mrs. Don Clothier. The new manager really put the emphasis on both food and service for their clientele. No shortage of good food in Charlevoix is our observation.

"Joe" Williams of Myers cigar and confectionery store has been holding the line since DPA termination. Says Joe: "I won't add a cent to my products until I am forced to do so by increase in the whole-sale prices." Mr. Williams decided that soda prices had increased, and said he expected that because the manufacturer had increased that item, summarily, we will add it to our list accordingly."

Good deed for the week came late Sunday night when we offered a ride to two beautiful but tired damsels, stranded on the Charlevoix-Boyne City road and headed for Charlevoix. Our fares turned out to be the Misses Rhoda Horowitz and Vivian Keidan, both of Detroit, who are counselors at Camp Q-Gull. The former is enjoying her first season there, while the latter has spent more than a dozen summers here. Both are 'crazy' about Charlevoix's beauty!

Plan C. H. S. Alumni Banquet

Committee (above) plans for the first Charlevoix high school alumni banquet. (Left to right): Robert Burns, Mrs. Elmer Gibson, Anne Campbell, secretary-treasurer; David Hamilton, president; and Frances Martin; (seated in front): Anne Higman, a they completed plans for the dinner to be held at the Lakeview Hotel dining room on Sunday, July 28. Bell Telephone Manager Issues Service Warning

A warning that an anticipated record tourist season here this summer may seriously affect long distance telephone service to and from Charlevoix was voiced today by C. L. Johnson, manager for the Michigan Bell Telephone Company.

Estimating that long distance traffic here will increase 19 per cent over the record volume of the 1945 season, Johnson urges telephone users to place their long distance calls in the off-peak hours and to make their calls brief. He said the peak hours are from 10 a. m. to 12' noon and from 7 to 9 p. m., and pointed out that low night rates go into effect at 6 p. m.

Although the Telephone Company recently has added 65 new long distance circuits to Michigan's resort centers in an effort to cope with the emergency, Johnson said that facilities probably will prove insufficient to handle all calls promptly. Michigan Bell, he added, is hampered by the same material shortages and production stoppages as other industries in carrying out its \$150,000, 000 postwar construction program.

Some of the additional full-time circuits to which Johnson referred were obtained through the loan of carrier equipment from Bell System points in the South. That equipment permits three additional talking circuits to each pair of wires. In addition to the full-time circuits, 29 more night circuits have been made available for long distance traffic this summer.

"The new circuits, probably will not be enough," Johnson said. "At present, Charlevoix has 1,100 telephones in service, the largest number in its history. From these instruments we are putting through an average of 4,200 calls a day, including 245 long distance messages. At this same time last year we were handling a daily average of only 3,410, including 188 long distance."

"Of course, we will do everything possible to get every call through promptly," Johnson declared. But users can help by placing their calls at a time when the lines are not crowded to capacity and by making their calls as brief as possible.

Venetian Night Strategy Board

Bill Bellinger, secretary of the Marine Club (left), Harbor-master Joseph Howard, treasurer of the Marine Club, and S. E. "Irish" Coleman, secretary of the Board of Commerce, as they met at the Board of Commerce building this week to complete plans for the 8th annual Water Carnival and Venetian Night parade to be held Sunday. All three have been instrumental in organizing the "big affair", most colorful event, of the summer season. Mr. Bellinger has registered all boats for the event, while Capt. Howard has made other marine arrangements.

Colorful Event Scheduled for Next Sunday

Plans have been completed for the eighth annual Water Carnival and Venetian Night parade to be held Sunday, July 28, S. E. Coleman, secretary of the Board of Commerce has announced. Officials of the Marine Club, who have collaborated on the event are Commodore, Clarence Wood; rear commodore, Franklin Ochs; secretary, Bill Bellinger; treasurer, Harbor-master Joseph Howard.

The Venetian Boat parade will be led by the Wil-Met, piloted by Louis Wallace, and the Mariho, piloted by Hollis Drew, of East Jordan. All entries are not in as yet, but it is expected more than 40 boats will take part in the parade.

The program for the Water Carnival and events preceding the boat parade, will take place in Round Lake, off East Park, and in East Park.

Diving contest for junior boys, 3:00 p. m.; diving contest for junior girls, 3:30 p. m.; senior boys will have a diving contest at 4:00 p. m., followed by the senior girls diving contest at 4:30 p. m.

Boys from Camp Hayo-ventia will put on a special diving exhibition immediately following the diving contests.

At 5:00 p. m., special canoe and portage races; 5:30 p. m., senior girls swimming races; 5:45 p. m., senior girls swimming races.

Sea Chanters—Boys' chorus of Camp Charlevoix will be on hand at 7:30, while at 8:00 p. m. the special marine band concert is scheduled to appear, under the direction of Max Smith.

Venetian Night boat parade and fireworks with boats approaching through the channel from Lake Charlevoix into Round Lake.

A gala afternoon and evening is in store for all those lucky persons who are able to make arrangements to view this long-awaited program and Venetian parade.

Dr. Fred Young Assumes Practice

Dr. Fred W. Young Jr., who was discharged from the Army Dental Corps recently, has resumed his dental practice, after an absence of three years.

Commissioned a first lieutenant in the dental corps in May, 1944, Dr. Young was stationed at Battle Creek and Ann Arbor before going to North Africa and Italy to serve with the 70th Field Hospital. In August, 1945, he was transferred to the Pacific where he was attached to the 25th Division in Japan. He was a captain at the time of his discharge this Spring.

Dr. Young has practiced in Charlevoix since 1933. His new office is located at 107 Clinton St.

Experts Talk on Fishing

Dr. John Van Oosten, aquatic biologist in charge of the Great Lakes Fisheries investigation of the Annex University of Michigan, and Fred A. Westerman, Michigan Conservation department, Fish Division, spoke to a meeting held here last Wednesday evening. The meeting was called to discuss the text of the Great Lakes Fisheries Treaty between United States and Canada which was signed in Washington, D. C., on April 2, 1946, and to give the fishermen first hand information on the treaty.

Mr. Westerman stated: "The Michigan Conservation Commission has endorsed this treaty in the interest of establishing uniform regulations which have long been recognized as necessary for the better management and development of the fisheries of the Great Lakes. The only effective way to achieve such a uniformity of regulations is through cooperative action of all governments concerned. In our opinion, only when this is accomplished, can the fisheries resources of these waters be utilized to their fullest extent consistent with their perpetuation."

The Treaty is composed of ten Articles which cover the various aspects of the cooperative agreement. Included in the articles is one giving the Commission the right to make regulations fixing: open and closed seasons; open and closed waters; the limits of each species of fish; the time, methods and intensity of fishing; the type and specifications of the nets, gear and apparatus and appliances which may be used; the methods of measurements; the extent and nature of stocking operations; the introduction of new species and catch returns and other statistical records as may be necessary to give effect to the purpose of this convention.

The Treaty, and accompanying schedule, which was transmitted to the United States Senate for ratification under date of April 22, 1946, by the President, has since been referred to the Senate Foreign Relations Committee of which Senator Tom Connally is chairman. Senator Arthur H. Vandenberg of Michigan is a member of this committee. In Article X, the Great Lakes Fisheries Treaty will come into force when approved by the Senate and the President of the United States and upon exchange of ratifications thereof, but any regulation made thereunder shall not become effective until one year from the date when the convention comes into force.

Local fishermen feel that the uniform fishing laws which this treaty carried, will benefit all commercial fishermen in the Great Lakes area.

Alumni Banquet Plans Completed

Plans were completed for the first Charlevoix high school alumni banquet to be held at the dining room of the Lakeview hotel at 5 p. m., Sunday, July 28, when the committee in charge of the event, met last Wednesday evening.

David Hamilton, president, and Anne Campbell, secretary-treasurer, gave reports on the activities of the organization. A nominating committee was named and will present a list of prospective officers at a meeting to be held on July 24. Miss Anne Higman was asked to write a brief history of the Charlevoix schools and to present it at the banquet. Robert Burns, of Detroit, who is spending the summer here, was asked to act as master of ceremonies, and prepare a program for the event.

All Alumni who plan to attend the dinner are asked to purchase their tickets by Thursday, July 25.

If you have missed your adv. or story, hear with us until we can get some help, please. Thank!

47TH ANNUAL CAMP MEETING WILL BE HELD AT SNOWFLAKE, JULY 14

The forty-seventh annual Spiritualist Camp Meeting will be held at Snowflake, Mich., July 11 to August 25, at the camp grounds located five miles north of Bellaire and three miles south of Central Lake near M-88.

The program at the camp this year will include such well-known personalities as Maude Kline Winchell, who will be the featured worker, from July 20 until the camp closes; Rev. William R. Alford, of Muskegon, who will be speaker and messenger bearing during July; and Elsie G. McCollum, of Beaverton, who opened the camp and will be there all season.

Singers Meet Next Friday

The choral chapter of the society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., will meet Friday evening, 8:30, at 103 Clinton street, to complete plans for their fourth annual Labor Day Jam-boree.

Fifteen leading quartets have made commitments to appear on the program this year. Entries have been received from Illinois, Indiana, Wisconsin and Kentucky, in addition to the Michigan talent.

This event is bringing hundreds of visitors to Charlevoix each year to hear this fine talent.

DEAN W. A. RUSH

Dean W. A. Rush, of Adrian College, will be the guest minister at the First Methodist church for the month of August during the absence of the Rev. Gaylord D. Howell who will be away on vacation.

Dean Rush, a native of Zanesville, O., graduated from Adrian College in 1932 and received his degree of Master of Arts from Ohio State University in 1933. In 1935 he received the degree of Bachelor of Sacred Theology from Westminster Theological Seminary, Westminster, Md. In 1935 he returned to the staff of Adrian College and in 1940 was appointed Dean Registrar. He no longer serves as registrar but is continuing in other offices. In addition to his college work, Mr. Rush has also served as pastor of the Congregational church, Morenci, Mich., since 1937.

While here Dean Rush will be living at the Methodist parsonage, 106 State St.

The Rev. and Mrs. Howell and small son will visit Niagara Falls, N. Y., Washington, D. C., Mr. Vernon, Va., and with relatives in Indiana while on vacation.

BANKS TOWNSHIP RESIDENT DIED SATURDAY EVENING

George E. Patterson, 61, died at his home in Banks township, Autrim county, late Saturday evening. He had been in failing health for some time. Funeral services were held at the See Funeral home at 2 o'clock Tuesday afternoon with the Rev. Bert Gates, Jr. of Alma, officiating. Interment was in the Brookside cemetery.

Mr. Patterson was born in Kalauzoo county Jan. 19, 1882. He was married to Hattie E. Miller in May, 1909 and they resided in southern Michigan until coming to this community in 1932. Mrs. Patterson preceded him in death Nov. 11, 1945.

Deceased is survived by a son, James, of Charlevoix; a daughter, Mrs. John Sharrow, of Van Dyke; a brother, who resides at Galesburg, and five grandchildren.

BARNARD CHURCH HOLDS ANNUAL ALL-DAY PICNIC

The Sunday school of the Barnard Reformed church held their annual all-day picnic at Whiting Park, Boyne City, last Thursday. Sixty-five members and the Rev. and Mrs. Ellsworth Dykstra enjoyed a day of swimming, picnicking, baseball and other sports. The Rev. and Mrs. H. C. Ringenbush and two daughters, of Muskegon, who are vacationing here, were guests. Rev. Ringenbush is a former pastor of the Barnard church and is now at the Eastlawn church, Muskegon.

CAMP
CHARLEVOIX

NEWS OF ACTIVITIES

Jim Land, Scribe

Trips, advancement tests, and intercamp competition really began in earnest last week at camp. The Juniors took their first long trip of the summer to Mt. McSully by hwywagon, and pitched tents for an overnight stay. It was fun cooking dinner and eating outdoors, and it was even fun listening to the rain on the tents through the night. It's a beautiful place to camp, there on Lake Michigan, and Cabins 14 and 15, in the Senior section, thought it was a good idea, too. Dan Bellinger, Frank Black, Dick Grant, Jim Hegenfritz, and Frank Jackson went as a group from Cabin 14, and from 15 were Timmy Arango, Bob Laugherty, Hugh McKay, Clint Stubbins, Ned Thomson, and Gray Tutill. It was a horseback trip, and the boys left in the afternoon on Monday, the 15th, and returned the next morning after cooking their own breakfast of flapjacks and bacon. Most of the week was spent however, getting ready for the triple sport match with Camp Hayowentha, on Torch Lake. After as much practice as possible in that short time, the softball, riflery and tennis teams showed off for Torch Lake with high spirits and high hopes. The Senior Varsity ball team included Barry Ewbank, catcher; Dave Gorsline, pitcher; Bob Laugherty, 1b; Dick Taylor, 2b; Timmy Arango, ss; Gray Tutill, 3b; Dick Means, lf; Len Garrity, cf; and Paul Smith, rf. Pat Farrer, Frank Smith and Karl Miller also made the trip as substitutes. It was a good game, the Hayowenthans winning, 7-3, with some excellent pitching by Dave Gorsline. Charlevoix came through on the tennis doubles, but lost two singles matches in close, fast games. The Rifle team brought back the big victory of the day, winning over the Hayowentha team by 39 pts. out of 500, every man on the Charlevoix team outshooting his opponent by at least a few points. Tommy Tomlinson, back on the team for another year, was high man for the day, with a 96 out of 100, and Clint Stubbins, new to riflery and matches this year, followed closely with a 95. The rest of the team included Dan Bellinger, Frank Jackson, and Jim and Wilbur Hegenfritz. The team was very elated over their good shooting and a pleasant match, and are eagerly looking forward to a return engagement.

Despite all the activity, at the all-camp weigh-ins on Thursday, it was discovered that 71 of the 105 boys at camp have gained in weight, with an average gain of at least one pound. It speaks well for the Andersons' cooking, and so do I speak well of it, if you'll ask me. I'm looking forward to that final banquet on Thursday, August 22.

Mrs. John Fratrack
Mrs. Elmer Lyons entertained
the Epworth Ladies Aid at the
Hilton school house Wednesday

afternoon. There were 14 present.
After the regular business meet-
ing a lovely supper was served.
The next Aid meeting will be held
at the park.

The Epworth Ladies Aid held
their annual picnic at the Charle-
voix park Sunday. There were 28
adults present and 13 children. A
lovely potluck lunch was served,
including home made ice cream
and cake.

MRS. A. B. LAWTON

(TOO LATE FOR LAST WEEK)

Dr. Mitchell and family returned to their home in Detroit Wednesday.

Mr. and Mrs. Thomas Cox of Kalamazoo are visiting Mrs. Cox's sister and brother-in-law, Mr. and Mrs. Lawrence Jensen, this week.

Theodore LeCrox met with quite a painful accident the 4th, while raking hay. One of his horses broke its bit, causing the team to run away. They struck a telephone pole where they divided, wrecking the rake and throwing Theodore to the ground, who sustained a sprained shoulder and badly bruised ankle. Fortunately no bones were broken.

Mrs. Jensen and Mrs. Cox called on Mrs. Lawton Thursday afternoon.

Miss Dorothy Thomas, now a registered nurse in Detroit, made a short surprise call on her aunt, Mrs. Lawton, last Saturday afternoon.

Miss Freda Alm is visiting her parents. She has been doing government work at Washington, D. C., but hopes to be transferred to Detroit.

Former Resident Dies In San Diego

Final rites were conducted at 2 p. m. Friday in Rogers chapel, San Diego, Calif., for Vernon S. Payton, 56, proprietor of the White Cross drug store in that city, and charter member of East San Diego service club, who died Monday in a San Diego hospital. The Rev. Dullas R. Turner officiated and the East San Diego Lodge 561, F & A M, were in charge.

A San Diegan 24 years, Mr. Payton was a charter member of the East San Diego Chamber of Commerce and Kiwanis club. He was affiliated with the Brooklyn Heights Presbyterian church, Traverse City Lodge No. 222 F & A M, and the San Diego Drugists association. He was born in Charlevoix and made his home at 4700 Valencia street, San Diego.

Survivors are his widow, Mildred B. Payton; two daughters, Mrs. Virginia L. Bacon, of Boston, Mass., and Mrs. Helen Carr, of South Bend, Ind.; a son, Donald S. Payton, of San Diego; a sister, Miss Minnie E. Payton, also of San Diego, and four grandchildren.

Veteran Coastguardsman
Dies of Heart Attack

William F. Barnhart, 60, veteran of 33 years of Coast Guard service and resident of Grand Haven for the past 12 years, died in that city Wednesday from a heart attack.

Born in Ludington, he served with the Coast Guard 13 years at South Manitou island, 13 years at Charlevoix and seven years in the Grand Haven district repair shops. He retired as a motor machinist's mate, first class in 1941.

He was a member of the American Legion and attended St. Patrick's Catholic church.

Surviving are his widow, Mattie; a daughter, Mrs. Gladys Charter, and a step-daughter, Mrs. Beatrice Holmes, of Grand Haven; a step-son, George Thompson, of Muskegon; seven grandchildren; three brothers and three sisters.

Funeral services were held at the St. Patrick's church, Grand Haven, Saturday. Interment was at Ludington.

Land Buyers Cautioned By Highway Comm.

Persons interested in buying land or lots fronting on a state trunkline were today cautioned by Highway commissioner Chas. M. Ziegler against making such a purchase without first inquiring about access regulations. Ziegler emphasized three points that must be followed:

1. Permits must be obtained through a Highway Department district maintenance engineer or the Lansing office before new entrances can be constructed, or existing entrances being changed must conform to established highway standards.

2. On so-called limited access highways, permits for private entrance cannot be granted, and access will be only at established roads.

3. The Highway Department will not build entrances for new homes or other establishments developed along the highway.

When a new highway is constructed, the Department builds connections to existing roads. After the highway is built, the rule works the other way. The landowner must obtain permits and build or pay for new connections.

Business establishments and public gathering places must also provide adequate parking space off the highway right-of-way.

156,000 Telephones Installed in Michigan in 6 Months...

But 100,000 families are still waiting

Severe shortages of lead, copper and other materials which go into telephone equipment have upset our time-table for clearing up waiting lists.

Even so, during the first half of this year, Michigan Bell

installed new telephones at the fastest rate in its history—on average of 26,000 per month.

But also received new orders at the fastest rate in history—on average of 27,000 applications per month.

Added 340,000 miles of wire and installed enough additional central office switching equipment to serve 50,000 new customers.

Cleared waiting lists in 27 Michigan Bell exchanges.

As the second half of 1946 gets under way, there are still 100,000 families waiting for telephones. Of these, 49,000 have placed their orders since the first of the year.

We still have to expand our facilities in 200 exchanges to give service to everyone who has ordered a telephone.

We now hope that most of the orders for service received before January 1, 1946, can be filled by the end of the year. In some areas, of course, we expect to complete many orders received this year, but it may be late 1947 before we can return to a "ready-to-serve" basis everywhere.

Meanwhile, we are loading our present equipment far beyond its normal capacity, to shorten the wait for as many folks as possible. This may affect the quality of service for the time being. But normal service will return as we install the needed lines and equipment.

Waiting applicants can be certain that we are just as anxious as they are to see their orders filled at the earliest possible date.

* Long Distance lines and switchboards serving Michigan resort areas are extra busy this summer. On calls to and from those areas, you'll get better service by avoiding the rush hours—10 A.M. to noon and 7 to 9 P.M. Keeping calls brief will help too.

Mrs. Clara E. Helms, 71, widow of the late James Bird Helms, died at her home Wednesday, following a heart attack. Funeral services were held at the See funeral home at 2 o'clock Saturday afternoon with the Rev. W. D. Wood officiating. Interment was in the Brookside cemetery.

Clara Elizabeth Austin was

born at Utica, N. Y., on May 11, 1875, and came to Michigan as a young girl. She was married to Mr. Helms at Bellaire in March, 1901, and resided in North Dakota a short time before coming to Marion township in 1902. They moved to Charlevoix in 1913. Mr. Helms preceded her in death Oct. 25, 1945.

She is survived by two sons, Elmo, of Detroit, and Ilo, of this city; six grandchildren and one great-grandchild.

Kroger Employees In U.S. Service Back on Job

Approximately 40 per cent of all regular employees of The Kroger Co. served in the armed forces during the war, Joseph B. Hall, Kroger president, revealed in his semi-annual report released to shareholders this week.

He added that most of the 7,500 Kroger veterans who have been on military leave of absence have been released from the service and more than 75 per cent of them are back with the company. In his report Mr. Hall laid particular stress on the additional strength the organization has gained through the return of these veterans.

In a recent interview he said: "Almost without exception we find our veterans are more capable and more serious about their jobs than when they left. Experience and added maturity they gained while in the service stands them in good stead now that they are back."

"Every returning Kroger veteran is given an opportunity to renew acquaintances in the organization and to discuss with our key men operating changes that have taken place during the war. We want them to know immediately how much we have missed them and how glad we are to have them back. In many instances retraining or additional training is provided before the veteran actually goes back on the job. Of course, he is paid his full salary during any training or reorientation period. Probably as a result of this program, there have been no serious readjustment problems," he continued.

Reporting sales of \$236,475,155 and net income of \$4,193,731 for the first 24 weeks of 1946, Mr. Hall pointed out that this amounts to less than two cents return on each dollar of sales.

Average number of Kroger stores operated in midwest and southern states during the first half of 1946 was 2,704, a decrease of 143 from the same period a year ago.

District Legion and Auxiliary Met In Petoskey

The American Legion posts and their auxiliaries of the lower 11th district met at the Elk's Temple in Petoskey, last Sunday.

Lloyd Leavitt of Alpena was named district committeeman to succeed Vernon N. Spencer, of Kalkaska. Howard Gilman, of Petoskey, was chosen as alternate district committeeman. Mr. Spencer then appointed Dr. Charles J. Gray and Cyril Smith, of Petoskey, and Mr. Leavitt to serve as the steering committee for the district at the state convention.

At the Auxiliary meeting, Mrs. Charles Henika, of Petoskey, presided. Mrs. Ann Rogers Kubinski, of Alpena, was elected district president to succeed Mrs. Henika and Mrs. Rose Humphrey was named vice president. Mrs. Henika was elected delegate to the national convention in California this fall.

Following the joint meetings, lunch was served by the Petoskey units.

Those from Charlevoix who attended the meeting were Mrs. Charles Reinhart, Mrs. Martin Pedersen, Mrs. Allen Ulrich, Mrs. Tom Bacot and Mrs. Harry Walstad.

GIVES REPORT

The American Legion Auxiliary at their regular meeting last week heard a report from Miss Camille Geneit, whom the auxiliary sent to the annual Girls' State at Ann Arbor last month. She gave an interesting and de-

tailed report on the event. Mrs. Harry Walstad gave a report at the lower 11th district meeting of the organization held in Petoskey last Sunday.

A social hour and refreshments served by Mrs. Charles Reinhart and Mrs. Lyda McGhan followed. Ten members and four guests were present.

The next meeting will be a social gathering at the home of Mrs. Victor Breece, Clinton street, on August 5.

ELLSWORTH NOTES By John Timmer

The annual mission fest, sponsored by Atwood and Barnard Reformed and Atwood and Ellsworth Christian Reformed churches, will be held Thursday, Aug. 1, at Atwood county park, near Eastport. At 10:30 a. m., Rev. Gratus Aalberts will be in charge of a hymn sing. The afternoon program will be in charge of Rev. Herman Goodyke and the speakers will be Rev. Harry Blystra, pastor of Graafschap Christian Reformed church, and Rev. Bernard M. Lauen of Kalamazoo, acting secretary of foreign missions for the Reformed church of America. All lovers of missions are urged to attend.

The local canning plant of Reid, Murdoch & Co. has been packing cherries for ten days and started working day and night shifts on Friday. The crop is large and will probably equal the large 1944 crop, according to Manager Elmer H. Hood. Installation of a new automatic cooker and cooler, four new pitters and four additional storage tanks will increase processing capacity to 200 tons per 20-hour day. About 50 thousand cases of cherries will be packed.

Rev. Ellsworth Dykstra, pastor of Barnard Reformed church, will speak at the outdoor community service Sunday night at the public school grounds. Robert Conley of Bellaire will sing and other good musical numbers will be given. Be there at 7:15.

We will have Seal of Minnesota Flour about Aug. 1. Order now. First come, first served. John Timmer, phone 3, Ellsworth.

As a newcomer to our city, we welcome Miss Kathleen Tegels of Oetroit, who is the new traffic manager for Michigan Central Airlines. A graduate of Central Airlines school of Kansas City, Mo., Miss Tegels maintains her office in the Board of Commerce building on Bridge street.

Mrs. Ralph Young is back on Bridge street again after a short absence from business circles. In the employ of Fred Meyer's confectionery store until he sold it recently, Mrs. Young now works in the newly-acquired Gift Shop next door.

Everything is going up these days. Even the population of our city is now listed as 8,000.

An apple sold for 80c in Salt Lake City last week. There must have been a silk-worm in it.

If you want to avoid that run-down feeling, be careful when walking on Bridge street.

Even 25 years ago were pretty "good old days" when we look back at them today. Eggs were 10c a dozen, milk was 5c a qt., the butcher gave away liver and the hired girl received a dollar a week and done the family washing.

It pays to have your car brakes checked and tightened periodically. Last week a motorist stopped his car so fast that his wife, riding with him, bit her tongue in two and hasn't been able to talk since.

Thursday, July 25, was a big day in marine history here, reports Joe Howard, harbor master, and he should know for he's been a resident here for more than 40 years. Says Joe: "We had the largest number of boats in our harbor on that day—50 in all, 38 sailing vessels and 12 power boats. Many had participated in the Chicago-Mackinac race and others were spectators to the race. Mr. Howard states that all enjoyed their visit to Charlevoix and promised to return again."

The 'long and short' were exposed to the camera this week when "Doc" Kerns posed for cameras with "Johnny" of Philip Morris fame. This column would like the snapshot, Doc, just for comparison!

Homecoming In August for Historic Beaver Island

On the second Sunday in August Beaver Island will hold its annual Homecoming and this year "the news is going around" that plans are being made for the best celebration in many years.

With the war over and a goodly number of the boys already home from Uncle Sam's Service, together with the fact that war time restrictions are lifted, will make possible the largest attendance in many years.

Some of the features for the occasion will be an old-fashioned sure enough home cooked dinner with plenty to eat, a horse race, consisting of two heats will be run at 4 o'clock in the afternoon. Beaver Island has many fine horses that are just 'rarin' to go and an equally fine number of favorite sons who can handle a horse just about as easy as they can a boat (and it's no secret as to their ability as sailors). First and second cash prizes will be awarded

County Commission Purchases New Road Equipment

The Charlevoix County Road Commission announces the purchase and arrival of an Osgood Revolving 1/2 yard, 5 to 6 Ton Crane and also a Caterpillar D-7 Crawler Tractor (Bulldozer). Both of these articles are new and were purchased from the War Assets Corporation at a saving for the County of more than \$8,200.

Both pieces of equipment were sorely needed and the delivery dates of similar equipment purchased from the factory would have been from six months to one year.

They were immediately placed in operation and at the present are working on construction which could not be completed because of the lack of equipment.

One of the first operations for the Crane was the unloading of three carloads of steel purchased by the State Highway Department for the new Highway Bridge at Charlevoix. These are the first of five carloads purchased for this construction and it is hoped that delivery of the balance of the steel and other materials purchased will be at an early date so that the contract for this project may be let.

Bowling Alley Open for Play

Leonard L. Gamble, of Grand Blanc, and Del Becher, of Flint, co-owners of the Charlevoix bowling alleys, this week announce the opening of six Brunswick alleys in the Alhambra hotel building.

The owners invite residents to inspect the alleys and engage in this great game for healthful recreation. The Alhambra hotel is also open. Thirty-six rooms have been made available for public use. Mr. Gamble, who will assume active management, has had many years' experience in bowling and management of alleys. Together with his wife and daughter, Patsy Ann, they will reside in the Alhambra.

86 Guests Attend Alumni Banquet

Places were set for 86 guests at the Charlevoix High School Alumni Association banquet, held Sunday afternoon in the Lakeview Inn dining room.

David Hamilton, CHS '45, president, welcomed the guests and introduced Toastmaster Robert G. Burns, '21. Speakers included CHS graduates Rolfe L. Lewis, '03, Robert Bridge, '12, Hubert E. Paddeck, '10, and Mrs. Arthur Weststaff, '17, also Superintendent Roy G. Bennett and Mrs. Walter Bergeron, secretary of the Board of Education.

Miss Frances Martin, '27, will serve as president of the association for the next two years. Retiring officers are David Hamilton, president; Jack Abfalter, '45, vice president; and Miss Anne Campbell, '45, secretary, who were named vice presidents of the organization. Other new officers are: secretary, Miss Anne Higgins, '37; treasurer, Mrs. Elmer Gilson, '29.

Time did not permit presentation of the constitution and by-laws, which will be made public at a later date. Plans are already in the making for another meeting in 1948, when CHS will observe the 60th anniversary of its first commencement exercises.

Hospital Board Met Wednesday

The Annual meeting of the Charlevoix Hospital Ass'n was held last Wednesday evening, in the City Hall here.

The various reports given at this meeting showed the past year to be a busy one for the hospital. The number of patients treated, and the number of hospital days showed a decided increase over the previous years. An item of interest to be noted is that the number of births increased 15 percent (160) while the number of deaths dropped 40 percent (22).

The Treasurer's report also revealed substantial increase in patients' receipts. This increase, however is offset by higher operation costs, composed almost entirely of wages and salaries paid. Very little new equipment was purchased during the past year. The Board has continued to give pay boosts to all employees in keeping with the higher cost of living. Substantial increases have also been given during the past year.

The term of three directors expired at this time, namely that of Mr. H. A. Craig, Allen Campbell, and Dr. McMillan. Dr. McMillan was unanimously chosen to succeed himself, while Dr. Saltonstall and Mrs. Ellen Hamilton were chosen to succeed Mr. Campbell, and Mr. Craig, respectively.

The retirement of Mr. Craig at this time ends a long period of service for him in the interest of the local hospital. In view of this long and valued period of service, Dr. Saltonstall voiced the appreciation of the members assembled, and also for the citizens of Charlevoix, for Mr. Craig's untiring efforts in behalf of the hospital.

NOTICE OF FARM LABOR WAGE EARNINGS

The Charlevoix County Farm Labor Board will hold a public hearing at the Ellsworth Community Hall, Thursday evening, August 1st, 1946 at 8:30 p. m. for the purpose of setting up prevailing wage rates for picking string beans, cucumbers, sweet corn, apples and potatoes.

Farm operators, agricultural workers and other interested persons are invited to present testimony to assist the Board in making its recommendations to the State Extension Director, according to Ed. Rehman, Chairman of the board.

ATTEND MEETING

Prosecutor and Mrs. C. M. Bice and daughter, Bernara, attended the annual County Prosecutors' convention, held at the Grand Hotel, Mackinac Island, July 25-27.

HE'S HERE!

Mr. Johnson, our traveling typewriter and adding machine repairman, is here and will be located next to the Courier office for a few days. Bring your machine over, or call No. 2, we'll send a man to pick it up!

Artificial Breeders Association Plans Another Meeting

A group of interested farmers from Antrim and Charlevoix counties met July 25th at the Bentley Hills School House for report on the progress on the local Artificial Breeders Association. Paul Doctor, Secretary-Treasurer of the Association gave the following report:

"Twenty-nine farmers had signed up a total of 342 cows of all breeds. The leading breed was Guernsey whereby fifteen farmers had signed up 194 cows. About one hundred Guernseys are still needed since this is to be the minimum of three hundred cows before Artificial insemination can be started. The other two breeds of Holsteins and Jerseys need a few more cows to bring them up to the minimum of 100. The advantage is that the bulls used are the very best obtainable since they are proven sires and you have a greater assurance that the calves dropped will be better than their mothers. The charges for belonging to this Association are very nominal. There is a membership fee of five dollars paid only once. There is a finance fee of one dollar paid only once. The service fee is five dollars and includes up to three services per cow."

If any more farmers are interested in joining this Association to secure the use of good bulls and to improve their herd they should contact either Harold Totten or Verne McGhan who are Directors in the Association or Ed Rehman, County Agr'l Agent. Another meeting is planned for Tuesday, August 6th at 8:30 in the evening at the Bentley Hills School house. We hope by that time that we will have the necessary 300 cows of the major breed and the 100 cows for the other two breeds.

Ed. Rehman, Co. Agr'l Agent

BULLETIN

Three hundred fifty employees of the Reid Murdoch Canning Co. at Ellsworth, who walked out of the plant on strike Monday noon, were still out late Tuesday afternoon while officials of the company and the Union, Food and Tobacco, Affiliated CIO Local No. 74, sought a meeting in an effort to settle the strike. Employees are seeking a 25-cent hourly wage increase and overtime pay after 40 hours. Their wage scale is at present from 65 to 80 cents per hour and they draw overtime after 56 hours.

Elmer H. Root, manager of the plant, stated that 85 tons of cherries were on hand at the plant and a prolonged strike may lead to the spoiling of them. Although only one-third of the cherry crop has been harvested, according to the report from growers, Mr. Root said that the crop would be diverted to other company plants in Southern Michigan.

John Fredericks, of Detroit, member of the State Labor Union District Board, and Edgar Hunt of Saginaw, of the Federal Conciliation Service, arrived in Ellsworth Tuesday to meet with company and union officials.

Leo LaCroix is president of the striking union.

FORMER CHARLEVOIX RESIDENT ELECTED LEGION COMMANDER

Hubert A. Bearss, former resident and now superintendent of Springport, Mich. schools, was elected commander of the second district of the American Legion at a meeting held at the Hotel Haynes, Jackson, Mich., July 14.

The second district is comprised of 30 active posts with a membership of 12,000 in Leeward, Jackson, Washtenaw and Clinton counties. Mr. Bearss has been an active member of the American Legion for 25 years and has served as commander of his local post. During World War I he served with the 50th Infantry Regular Army.

Mr. Bearss is a former resident and was director of the Charlevoix city band.

OFF TO CONVENTION

Lt. Cmdr. Twite Charlevoix Visitor

Lt. Cmdr. E. C. Twite, of Cincinnati, is visiting in the home of his brother-in-law and sister, Mr. and Mrs. Raymond Cross.

Lt. Cmdr. Twite, an inspector of naval material, is the officer in charge of Plant Facilities for the Cincinnati district which comprises Louisville, Indianapolis, and Dayton areas in addition to Cincinnati.

The Cincinnati Navy office is cognizant of the disposition of over 50 million dollars worth of Navy owned plants, machine tools and equipment.

Twite was commissioned in April, 1944, and has been stationed in Washington and Cincinnati. Prior to his commission in the Navy Department he was employed in Washington, D. C., by the Office, Chief of Engineers, U. S. Army.

Board Members Resign

Dr. Bernard J. Reuker, of East Jordan, and James Dean, of Boyne City, who have served on Charlevoix county drift board since the board was formed in 1940, have resigned effective July 1.

Gilbert Lindsay, of Boyne City, Charlevoix county Veterans' Counsellor, and George Secord, of East Jordan, both veterans of World War II, have been recommended for the positions left vacant by the resignations of the two men. Their appointments are expected from Washington in the near future.

Pioneer Residents Celebrate 69th Wedding Anniversary

Mr. and Mrs. Joseph V. Shores, pioneer residents of Charlevoix, observed their sixty-ninth wedding anniversary at their home at 508 Michigan ave. on Tuesday, July 22. The couple spent a quiet day at home with several of their children. They received many remembrances of the anniversary from friends and relatives.

Mr. and Mrs. Shores were married at Elk Rapids on July 22, 1877, and have always lived in this community. Mr. Shores was a lumberman and for many years operated lumber camps throughout northern Michigan for the old Nichols lumber company.

Mr. Shores was born in New York state on June 12, 1857, and came to Michigan about 1865.

Rev. Luben Speaker at Mission Fest

The annual co-operative Mission Fest, sponsored by the Ellsworth Reformed church, the Atwood Christian Reformed church, the Atwood Reformed church and the Barnard Reformed church, will be held at Eastport on Thursday, August 1.

The all-day event will open at 10:30 a. m. with a hymn sing followed by special numbers by the singers of the various churches. At noon a co-operative lunch will be served.

The speakers at the afternoon session will be the Rev. Harry Blystra, of the Christian Reformed church, and the Rev. Barnard Luben, of the Reformed church. Both men are prominent in the Mission field in their respective churches and will speak on the topic of Missions.

The Rev. Blystra is now serving a large church at Graafschap near Holland, Mich. He has for many years served his denomination in the Home Missions Committee and both in his former charge, at Prinsburg, Minn., and in his present charge he has served frequently as guest speaker on Missions. His interest in missions also lead to his serving for many years on the various committees on Missions for Classis Holland.

He is a graduate of Calvin College and Seminary.

During the afternoon he will have charge of a special children's program and will speak on his experiences in the Mission field as they would interest children.

Special music for the services will be presented by the choirs of the churches represented.

The day will close with a program of sports and a ball game.

Everyone is cordially invited to attend the event.

The Rev. Luben will be the guest speaker on Sunday, August 1, at the 9:30 a. m. services at the Atwood Reformed church and at the 1:30 p. m. services of the Barnard Reformed church.

Friends and Relatives Pay Last Respects to Frances L. Winnie

Old time friends, three daughters, a brother and many "relatives" of Mrs. Frances L. Winnie, nee Vosburgh, gathered together Wednesday at 2 p. m. to pay their last respects to her memory, as her ashes were laid to rest in the family plot at Brookside cemetery.

Her eldest daughter, Mrs. Cynthia Raymond, of Belvedere, Ill., was unable to be with them because of illness. Daughters present were Mrs. Lucy Molet and Mrs. Grace Demeroukas, of this city, and Mrs. Myrtle Smith, of Bangor, Mich., and a brother, Charles Vosburgh, also of this city.

Services were conducted at the grave by the Rev. W. D. Wood, of the Church of God. Appropriate hymns were rendered by Mrs. C. J. Feidler.

An estimated crowd of 25,000 people gathered in the natural amphitheatre overlooking Round Lake Sunday evening to witness the Venetian Night parade and fireworks, an annual event, sponsored by the Marine club in connection with the Board of Commerce.

Promptly at 9 p. m., after band numbers were concluded, the colorful parade began.

A huge sky-rocket, bursting in mid-air over the railroad trestle, gave warning of the approaching boats as they entered Round Lake from Lake Charlevoix. Soon the Wil-Met, owned by Louis Wallace, and the Maribo, skippered by Hollis Drew, of East Jordan, could be seen entering Round Lake, followed by other boats on either side of the parade waters, all slowly winding their way to the judges' stand at the city park, where they circled in review.

More rockets and flares above the lake added to the beautiful sight, and enhanced with harmony the colorful scene as the boats moved steadily forward with precision accuracy in a definite line to the reviewing stand where the judges made the awards.

Board of judges was composed of Capt. Craig Ketchum, of the "Geminis", Capt. George E. Fox, of the "Tecumseh", Capt. Merile Eiling, of the "San Marco", and Capt. J. J. Schatten, of the "Chez Moi".

Winners in the parade were Clarence Wood, whose boat was decorated as a side-wheeler, first prize; John and Sonja Nordrum took second prize with a Viking ship; third prize went to Hollis Drew, of East Jordan, whose boat was transformed into a beautiful white swan; Louis Wallace's boat, as a Sea Serpent, placed fourth, and Bernie Ward won fifth place.

A program of Sea Chanties by the boys' chorus from Camp Charlevoix; a concert by the Marine Band, and several numbers by the Saturday Nighters, a barbershop quartette, preceded the parade.

Miss Dorothy Meyer, of West Chicago, rendered two vocal selections during the intermission of the band numbers, which were favorably received.

Zack Whyte, master of the ivorys, thrilled the crowd with several piano selections.

To Glenn Pemberton, of the Pemberton Radio Service, much credit is due for the manner in which he "set up" and cured for the public address system.

During the afternoon, a water carnival was held in Round Lake, off East park with many Charlevoixans and visitors taking part.

Winners in the events follow:

CAMP CHARLEVOIX

NEWS OF ACTIVITIES

Jim Land, Scribe

The big Camp Charlevoix Rodeo and Roundup on Thursday, Aug. 22, will be followed with the final banquet in the evening. After an afternoon of thrills and skill under the direction of Cowboy Reed Brown, the camping season will close with a toast to the winning team. The boys will be ready to leave Saturday morning for home and another school year.

Saturday night, July 20, was Truth or Consequences night at camp, and because they couldn't tell the truth, Joel Grossman and Dick Means had to feed each other salad dressing—blindfolded! This Saturday, July 27, was story night around the firelight in the big lodge, and the tall tales and legends held the listeners till the flames died to embers.

The traditional Special Trip to Mackinac Island this year will go out on Monday, the 29th. This is the annual trip for the first 30 campers to sign for the camp season. George Villerot was the first camper to apply, and will be first in the list for the Special Trip next year.

Saturday afternoon, July 27, the Juniors went into Charlevoix to attend the circus, and came back with vivid tales of the show under the big top. Sunday evening the following boys went into Charlevoix to sing Sea Chanties for the Venetian Night celebration: Doug Kellogg, John Howell, Ted Highley, Gray Tuthill, Bill Keer, Tom Tomlinson, Dick Means, Ned Thompson, Darrell Bell, Dan Bellinger, Bill Craig, Dave Gorsline, Ralph Glowacki, Fred Pryor, Homer Harrison, Earl Larson, Frank Black, Tim Arango, Bob Laugherty, Tom Payne, Dave Harding, Leo Garrity, Paul and Frank Smith, Karl Miller, Don Taylor, Pat Pfarrer, Jim Ilgenfritz, Frank Jackson, Don Green, Bob Eschbach, and Dick Doll.

The activity program has progressed rapidly during the week. In sailing, 16 boys have passed their Ordinary Seaman test: Tim Arango, Frank Black, Ralph Glowacki, Dick Grant, Don Green, Harvey Keith, Bob Laugherty, Hugh McKay, Ted Miller, Walter Molesky, Eugene Nelson, Don Pfarrer, Fred Pryor, Dave Smith, John Surbis and Gray Tuthill.

Forty-two boys received awards in riflery for the past four weeks. Of these, the highest awards went to Jim Ilgenfritz and John Surbis, sharpshooters; Ilgenfritz, Surbis, and Frank Jackson, 1st bar; Ilgenfritz and Jackson, 2nd bar; and Dan Bellinger, 3rd bar.

In Canoeing, six boys have passed the Class B test: Dick Grant, Dick Means, Paul Smith, Frank Smith, Clinton Stubbins, and Gray Tuthill.

Saturday and Sunday were visiting days at Camp Charlevoix, and among the parents to visit their sons were Mr. and Mrs. Bruce A. McKay, of Wyandotte; George Villerot, of Grosse Pointe; Mr. and Mrs. Norman Freehling, of Chicago; and Mrs. William Black and Mrs. Nina Dunlavy of Detroit.

Friday night the Michigan Conservation department presented movies at camp. After a short feature about hunting dogs and an interesting and educational feature on the white-tail deer, the evening came to a close with a thrilling presentation of Michigan trout fishing.

WHEATON CORNERS

W. H. Supernaw, Reporter

Everybody is busy haying nowadays. Most are about done and getting ready to harvest the wheat crop. There are several acres of very nice wheat in and around Wheaton Corners.

William Penn, Mrs. Penn and their son enlivened on Frank Carman. Mrs. Penn is a niece of Mr. Carman, and the daughter of John Rhinehart of Ellsworth is helping J. L. Dice with his haying. Mr. and Mrs. Ed. Jones were called to Pontiac on account of the death of their son, Robert.

Mrs. Strickler, sister of I. L. Dice, is visiting at Mr. and Mrs. Dice's for a short time. They have taken her for several fishing trips and she always brings back a nice string of bass.

Ed Jones called on W. H. Supernaw Sunday. They just returned from Fort Haron. He said they were held up for several minutes on account of rain. Just had to pull off to the side of the road. Couldn't see to drive.

Mr. and Mrs. I. L. Dice and Mrs. Strickler visited at Mr. and Mrs. Parson's home at Ellsworth Sunday.

Frank Casman was a dinner guest at John Rhinehart in Charlevoix Sunday.

VOICE of the People

Items contributed in this column are the writer's own and do not necessarily represent the views of this newspaper.

Editor of the Courier:

Just a few words about the baseball park, football field and track, and athletic field in general.

I have often wondered why the city could not put a drinking fountain and ladies and men's toilet there? It seems to me that it would be money well spent and I am sure the crowds gathering there would appreciate it. Maybe a word from you or your paper would do some good.

I am not sure but I think the land belongs to the Legion, but I have an idea that something could be worked out satisfactorily.

I have had a good many people from out of town ask me where the rest rooms were, and I could only tell them to go down town, or to some gas station.

At one time there was a toilet in the Legion hall, but now the door is locked.

ELMER BARBER

To the Editor:

"A young lad, representing himself to be a disabled veteran and said he was taking treatment for shell-shock, came to my office Saturday, July 20, and presented a document having all the earmarks of authenticity, qualifying him to take subscriptions for a certain Disabled Veterans or Legion publication, stating that he was to receive a bonus of \$500 when he had secured 500 subs. He was authorized in document to collect in advance. I was falling hard, because of my sympathy for disabled veterans, but one question, leading to another, drew

from the lad that his father was a Baptist pastor in Detroit. When asked what church he had charge in, the lad could not tell. I checked my roster of Detroit Baptist pastors and showed him that his "father's" (?) name did not appear. He leaped from his chair and made a hasty retreat. When I went out to look for him, he had vanished.

REV. A. B. CLAYPOOLE

To the Editor:

Being a subscriber to your paper, I wish you would advise me through your columns if there is any regulation by the city council with reference to Taxi Cab fares. My reason for asking this question is that some of the Taxis charge 50c for two persons going from the 400 Block Dixon down to the shopping district, or 35c for one person; another taxi cab driver charges 70c, but what eaps the climax is, that today I called a taxi to take me home from Martin Block's store to the 400 Block on Dixon, and because I had a small sack of potatoes and two loaves of bread, he charged me 50c, stating that the taxi owners got together and agreed to charge the extra fare if anyone had groceries. Personally I knew I was being held up, so I wonder if the council will do anything about this abuse.

A SUBSCRIBER

(Editor's note: There is no regulation through ordinance in the city of Charlevoix at the present time, controlling taxi cab fares.

To the Editor:
Since I have lived in Charlevoix I have been chased by dogs, had my garden dug out by dogs and have at times counted 16 to 20 of them around our house.

We keep our dog on a chain and wish others would do the same.

I wrote to the Michigan Farmer to get the dog laws because you can't get them here.

I understand there was a law passed around 10 years ago to

keep dogs tied in Charlevoix. Do you know if this is so? If it is I would like to see it enforced.

Here is the answer from the Michigan Farmer:

"These laws are state laws. Each county sets certain rules and regulations, which may differ as to the date in which licenses must be obtained, amount of fines, etc. Townships many times set an regulations which are followed. Almost all incorporated cities have such rules. These can be obtained from the police department.

You live in the city proper, so you can, therefore, obtain all information regarding the data by which licenses must be purchased, the fines given, if dogs are found running loose with no license, and the rights of persons within the city limits concerning stray dogs upon their property. If there are no rules pertaining to dogs in Charlevoix (and we doubt this) then check to see what governs the township in these matters; if the township has no regulations about dogs, then go to your county sheriff. We are confident, however, that you can obtain such information from your police.

"I would be interested in knowing if there is nothing in your city laws which prohibits stray dogs running at large, without a license."

A SUBSCRIBER

To the Editor:

"It has come to my attention recently that there is a definite shortage of storage or housing for sizeable motor boats and I wondered whether it would not be possible for the city of Charlevoix to assume the responsibility to house the boats of guests and residents that either live or visit Charlevoix.

"The City Fathers ought to realize that Charlevoix has and is prospering because of the climate and sporting facilities that it has to offer and folks are encouraged to come to Charlevoix because of the natural resources that they are fortunate to possess. Either private capital or the city should assume the obligation of providing boat houses. There is a dire need for them at a reasonable rental.

"I think this matter is important and I bring it to the attention of the City in behalf of myself and others who are complaining of the situation. I hope that something will be done about it."

ROCK ELM

MRS. A. B. LAWTON

Harry Fowler called on Mr. and Mrs. Lawrence Jensen one day this week.

This has been a busy corner this week. So many cars parked along the roadside that it looked almost like a city street. Lawrence Jensen has about 200 pickers working in his orchard. The harvest will not be completed until next week.

Mr. Porter started harvesting the cherries in his orchard Friday, with about 500 pickers. He obtained the use of two of the school buses to bring out some of the pickers, who had no other means of transportation. The cherry crop has turned out much better than was thought possible in the spring when so many hard frosts were coming.

When you call Long Distance

WATCH

★ The time of day you call
★ The length of your conversation

With this summer's record-breaking load on Long Distance lines and switchboards, smart telephone users in resort areas keep watch on the time they place their calls.

At certain times of day it may be impossible to put your Long Distance call through promptly. The peak periods are from 10 A.M. to noon, and 7 to 9 P.M.* By avoiding those hours whenever you can, you help improve your own service and Long Distance service in general. The length of your calls is something to watch, too. Please try to keep them as brief as possible. Thanks a lot!

How to get the most out of rural telephone lines

We're building more rural lines, as fast as we can, in order to reduce the number of telephones on overcrowded lines. But it's a big job that can't be done overnight.

In the meantime, rural line neighbors can get better service by:

- 1 Keeping all calls reasonably short and allowing an interval between calls.
- 2 Avoiding unnecessary interruptions when the line is in use.
- 3 Releasing the line as soon as possible when someone else is waiting to use it.
- 4 Hanging up the receiver carefully to make sure the line is kept free.

BIBLE QUESTIONS ANSWERED BY THE VOICE OF PROPHECY INTERNATIONAL BIBLE BROADCASTER

Question—What was the first city in the world?

Answer—The city of Enoch built by Cain was the first city mentioned in the Scriptures. (See Genesis 4:17.)

Q.—Is the motto, "In God we trust," in the Bible?

A.—It is not; but in Psalm 56: 11 David said, "In God have I put my trust"; and in Job 13:15 are Job's words, "Though He slay me, yet will I trust in Him."

Q.—Can you give a brief list of the vegetables known in Bible times?

A.—Beans (2 Samuel 17:23); Calamus (Song of Solomon 4:14); Garlic (Number 11:5); Gourde (2 Kings 4:39); Leeks (Numbers 11:5); Onions (Number 11:5); Lentils (Genesis 25:34); Cucumbers (Isaiah 1:3); Melons (Numbers 11:5).

Q.—Are the Holy Ghost and Holy Spirit different powers?

A.—The word "ghost" is an old English word meaning spirit, so the Holy Ghost and the Holy Spirit are the same. Both words are used in Acts 2:4: "And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance."

Q.—Does the soul return to God at the moment of death or sometime later?

A.—We do not read in the Holy Bible of the soul's returning to God, but we do read that "the spirit shall return unto God who gave it." Ecclesiastes 12:7. The normal man is spirit, soul, and body. "And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ." 1 Thessalonians 5:23.

Q.—Does the atomic bomb fulfill Revelation 13:13, 14?

A.—Evidently not, for it is a miracle performed to deceive men, rather than to destroy them. We quote the text: "And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, and he deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live."

Clarence Heise,
Chief of Police,
Somewhere in Charlevoix:

Dear "Chiefey": How remorseful you must be to find that your nephew had spent a night in jail because he was a bad boy! It's just been a couple of weeks ago since you tried for two days to track down a summer resident because he was seen coming out of a "beer" garden. You remind us of the fellow who passed by a \$10 bill to pick up a quarter. You are truly a great keeper of the PEACE! Residents of Dixon avenue have never seen you in the neighborhood of a certain club ap that way until "gee" day. What do you expect to find there now?

Certain complaints which we have received during the past months will be duly aired including the tremendous cost of repairs to the police car. Just as soon as the final data arrives, even the council as well as citizens, may be surprised to know just how it was done.

FOUR CALLED FOR PHYSICAL EXAMS

The following men have been ordered to report at the City Hall in Charlevoix, August 12, at 6:30 A.M., EST, for transportation to the Detroit Induction Station for Preinduction Physical examination: Charlevoix — Albert Charles Clark, Howard Gordon Strathern, Boyne City — Jack Lenard Price, Camp Charlevoix — Merrill Edwald Groble (transferred from Milwaukee, Wis.)

Lecturer at Baptist Church

MRS. MAIE CLEMENTS PERLEY

In the lecture, "Allies in Literature," Mrs. Perley will give a comparative and comprehensive study of three of the greatest figures in world literature: Leo Tolstoy of Russia, Thomas Hardy of England, and Thomas Wolfe of America. The talk will include a survey of the life and scenes of the three Masters and the prevailing social conditions which inspired the major works of each artist. In reviewing the best loved books of each author, Mrs. Perley will include, "Anna Karenina," "War and Peace," "The Return of the Native," "Tess of the D'Urbervilles," "Look Homeward Angel" and "Of Time and the River." The lecture is sponsored by the Carey-O'Brien Circle of the Baptist Church and will be given Wednesday evening, August 14, at 8:30 p.m. at the church.

Couple United In Church Wedding Saturday Morning

In the immaculate Conception church at Detroit, Miss Evelyn Helen Cicotte, daughter of Mr. and Mrs. Jack Cicotte, became the bride of Glenn J. Heise, son of Mr. and Mrs. William Heise, of this city, at 10 o'clock Saturday morning. The Rev. J. Kaczynski read the nuptial Mass before an altar decorated with white gladioli in the presence of 200 guests. Given in marriage by her father, the bride chose a gown of white embroidered marquisette fashioned with a high neckline, long sleeves and cathedral length train. Her fingertip veil fell from a heart-shaped tiara and she carried an arm bouquet of white roses. Miss Clara Kyniewicz, as maid of honor, wore a gown of pale blue satin and net fashioned with a sweetheart neckline and short sleeves. She wore a matching flower head-dress and carried an arm bouquet of red roses. Miss Victoria Gagliardi, Miss Alice Ecker and Miss Evelyn Bekey were bridesmaids. They wore identical gowns of yellow net made with square necks, bracelet length sleeves and full skirts ruffled in back to give a bustle effect. They wore matching flower head-dresses and carried bouquets of red roses tied with blue and yellow streamers. Theodore Cicotte, brother of the bride, assisted as best man. There were three groomsmen. Mrs. Cicotte wore a navy dress with matching accessories for her daughter's wedding. Mrs. Heise, mother of the bridegroom, wore a black crepe dress with black and white accessories. Both wore corsages of gardenias and yellow roses. Following the ceremony a breakfast for the bridal party and 150 guests was served at the Harp-Van Hall. The bride's table was centered with a four-tiered wedding cake topped by a miniature bride and groom. A wedding dinner and reception for 300 guests was held during the evening. The couple will make their home at 5448 Manor Ave. Detroit, following a two weeks wedding trip. The bride attended the Immaculate Conception schools in Detroit. The bridegroom is a graduate of the Charlevoix high school and was discharged from the army as a lieutenant in January, 1944, after serving more than two years. Those from Charlevoix who attended the wedding were Mr. and Mrs. William Heise, Miss Ruth Heise and Mrs. Robert Heise.

Skeet Shoot Opens Sunday

The Charlevoix Rod and Gun Club have placed traps on the city property, north of the Municipal Golf Club, and will officially open to the public next Sunday, August 11, at 2 p.m.

During the practice skeet shoot last Sunday, several local members were on hand to dust off a few "birds" preparatory to the opening next Sunday. High score in the "shoot" went to John Murray, summer resident here.

The public is invited to come over to the grounds and participate.

LABOR DAY PICNIC PLANS UNDERWAY

Plans are already underway for the annual Labor Day Picnic at Whiting Park. A program is being planned under the direction of County Agent Ed. Reiman which promises to be an outstanding event of the year. No exhibits are planned at the park since the Charlevoix County Fair is scheduled at East Jordan for September 3-6 and better facilities are available there to stage and show the products of the county. All farm organizations in the county including the Grange, Farm Union and Farm Bureau cooperating with the Agricultural Committee of the Board of Supervisors in sponsoring this event. Mr. Reiman is being assisted by a committee drawn from the membership of the various farm organizations. An attempt is being made to secure an outstanding speaker from Michigan State College. The program will start at 10 a.m. with events and prizes to attract the biggest picnic in Charlevoix County History. Watch for further publicity in the coming weeks.

Emmet County Outdoor Show August 23-24

Complete cooperation of the state conservation department has been promised the Emmet County Sportsmen's Club for its second annual Outdoor Show, to take place August 23 and 24, according to Herman W. Kays, club president. The department played a leading part in making last year's show a success.

"We participated in this show last year and our department is still receiving inquiries about the exhibits in Petaskey," said Harry Aldrich, regional supervisor. He mentioned that the Conservation Department will not have the same exhibit as last year but he promised that the display of animals will be better and if possible, bigger. Federation Park in Petaskey was alive with living examples of Michigan wildlife during the 1945 show.

Seek Stunt Man With the show date but three weeks away the executive committee, appointed early last week, is busy making contacts to find other suitable exhibitions and educational displays. Mr. Kays promises that Spikehorn and his bears from Spikehorn's Den on U.S. 27 near Harrison would be here again this year. If he has that date open, a communication has been mailed to Billy Girard of Gladstone, national birling and log stunt artist, inviting him to the event.

Arrangements have been made to have a larger barbecue pit this year—one that will handle 2000 pounds of meat, for two choice blue ribbon steers have been purchased and are now in the fattening process.

Industry Exhibit Evan P. Price and Jay C. Harbaugh, members of the executive committee are working on the industrial exhibits display. It is hoped that all manufacturers in Emmet County will cooperate and display what they manufacture here and have samples of their output on display during the show.

Other members of the committee have lined up a number of displays that will be given away during the two-day event. Grand prize will be 1946 Dodge DeLuxe Sedan. Other prizes include an electric refrigerator, electric stove a boat made by the Foster Boat Company, and many more. These prizes will be put on display in the windows of the Brown Motor Company on Mitchell street soon.

Mr. Price, Mr. Harbaugh, Harold Kneal, L. J. Beaudry, Glenn Anys and Norton M. Carter comprise the executive committee and this committee will in turn appoint the committees for the different events within the week.

Strike Ends at Reid, Murdoch

The three-day wildcat strike of 350 workers at the Reid Murdoch Canning Co. plant at Ellsworth ended last Thursday afternoon and packing of cherries was resumed.

The original contract signed on February 11, 1946, by the Local 74 of the Food, Tobacco and Agricultural Workers Union, CIO, remained in force without modification but the company agreed to increase rates 5-cents per hour across the board after the cherry pack is completed August 7, 1946. Union wage demands in the strike were for a 25-cent raise over the present 65 to 70 cents per hour.

Edgar W. Hunt, of the Federal Conciliation Service, John Fredricks, of the Michigan Labor Mediation Board, William Tryon, International representative of the CIO and Elmer Road, manager of the plant, in cooperation with the local Union committee, were responsible for the quick settlement of the dispute.

During the strike, more than 90 tons of cherries which were in the vats at the plant spoiled and were hauled out of the plant and spread on fields as fertilizer. They were valued at approximately \$20,000.

PAIR WIN TROPHY IN BIRCHES FIRST ANNUAL MIXED TENNIS TOURNAMENT

In the finals of the First Annual Birchess Pot Luck mixed Doubles Tennis Tournament, Mrs. Richard M. Loewenstein paired with Mr. James W. Singer Jr., defeated Mrs. James W. Singer Jr. and Roger Schwab 6-3, 6-4. The trophy representing this championship is a large slightly used aluminum corn boiling pot, which after being suitably inscribed will remain on exhibition in the Loewenstein kitchen.

Matches at Palace Theatre every day at 2:00 p.m.

Champions Will Sing Here

Featured in the fourth annual singing society's big party at the high school gym Saturday evening, Aug. 31, will be the "Gardenaires", 1945-6. State contest winners, pictured above, left to right: Earl Roberts, lead; George Danic, tenor; Charles Miller, baritone; and Howard Tuhla, bass. This smooth-singing combination was among the finalists in the Eighth Annual International Quartet contest held in Cleveland last June.

Elaborate preparations are being made for the best program yet sponsored by local Chapter No. 19 for this year's affair. A joint Charlevoix-Boyne City meeting was held at the Dilworth Hotel last Friday evening to arrange Boyne's participation. The local Chapter meets next Friday at 103 Clinton St., followed on Sunday by another joint meeting at Pine Lake Golf Club.

Feibleman-Rice Nuptials at Summit Lodge, Aug. 6

The marriage of Kathleen Rice, Charlevoix, and Jonathan C. Feibleman, of Boyne City, was celebrated at Summit Lodge, the summer home of the bride's grandparents, Mr. and Mrs. Charles Godchaux, in Charlevoix, on August 6. Miss Feibleman, the daughter of Mr. and Mrs. Thomas Jefferson Feibleman of New Orleans, and the granddaughter of Mr. and Mrs. Godchaux who have been coming to Charlevoix for forty years.

Former Teacher Wed at Marquette

Miss Gladys E. Anderson, daughter of Mrs. Albert Anderson and the late Mr. Anderson, of Marquette, became the bride of Howard D. Krause, son of Mrs. Lyle Witt, of Bay City, at a ceremony performed at the home of the bride's mother at 4 p.m. Wednesday, July 17. The Rev. T. L. Rydbeek read the service before an impressive array of white peonies and delphiniums.

Preceding the service, Mrs. O. E. Ohnig and Mrs. M. Clementson sang "I Love You Truly" and during the service "O Perfect Love". They were accompanied by Mrs. Edward Anderson who also played the traditional wedding marches.

The bride's gown of white net over satin was fashioned with a sweetheart neckline, bracelet length sleeves and a bouffant skirt. Her fingertip veil fell from a heart shaped tiara of white net and she carried an arm bouquet of white roses. Her only jewelry was a strand of pearls, a gift of the bridegroom.

Miss Evelyn Wiltzer, of Falls City, Neb., was her only attendant. She wore a gown of blue lace over satin made with long sleeves, fitted bodice and full skirt. She carried a bouquet of pink roses.

Judith Anderson, niece of the bride, was flower girl and wore a floor length dress of blue organza and carried a Colonial bouquet.

Edward Anderson, brother of the bride, assisted as best man and Nels Wahlgren, seated the guests.

Mrs. Anderson chose a light green afternoon dress, matching accessories and corsage of pink roses for her daughter's wedding. A reception for 150 guests followed the ceremony. The refreshment table, which held the tiered wedding cake, was decorated with a centerpiece of white snapdragons, petunias and blue mums and lighted with cathedral candles. The rooms were decorated with bouquets of white gladioli.

The couple left for a wedding trip through Wisconsin and Southern Michigan after which they will make their home in Saginaw. For traveling the bride wore a light blue crepe ensemble, white accessories and a corsage of gardenias.

The bride is a graduate of Northern Michigan College of Education and a member of the Phi Kappa Nu sorority. Prior to her marriage she taught in the Charlevoix and Traverse City schools.

The bridegroom was discharged from the Navy recently after serving 30 months in the Navy, two years of which were spent in the Pacific. He has resumed his position at the Blair Transit Co., Saginaw.

CAMP CHARLEVOIX

NEWS OF ACTIVITIES
Jim Land, Scribe

The fifth week of camp was indeed a week one could call "trip" week, though the long trips aren't up on the calendar until the 7th week. However, many cabins took overnight trips, and on Thursday evening there were ten cabins away from camp. But more of this later.

At the camp chapel service on Sunday morning, Dr. George Cavell, pastor of the First Presbyterian Church in Evansville, Indiana, was the speaker. The counselor's choir sang. In the afternoon, several of the campers and men went into town and took part in the swimming events in connection with the Venetian night program. As usual, the camp personnel did themselves honor. Mike Groelle, Newt Calhoun, Frank and Paul Smith, and Frank Jackson. In the evening, the camp club of forty boys and men gave a thirty minute program of "Sen Chanties" for the townspeople, and from all reports the usual good singing was heard.

On Monday the campers who were the first to enroll for the 1946 season were all taken to Mackinac Island by "Chief" Bud Holton, and Jack Hawley. They all had a great time touring the island and all thirty boys came back to camp very happy and proud that they were on this trip. Tuesday found much activity around camp as "Eck" Stinger, of the Ann Arbor press, was here to spend a few days taking pictures which will appear in a new camp catalog the "Chief" intends to get out this coming winter. The juniors had a Scavenger hunt in the evening and it was fun to hear the juniors running around camp looking for "ten live minnows," "five dead flies," "a nurse's cap," "a small American flag," etc. The Greys won the contest, so forgot about the Green-Grey competition 4-2.

Cabin 14 went into town to the movies on Wednesday night but the rest of the top two sections engaged in a scavenger hunt which was really quite an affair. The Greys won this also, no more they are leading the Green-Grey competition 4-2. Thursday saw a good exodus from camp, cabins 9, 10, 11, 16 went into town to the movies, while Phil Stedding, and Mike Groelle's boys took the canoe trip down the river to Jordan, under the guidance of canoe expert Bob Seitz. It was a great trip and these men are now enmoring for a repeat on this. Bud Holton and Fred Jeffers took their boys on a horse trip to Mt. McSaba, and with the cowboy, Reed Brown, along to lead the way, everything went swell and everyone had a lot of fun. Cabins 3 and 4 in the junior section, Jack Hawley and Bob Ludlow, counselors, went on a hiking trip to Susan Lake, stayed overnight, and had 63 fish for breakfast. Good fishing, we call it.

Friday was a regular day in camp with most boys resting up from their trips. Rest is so very important that it is sometimes better to forget program and let the boys rest. This reminds me that there has been an abundance of candy, gum, etc., being sent to the boys from home and we would like to discourage that, so please, parents, help us keep the boys healthy.

Everything is pointed to Carnival Day next Saturday, the 10th and the Rodeo on the 22nd. Final Council fire on the 23rd, and the close of camp on the 24th. Time is going much too fast, as is always the case when everyone is having a good time, and this is very true this summer.

Get there faster!

ROCK ELM

MRS. A. B. LAWTON

Cherry pickers finished work in the Porter orchard Thursday. They were not hindered by the strike as the cherries from that orchard went to the factory in East Jordan.

The wildcat strike at the Ellsworth cannery factory stopped work in the Jensen orchard for two days. The pickers are back on the job again and are sending out five hundred or more bags of cherries a day.

Miss Marion Cox came up from Kalamazoo this week for a day's visit with her parents and aunt and uncle, Mr. and Mrs. L. Jensen.

Some of Lawrence Jensen's bees, finding themselves too crowded this week, came out of a hive and started housekeeping on the limb of a cherry tree. When he found them, they had made some comb. Needless to say, he immediately provided them with a hive where they will have plenty of room to work.

Safe Toys
 Stuffed animals and dolls are safer if they have embroidered eyes—not buttons that may be pulled loose and swallowed. Be sure toys for children of all ages are sturdy and well made. A toy that breaks may cause a bad fall, or its jagged edges may cause cuts, splinters and infections.

FOR BETTER
LONG DISTANCE SERVICE
AVOID THE RUSH HOURS

The telephone system here is loaded this summer with
the heaviest volume of Long Distance calls it has ever
handled.

At certain hours of the day so many Long Distance calls
are made that they can't always be put through promptly.
Those rush hours are 10 A.M. to noon and 7 to 9 P.M.*

So please try to call at some other time and keep your
calls as brief as possible. That way, you'll help us furnish
better Long Distance service for everyone.

A Tip on Spraying

If you have used your sprayer to apply 2,4-D to kill weeds, be sure you wash it thoroughly before you use it to spray insecticides on your garden or flowers. Even a trace of the weed killer left in the spray may damage the crop you are trying to save by treating with an insecticide.

Harvesting Hazards

Harvesting time is upon us and safe operation of your tractor will make a happier—and health-

ier—farmer of you. Not only because this is farm safety week, but because harvesting can be a hazardous business, specialists at Michigan State college, suggest a review of these safety rules. Keep all seven in mind as you use your tractor and there'll be less accidents this year.

First, take time to start smoothly. Second, turn corners slowly. Third, avoid driving too close to the edge of ditches or embankments. Fourth, avoid excessive speed on highways. Fifth, reduce the speed of the tractor when you're on rough or hilly ground. Sixth, slow down by closing the throttle when driving at high speeds, not by simply applying the brakes. Seventh, don't jump off the tractor until it comes to a full stop.

Good Practices Keep Summer Production of Laying Flock High
The hot season of the year is the time when laying hens normally slump in production. Once they quit laying, hens are valuable only as meat. They should either be marketed or prepared for home consumption.

Hot weather causes poor appetites in hens too. Reduce the amount of scratch feed given and force them to eat more laying mash. Eight pounds of scratch grain per 100 hens daily is adequate for July and August feeding. Feeding of wet mash at noon will increase feed intake. Use milk or water to make the laying mash crumbly wet and give the hens only what they will clean up in about 15 minutes.

Heads of a Clock

There are unsubstantiated legends to the effect that dummy hands of a clock are set at 8:18 in commemoration of an important historical event which occurred at that time. Although hands on dummy clocks are not always set at this time it is considered a good symmetrical arrangement for them; furthermore it leaves room for an advertisement on the face of the clock if such is desired.

Our Neighbors Have Good Summer Crows

An attendance of summer visitors that has long since broken all records in Benzie county seemed this week to have settled down into a permanent thing. With practically every cottage, room and resort taken up with reservations ahead for the entire season, tourists and resorters continued to pour into the region and to apparently find accommodations of some kind to tide them over their vacations.

Food, the first and greatest problem of the times, appeared to

have been found available in sufficient quantity. Contrary to sundry rumors, eating places of the county, after the first big rush of Fourth of July week, were serving all comers and at no time have any been reported without good food of some kind. A survey indicates that most are now obtaining plenty of steaks and other fresh meats, as well as chicken and fish.

Traffic has doubled several times over in the past few weeks filling the highways and bringing considerable difficulty in parking in many village and residential areas.

Our thanks to Mr. and Mrs. Lou Comfort for the information on "Johnny Morris" who visited Charlevoix recently.

This column doesn't usually go commercial—but we were so much impressed with the fine coal of the Argo Milling company that we just had to mention it. With good coal service as he's teeth, we don't know how Mr. Craig is able to do it!

"Chuck" Novotny, spearhead of the orchestra which bears his name, tells us he has something special on at the Moonlight Gardens Saturday night. Wonder what it can be?

Just to prove that ladies, too, can shoot skeet, Mrs. Florence Mueller stepped up to the No. 1 stand last Sunday and "dusted off" the first eight birds to "fly" out in front of her. Nice, eh?

If your car stalls—or you can't start it, don't hesitate to call Clarence Heise, Chief of Police. Chances are he will help you out, too. With the taxpayers reaching deeper in their pockets to pay "fabulous police car repair bills," the Chief continues to run competition to local garages by using the police car to start stalled automobile.

A real match developed Sunday at the Skeet grounds here when John Murray, crack skeet shot, and Gordon Mueller, local "dead-eye Dick" tied for first place in the shoot at 19-11. Mueller defeated Murray in the play-off, 18-17, out of a possible 25. A fine crowd was in attendance, and we predict much interest will be shown there in the next few weeks.

Our many thanks to Mrs. Oscar Ward, who brought us, this week, some of the finest corn we ever put between our ears. Apples and eggs, too, were "tops." Mrs. Ward. How about those tomatoes?

Beef is high these days, but it probably will never be as high as when the cow jumped over the moon.

Rev. W. M. McGuire, district superintendent of the Michigan

district, will be the evangelist at the 1st annual Nazarene camp meeting, held at Whiting park, Aug. 16 through Aug. 25. (Enl Rev. I. Tillman Wright, Boyne City, for further information regarding the meeting.)

CAMP CHARLEVOIX BOYS' QUARTET TO SING HERE SUNDAY

One hundred boys from Camp Charlevoix will attend services at the Congregational church next Sunday morning, Aug. 18. The boys' choir, chosen from the group, will sing two selections at the morning service, according to Rev. Jackson Turner, pastor of the church, who cordially invites the public to attend.

"Comet" Due Here Friday or Saturday

The "Comet", a new boat, owned by J. P. Wilson, will leave Chicago Wednesday on her maiden voyage and will arrive in her home port, at Charlevoix's docks, this week end.

Mr. Wilson, prominent boatman and Chicago Club resident, left Monday evening for Chicago to return with the boat, which will be piloted by Capt. Larry Swenson, assisted by Robert Gill.

The yawl rig has an overall length of 53 feet which tapers to 17 feet at the water line and draws 7 feet 3 inches of water. She was designed by Sparkman & Stevens, of Chicago, and was built by the Henry Grebe Co., of Chicago.

Mr. Wilson formerly owned the schooner, Malabar.

Mr. and Mrs. James Ryder and daughter, of Midland, spent the week-end with the former's mother, Mrs. John Ryder.

In Movies

BARBARA CROSS

Did you ever have a secret yearning to be in the movies? Of course you have; and so did Barbara Cross, teen-age daughter of L. Gov. and Mrs. Hugh Cross of Illinois, but she never thought her dream would become a reality until recently when she received a telegram from MGM studio late one recent Saturday afternoon to report at Mackinac Island the following Monday for the filming of the technicolor picture "This Time for Keeps."

Of course Miss Cross was there on Monday morning to start one of the most exciting weeks of her young life. In the picture were Esther Williams, star of the movie, the inimitable Jimmy Durante, Lauritz Melchior, Johnny Johnson and Richard Simmons, and they were all wonderful. Barbara reports. The Grand Hotel and Mackinac Island is the locale for the picture.

Miss Cross, who is a resident of Jerseyville, Ill., is spending the summer with her mother at their home on the Belvedere Club. Mr. Cross, Lieutenant Governor of Illinois, joins them when duties permit his absence from Springfield. The Crosses have been summer residents for 14 years but this is Barbara's first summer here in some years as she attended the Cheley Camp at Estes Park, Colo. for several summers.

Mr. and Mrs. Wm. Horner and daughter Bonnie of Chicago, and Mr. and Mrs. George Keimers and son Charles of Mandolin, Ill., are spending a week at Hungen's Kankakee Lodge, North Point.

Call For . . .

ERNESTINE and "JOHNNY"

Johnny Roventini, known as "the world's most famous living trademark," visited Charlevoix recently as the guest of H. Ernestine, of Detroit, at the latter's home at 303 Dixon ave. Johnny, heard several nights a week as the "page boy" on the Philip Morris program, enjoyed several fishing trips with Mr. Ernestine in Lake Michigan and Lake Charlevoix.

Johnny, who was sky-rocketed to fame overnight when an advertising executive was attracted by the voice of the diminutive call boy paging a guest in a New York Hotel, is compressed into 47 inches of height and 59 pounds of weight and is 33 years old.

Mr. Ernestine, who has been coming to Charlevoix for many years and who has owned his own home on Dixon ave., for two summers, is the president of the Northway Tobacco Co.

State Grange Master To Attend Meeting

Charlevoix County Pamona Grange will meet in special session at the Peninsula Grange Hall on Tuesday, August 20. A potluck supper will be served at 7 p.m. A program will follow in the evening, the special feature being the appearance of State Grange Master, W. G. Armstrong, of Miles. All Grangers in the county are invited to be present to meet and hear Mr. Armstrong who is well known both in state and national farm matters.

Bulldozer and Crane Go to Work

Pictured above is the new Bulldozer and crane purchased recently by the Charlevoix County Road Commission. Both were purchased from the War Assets Corporation at a saving to the County of more than \$8,200. Sorely needed, this equipment was immediately placed in operation on County projects.

Camp Charlevoix Stages Annual Roundup Aug. 22

The Annual Rodeo and Roundup will be held at Camp Charlevoix Thursday, Aug. 22, at 2:30 p. m.

Cowboy Reed Brown, manager of the Intercollegiate Rodeo at the University of Arizona, and accomplished horseman and rancher, will stage this colorful event with the assistance of the campers and counselors.

Jumping, steer riding, calf roping, clown acts, stake races, pony express races and other thrilling events will entertain the crowd for a full two hours.

The public and parents of the campers are invited to attend this annual feature. No admission fee is charged.

Former City Clerk Is Dead

Charles H. Lamphier, 62, former Charlevoix city clerk, died at St. Mary's Hospital, Grand Rapids, on Saturday. He had been ill a week.

Born in Charlevoix on May 1, 1884, Mr. Lamphier made his home here until going to Detroit in the fall of 1941. He served several terms as city clerk and as a member of the City Council. He owned and operated the Charlevoix Creamery for many years and later became branch manager of the plant when it was sold to the Northern Creamery. He also operated a grocery store and a shoe repair shop in connection with the Campbell Boot Shop. He was employed at the Ex-Cello Corp. in Detroit from 1941 until going to Grand Rapids in May, 1946, where he opened a shoe repair shop at 1660 Division ave.

Former Mildred Johnson, whom he married on April 21, 1915; a son John, who was discharged from the Navy two weeks ago, after serving in the Pacific area; a daughter, Mrs. Byrnie Freeburn of Detroit, and one grandson. Funeral services were held at the See Funeral Home at 2 o'clock Monday afternoon. The Rev. G. R. Parker, of Northport, conducted the service. Interment was in the Brookside cemetery.

William Mitchell Wed In Washington

St. John's Episcopal Church, in Washington, D.C., was the scene July 27, of the marriage of Miss Barbara Otto, daughter of Mr. and Mrs. Harwood Otto, formerly of Miami Shores and Arlington, Va., and William Fraser Mitchell, son of Dr. and Mrs. William W. Mitchell, of Miami Beach.

The bride, given in marriage by her father, wore a gown of white mousseline de soie, with long sleeves and a fingertip veil of French tulle. Her bouquet was of white roses, gladioli and stephanotis.

Mrs. Arvid A. Camp of Chicago, sister of the bridegroom, was matron of honor and wore a gown of coral crepe, princess style. Mrs. T. J. O'Neill was bride-matron and the Misses Virginia Eimerdorf, Charlotte Brown and Harriet Linder were bridesmaids. They wore gowns of aqua crepe fashioned along the same lines as the matron of honor's. All carried bouquets of gladioli and wore matching flower headbands.

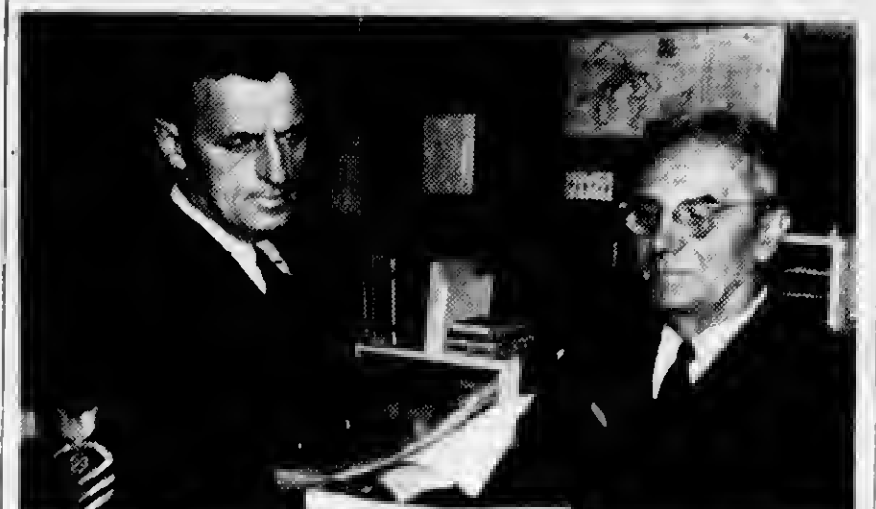

James Meyer, of Miami Beach, was best man, and Lt. Cmdr T. J. O'Neill, Ensign, U. S. Navy, brother-in-law of the bride; Stanley Hoffmeier and James Lant served as ushers.

After a reception at the Army-Navy club, the couple left on a wedding trip to Charlevoix.

The bride attended Purdue University, where she was a member of the Kappa Alpha Theta sorority. The bridegroom, a former resident of Charlevoix, served a year and a half in the European theatre during the war. He is a graduate of Stinson University, where he was a member of Sigma Nu.

The couple will make their home in Miami.

Mr. and Mrs. Clarence Rabach returned home Monday after spending the weekend with relatives at Sturgis Bay, Wis.

Ernest Hutzler (right) of Northport, former lighthouse keeper here, as he received his retirement papers from Chief William Woods, commanding officer, Charlevoix Coast Guard group, after completing 41 years in the U. S. Government lighthouse service.

Logan G. Thompson Dies In California

Logan Gumble Thompson, 61, prominent Cincinnati and summer resident of Charlevoix for 40 years, died of an unidentified fever early Friday morning in a LaJolla, Calif., hospital.

Mr. Thompson was in perfect health when he and Mrs. Thompson left Cincinnati June 25 for a vacation in California. He became ill three weeks ago and although specialists were called in on the case, Mr. Thompson succumbed Friday.

A native of Cincinnati, Mr. Thompson has been associated for many years with the Champion Paper and Fibre Company of Hamilton, O., formerly owned by his father. He was president of the company at the time of his death. He was also president and director of the Stacey-Engineering Co.

He was an outstanding club man and civic leader and was affiliated with many organizations among them the Belvedere Club. He was a summer resident on the Club for 40 years and was well known in yachting circles as the owner of several yachts named Sylvia, the last of which left the Charlevoix harbor in the Spring of 1941 to go into government service.

Besides his widow, the former Sylvia Johnston, whom he married in 1914, he is survived by a son, Dwight Johnston Thompson, former Navy lieutenant and now associated with the paper company; a daughter, Mrs. Jane Thompson Herschelde, of Cincinnati, a brother and two sisters.

Private services will be conducted Thursday at the residence, Laurel Court, College Hill. The Rev. John H. Lamy, pastor of the First Presbyterian church, College Hill, of which Mr. Thompson was a member, will officiate. Burial will be in Spring Grove.

Housewife Urged to Salvage Fats

Hundreds of letters are received every day by the Department of Agriculture and the American Fat Salvage Committee regarding the relation between fat salvage and soap. "It takes a week or even two to save a pound of used cooking grease," these letters say "and that is a lot of work."

Where, the writers continue, in the next line, "is the soap my used fat is making?" When a housewife turns a pound of used cooking fat over to the meat dealer, she enables industry to make six bars of laundry soap that it otherwise could not make, according to the figures released by Washington experts. One pound of used fat salvage is enough to help make approximately one large box of packaged laundry soap—by the kind, that is currently hard to get—or six bars of laundry soap or about five bars of toilet soap.

Increases Supply On the basis of these figures if a housewife turns over to the meat dealer one pound of used cooking fat, she makes for herself two weeks' supply of packaged soap, or five weeks' supply of toilet soap, or eight weeks' supply of laundry bar soap, it is pointed out by the American Fat Salvage Committee.

On another page of this week's issue of the Courier can be found the names of merchants who are cooperating in the fat salvage drive.

Mrs. Charles Hahn and two children of Muskegon, are spending two weeks with her mother, Mrs. F. J. Fessenden.

United Veterans Plan Program for V-J Day

Charlevoix United Veterans, an organization composed of members of the American Legion, Veterans of Foreign Wars and Americans, will meet at 8 p. m. sharp V-J evening at the American Legion hall.

A special program has been planned, according to Lee Allard, who stresses the fact that Commander Ted Sidorowicz will be present, which should be an incentive for all to attend.

"Many people have asked about this new organization, and its purpose," said Mr. Allard. "The purpose is to better help the veteran and his family and aid in civic affairs. You need only to be a veteran to join. There are no dues."

Refreshments and entertainment will follow the meeting.

Scout Budget Set at Boyne Meeting

Decision to depend on community chest drives as a means of meeting their 1947 budget figure and determination to consolidate their support behind those drives, was made by the Northern District Boy Scouts finance committee and Scout leaders at a meeting Thursday in the Hotel Dilworth, Boyne City.

The 1947 budget for the district is \$6,600. The breakdown allocates Emmet county the task of raising \$3,600, Charlevoix county \$1,500, Antrim \$1,000 and Osego \$500, it was announced by members of the finance committee.

In the absence of Carroll Betts, Joseph W. Scorgin, district chairman, presided, and said the Scout organization would offer all assistance possible to community chest drives this year.

Discussion centered about the possibility of a war chest drive in conjunction with the community chest effort, although last year it was promised that the last war fund solicitation was being made. It was expressed by many that any war fund solicitation should be separate from the community chest effort.

The district finance committee for the Boy Scouts is composed of Carroll Betts of Gaylord, chairman; T. Chalmers Curtis of Petoskey; and Howard Porter of East Jordan. Robert Bridge of Charlevoix is the council Treasurer. Mr. Curtis is to be in charge of the Emmet county section of the drive for funds. Mr. Betts in Osego, Mr. Bridge in Antrim, and Mr. Walter Kirkpatrick of Bellville will handle Antrim.

Besides these named leaders attending the meeting in Boyne City were J. D. Clarke and William H. Mesner of Harbor Springs; Don Sheets of Boyne City; Hollis Drew, E. W. Malpass and Theodore E. Malpass, all of East Jordan; C. B. Nreland and R. C. Meglauer of Belleville and A. O. Ensign of Alba.

Rangers Leave for Home

Mr. and Mrs. Charles Ranger and grand-daughter, who have been visiting the former's brother and sister-in-law, Mr. and Mrs. Roy Ranger, for several weeks, left Monday for their home at Flagler Beach, Fla. They plan to visit enroute to their home.

CAMP
CHARLEVOIXNEWS OF ACTIVITIES
Jim Land, Scribe

Once every year, in the seventh week, 15 campers are given the opportunity to take a long canoe trip. This year, the lucky fellows who have passed their requirements are taking the 275-mile Manistee river trip are: Frank Smith, Dick Means, Marc Por-thault, Hugh McKay, Clint Stob-bins, Don and Del Farrer, Dick Taylor, Karl Miller, Dick Grant, Lee Scott, Rodney Chapman, Bill Craig, Bill Kerr, Bob Tutge, and Len Garrity. The boys will be back Thursday, and we'll be waiting to hear what they have to say about their experiences through-tional birds seem to have taken Saturday, August 3, was re-turn match day with Camp Hoyo-wentha, and the boys came up from Torch Lake for a victory in baseball but losses in tennis and riflery. Taking the day's honors for Camp Charlevoix in tennis were Don Bacon, Bob Laidlaw, Bill Rankin, and the two boys from France, Marc and Alain Portbault, who play a swift tennis game. The rifle team took its second victory with an 8-point lead over the Hoyalowenthas, with Frank Jackson shooting high score of the day, 96. It was Camp Charlevoix's day, but the visitors were compensated with refresh-ments on the porch of the lodge, and left in high spirits after a good day.

Camp is back on Eastern Stand-ard time again. These time changes are arranged to give the boys more light for their evening activities. The association of na-gles were recently seen circling pleased notice of the time change, because three American bald ea-brought back a 16 to 1 victory, over camp. It's rare and rather thrilling sight to see a bald eagle these days.

Monday, August 5, saw the Junior Varsity Softball team en-route to Camp Playfair, on Wal-lace lake, for a return game. Gray Tuthill and Frank Black shared the pitching honors, and the boys brought back a 16 to 1 victory. Not to be outdone by the camp-

ers, who've been catching some pretty big fish, real and imagi-nary this season. Chief Reiman came in Friday with the prize catch of speckled trout—very real—for the season.

Saturday night, August 3, was campfire night for the entire camp down on Junior Bay. As soon as the campers were seated in a circle, Indian style, around the campfire between the two tepees, two Indian braves in war paint came around the point by canoe, carrying burning torches, and lighted the fire. Without a word being spoken, the campers sang one camp and wonds song after another, till the fire burned low and it was time for taps. It was a pleasant restful evening. This Saturday was a little more hilarious, with pranks and sur-prises for the traditional Gyp Night.

Enrollments are still coming in, both for new boys and old campers, for the 1947 season. Three enrollments came in by mail yesterday, and the staff is looking forward to a fine season again next year.

There has been anything but a lull in trips as the season progresses. The entire Junior section went last Monday, Tuesday and Wednesday camping out at Young State Park. They had lots of fun playing in the sand and zooming down the big water slides. Cabin 13 stopped overnight at the park on Monday on one lap of the three day snelling trip around Lake Charlevoix, and the boys re-turned to camp with some new sailing experiences behind them and a good suntan. Cabin 17 took the same trip, and the two groups passed each other with a hearty greeting.

Cabin 16 came back from an overnight fishing trip to Lake 26, and Cabins 7, 8 and 8 will take their last trip to Mackinac City Park in the brand new camp truck. With the canoe trip back on Thursday, this will conclude all trips for the season, and everyone in camp will concentrate on the big rodeo, which has been set for August 22, with the final han-quet that night. Thursday is the day for the annual camp carnival, with side shows, refreshment booths, and a regular circus in the evening.

Speaking of banquets, the birth-day banquet, for those boys whose birthdays came during the sum-mer, was held Sunday, and the boys were feted at the head table, and given special honor. The

Green and Gray banquet will take place Monday evening, the 19th, and it's a matter of considerable heated argument whether the Greens or Grays will be the hon-ored guests. Well, whoever it is, the last two weeks of camp prom-ise a lot of excitement and a grand finale to a fine summer.

About Ice!

1. For the manufactured ice factory, much of the machinery has been received. The structural steel has been shipped.
2. It will be several weeks before we can get this factory operating.
3. Our supply of natural ice is about exhausted.
4. To carry us over until we can get the manufactured ice plant operating, for your use, we are importing manufactured ice.
5. The recent breakdown in our dependable delivery service, was caused chiefly by labor trouble, the aftermath of the accident that wrecked our truck. As quickly as we can we will restore service on all deliveries.

Your patience and faith is appreciated.

This new Engine Clean-up Program may be the one thing that will give it stamina for the final spurt

You're probably seeing some new cars, these days. And they're mighty welcome to the eye. For their arrival means your old one can be replaced in the reasonably near future. But this last stretch may be the hardest one of all. Chances are the engine is dirty. Sticky deposits, long accumulating in that old engine, may suddenly clog the oiling system—with disastrous results. To meet this situation, your Standard Oil Dealer offers a new, economical, five-point Engine Clean-up Program. It includes the use of two remarkable new Standard Oil Products—Stano-Purge and Stano-Vim—which do an effective cleaning job without requiring expensive dismantling of the engine.

New, Economical, 5 Point Engine Clean-up Program

- STANO-PURGE**—Purges crankcase and engine. Cleans oil screen. Removes deposits tending to clog oil line and channels.
- STANO-VIM**—Introduced through carburetor air intake. It cleans out deposits in valve area. Restores pep, power, smooth engine operation. Treatment includes cleaning the air cleaner.
- OIL CHANGE**—Oil Filter Replacement. Fresh oil always helps keep an engine clean. A clean filter keeps the oil clean.
- RADIATOR FLUSHING**—Old engine need efficient cooling.
- FAN BELT CHECK-UP**—A worn belt is an engine risk—if your car is old, chances are you need a new belt.

Mr. and Mrs. Vern Jones and son of East Jordan, and Mr. and Mrs. Clarence Helge of Charlevoix, had dinner with Mr. and Mrs. Ed Jones Sunday. It was Mrs. Jones' birthday.

Mr. and Mrs. Dice and Mrs. Strickles called on Mr. and Mrs. Baumbach last Friday.

Saturday, Mr. and Mrs. Herald Bedford, Mrs. Supernau and myself were of Mr. and Mrs. Allen Campbell's for a potluck dinner which happens most every Saturday, and we have always played High Low Jack and the Game, men against the ladies, and always the ladies have won five games out of six, but last Saturday I told Bedford and Campbell I was sure they did not play the game to win; seem to want the ladies to win. They did not like that talk, so got down to business and we won every game. The ladies then wanted to play a different game, which we did. Well, enough of that party.

Bobby Jones is helping Mr. Baumbach at Barnard, with haying and harvesting.

Mr. Rollic Baumbach is threshing his wheat. I want to tell you right now that Mr. Baumbach has the best help of any farmer around to get his crops harvested and threshed.

Rural Telephone Service is Growing Fast!

Since the first of the year, we've added 12,000 new telephones in rural Michigan. This record growth brings the total to an all-time high of more than 94,000 telephones in the rural areas we serve.

We've added over 3,100 miles of wire in rural areas, and "unloaded" more than 1,600 overcrowded lines by reducing the number of parties per line. In addition, 1,400 crank-type telephone sets have been replaced by more modern equipment.

This is only the beginning of our 5-year \$13,500,000 rural expansion and improvement program. Shortages of copper, lead

and other materials have held us back, but as supplies improve, we'll get going full tilt.

Our 1/2-mile free allowance on line construction will enable additional thousands of rural folks to get service without paying any construction charge.

With the telephone becoming more and more valuable to folks in rural areas—for ordering parts, feed and supplies . . . for locating farm help . . . for calling the veterinarian . . . for visits with friends and neighbors—it is our aim to bring the best possible service at the lowest possible cost to more rural folks than ever before.

★ Long distance lines and switchboards serving Michigan resort areas are extra busy this summer. On calls to and from those areas, you'll get better service by avoiding the rush hours—10 A.M. to noon and 7 to 9 P.M. Keeping calls brief will help too.

ROLEO MATCH FEATURES EMMET OUTDOOR SHOW

A birling contest between two oldtime lumberjacks, one from the lower peninsula and the other from the upper peninsula, was assured as a feature attraction at the Emmet County Sportsmen's Show, Aug. 23-24, when Herman W. Kays, chairman of the event, received word today from little Billy Girard, national birling champion of Gladstone that he would accept the challenge of Harvey Vizina of Afton and would be here for the big outdoor attraction.

Girard, 1926 twin (a grandfather now of twin girls, who also birled) has done his stunts in the big woods and on the shores. He has been national champion in competitive birling, and for many years trick and fancy champion as well. He rolls a log with roller skates on, a trick nobody else has ever done in public.

In addition to his other stunts he intrigues the crowd with his disappearing and reappearing act; a fake fall, a grab on the whirling log—and up he comes on the other side, topping the timber and riding upright on his feet.

A change of pace is afforded by another trick of the log trapper, who does the seemingly impossible stunt of "black turning." This sport requires powerful leg muscles and a sea lion's sense of balance. A three foot, thirty-inch billet of wood is actually turned end-over-end in the water—as many as seventy or eighty times.

The clang of the two-bit axe and the sing of the two-man saw will echo along the Petoskey water front as arrangements are being made to feature these contests for oldtime lumberjacks during the birling contest, as added color.

The executive committee is receiving letters from all over Michigan asking about the coming entertainment and show which indicates a large attendance in addition to the many thousands of visitors who are already vacationing in northern Michigan.

Present, Hon. Rollie L. Lewis, Judge of Probate.

In the Matter of the Estate of Munio J. Koch, deceased.

Robert Bridge, Auxiliary Administrator of said estate, having filed in said Court his petition, praying for license to sell the interest of said estate in certain real estate therein described, at private sale, for the purpose of distribution; etc.

It is Ordered, That the 24th day of August, A. D. 1946, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition, and that all persons' interested appear before said Court, at said time and place, to show cause why a license to sell at private sale the interest of said estate should not be granted;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Charlevoix Courier, a newspaper printed and circulated in said County.

Rollie L. Lewis,

Judge of Probate. 32-43

THANK YOU

for waiting for delivery of your
NEW CHEVROLET

We are doing our best to see that you
get your new car as quickly as possible

Remember—Our CAR SERVICE is your best CAR SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike of the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Lamprey Menace Worries Fisheries

The secretary of the Michigan Fish Producers Association appeared recently before the Fisheries subcommittee of the Merchant Marine and Fisheries Committee of Congress relative to the lamprey menace to the Great Lakes Fisheries.

The Congressional Committee was given a complete report on the spread of the lampreys in the Great Lakes, and advised of the great damage they are inflicting on our important species of fish. This testimony, supplementing a large amount of correspondence that had been sent in from all parts of the lakes, brought immediate action.

Congressman Fred Bradley, of Rogers City, recommended to the Committee that a seven year program of lamprey eradication be taken during the spawning run next spring. The Committee concurred unanimously in this recommendation and the U. S. Fish and Wildlife Service was requested to present an estimate of the cost of carrying out the proposed seven year program. As soon as this estimate is prepared, Congress will act.

greesman Bradley will introduce a bill in Congress to provide for an emergency appropriation to cover the cost of the eradication program. It is hoped that this emergency appropriation bill will be passed before Congress adjourns in July.

Action has been urged by fishing associations in this area. The city council of Manistique, one of the cities in the state where fishermen have suffered greatly by the lampreys, has passed a resolution asking for "immediate action by the proper authorities to control and eradicate the lamprey eel." Many craft have left the harbor there for fishing grounds in Lake Superior.

Little is known about the lamprey eel and how it got to the Great Lakes. Lakes Ontario and Erie have been infested for many years, the first being found in about 1921. Many are now in Lake Huron and in Northern Lake Michigan and recently they were found as far south as Holland, Michigan, Lake Superior, so far, has missed the menace.

The lamprey, an aquatic vertebrate of an order lower than fishes, has a single nostril on the top of its head, gill-slits on the side of the neck and no jaws, but a circular sucker, beset with horny projections simulating teeth. It feeds on the fish, rasping away

the flesh with its sucker and powerful tongue. The attack is not always fatal, but damages the flesh so it is no longer edible. Lake trout is their chief prey and they will attack the fish at any time, often times being found in nets by fishermen.

They grow to a length of 24-36 inches but those found in lake waters near here average 18-21 inches. They spawn from April until fall in shallow inland waters and have been found in stream off Lake Charlevoix.

BAY SHORE

Mrs. Thelma Johnson and family, Margaret, Joseph Edward, Joan and Arthur Burnett went on a cruise Thursday evening on the North Shore with the McCabe employees.

Robert Johnson of Caro is spending a month with his father, John Johnson.

Mr. and Mrs. Victor Shureb of Detroit spent their honeymoon at Shadow Trail Inn on Walloon Lake. Mrs. Shureb, before her marriage, was Elma Johnson, daughter of John Johnson.

Mrs. Ida Murray, who has been confined to her bed for sometime, is somewhat improved.

Mrs. Effie Barnes is spending a few days with her daughter, Mrs. Dick Brown and family.

Mr. and Mrs. Fred Stalt of Petoskey, Mr. and Mrs. Fletcher Johnson and family helped Mr. Dick Brown celebrate his birthday Aug. 7. Ice cream and cake was served by Mrs. Brown.

Death Claims Aged Resident

Funeral services for Mrs. Mary J. Allison, 85, who died at her home early Friday evening, were held at the St. Mary's church at 9 o'clock Monday morning with the Rev. A. V. Ulaniewicz officiating. Interment was in the St. Mary's cemetery. She had been in ill health since suffering a fractured hip last winter.

Mary J. MacIntosh was born at Detroit on December 25, 1860. She was married to Alfred Allison at Ann Arbor in March, 1882, and they resided in South Dakota and Ironton, Mich., before coming to Charlevoix about 45 years ago. Mr. Allison preceded her in death on July 3, 1915.

She was a member of St. Mary's church. Surviving are one son, Frank, of Charlevoix; two grandchildren and two great-grandchildren.

Local Teacher Accepts Position at Traverse City

William Novak, of this city, has been named principal of the Traverse City high school to succeed Lars Hockstad, principal for many years and former superintendent, who has resigned his position. Supt. Glenn Loomis has announced. Mr. Hockstad will continue as a member of the faculty as mathematics instructor.

Mr. Novak was discharged from the Navy in February, 1946, after serving 24 months, on destroyer duty in the Pacific as gunnery and recognition officer. He was a lieutenant, junior grade, in the Naval Reserve at the time of his discharge.

He had taught in the Traverse City High School for four years prior to entering the Navy. He was in charge of the Science department in Big Rapids schools before going to Traverse City.

A graduate of the Charlevoix high school, Mr. Novak attended the U. of M. and received his B.S. degree from Central Michigan College. He received his Master's degree in Education from the University of Alabama and has done graduate work at Michigan State College. He majors in mathematics and science. He is a member of the Kappa Delta Phi, honorary educational fraternity.

ATTENTION APPLE GROWERS

The first spray for second brood codling moth should be completed by August 15.

No DDT should be applied to apples within 6 weeks of harvest. Keeping the above fact in mind follow the schedule you have been using. In all likelihood, because of the weather codling moth activity will necessitate additional sprays. As harvest time nears the danger of residue increases, and it may be necessary to go to nicotine-oil to avoid residues.

Red mite may be a factor in some orchards. DN may be used with DDT or lead arsenate but must not be used with oil.

ARTIFICIAL BREEDERS ASSOCIATION PLANS TO START IN OCTOBER

A very interesting discussion on artificial insemination was given by A. C. Baltzer of the Dairy Department from Michigan State College at last week's meeting of the Antrim-Charlevoix Artificial Breeders Association. Mr. Baltzer explained the qualifications necessary for the inseminator in order that the association may become an efficient organization. Farmers who were absent missed a very interesting talk.

A few more cows were signed up at the last meeting, according to a report by the secretary-treasurer, Paul Ductor. Only a few more are needed to make our minimum. The inseminators school is in October and the plans are to start as soon as the school is completed.

At the next meeting of the association, and other interested farmers, Ed Rehman, Charlevoix

County Agricultural Agent, will show some snapshots of the process of collecting the semen from the bulls. This will take place on Tuesday evening, August 20, at 8:30 p.m., at the Bentley Hills School House, according to Ed Rehman, County Agricultural Agent.

Petoskey Skeet Teams Here Next Sunday

At least two 5-man skeet teams from Petoskey will exhibit their skill next Sunday at the local skeet field.

Heading the target dusters are such outstanding men as Dr. G. C. Born, Frank and A. F. Gruler, who are noted crack skeet men and their trick shot artists.

Among the local enthusiasts are John Murray, Gordon Moeckel, Glenn Rose, Wexstaff, Shapton, Nickerson and others.

A large turnout among local sportsmen is anticipated.

The public is invited to come out and view this exhibition.

Belvedere Girls Provide Library With Victrola

Girls of the Belvedere "gang" have hit upon the unique idea to provide a record player for the children's room of the public library.

The girls, Patsy Cumey, Sue and Ellen Flint, Marcia Hollenamp, Irene Letherman, Priscilla Ransom, Jane Rowe and Betty B. Shaw, are selling lemonade and candy, running errands and working with the usual enthusiasm of small citizens, bent on civic improvement.

It all started last Friday when the girls met as usual with their director, Miss Lucille Quamby. Inclement weather prevented their usual ebates in the sunshine and they decided to go to the library where Mrs. E. J. Rowman always provides interesting pastimes. After browsing among the many attractive books, they listened to their favorite numbers, played on a record player.

Although the pleasure was real, the consensus of opinion was, that it would have been better had a more modern reproducing machine been available.

The "gang" agreed that it was a pity to have so many fine records and such a poor instrument of reproduction.

"Perhaps," they all cried, "we could provide the children's room with a new victrola."—The idea was born then and there.

There's nothing that equals the enthusiasm of young people, sure they have reached a decision on an act of civic improvement.

Consequently, with the help and cooperation of Glenn Pemberton, local radio dealer, a new record player will be presented to the library.

Help the Library!

Do You Have Books No Longer Useful to You?

Are you wondering what to do with those books you've collected the last few months now that the summer is almost over? Here's a couple of suggestions: present them to the Charlevoix Public Library, which is always in need of good books or leave them at the Courier office and we'll forward them to the Percy Jones Hospital at Battle Creek.

Either place would accept any readable book and small pocket book editions may be sent to the Convalescent hospital.

So won't you take another look at your book shelf and give at least one to either of these worthy institutions?

The 32nd annual convention of the Michigan Association of Register of Deeds will be held at the Belvedere hotel Sept. 5-6, according to Frank F. Bird, Charlevoix County register of deeds.

D. Hale Brake, state treasurer, will be the principal speaker.

Mrs. F. A. Sutton Died Thursday

Mrs. Florence A. Sutton, 48, resident of Charlevoix for ten years, died at the Charlevoix Hospital on Thursday following a long illness.

Mrs. Sutton, the former Florence A. Bradford, was born in Westford county on March 27, 1898, and came to Traverse City with her parents as a young girl. She was employed at the State Hospital there from 1918 to 1923. Following her marriage to Albert Sutton on February 14, 1927, at Lansing, the couple resided in that city, Pontiac and Crosswell before coming to Charlevoix in 1936.

She was a member of the Christian church in Traverse City.

Surviving besides her husband are one daughter, Bonnie, of this city; and four sisters, Mrs. Charles Noonan, of Empire, Mrs. John Sutton, of Roscommon, Mrs. Elba Warner, of Big Rapids, and Miss Ethel Bradford, of Cleveland.

Funeral services were held at the See Funeral Home at 2 o'clock Saturday afternoon with the Rev. A. B. Claypoole officiating. Interment was in the Brookside cemetery.

Two Club Members Win Scholarship

Announcements have been received in the County Extension Office that two Charlevoix County Club members are recipients of scholarships to Michigan State College. Shirley Sinclair of East Jordan was awarded a scholarship of twenty five dollars at Michigan State College as all-around County Champion in 4-H Club work during the year 1945.

Shirley has been a member of a clothing club led by Mrs. Leatha Larsen. She has completed seven years of club work.

A ninety five dollar scholarship at Michigan State College was awarded to Theodore Melin of Charlevoix for his outstanding work in Handicraft. Theodore began his club work in 1939 at the Hopland School. He is continuing his club work under the leadership of Uno Suomela, Manual Training teacher. Theodore has had six years of 4-H club work.

Two other awards, copies of the challenge book, "I Dare You," given to outstanding club members by the Danforth Foundation will be presented to Betty Eber of Boyne City and Oliver Johnson of Charlevoix at a later date.

Culls Stage Open House

Mr. and Mrs. Mike Cull of Beaver Island staged a family reunion and held open house on Wednesday and Thursday, Aug. 7 and 8.

On open house it was with chicken and turkey and plenty of liquid refreshments. If the OPA hadn't been on a bender there wouldn't have been 'ells-hells-a-poppy. The refreshments included meat on the half shell and tenderloins Deluxe.

Jimmy Clark and Virginia Vann make one of the nicest looking young couples at the high school social dance, in the new hygienic film, "Mom and Dad." Miss Vann has a fine singing voice and sings the new Eddie Kay hit "Where Shall We Dream Tonight?" in this movie. "Mom and Dad" opens its engagement at the Palace theatre Sept. 5-6.

First Annual Breeders Sale at Gaylord Oct. 25

The First Annual Northern Michigan Feeder Cattle Sale at Gaylord on October 25 will provide a direct outlet for quality Northern Michigan grown feeder cattle of Hereford, Angus or Beef Type Shorthorn Breeding.

The sale is being sponsored by the Northern Michigan Beef Breeders Association as a means of promoting beef production in Northern Michigan and improving marketing facilities. The membership in the Association consists of pure-bred and commercial beef breeders who are working in cooperation with the Animal Husbandry Extension Service of Michigan State College in a quality beef program for Northern Michigan.

The first annual sale at Gaylord was prompted by the fact that southern Michigan cattle feeders who annually ship in over 50,000 head of feeder cattle, show a preference for native Michigan cattle. Reduced losses from shipping diseases, lower transportation costs, less shrinkage and better acclimated cattle resulted in purchasers from 25 counties paying Chicago prices for quality feeder cattle at a similar sale at West Branch in 1945.

Both calves and yearlings may be consigned at the Gaylord sale. All stock must be of good or choice quality. Breeding should be from quality cows and registered bulls. Cattle will be sorted according to breed, sex, weight, and body conformation and will be sold in lots of 8 to 12 head in a pen.

Information on consigning to the sale may be secured from County Agricultural Agent Ed Rebmam.

Former Resident Succumbs After Long Illness

Mrs. Margaret Lemieux, 57, wife of Albert Lemieux and former Charlevoix resident, died at her home in Frankfort on Thursday, July 25, following a long illness. Funeral services were held at St. Ann's Catholic church on Saturday morning. Burial was in the Crystal Lake cemetery.

Mrs. Lemieux, the former Margaret Dougherty, was born in Charlevoix on July 31, 1888, and was married to Albert Lemieux on May 25, 1908. They resided here until 1920 when they moved to Detroit. They have lived in Frankfort since 1932.

Surviving besides her husband are three daughters, Mrs. Charles Brown of Flint, Mrs. Bert Liuts, and Josephine, of Frankfort; three sons, Mrs. Sarah Hipp, Mrs. William Nitzel and Mrs. Helen Bruce, of Frankfort; a brother, John Dougherty, also of Frankfort, and four grandchildren.

Last of Bergmanns Returns from War

Operations: Crossroads at Bikini was the last assignment Alfred Bergmann had before he returned to this country for discharge from the Navy after serving a year in the Pacific area. He has arrived from Great Lakes Ill. to make an indefinite stay with his parents, Mr. and Mrs. Fred Bergmann.

Going to Japan shortly after the war ended last year, he was assigned to the crew that was to re-commission the Jap warship, Nagato, before it was returned to the Marshall Islands for the atom bomb test. After the ship was brought to Bikini under her own power, he stayed on in the Marshall Islands and witnessed the first atom bomb test from the deck of the Rockingham 20 miles from the atoll.

Alfred is the last of the Bergmanns to return from the service. There were six in all: Richard, who served with the Air Force in India; Eugene who served with the Army in Europe; and three in the Navy, Robert who was a fire-controlman aboard the Pennsylvania and later aboard a repair ship in the Pacific; William, who spent most of his time in the Pacific on Guam and Charles who was with the armed guard in both the Atlantic and Pacific.

The Charlevoixes

Pictured above in Gay '90 costumes is the Charlevoixes trio, Esther Hawley, Mildred Webster and Alice Bellinger, possibly out of element in a tontorial parlor of that era, yet sweet harmonizers never-theless. They will appear on the SPEBSQSA Fourth Annual Jamboree at the high school gymnasium Saturday, Aug. 31, along with 15 top-notch quartets.

Pilots Plane Here to Visit Mother

Lt. Comdr. Charles R. Sterritt, USNR, former resident, made a flying trip here to spend the week-end with his mother, Mrs. E. C. Sterritt, and with his parents-in-law, Mr. and Mrs. J. G. Hunsberger in Petoskey.

Comdr. Sterritt flew to Traverse City from Washington, D.C. where he is on duty in the Bureau of Naval Personnel as assistant to the director of Public Information. He made the trip with Comdr. W. V. Smith, USCG, also a former resident.

Lt. Comdr. Sterritt served as operations officer on the staff of a destroyer squadron during the war. He participated in the Philippine, Borneo, Okinawa and Japan campaigns.

Bishop Will Confirm Here Next Sunday

The Rt. Rev. Lewis Bliss Whittemore, D.D., Bishop of the Episcopal Diocese of Western Michigan, will confirm a class at Christ Episcopal Church, Sunday, Aug. 25 at 5:00 p.m. This will be the only Episcopal service next Sunday, as Rev. John K. Coolidge, summer minister, is leaving Michigan this week.

Beginning Sunday, Sept. 1, the following schedule of services will be resumed: Evensong, 5:00 p.m., every Sunday; Holy Communion, 8:00 a.m., first Sunday of month. Sunday School will also be reopened Sunday, Sept. 1, at 10:00 a.m.

Local Couple Married Monday at Petoskey

Bouquets of multi-colored gladioli on the altar of the First Christian Church, Petoskey, furnished the background for the wedding of Miss Irene Louise Russett and Harry L. Oldham of this city, at 10 o'clock Monday morning, August 12. The Rev. Morris H. Pullin read the single ring service. Mrs. Pullin played "I love you truly" and the traditional wedding marches. The bride is the daughter of Mr. and Mrs. Thomas Russett of Petoskey, and the bridegroom is the son of Mrs. Grace Oldham of Gary, Ind.

Those from Charlevoix who attended the wedding were Mr. and Mrs. A. F. Novotny, Mrs. Medevick Waffle and daughter, Ray O'Brien, Charles Novotny and Kenneth Staley.

Comdr. Willard Smith Visits Family, Parents

Comdr. Willard V. Smith, U.S. C.G., who is stationed in Washington, D.C., as aide to Admiral Farley, of the U.S. Coast Guard, spent the week-end with his wife and two children and his parents, Capt. and Mrs. Oscar Smith.

Comdr. Smith made the trip via plane, landing at the Air Base at Traverse City, where he was met by his family.

Protect Children Says Commissioner

With the opening of school only a couple of weeks away, Dr. William DeKleene, State Health Commissioner reminds Michigan parents to have their children protected against smallpox, diphtheria, whooping cough and tetanus.

"We do not want children to enter school without this protection," said Dr. DeKleene. "The dangers are too great. The opening of school brings children from widely separated areas into close contact. This means a greater possibility of exposure to these diseases."

"Parents should not wait until the last day or two before school opens to have their children immunized. They should do it now because it takes several weeks for immunity to build up."

For those youngsters who have been vaccinated for these diseases during infancy, it is recommended that they have single or booster doses for all four. Children who have never been immunized should be given the full series of preventive treatments.

Preston Mathews Elected To Ayrshire Association

The unanimous election of Preston Mathews, Harbor Springs to membership in the Ayrshire Breeder's Association has been announced by National Secretary C. T. Conklin of Brandon, Vt. The ancestors of Mr. Mathews' herd of dairy cows trace back to the heath-covered hills of County Ayr, Scotland, from which the breed derives its name. There are now more than 20,000 herds of Ayrshires in the United States.

Extension Class To Be Organized at Petoskey H. S.

An extension class from Central Michigan College of Education will be organized September 6 at 7 p.m. in Petoskey High School. Woodward C. Smith and Ralph Witherspoon will be there to conduct the opening registration for the class.

Credits may be applied toward the requirements of special certificates, toward renewal of state limited certificates or toward degrees.

Last winter the class had an enrollment of 26. With added inquiries and demands for the class, it is expected that the enrollment will approach 40. There is a possibility of two instructors being sent there if the size of the class and varied curriculum demands warrant the change.

Notice of the class has been sent to each County School Commissioner and each Superintendent of schools in the area. Additional information may be had by writing to Woodward Smith, Extension Department, Central Michigan College of Education, Mt. Pleasant, Michigan, or Bruce T. Blanchard, Executive County School Commissioner, Petoskey, Michigan.

The class conducted last winter was organized on a workshop basis. Dr. John Osborne, the instructor, believed that your study should be of some practical value. Any experience that had any relation to the subject was used. Resource material from the college library was made available. Several meals as a class aided in the integration of the class as a unit. Dr. Osborne has been an excellent missionary for Central Michigan College of Education. We wish this next class the same success.

Vacationers Enjoy Our Hospitality

The following letter received today by the Courier expresses views of summer residents, who have visited Charlevoix for relaxation and rest.

Please permit me a few moments to again reiterate what I have told you before when in your office regarding the marvelous anchorage which the City of Charlevoix has provided for visiting yachtsmen.

This is the first time I was ever in your anchorage in Charlevoix, although, of course, I have made the City many, many times in the past, but always drove through in my car. It is impossible for me to tell you of the number of yachtsmen which I encountered who had their boats in anchorage and also the contacts which were immediately made by various people in your City. The first thing after passing thru your channel, you are met by our good friend Capt. Howard and he designates where you are to anchor with genial pleasantries of the day, and then before you are into your ship, Mr. Miller, of the Boat Company is down to help you into your ship, taking your line and giving you a helping hand. He, of course, is right there, telling you where you can get ice and water for your boat and anything else that you want; he is on his toes and gives you cooperation.

We were not familiar with the eating facilities in your City and as we intended to stay there for two or three days, we wanted to know of several eating places which his experience would dictate you could go and eat and not have to buy out the town to eat. He told us about Parkside Restaurant, which is close to the anchorage; is almost as cozy as your own galley. We stayed there and we ate there every meal and we were several days, going up and several days coming down and to top it off, we had birthday party for our son at their restaurant and the proprietress, we have forgotten her name, even went to the trouble and co-operation of making a birthday cake for my son, Clayton. It happened to be the first time my family was together in 5 years because both boys had been away in the service.

Then our good friend, Stewart Coleman, Secretary of the Board of Commerce, went out of his way several times to help us. In fact the boat next to us was owned by a yachtsman from St. Louis, who

ELLSWORTH NOTES
J. Timmer, Reporter

Miss Erma Finch, daughter of Mr. and Mrs. Charles Finch, of Ellsworth, and William Eugene Best, son of Mr. and Mrs. Marion Best, of Ellsworth, were married Saturday night, August 10. Rev. Henry C. Alexander solemnized the service in the Pilgrim Holiness church. Mrs. Donna Finch was maid of honor and Bernard Best attended his brother as best man. Dean Fiedler, of Charlevoix, sang "Always," "O Promise Me" and "Savior, like a shepherd, lead us." A reception for the two families was held at the home of the bride's parents. The young couple will live on their farm, two miles north of Ellsworth.

The last outdoor sacred service of this season will be held Sunday night (8-24) at the public school grounds. These services, which began in July, have attracted crowds of about 400 people each Sunday night. The meetings are sponsored by Pilgrim Holiness church. Come and bring your friends.

ELLSWORTH—After a lapse of 12 years, this village will hold its twenty-first annual roast ox barbecue Thursday. The event is sponsored by the Jansen-Richardson legion post. Edward H. Hoss, who has had charge of roasting in all previous barbecues, will be in charge of roasting, which will start Tuesday night. The program committee has a full program for

the entire day. Starting with a baseball game at 10 a.m. between Atwood and Ellsworth, free entertainment until noon when free coffee will be served and the buns sold at cost, field and children's sports at 10, another baseball game between Ellsworth and Central Lake will end the daytime activities. Efforts are being made to obtain motion pictures for free entertainment at night. When last held, in 1934, the event attracted nearly 5,000 people to the village.

Bert Carey and Elmer Poole, of the local post of the American Legion, attended the convention.

VACATIONERS

(Continued from Page 1)
has been coming to Charlevoix for a great many years, and in trying to get out of his boat, he had an accident. He contacted Mr. Coleman immediately and very fortunately he was in his office and he got hold of a doctor and had him down to the dock in 10 minutes. As it happened Mr. Schotten of St. Louis was not seriously hurt, but nevertheless it was marvelous service and just want to recite to you these few outstanding things, because while

you always hear about the criticisms, it is kind of nice once in a while to hear a few compliments and these things were done most graciously and that was why it was so appreciated by not only ourselves but others as well.

I think it is only fair that some comment should be given these parties in your paper so the other business men know about it and by way of favors as far as you are personally concerned, I asked you as to whom I should see at the bank to cash my personal check. I forgot the cashier's name, but I went over as you suggested and he was very considerate. This was on the way up to Mackinaw and on the way back I did not see you but dropped in to see the president of the bank and he was a very fine man and he remembered me cashing the check and was very gracious about it, and it seemed the same spirit prevailed by others we met. So I think that building up Charlevoix was a marvelous idea and undoubtedly the expense involved has been considerable, but nevertheless it is going to pay dividends far over what I think the business men of your City anticipate and I will tell you that I am a strong Charlevoix booster and will be for years to come and I know others will do the same thing.

You talk about Charlevoix the beautiful, but it should also be called A Friendly City.

Give my best to these gentlemen if you happen to see them and hope next year my stay in

Charlevoix will be considerably longer than this year.

Again thanking you for your personal attention, I remain,
Irving E. Quimby,
Pres. Quimby-Kain Paper Co.

Extra Pale FOX DE LUXE Brewed with Imported Hops —Is Back Again!

To all Lovers of Fine Beer:

WE ARE AGAIN BREWING EXTRA PALE FOX DE LUXE BEER WITH FINE IMPORTED BOHEMIAN HOPS.

For four long years I have been waiting for this day to come. We are proud to be one of the first breweries to make this announcement.

During the war years adjuncts were used and no substitute for FINE IMPORTED HOPS. There is, however, imported hops can impart that distinctive fragrance and pleasing taste so characteristic of a truly fine extra pale dry beer.

To maintain our leadership we will spare no expense or effort to produce the finest beer it is possible to make.

You will be delighted with Extra Pale Fox De Luxe beer brewed with imported hops. Now available at your favorite tavern or dealer.

I sincerely urge you to try it and judge for yourself.

Archie L. Livingston Pres.

Questions and Answers On Veterans' Affairs

Now that Congress has passed the Armed Forces Leave Act of 1946, and the President's signature has made it the law of the land, there are probably thousands of questions on the minds of millions of ex-servicemen and women. Here is an answer to some of the more important questions that will probably be asked.

Q. First of all, just what is the Armed Forces Leave Act of 1946?

A. Well, the law provides for compensating the ex-servicemen and women who were separated under honorable conditions for the furlough or leave time unused by them at the time of their separation. No service prior to Sept.

8, 1939, can be considered. Under this law, settlements will be made in non-negotiable bonds, maturing in five years and bearing 2 1/2 percent interest.

Q. How about the women who served in the various services? Are they eligible for payment also?

A. Of course. Women who served in the WAC's, the WAVES, the SPARS, or the Marines and who had furlough or leave time coming to them at the time of their discharge are eligible under the terms of the law.

Q. How about service in the Women's Army Auxiliary Corps, does that come under the law?

A. No, it doesn't. Only that service from July 1, 1943 when the Women's Army Corps was established as a Component of the Army of the United States can be counted. WAAC was only an auxiliary service.

Q. What type of discharge is required to qualify for payment?

A. Any discharge under honorable conditions. However, those persons who received discharges other than honorable, but who later obtained a correction of their record to show that their discharges were under honorable conditions, are also eligible for payment. All claims must be supported by submitting the original discharge certificate along with the claim. This is to make certain that the claim comes from a bona fide ex-serviceman or woman. There are severe penalties provided for knowingly making false claims.

Q. Will the discharge certificate be returned to the claimant?

A. Yes, by mail, after it has served its purpose.

Q. I suppose there'll be special forms required to file a claim?

A. That's right.

Q. Where will these forms be obtainable?

A. Proper forms with instruction sheets will be available at all post offices throughout the country as soon as distribution can be made to them, probably within 45 days.

Q. After the forms are filled out, where are they to be mailed?

A. The instruction sheet will state where to mail them and how to fill them out. Your local community advisory or information center, or your State or county veteran's service officer may be consulted for assistance.

Q. Suppose a man served in both the Army and Navy since September 8, 1939, and has an honorable discharge certificate from both services. Will he have to submit both his certificates?

A. Yes. But in order to simplify matters, he will submit both those certificates only to the service from which he was last discharged. In other words, let us take the case of a man who served in the Navy from 1940 to 1942, was honorably discharged and then served in the Army from 1942 to 1945 from which he was also honorably discharged. He would submit both his Army and Navy discharge certificates to the Army

Finance Office designated on the instruction sheet.

Q. Would he have to fill out two separate applications, one for Army and one for Navy service?

A. No. He will only have to submit the one application together with both discharge certificates to the branch of service from which he was last discharged, that is, the Army.

Q. What is a veteran's last discharge?

A. Veterans who have lost their Army discharge may get an application for obtaining a certificate in lieu of discharge at any Army Recruiting Station. After filling out this application for lost discharge, it should be mailed to the Adjutant General's Office, 4300 Goodfellow Blvd., St. Louis 20, Missouri. Former Navy personnel should write directly to the Navy Department, Bureau of Personnel, Washington 25, D.C.; former Marine Corps personnel should write directly to the Director of Person-

nel, Headquarters U.S. Marine Corps, Washington 25, D.C., and former Coast Guard personnel should write directly to the Commandant, U.S. Coast Guard Washington 25, D.C.

Q. May these claims be presented in person?

A. I'm glad you brought that up. And I'd like to save a lot of time for the veteran and for the paying office. Do not present any claims in person. I'd like to emphasize that. Do not present any claims in person; it will only delay the orderly procedure of settling claims. Send your claims in by mail only.

Q. Will any settlements be made in cash?

A. No. Settlements will be made in bonds mailed to the claimant's

address. United States bonds will be issued to the highest \$25.00 multiple of the total amount due the veteran; he balance, if any, will be paid by Treasurer's check. Where the total amount due the veteran is less than \$50.00, or if the veteran was discharged prior to January 1, 1943, it will all be paid by check. These bonds, as we stated previously, are non-negotiable and will mature within five years. However, Congress has made the provision that the bonds may be used immediately for repayment of loans made prior to July 31, 1946 on Government or National Service Life Insurance and for payment of premiums on Government or National Life Insurance policies.

to provide a job for this young lady!

You may never have thought about it this way, but for each Michigan Bell employee there's \$13,000 worth of telephone buildings and equipment.

Where did the money for this telephone "plant" come from?

It came from the sale of Bell System securities to folks who had savings to invest. And, naturally, they want—and are entitled to—a fair return from their investment.

That return must come out of Bell System earnings—the money left after paying wages, taxes, and other operating expenses. But, if earnings are

insufficient, investors will not put more money into the telephone business, and Michigan Bell would not be able to expand and improve your service.

Since earnings depend so largely on telephone rates it's important to remember this:

Our "cost of living", like yours, has been rising rapidly. If it continues to go up, rate increases may become necessary to insure adequate earnings. In any event, Michigan Bell wants rates no higher—and no lower—than necessary to operate the business efficiently... pay good wages... give a fair return to investors and, thereby, protect the future quality of the service we give you.

Mr. and Mrs. Lester Soergel and children spent the week-end with Mrs. Soergel's parents, Mr. and Mrs. Gus Mielke. They returned to their home at South Haven on Tuesday.

The fish boat "Dornbos" came Saturday night and, despite the extreme bad weather, brought about 30 passengers. Some of the passengers were: Mary Ellen Martin, Patrick Boyne, Mr. Webster, Benton Harbor, Julius Allers and Harry Fischner, of South Haven and, Vern Runberg, of Bay City.

Mr. and Mrs. Owen Gallagher and daughter, of Grand Haven, came Sunday to attend the homecoming.

The home coming was a great success, in spite of the bad weather.

ther, a good time was had by all. Charles N. Allers and friend, Mr. Drost, of Traverse City, spent Sunday on the Island.

Dave Nelson, of Ferndale, spent the week-end with his family.

Mr. and Mrs. Charles Fischner and son, Jack, arrived Sunday to spend some time at the home of Mr. and Mrs. H. R. Fischner.

Win, Scheid, of Chicago, spent last week on the Island visiting friends and doing necessary work on his cottage.

Mr. and Mrs. P. Gallagher, of Charlevoix, Mrs. Harry Merrell, of Detroit, Mr. and Mrs. Lowe and daughter, Holland, Ann McDonald and Rose Benjamin, of Chicago, were all among the home coming visitors.

Tom McCauly, who has been at Green Bay, Wis., is spending some time on the Island among old friends.

Norbert Gallagher and family are spending the week at the home his parents, Mr. and Mrs. J. H. Gallagher.

Mr. and Mrs. Ed Boyle and child were here for the home coming. They returned to Chicago Friday.

Mrs. Wm. Boyle, who has been in Little Traverse hospital for several weeks, returned home Thursday.

Mr. and Mrs. Jack Gallagher and sons, of Manistee, spent the week on the Island.

Dr. Willis and son, Paul, Jr., of Grand Rapids, are spending the week-end at the King Strang hotel.

RECORD OF THE COUNCIL

AUGUST 19, 1946

The Common Council of the City of Charlevoix met on the above date with Mayor Erber presiding. Aldermen present: Bellinger, Dutcher, Goss, McFadden and Ochs. Absent: Hooker.

(46-69) Installation of Caution Lights on U. S. 31 Approved.

Moved by Alderman Goss, seconded by Alderman McFadden that the City install three caution lights on U. S. 31. Motion carried by the following Yea and Nay vote:
Yeas: Aldermen Bellinger, Dutcher, Goss, McFadden and Ochs.
Nays: None. Absent: Hooker.

(46-70) Payroll Approved.

The finance committee having examined bills aggregating \$6,479.51 find them correct and recommend they be allowed. Moved by Alderman Ochs, seconded by Alderman McFadden, that the bills be allowed and orders drawn for their amounts. Motion carried by the following Yea and Nay vote:

Yeas: Aldermen Bellinger, Dutcher, Goss, McFadden and Ochs.

Nays: None. Absent: Hooker.

(46-71) Report on Police Car Operation Expense.

The Mayor requested a report on the cost of operation of the police car since the time of its purchase. The following report was submitted by City Accountant Donald Swinton:

The present police car was purchased April 4, 1941 and to date has been driven 115,000 miles. Total cost of repairs, maintenance, new tires and parts, insurance, and all other expenses except gasoline has been \$1,380.54, or one and two tenths of one cent (.012) per mile. Gasoline, purchased in large quantities exclusive of state sales or highway taxes, costs 13.4c per gallon, or nine-tenths of one cent (.009c) per mile. Thus the total cost per mile of police car operation is two and one-tenths cents (.021c).

Moved by Alderman Bellinger, seconded by Alderman Ochs, that the report be entered into the record of the proceedings of this meeting. Motion carried.

On motion the Council adjourned.

Stage Set For Fourth Annual Singing Jamboree

Every effort has been expended by the local chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. for a successful song-fest and parade of quartets for their Saturday night jamboree at the Charlevoix high school gymnasium.

The stage will have special lighting flooded on a shell decorated for the occasion. Microphones will pick up the faintest whispers and transport them in every corner of the auditorium in which, according to advance ticket sales, a capacity crowd is expected.

Can you imagine that drums, shoes, tires and hats could be blended together in harrier shop harmony? Well, they can't very well, but the voices of the four traveling salesmen of the Grand Rapids chapter, who sell this conglomeration of merchandise, emphatically do, thereby winning the name "The Travelers," known to many local merchants.

This popular quartet has appeared on every important parade in the state, since its organization in 1914 and will sing here Saturday evening. The quartet won the Kent county championship in 1915, placed fifth in the state contest the same year and were semi-finalists in the national contests, both in 1915 and 1916.

These gentlemen of song have given much of their time and talent in appearing at various benefits, Red Cross and Community Chest drives throughout the state, also entertaining our soldiers in Percy Jones hospital and at the open air theatre at Camp Custer.

Several hundred out of town visitors have made reservations for the society's Fourth Annual Jamboree in which members participate from Friday afternoon until Monday evening.

A complete list of the talent, appearing on the August 31 program, is listed in an ad. on page four of this issue.

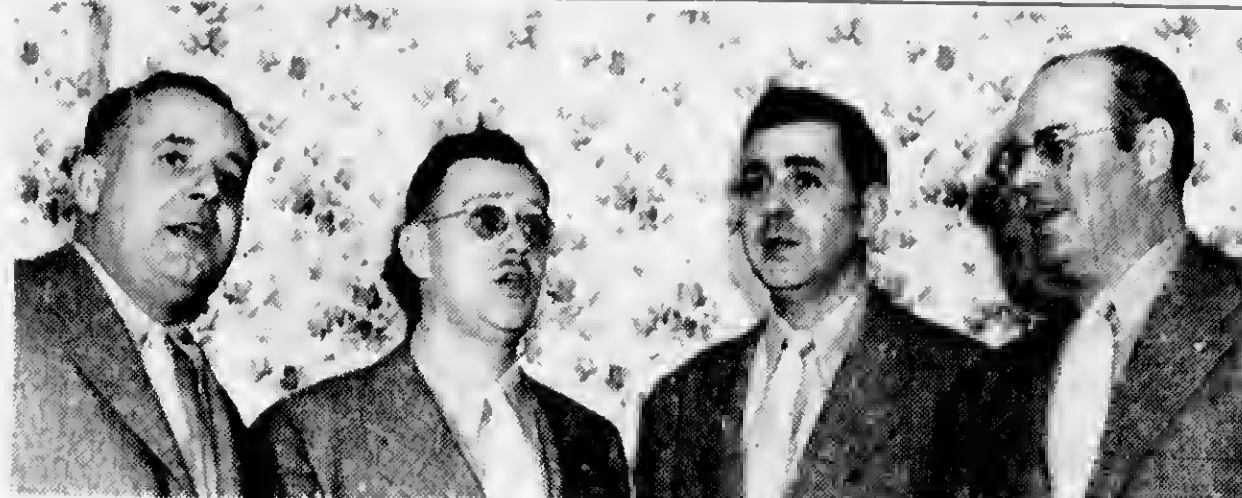

Proceeds of Benefit Party Go for Church Decoration

The annual Summer Girls party for the benefit of St. Mary's church was held Sunday evening at the VFW hall. Mr. and Mrs. Ralph Starkey were in charge, with Mrs. A. Simons, Maurice Foster, Sam King, Franklin Left, Marie and Eunice Sippel and Nicholas Hamilton assisting.

Following the usual round of bingo games came the raffle of the money prizes. Master Michael Gildow was chosen to pick out the winning numbers. The winners of the prizes were: \$50.00, Jack Hartzell; \$25.00, Mr. Johnson, Chicago Club; \$15.00, Mrs. Elmer Ostrom; \$10.00, Mrs. G. A. MacDonald, Chicago Club.

The proceeds of the party and of the raffle are marked for the interior decoration of St. Mary's church. The contract has been let to Milo & Jordanoff, of Detroit. Actual work on the project is to begin by the end of this week and should be finished in three weeks.

Highway Dept. to Let Contracts on Roads, Bridges

The State Highway Dept. expects to continue letting contracts for pavements and bridges despite a recent public roads announcement suggesting the curtailment of highway projects, particularly those requiring the use of structural steel.

Highway Commissioner Charles M. Ziegler has announced that the department will put an escalator clause in its contracts, hereby enabling contractors to order steel at once for delivery as soon as possible.

The escalator clause will protect contractors on any increase in prices on steel, labor and freight rates. He pointed out that these prices and rates would be based on official figures and the freight rates on published schedules to protect the department at the same time.

With this escalator clause it will be possible to get projects under contract now and work started as soon as material is available.

NEW COUNTY DRAFT BOARD OFFICERS MEET

At a meeting of the Charlevoix County draft board Monday, Gilbert Lindsay, of Boyne City, and George Secord, of East Jordan, were present for the first time since their appointments to succeed Mr. Bernard Becker of East Jordan, and James Dean of Boyne City became effective.

Mr. Lindsay was named chairman, and Mr. Secord, vice-chairman. J. M. Foster, of Charlevoix, continued as secretary.

NOTICE TO VETERANS

Terminal leave application blanks are now obtainable at the postoffice. Gilbert Lindsay, Veterans counselor will be at the City Hall on Monday and Tuesday to assist veterans in filling out these forms. For assistance at any other time, veterans may contact Mr. Eckelston at the Draft Board or officers of the Veterans organizations.

Iron-ton Wedding Is Lovely Affair

Baskets of gladioli and mixed garden flowers formed the setting for marriage of Miss Mary Orvis, daughter of Mr. and Mrs. Vaughn Orvis, of Iron-ton, and Douglas Hall, son of Mrs. Martha Hall of Flint, at the home of the bride's parents at 8:30 Saturday evening.

The Rev. Jackson Turner read the double ring ceremony in the presence of fifty guests. "Because" and the traditional wedding marches were played on recordings.

Given in marriage by her father the bride chose a gown of white embroidered tulle with a sweetheart neckline and a bracelet-length sleeves. Her fingertip veil fell from a tiara of gardenias. She carried a bouquet of white gladioli. Her only jewelry was a wrist-watch, a gift of the bridegroom.

Miss Betty Orvis, sister of the bride, was her only attendant. She wore a pink gown made with short sleeves and a long full skirt, and a white shoulder-length veil. She carried a bouquet of white asters and blue corn-flowers.

Mrs. Orvis chose a black reception dress with matching accessories and a corsage of red roses for her daughter's wedding. Mrs. Hall, mother of the bridegroom, wore a brown print dress with brown accessories and a corsage of white gladioli.

At the reception which followed the ceremony, the refreshment table was centered with a three-tiered wedding cake topped with a miniature bride and groom.

The couple left for Flint where they will make their home. For traveling the bride wore a black and tulle ensemble.

Out of town guests who were present for the wedding were Miss Georgia Hall and T. O. Bissell, of Boyne City; Mrs. Grace Long, Mr. and Mrs. W. E. Orvis, Miss Clara Agnes Konigkirk, and Miss Ruth Schunick, of Flint; Mr. and Mrs. John Downing, of Detroit; Mr. and Mrs. Ernest Hall, of Clare, and Mr. and Mrs. Loren Porter, of Traverse City.

COUNTY OFFICES CLOSED

All county offices will be closed Labor Day, Sept. 2, and Charlevoix Fair Day, Thursday, Sept. 5.

Labor Day Picnic at Whiting Park Monday, Sept. 2

The annual Labor Day picnic at Whiting Park will be held Monday, Sept. 2. This event has been staged annually for a number of years and is being sponsored co-operatively by the Grange, Farm Union and Farm Bureau. Everyone is invited to attend and a diversified program is being arranged which includes a number of games for children and young people, planned by County 4-H club leader Karl Festerling. A softball game between teams selected from the east and west side of Lake Charlevoix will be played in the forenoon. In the afternoon a baseball game will be played.

Bring your basket dinner. Coffee and cream will be provided. Everyone is requested to bring their own dishes and sugar. The American Legion will have a bingo game at the park.

At 12 o'clock a roll call will be taken of all organizations represented and a \$10 prize given for the largest membership present at that time. In addition the following prizes will be given: a turkey for the largest family on the grounds and a box of candy for the oldest county resident at the picnic. Suitable prizes will also be provided for the other events.

Girl Scouts Receive Charter

The Charlevoix Girl Scout Council, composed of 31 members, has completed its organization and has received its charter. It is now a member of the National Council of Girl Scouts, and as such, has authority to develop Girl Scouting within the city, according to Mrs. Harry W. Ladd, president of the Charlevoix Girl Scout Council.

Promotional materials are being received from the National Council and have been distributed to the chairmen of the various committees. These will be discussed at the first official meeting of the council, scheduled for Thursday evening, Sept. 5, in the clubroom of the city hall, at 8 p. m.

Mrs. John Nordrum is chairman of finance; Mrs. C. A. Buerr, program; Mrs. Mable Goddard, Juliette Law, and Mrs. J. K. Reed, public relations. Other committees to be formed are training, camp and membership.

Summer activity, under the sponsorship of the council, included instruction in swimming, given to 14 intermediate girl scouts by Miss Marjorie Weed of this city.

Telephone Employees Enjoy Beef Barbecue

The Michigan Bell Telephone company employees in the Petoskey district enjoyed their annual beef barbecue at Young State Park, Boyne City, Sunday afternoon. More than 150 including representatives from Petoskey, Boyne City, East Jordan and Charlevoix were present for the social afternoon and barbecue.

W. E. Goss, of Charlevoix, and Vern Walker, of Petoskey, were chairman of the event.

Officers for the ensuing year were elected. They are Leonard Bellinger, of Petoskey, chairman, and C. Lester Johnson, also of Petoskey, secretary-treasurer.

Thirty members of the Charlevoix office and their families were present.

Five New Teachers on Roster At Charlevoix Public Schools

Classes will open at the Charlevoix public schools at 9 a. m., Tuesday, Sept. 10. Roy G. Bennett, supt. of schools, announced this week. A general teachers meeting will be held at 10 a. m. Monday and in the afternoon all teachers will meet with their principals to make plans for the 1946-47 school year. Transportation of pupils will start at the usual time Tuesday morning.

Although the Charlevoix school district has annexed nine schools, the school enrollment will not be affected to any great extent since the pupils from these schools were transported last year. The school census, taken in May, 1946, totaled 851 up to the age of 20 years, an increase of 100 over the 1945 census.

Five new teachers have been engaged for the new school term, including a director of music and language instructor for the high school and three elementary school teachers.

Clarence A. Odmark, a graduate of Michigan State Normal College, will assume the duties of band director. Since his discharge from the armed services early this year, he has been teaching in the Detroit school system. Norman M. Gallagher, of St. James, will teach Latin and English. He has a Bachelor of Arts degree and attended St. Mary's University, Baltimore, Md., and DePaul University, Chicago.

In the elementary department, Mrs. Helen M. Pike, of St. James, Mrs. Ralph Shetterly and Mrs. Robert S. Richards, now of Charlevoix, have joined the staff. Mrs. Pike has an A. B. degree and attended Nazareth College, Nazareth, Mich., and Aquinas College, Grand Rapids. Mrs. Shetterly attended Central State Teachers College and the University of Wisconsin and East Dearborn. She majored in elementary and vocal music teaching. Mrs. Richards attended

Miami University, Oxford, O., and Ohio State and taught at Zanesville, O., last year.

Other teachers returning are: Harry E. Bligham, high school principal and Social Science; Roy Kipke, coach and math; S. E. Coleman, track coach and English; Margaret Strehl, home economics; Udo Suomela, manual arts; D. C. Maltby, commercial; Robert S. Richards, science; Max Novak, Mrs. Dorothy Richards and Miss Florenz Milner will teach in the Junior high department.

Miss Frances Milner will return as principal in the elementary department. Others, returning for another year, are Mrs. Mary Cooper, Mrs. Ethel Courier, Mrs. Mildred Smith, Mrs. Jeanette Ahlstrom, Mrs. Bessie Coleman, Mrs. Anna Warner, Mrs. Elizabeth Trimble and Mrs. Dorothy McRae. The grades the teachers will have are to be announced later.

SKEET RESULTS

Gordon Mueller and John Murray were high point men for the local skeet club last Sunday while Frank Grueler and G. Gerritt divided honors as high pointers for Petoskey. In the preliminary shoot Mueller was high with 23 birds out of a possible 25.

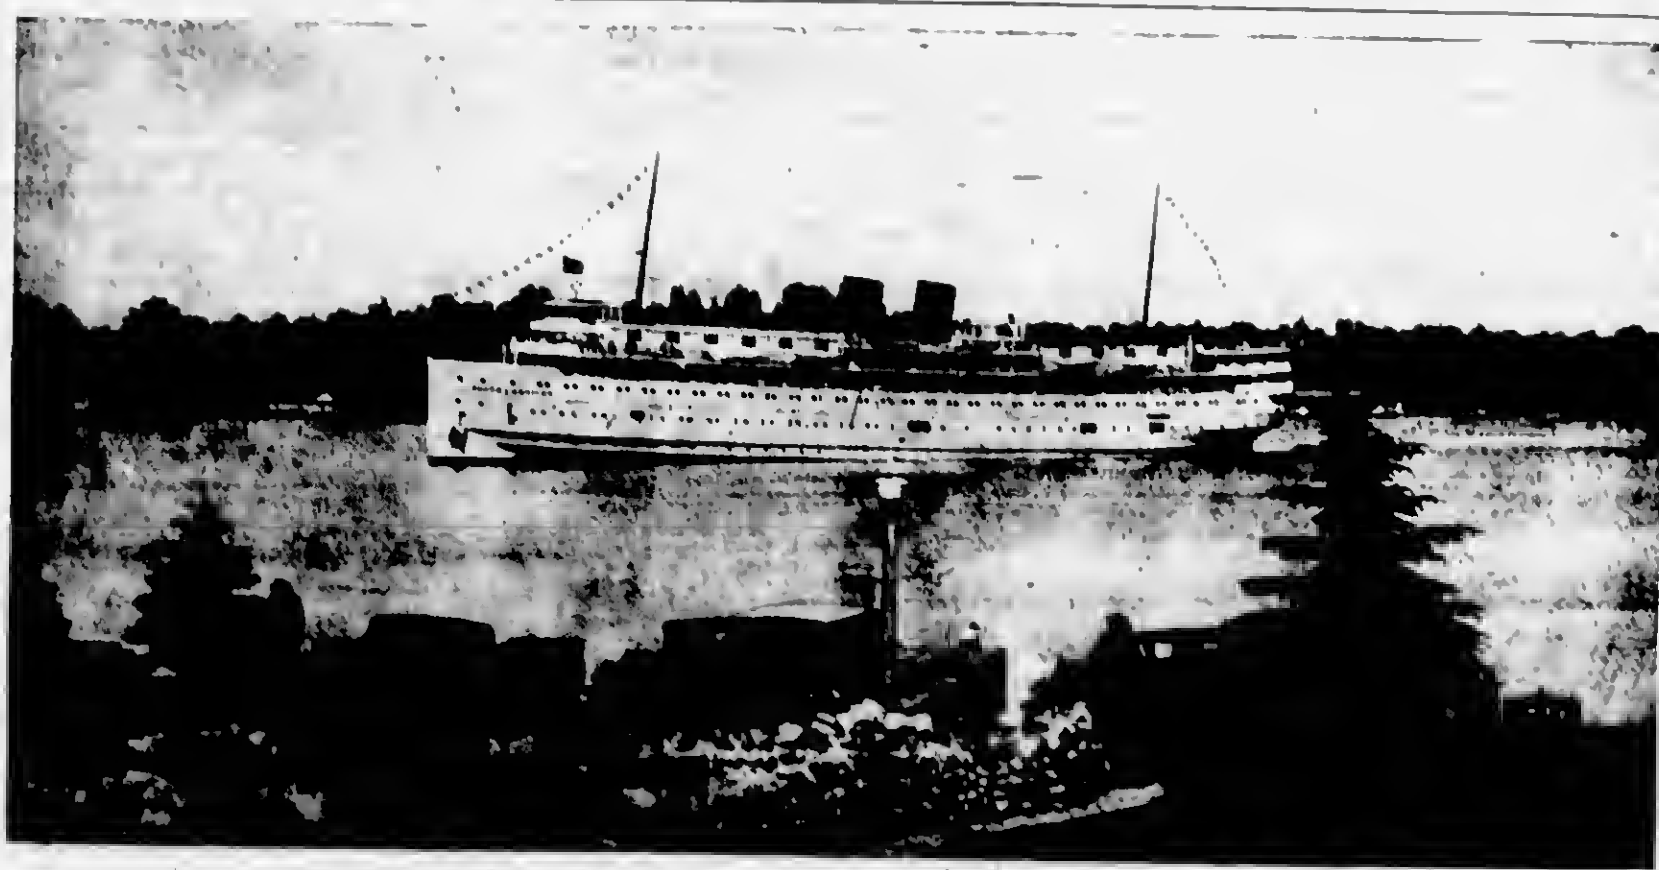

Following is the result of the team event:

Charlevoix	
John Murray	19
Gordon Mueller	20
Glenn Rose	14
Warren Shapton	14

Petoskey	
Frank Grueler	22
Dr. G. C. Born	18

Other matches will be scheduled in the near future, according to Bonnie Nickerson, president of the local sportsmen's club.

South American Arrives Sunday, September 1

The steamer South American, pictured above, will arrive here Sunday, Sept. 1, and will remain from 10:30 a. m. to 12 noon. This will be a public Labor Day cruise.

Along the Avenue

By The Editor

Fishing near the P. M. Railroad bridge seems to be good these days. At least that's how Glenn Penninger, of Detroit, who is spending the summer here, has found it two days last week. On Friday he caught a black bass weighing 6 3/4 pounds and measuring 22 3/4 inches. On Thursday he caught two black bass which weighed a total of 10 pounds.

Young people of today are so smart they need only to read a few chapters of a new book to know whether it is fit for their parents to read.

We don't have to tell you we like corn (this column shows that) but we are happy to see it growing so fast in the fields.

"This is our first visit to Charlevoix but it won't be our last," said Mr. and Mrs. Charles Austereber, of Detroit, when they left the local harbor aboard their boat, the "Chick-Sal," after spending four days here last week. "We have traveled many miles in the Great Lakes but never have received the hospitality we enjoyed in your port and we do appreciate it. We would especially like to thank Capt. Howard, Mr. Coleman and Harold Miller for the many kindnesses shown us during our stay."

Taxes could be a lot worse. We're lucky we don't have to pay an what we think we are worth.

When you see a sign "Out For Lunch" these days, it probably means just that. Few people can afford to eat a full meal anymore.

Marjorie Bassett Honored

Marjorie Bassett of Charlevoix, who is a student at Western Michigan College has been honored with selection as one of the Senior Sisters on the campus of the college during the traditional Freshman Days with which the fall semester will open September 23.

Under the sponsorship of the Women's League of the college approximately 150 women students of the upper classes have been chosen as Senior Sisters to welcome the hundreds of new women students expected, and to give them every possible assistance during the opening days of the semester.

Blackhead in Turkeys

Sanitary management can
either prevent or cure blackhead
in turkeys. Ottis E. Shear, poultry
extension specialist at Mich-
igan State college, says the di-
sease is picked up by healthy
birds in contaminated poultry
yard. It can be recognized by the
weakness, drooping, a profuse
diarrhea and high mortality in
the flock. On post-mortem, the
liver is enlarged and blotched and
the intestines are inflamed.Blackhead is not so common
among mature birds, but some-
times it is found among the older
turkeys. Chickens have the disease
in a mild form but can carry
blackhead to turkeys.Medical treatments are not
always effective. Shear believes
a program of sanitary manage-
ment must be developed and all
sick birds removed from the flock
as soon as the disease is discov-
ered. Birds hopelessly sick should
be destroyed and those with slight-
ness of the illness should be
placed on a wire porch or on a
floor covered with deep, clean
litter. The disease may be spread
through feed contaminated with
droppings from sick birds.If possible, move the flock to
another house and on clean
ground. The inside of the house
should be scrubbed with lye water
and the chickens and turkeys
separated.A system of management that
provides for a central shelter with
four separate lots around it, then
alternating the birds from lot to
lot at monthly intervals, will help
keep blackhead under control.

Farm Woodlot Management

Farmers in the United States
own about one-third of the forest
land. Rightly managed it can keep
on contributing to farm income.
Dr. Paul Herbert, head of the de-
partment of forestry at Michigan
State college, reports that saw-
timber in Michigan is being cut
twice as fast as it is being planted.
That means the farmer's wood-
lot is more important today than
ever before. Every farmer should
work out a cutting plan and follow
it. To prepare a cutting plan, the
assistance of a trained forester
may be needed. The extension
service of Michigan State college
has extension foresters in all
sections of the state and they will
help any farmer interested. Your
county agricultural agent can
give you needed information.

Canning Tomatoes

Mrs. Vivian P. MacFawn, foods
and nutrition extension specialist
at Michigan State college, be-
lieves if you are one of those
who could not buy canned toma-
toes last winter and early spring
you will be easily encouraged to
can tomatoes during the harvest
season this year. Tomatoes play
a double role—they are handy
in cooking or make a good vege-
table. Also they can take the
place of fruit for desert in emer-
gencies.Mrs. MacFawn says the average
family of four needs 65 quartsof tomatoes to have one cup a
week per person for the eight
months fresh tomatoes are not
in season. Tomato juice is full of
that much needed vitamin C, so
you can use even more than that
amount.Here's the newest method for
canning tomatoes to keep as much
vitamin C as possible:Use only perfect, ripe tomatoes.
Scald, remove stem ends, peel and
quarter. Bring to a rolling boil
and stir as tomatoes heat. Pack
hot, add 1 teaspoon of salt to
each quart. Adjust lids and pro-
cess in a boiling-water bath.To prepare tomato juice, pre-
pare fruit the same way but cut
the fruit in smaller pieces. After
simmering until softened, the
tomatoes should be put through
a fine sieve and then reheated just
to a boiling after one teaspoon
of salt per quart has been added.
Put into hot jars or bottles. Ad-
just ops and process 15 minutes
in boiling-water bath.Remember, the less cooking and
handling in canning tomatoes the
more vitamin C is retained. But
can plenty of tomatoes this year.
You'll appreciate them through-
out the winter and early spring.

Harry Foster, president of Foster Boat Company, received the following interesting letter from an old friend in China:

"Dear Mr. Foster: We had our APO privileges withdrawn sometime ago because the army was taking the P.O. personnel and the P.O. personnel and the UNIKRA staff, I'm growing to be quite possible that you may have written and that I didn't get it.

"So I'm sending you another of these letters. Besides, I met a UNIKRA gal, Henrietta Graveur, who once ran the Belvedere Hotel for your town and who asked to be remembered to you. I'll write you again. If you can stand 70c for one ounce air mail letter, I'd be glad to hear from you.

"I hope you will have a marvelous sense of humor. One night I came home to the Park Hotel in a Rick-

A black and white illustration showing a hand with a thumb pressing down on a rectangular stamp. The stamp has the word 'PAID' in large, bold, capital letters. The stamp is being applied to a document that has some text on it, including 'PAID TO ORDER' and 'PAID TO THE ORDER OF'. The hand is shown from the side, with the thumb pressing the stamp. The document is slightly tilted, and the stamp is in the center of the frame.

shaw; other rickshaws were parked solid along the curb so none had to double park. I paid the coolie, stepped across the shafts of his vehicle and across the shafts of the one at the curb. It's a "one-way" street, the way of "Rickshaw, Mister?" Of course since he had been watching me pay off, it was ridiculous. I said you savvy "Park Hotel?" "O.K.," the hotel, and I said, "I'm urging me into the rickshaw." I was in China, every one is interested in your business and the other coolies started to collect back of the guy facing me and bargaining. I said, "I'm in a hurry, strictly routine. They always ask for my times as much as they expect to get. "How much?" He then sized

me up," \$500.00." "Oh, no, too much," "How much you pay?" National C.N.C. (That is China National Construction Corporation) upon he got excited, grabbed my hand and tried to push me into his rickshaw, saying over and over, "O.K. Park Hotel, 2000 dollars, Park Hotel, 2000 dollars." In a couple of minutes the rickshaw driver bowed and said, "I am sorry, sir, I know that had collected started to laugh and jabber at him in Chinese. He could not take it, he picked up his shifts and ran.

Next day (Sunday) I had gone down to the office early and about noon there was a rickshaw parked at the curb. The driver always one anywhere, except maybe if you are in a hurry and want one.) As I approached him, he smiled grimly appearing on his face a look of contempt. I told him to stop, he said "O.K., 200 dollars," I grinned and said "O.K., 200 dollars" and off we went.

In Canton pre-war, the foreign concessions were on an island cut off from the main land either by a creek or a built in moat or may-be both. Each concessionary power had its own government and collected its own taxes which were nominal. Since liberation, the Chinese have taken over and of course it is quite right that they should govern it. What the Chinese should govern is, in the first thing they are doing, is filling in the creek or moat, so as to eliminate the line of demarcation. And the services have deteriorated. Sewage, street cleaning and drainage, electricity, telephone, lighting, etc. And the taxes have increased tremendously. Not only that, but they have reverted to the old Chinese custom of tax collecting, taking over in 46, and the 45 taxes were levied. Later they needed money, and they collected the 46 taxes. When I was

The inflation here is terrible. When I got here in Nov. 1946, newspapers were selling at \$25 each, one paper was \$50 and they

In February, I left Shanghai for Manila. I was to be gone a week or ten days. I went down to the U.S. Navy Commission in Washington to get a letter of introduction. I came with a passport and \$100,000,000.00 to buy Army and Navy supplies from the foreign liquidation commission. I paid \$1.00 the other day for four very small bananas. And \$3,600 for the yellow golden delicious apples.

At about mid January I was sent to Hongkong by rail, and from there to Canton. The British troops take about 8-9 hours between Canton and Hongkong. I went on the Gen Manager's private train to Kuler*, a Diesel engine driven locomotive. I could sit up front and get a good look at the roadbed, to see if it would hold the large locomotives we were giving them. Canton has been damaged very little as compared to other cities. I have been here for 10 months. I have been in. I lived at a hotel called the DIKWAN. I had a small, dirty room on the 10th floor with a very hard, uncomfortable bed.

boom - the mine would go boom, the building would go bloody. You probably see the rubble of the destruction. The Chinese in a similar situation get busy and clean up the rubble. The Philippines is a similar situation. They are waiting for the Americans to come in and fix things up. In some buildings like the Manila Hotel, the fighting was from floor to floor and the rubble was complete. If a house after house is hit, the rubble or worse, mere shells that

will have to be torn down. The Philippines as I saw them, as compared with the Chinese, have no walls, no gates, no sentries, no stables, and they seem to me to have no discipline. They do not seem to concentrate as hard to understand what you are saying, that any laborious implication is way more than in China. And they are a bargain. A little canvas zipper bag, for instance, worth 75¢ or 80¢ costs \$1.00. Stateside it costs \$1.75 or 2.00. The same for a bag, I have pegged the States at 50¢ so it is quite interchangeable. But if you change your gold (U.S. paper money is called gold over here) you have a fixed rate for the man who has gold that he can give you in exchange for pesos. I suppose that the Philippine are hoarding the dollar because of doubt as to the stability of the peso after liberation.

Flying may seem glamorous, but 10 hours straight flying two days in succession, with all the vista presented by vast miles of ocean, and clouds, well it can be a little boring. The only way to describe the vegetation on these islands is, it's lush. Any number of trees, plants, flowers, that I have never seen before. I visited a village on Manus. Very primitive and very interesting. All that any native wears is a single piece of cloth wide as a lap tap, it is about a yard wide and it is all around to form a sort of skirt, and he can twist down. Women us well as men. Most of the women are not so nicely formed, but it does not matter.

Remember
September

The inflation, of course, contributes to this pressure; inflation is a pernicious evil that eventually destroys the moral fiber of a nation. We do not in America, however, have the luxury of gratitude we owe to the O.P.A.

I'm writing this in Mankow; came up to get a road, pier, ramp and built quick so that we could get the cargoes of relief and rehabilitation unloaded. Coming up I sat in copilot's seat most of the way. Two days after my arrival 100 coolies were at work moving dirt and stone.

The more I see of China, the more amazing it is. Much of the country is a vast, level plain, but the mountains between here and Shanghai are rugged, hills and mountains almost all of green and every inch cultivated. The hills are from a plane like a crazy patchwork of mosaic. Each little odd piece a different shade of green or brown, in case of freshly plowed fields. The most shades of blue in case of rice paddy.

One thing that strikes me as strange is the inspection of baggage. Even going from one city to another, the inspection is like it might be coming from Europe into New York City. They search for contraband such as opium.

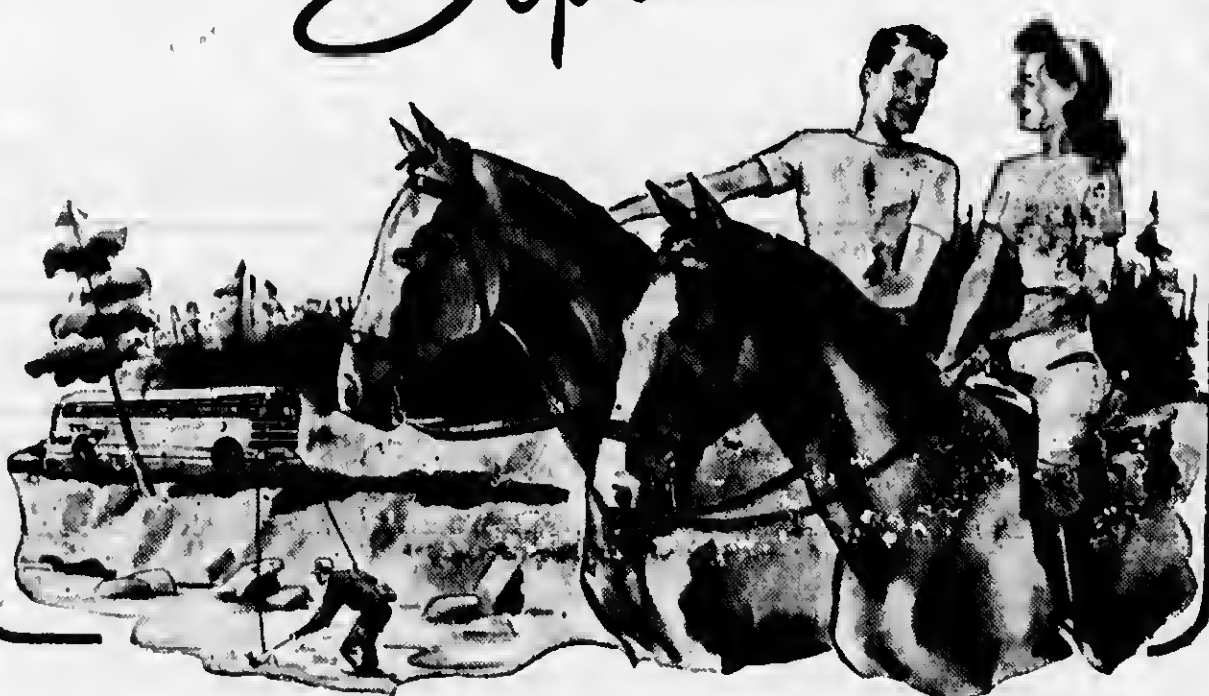

This letter has already gotten too long. I'll describe Hankow in my next.

Since A.P.O. is discontinued, if you want to reply air mail, it will cost you 70c per half ounce. I'll now wait to see if I mean that much in your young life.

Sincerely yours,

HOMOGENIZED MILK

We now Have "Homogenized Vitamin D Milk" for the Public

Homogenized milk is milk submitted to a very high pressure, which breaks down butterfat globules in the milk. The result is the cream will not raise on the milk, but stays equally distributed through the milk, making a more tasty and more easily digested product.

Our Homogenized Milk is also Pasteurized

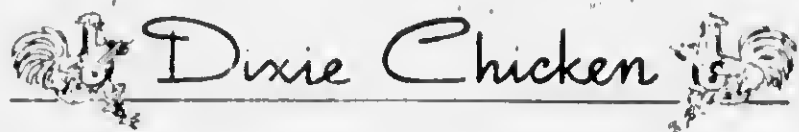

Vitamin 'D' is added to the milk which is a great aid to especially growing children.

Questions and Answers of Veterans' Affairs

The following is the second in a series of questions and answers for veterans. Series three will be published next week and will conclude the question and answer group.

Q. Who's going to settle these claims?

A. The branch of service from which the ex-serviceman or woman was last discharged; that is, the Army, Navy, Marine Corps, or Coast Guard.

Q. Suppose an individual received an appointment as an officer or warrant officer after serving as an enlisted man? Does the Act provide for payment on the unused furlough time that he accumulated as an enlisted man?

A. Yes, it does, but not to exceed 120 days including his terminal leave as an officer.

Q. I've been told that the widows and dependents of veterans of World War II are eligible for payment under this Act. Is that true?

A. Yes, but only if the veteran has died since discharge.

Q. Should the survivors use the same application form as the veteran?

A. No. There will be special forms for survivors. The instruction sheet which will be available at all post offices will tell survivors how to apply.

For further information contact your local veterans counselor.

Sealed bids will be received by the Board of Charlevoix County Road Commissioners, until 1:00 o'clock P.M., Monday, September 9th, 1946, at their office in the Court House, Charlevoix, Michigan, for the following:

One (1) General Excavator Power Shovel Crawler - Back Hoe 5-8 Cu. Yd. Serial No. 1515 Completely reconditioned as of July 1st, 1946.

The Commission reserves the right to reject any or all bids.

Charlevoix County Road Commission

S. E. ROGERS, Chairman
L. B. WANGEMAN, Commissioner
ANGUS L. FOCHTMAN, Commissioner

Gilbert M. Lindsay, in Charlevoix City Hall Monday and Tuesday.

Q. What about the dependents of those persons who died while in service?

A. The law provides no benefits for the survivors of persons who died while in the service. Beneficiaries of those persons were entitled to the six months' death gratuity pay. This law applies only to those veterans who have been honorably discharged from the service and are still living, or to the survivors of those veterans who have died since discharge.

Q. What service can be counted when computing leave or furlough?

A. All periods of active service in the Army, Navy, Marines, or Coast Guard, since Sept. 8, 1939, except time AWOL, time over leave or time spent in confinement under sentence of court-martial.

Q. Can you give us an example in computing net furlough or leave time due a veteran?

A. Well, suppose this veteran had 18 months of active service. He would have earned 2 1/2 times 18, or a total of 45 days of furlough or leave time. Now suppose he had used only 10 days furlough while in service. There would remain 35 days payable under this law. However, if he was AWOL for 30 days, or in confinement for 30 days his total active service would be reduced to 17 months and his total furlough or leave time reduced to 42 days. Now minus those 10 days furlough taken, would leave a total of 32 days for which he could be paid.

Q. Would that be 32 days pay at the grade or rating he held at the time of discharge?

A. That's right. If he were a corporal at the time of discharge, he will be entitled to one month and two days pay at a corporal's base pay, plus longevity pay, for length of service, if any.

Q. Is the ration money allowed under this law similar to that allowed for furlough or leave taken while in service?

A. Yes, but this law provides for a subsistence allowance at the rate of 70 cents per day for each day of unused furlough or leave.

Q. Is there any limit on the amount of unused furlough or leave time payable under this law?

A. Yes, 120 days is the maximum furlough or leave time for which pay is allowed.

Q. When does the claim have to be sent in?

A. Anytime within a year but not later than Sept. 1, 1947.

Questions and answers to this group will be concluded next week.

WOMEN IN THEIR '40's

Were Never Meant To Suffer Like This!

Here's a tip for women troubled by Nervous Tension, Irritability and Weak, Tired, Cranky Feelings—due to "middle-age"

If the functional "middle-age" period peculiar to women makes you suffer from hot flashes, touchy, high-strung, weak, nervous feelings, try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Taken regularly—this great medicine helps build up resistance against such "middle-age" distress.

Thousands Upon Thousands Helped! Pinkham's Compound is one of the best known medicines you can buy for this purpose. It has proved some of the happiest days of some women's lives can often be during their 40's. We urge you to give Pinkham's Compound a fair and honest trial. Just see if it doesn't help you, too. It's also a great skin tonic!

Back when everybody knew everybody else, and there were fewer telephones in service, some folks got in the habit of calling by names instead of numbers. They'd ask the operator for "Jim Smith's Garage" or "Mary Jones on Elm Street."

Usually the operator had the number in her head, or at least had time to look it up.

These days there are so many folks with telephones that your operators just can't remember all the numbers. Also, the increased load of calls has made it necessary to employ new operators—girls who aren't familiar with subscribers' names. So calling by name slows up service for everybody.

To help us give you better, faster telephone service this summer, please call by number—not by name. If the number isn't in your directory, please ask "information" for it. Then jot it down for future reference. Thanks a lot!

KIN OF MRS. FRED GILL REIGNS "QUEEN FOR A DAY"

Karen Gill, 4-year-old daughter of Mr. and Mrs. Glenn Gill, of Sheboygan, Wis. and granddaughter of Mrs. Fred Gill, of this city, reigned as "Queen of the Longfellow Playground for a Day" in Sheboygan recently. The contest was based on charm, poise and personality and applause from the audience determined the winner. Karen was selected from among 17 contestants.

The blue-eyed blonde, resplendent in royal purple and gold with a crown of purple trimmed with white fur, was presented with several gifts and received gift certificates for 40 different items. Wearing her crown and badge of honor, she later visited the stores and organizations, who donated gifts.

In the program which preceded the crowning of the queen, Karen, weighing 26 pounds, won a boxing bout against Diane Boschart, 6 years old, weighing 40 pounds, for the featherweight class.

Others listed on the program included Vernon, Dickie and Garry Gill, all sons of Mr. and Mrs. Glenn Gill.

Aged Resident Expires Thursday

Frank N. Metcalf, 73, retired druggist, died Thursday at the Charlevoix Hospital where he had been a patient for five days. He had been in failing health for several years.

Mr. Metcalf was born at Oxbridge, Ont., Can., on September 20, 1872, and came to Charlevoix in 1892. He graduated from the Charlevoix high school in 1894 and attended the Detroit College of Medicine before enrolling at Ferris Institute where he graduated about 1896. He operated a drug store in Charlevoix until 1926 but continued as a pharmacist in this city and in Central Lake, Lake City, Grayling and Mackinaw City until he retired five years ago because of failing health.

On November 22, 1911, he was married to Annie McCarty in Charlevoix.

He was a member of the Methodist church and of the IOOF for more than 40 years.

Besides his wife, he is survived by one daughter, Susannah, of this city.

Funeral services were held at the See Funeral Home at 2 o'clock Saturday afternoon. The Rev. W. A. Rush, dean of Adrian College, Adrian, Mich., conducted the services. Interment was in the Brookside cemetery.

Charlevoix bowling alleys were the scene last week of a real match game when "Bill" Kuicel of Detroit challenged Jack Hartzell's doubles team. Kuicel sent Ernie Cotter and "Chuck" Boehm, of the Stroh bowling team against Hartzell and Ralph Klein. Local lads didn't do too bad as the final tally showed 1162 pinfall for the visitors against 1047 for our local boys.

Mrs. J. J. Hallett Dies At Age of 76

Mrs. Lennie T. Hallett, 76, widow of the late Joseph J. Hallett, died at her home on Belvedere ave. early Friday morning. She had been in failing health for several years. Funeral services were held at St. Mary's church at 9 o'clock Monday morning with the Rev. A. V. Ulanowicz officiating. Interment was in the St. Mary's cemetery.

Born in Tucson, Ariz., on Mar. 23, 1870, Lennie T. Hennessey was married to Mr. Hallett in 1893. They resided in Denver, Colo., where they were engaged in the hotel business until coming to Charlevoix in 1900. In 1912 they built the Hotel Hallett on Belvedere ave. After Mr. Hallett's death on October 11, 1939, she continued to operate the hotel until 1943. Since then she has assisted her son, John Hallett, with the operation of the Hallett annex.

She was a member of the St. Mary's church.

Surviving are three sons, Irving and Harold, of Detroit, and John of this city and two grandsons.

Register of Deeds Convention Two-Day Affair at Belvedere

The Michigan Association of Registers of Deeds will open its 32nd annual convention at the Belvedere Hotel on Thursday morning, September 5, and will continue through Friday and Saturday, Sept. 6 and 7. Frank F. Bird, Register of Deeds of Charlevoix County, is the convention host and has planned several different convention activities.

The guest speaker for the opening luncheon on Thursday noon will be Hon. Kim Sigler, Republican candidate for governor of Michigan. On Friday noon the Registers and their guests will be entertained at a luncheon at Camp Charlevoix. For the program following the luncheon, Chief Reimann, owner and manager of the camp, will give a history of Camp Charlevoix.

Other convention speakers will be Col. Owen J. Cleary, Gov. Harry Kelly's deputy chief of staff, who will speak on the reorganization of the National Guard in Michigan; Mrs. Ruth Huston Whipple, former Mayor of Plymouth; Hon. D. Hale Brake, state treasurer.

The president of the Association, Clifton J. Stahl, of Monroe, will preside at the business sessions. Mrs. Ethel Phillips, Register of Deeds of Ingham County and executive secretary of the Association, is responsible for the convention details.

Farm Building Burns to Ground

The barn on the farm owned by Archie Brown, located 7 miles south of Charlevoix on US 31, was completely destroyed by fire early Friday evening after being struck by lightning during a storm. The summer's harvest including more than 30 tons of hay, 500 bushels of oats and straw, along with a binder and other farm equipment was lost in the blaze.

The barn, which was built about 7 years ago, had a steel roof and was completely modern in construction. It was covered by insurance.

The farm animals were in the field at the time and were not lost.

The Charlevoix fire department was called to the scene to protect the home and other farm buildings. Chief Charles Marshall stated it was impossible to make an estimate of the loss until a complete inventory had been made.

Engagement of Local Couple Is Announced

Mr. and Mrs. Anton Olszewski announce the engagement of their daughter, Adeline, to Verner C. Hamlin, son of Mrs. Josephine Hamlin, of this city.

Miss Olszewski is a graduate of the Charlevoix High School. Mr. Hamlin, who was discharged from the Navy in December after two and a half years service, is now employed at Tawas City.

No date has been set for the wedding.

Thursday, September 5 is Charlevoix Day at the County Fair. Don't miss it.

Kim Sigler Speaker At County Fair

Kim Sigler, GOP candidate for governor, will make two speeches in Charlevoix county on Thursday fulfilling a campaign pledge to visit every county in the state. He will be the guest speaker at a luncheon Thursday noon at the annual Michigan Association of Registers of Deeds in convention at the Belvedere Hotel here. On Thursday afternoon he will address a gathering at the Charlevoix county Fair in East Jordan, after which he will attend a dinner at the Jordan Hotel given by Charlevoix county Republican committeemen and county officers. On Thursday evening he will speak in Petoskey.

GUN CLUB MEETS THURSDAY NIGHT AT ODDFELLOWS HALL

Public Hearing to be Held on Harbor Breakwater

Pursuant to Section 7 of the River and Harbor Act, approved 24 July 1946 (Public Law 525, 79th Congress), the District Engineer has been directed to make a preliminary examination of "Charlevoix Harbor, Michigan: The South Arm with a view to the construction of a breakwater at or near East Jordan."

In order that the required report may fully cover the matter a Public Hearing will be held in the City Building, East Jordan, Michigan, at 10:00 a.m., Eastern Standard Time, on 2 October 1946. All interested parties are invited to be present or represented at the above time and place including representatives of Federal, State, county, and municipal agencies, and those of commercial, industrial, civic, highway, railroad, and waterway transportation interests, and property owners concerned. They will be afforded full opportunity to express their views concerning the character and extent of the improvement desired and the need and advisability of its execution. Sponsors of the improvement advocated are urged to present pertinent factual material bearing upon the general plan of improvement desired and the economic justification of the undertaking. Opposing interests, if any, are also urged to state the reasons for their position. Written statements submitted requesting improvements should include information as to the amount and character of vessel traffic, including recreational traffic, present or prospective, affected by the proposed work, as well as a statement as to the nature and amount of local cooperation interested parties would furnish.

Limestone Plant Is New Industry

A much needed, but little publicized industry, the Charlevoix Lime and Stone Company, has located almost within the city limits of Charlevoix. The objective of the plant is to produce a sufficient amount of finely ground, superior grade, agricultural limestone for farms of Charlevoix and adjacent counties which farmers have been unable to obtain in the past. The need for this type of conservation material has been recognized for several years, however, due to shipping rates it was impractical to bring the material in from outside sources of supply. Inasmuch as this county has high test lime deposits, Walter H. Henley, A.A.A. Chairman, promised the plan of developing a lime plant within the county. Through his cooperation and others interested in making limestone available for this area, the plant is now under production, being owned and operated by Ivan M. Porter, Boyne City.

The plant is located west of Charlevoix on a limestone outcrop which begins at Boulder Park and runs along Lake Michigan for 14 miles, ending near Norwood. A State survey made in actual tests from rock on the site showed the calcium content of the rock to be 96%. In the quarry, an air compressor is used to drill for blasting the rock. The rock is then placed on a 60 foot conveyor which leads to a jaw crusher, and the material is crushed down to three-quarter inch and under. The product from the crusher is elevated to a vibrating screen which separates finer particles and the balance passes through a set of roll crushers for pulverizing. The finished product, which all must pass through an 8 mesh screen is then carried to a 70 ton storage and loading bin. The bin has been erected over truck scales, so that every load is accurately weighed before it leaves the plant to the farms. The equipment is driven by two 65 h.p. motors.

Agricultural limestone, once a dusty waste or at best a by-product in small demand, is now recognized as a fertilizer essential in the production of nutritious crops. It is now an important product of quarry and crusher, and is applied by millions of tons throughout the entire country as a necessity in the building of productivity in the soil. The service of limestone in making better crops, both legume and non-legume, is no longer so much one of only reducing the soil acidity, it is rather one of supplying the plant with calcium. Calcium is a necessity in the soil which provides the essential mineral for blood, bones, teeth and good health. The importance of calcium in the daily diet of all people cannot be over-emphasized. To reports made by the Federal Government and by eminent soil specialists, we are warned that the problem of mineral-depleted land must be attacked on a national scale. When the minerals are taken from the soil and not replaced, the crops grown on that soil suffer as do the stock that feeds on the crops and eventually the human beings who are nourished by the vegetables, dairy products and meats. Therefore, we must start with soil, basically, the means by which we survive, and keep it in "good health."

In addition, to the production of agricultural limestone, the plant will produce crushed stone for use in building roads and drive ways. However, this material will not be made until all lime contracts have been filled.

It is expected that by next year new additional equipment will be added to the plant which will greatly increase the production of limestone and their rock products.

GO FOR PHYSICALS

The following men have been ordered to report at the City Hall, Charlevoix, Sept. 10, at 6:30 a.m. EST., for transportation to the Detroit Induction Station for Pre-induction Physical examination. Gale Louis Murphy, East Jordan; Lawrence Milford Barnes, of Charlevoix.

Home Extension Club Members Have Rally Day

A Rally Day for all Home Extension Club members and other women who wish to become members will be held Sept. 19 at the East Jordan Tourist Park. There will be a pot luck lunch at noon. Bring your own table service, sandwiches and a dish to pass. South Arm club will serve coffee.

In the afternoon a member of the M.S.C. faculty will bring a message of interest to all women. The County delegate to Farm Women's Week will also give reports.

At this time any new groups who wish to organize will be given assistance by Miss Emma Fero or Mrs. Lulu Clark. Lessons to be studied are chair caning, refinishing floors, color design in a room and keeping fit, according to Sadie Murphy-Liskum, County recreation chairman.

Keep the date in mind, Sept. 19 and turn out to make this Rally Day a good beginning for a good year's work in Home Extension.

Grangers Hear State Master

Charlevoix County Grangers welcomed the opportunity to meet State Grange Master W. G. Armstrong of Niles last Tuesday and turned out over a hundred strong to hear him speak at the Peninsula Grange Hall. Mr. Armstrong is not only Master of the Michigan State Grange, but he is also Treasurer of the National Grange, and in addition serves actively on twenty-three committees pertaining to agriculture in both state and national scope. Mr. Armstrong is a powerful speaker and called on his audience for a return to the principles of integrity, hard work and an intelligent selection of public office holders. These traits, he said, were displayed by the founders of our country and it grew and prospered as a result.

He called for an end of crack pot ideas and plans from Washington in which the American people are treated like guinea pigs. Further Mr. Armstrong called on his audience for a careful analysis of releases, by both radio and press, much of which is financed at public expense, but is timed at the very foundations of our country.

Mr. Armstrong was accompanied by deputy William J. Brake of Bellville and both have a host of friends in Charlevoix County.

Funeral Services Held Monday for Ironton Woman

Funeral services for Mrs. Wyron Thomson, 27, wife of Arney Thomson, of Ironton, who died unexpectedly at Charlevoix Hospital early Saturday morning were held at the See Funeral Home at 2 o'clock Monday afternoon. The Rev. C. W. Sidebotham, of East Jordan, officiated. Interment was at East Jordan.

Wyron Payne was born at East Jordan on February 8, 1919. She was married to Mr. Thomson in 1938 and they resided at Ironton except for a time they spent at Gaylord while he was in the army.

Besides her husband, she is survived by two children, Arlon, 7, and Arney, Jr., 3; her parents, Mr. and Mrs. Burdette Payne of Gaylord and five sisters and one brother.

Attends Court Trials Of Nazi Criminals

Pfc. Russell Lewis, who is stationed at Heidelberg, Germany, with the Army, attended the Nuremberg trials of Nazi criminals recently while on a trip to eastern Germany. He saw all the Nazi leaders on trials for their lives that are mentioned in newspaper accounts every day.

Pfc. Lewis is the son of Mrs. Lola Lewis of this city.

Thursday, September 5 is Charlevoix Day at the County Fair. Don't miss it.

Weed 'Em And Weep

Dr. B. H. Grigsby, of the bot-
any department at Michigan State
College, says the experiences of
some gardeners and homemakers
who were not careful with 2, 4-D
has been "weed 'em and weep."
For along with killing the dunde-
lions and other unwanted plants,
in the lawn, they have destroyed
some flowering plants and shrubs
in beds bordering lawns sprayed
with 2, 4-D.Spraying of the lawn should
be accomplished only on a still
day. When spraying near a flower-
ing bed, spray away from the flow-
ers or shrubs—not toward them.
Even the fine mist that is in-
visible to the eye is enough to
kill some plants or shrubs.Dr. Grigsby explains that some
trees and shrubs growing near
the spot where he parked his spray
truck show the effects of the weed
killer. None of the 2, 4-D was
sprayed on the vegetables, but the
effect is caused merely by evap-
oration from the tank.Another source of occasional
trouble has been the use of the
same spray equipment for 2, 4-D
and for a post-control spray.
While some believe four or five
thorough washings with hot soapy
water and repeated rinsings will
remove any trace of 2, 4-D from
a sprayer, Dr. Grigsby recom-
mends using the sprayer for that
solution only. He points out
the residue which remains in the
sprayer or the hose may be in-
soluble in a different spray so-
lution at a later date and cause
damage to a highly valuable plant.Twist Cabbage to Stop Splitting
Good growing weather may
cause cabbage to continue to grow
and burst. If you will twist the
heads a quarter of a turn, you
will break loose part of the roots.
That will partially check the
growth. Then the cabbage can
be held in the garden until weather
is suitable for storage of the
crop.Planting Winter Wheat
The fly-free days for planting
winter wheat in Charlevoix Coun-
ty is after September 3rd. Wheat
planted before this date is sub-
ject to Hessian Fly Damage.Farmers who are interested in
securing Registered Yorkwin
wheat may obtain the seed from
the following growers: Arthur
Loesel, Route No. 2; Jesse E.
Treiber, Unionville; or George &
Robert Moore, Elsie. The retail
price for this certified seed is
\$3.00 a bushel.Protect Your Alfalfa
Don't cut or pasture your alf-
alfa during September if you
want to prevent winter killing and
have a good stand of legume next
spring.Alfalfa plants need five to six
weeks time to store plant food in-
to the roots before frost. If the
hay is cut or pastured in Septem-
ber, there's not enough time for
this food storage process. Then
your alfalfa plants go into the
winter with insufficient food. As
a result, hard winter may cause
such winter killing.

After September, if the plants

have had adequate time to store
food, pasturing of the alfalfa is
not particularly harmful. But
once you have a frost, the plants
can no longer manufacture food
for the roots. So . . . if you want
a good stand of legume next spring
give your alfalfa five or six weeks
to get ready for winter.BIBLE QUESTIONS
ANSWERED BY THE
VOICE OF PROPHECY
INTERNATIONAL BIBLE BROADCASTERSQuestion—Does not the sixth
commandment, "Thou shalt not
kill," make it wrong to kill animals?
Answer—Jesus interpreted it as
forbidding murder, which is the un-
lawful taking of human life. (See
Matthew 19:18.)Q.—I have heard that two chap-
ters of the Bible are exactly alike.
Please tell me which ones.
A.—No two chapters of the Holy
Bible are exactly alike, but there
is little difference between Isaiah
37 and 2 Kings 19.Q.—Does the Bible say anything
about Christians marrying unbe-
lievers?
A.—Read the whole seventh
chapter of 1 Corinthians, and no-
tice also the principle laid down in
2 Corinthians 6:14: "Be ye not un-
equally yoked together with unbe-
lievers: for what fellowship hath
righteousness with unrighteous-
ness? and what communion hath
light with darkness?"Q.—Who printed the first Bible
in America?
A.—John Elliot printed the New
Testament in 1661 and the whole
Bible in 1663, both in an Indian di-
lect. This was the first Bible trans-
lated and printed in a new language
for purposes of evangelization.
It was also the first Bible printed
in all the Americas.Q.—Where in the Bible is the ex-
pression, "Out of the frying pan
into the fire?"
A.—It is not in the Bible, but the
frying pan is mentioned twice in
the Scriptures. Leviticus 2:7: "And
if thy oblation be a meat offering
baked in the fryingpan, it shall be
made of fine flour with oil." And
Leviticus 7:9: "And all the meat
offering that is baked in the oven,
and all this is dressed in the fry-
ingpan, and in the pan, shall be the
priest's that offereth it."Q.—Why doesn't the Bible say
something about health as well as
about the soul?
A.—It says a lot about health
and right living. 3 John 2: "Be-
loved, I wish above all things that
thou mayest prosper and be in
health, even as thy soul prosper-
eth." Romans 12:1: "I beseech you
therefore, brethren, by the mercies
of God, that ye present your bodies
a living sacrifice, holy, acceptable
unto God, which is your reason-
able service." 1 Corinthians 10:
31: "Whether therefore ye eat, or
drink, or whatsoever ye do, do all
to the glory of God." (See also 1
Thessalonians 5:23; 1 Corinthians
9:27; 1 Corinthians 6:19.)Ed. Note: Address your questions to

BLOOD-IRON?Here's One Of The Best
Lame Ways To Build Up Red Blood!You girls who suffer from simple
anemia or who lose so much during
monthly periods that you are pale, feel
tired, weak, "dragged-out"—this may
be due to low blood-iron.So start today—try Lydia E. Pink-

Absorb Moisture

Nuts in a baked mixture tend to
absorb moisture and make the food
dry. So when you use a large pro-
portion of nuts, place them first in
boiling water for a few minutes. Then
drain and add them in the usual
way.

Pumpkin Uses

Here in the United States we think
of pumpkin in pies first of all; but it
has many uses as a vegetable, and
countries south of the border use
pumpkin in soups and stews or com-

fried in deep fat.Bring In Your Car

Use Brush on Hair
Try using a stiff nail brush all around the edge of the hairline when you are actually washing your hair. Powder and cosmetics tend to go over the hairline above the forehead, and rubbing against coat collars may make the hair at the back of the neck get extra dirty. What appears to be excessive dandruff in these areas is caused by the accumulation of extra soil.

Dependent on Auto
Statistics say that 54,000 communities throughout the nation depend for transportation on the automobile and the highway solely.

The House You Live In

If you are lucky enough to own your own home, you undoubtedly take pride in keeping it attractive, modern and comfortable. You probably have a list of dozens of things you were obliged to postpone during the war and want to do as soon as possible: insulation, a new roof, a plumbing or heating installation, electrical work and masonry jobs. Perhaps you plan to construct a

sleeping porch or a sun parlor; build a garage, or a room for games, hobbies or workshop. As materials are available for these purposes, we are ready with home repair and modernization loans to help finance the cost over a period up to 36 months. We'll be glad to see you whenever you care to drop around at the bank and talk with us about the loan that you can use to advantage.

THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen.

Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 100 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages. These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance.

There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

Highlights of Regular Army Enlistments

1. Enlistments for 1, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age, and former service men depending on length of service.
3. A non-transferable bonus of \$50 for each year of active service time such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service - increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946.
8. Choice of branch of service and overseas theater (all those still open) on 3-year enlistments.

How Your Television "Commercial" Will Look

To enhance an impressive list of manufacturing "firsts," Chevrolet now engages in another pioneering venture as the first motor car manufacturer to sponsor a regular commercial television show. Admittedly an exploratory venture to evaluate the possibilities of television as an advertising medium, these broadcasts were the first employing live talent to be sponsored by any automobile producer. Four weekly shows were staged by Chevrolet and broadcast through the facilities of the American Broadcasting Company's television network. The shows were telecast at the Dumont Studios in New York for the three stations currently teamed in the ABC television network. Shown above is a scene from the second of the series, a half-hour program titled "Roads to Romance."

BIBLE QUESTIONS
ANSWERED BY THE
VOICE OF PROPHECY
INTERNATIONAL BIBLE BROADCASTERS

Question—Was there a church in the world before Christ came to this earth?

Answer — In Acts 7:38 "the church in the wilderness" is mentioned, and the wilderness wandering of the Israelites was over a thousand years before Christ was born.

Q.—How did the Israelites get on in the old times when they had no gospel?

A.—The gospel was taught to them, Hebrews 4:2: "For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it."

Q.—In what manner do you think Christ will return? Will His coming be real?

A.—It will be real, Acts 1:11: "Ye men of Galilee, why stand ye gazing up into heaven? This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen Him go into heaven."

Q.—Where will I find that text, "Cleanliness is next to godliness"?

A.—Not in the Bible. But the Scriptures do say a lot about being clean, both physically and spiritually. Job 17:9: "The righteous also shall hold on his way, and he that hath clean hands shall be stronger and stronger." (See also Isaiah 1:16; 30:24; Psalm 51:10.)

Q.—How can you harmonize the evil deeds of prominent Bible characters with the inspiration of that Book?

A.—The Bible tells the truth about these men. It does not uphold their evil, but condemns it. The Scriptures picture only one Man as sinless, the Lord Jesus Christ. He was "holy, harmless, undefiled, separate from sinners, and made higher than the heavens." Hebrews 7:26.

Q.—What difference does it make whether Christ comes soon or in a thousand years from now?

A.—Can we be indifferent to Christ's return if we follow His warning found in Matthew 21:42-44? "Watch therefore: for ye know not what hour your Lord doth come. But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh."

Ed. Note: Address your questions to the BIBLE QUESTION COLUMN, The Voice of Prophecy, Box 55, Los Angeles 53, Calif. Bible questions of general interest will be answered in this column as space permits.

The Last Warning -- The Formula

WHEN you buy fire insurance keep these two things in mind ... the home you have and the equally good home you'll want if you are burned out. Obviously the amount of your fire insurance should approximate the present high value of the home you own because this also is approximately the value of an equally good home you will want to buy after a fire.

Questions and Answers of Veterans' Affairs

Q. How soon do you think the veteran can expect to get his settlement for the amount due him after he has mailed in his claim?

A. There will be approximately 15 million of these claims to be processed. The services will make every effort to settle them as rapidly as possible. However, as the result of demobilization, they are operating with greatly reduced staffs. The length of time required to settle these claims will depend largely on how carefully the applications are filled out and how much administrative research is required on each application. And remember this, your bond will be dated as of the first of the quarter following that in which you were discharged, so that whether you actually get your bond next week or six months from now, it will still bear that date. Let me repeat that: your bond will be dated the first of the quarter following that in which you were discharged. For example, if you were discharged anytime in October, November, or December 1945, your bond will be dated January 1st, 1946.

Q. How soon will application forms be available at post offices?

A. Millions of these forms must be printed and distributed all over the country. This will take time, but it is believed that they will be available in approximately 45 days. Remember, that these forms may be obtained only at post offices. Therefore, do not write to the Armed Services, or anywhere else requesting these forms.

Q. As a final question, have you any further suggestions as to how the veteran may help speed settlements?

A. Indeed I have! After mailing your claim to the proper paying office you can help to speed up settlements by keeping inquiries down to a minimum. If numerous letters of inquiry are received by the paying officers, they will have to take time off from processing claims to answer these letters. So you can see how a lot of letters will delay settlement. However, in the event that you change your address during the waiting period, you should notify the paying officer in writing immediately. I recommend that you just sit tight and watch for further detailed information. In closing, let me assure you that the services will do everything they can to get the

settlement in your hands just as soon as possible. I can assure you that the services will appreciate the cooperation of every veteran.

For further information contact your local Veterans Counselor, Gilbert M. Lindsay. In Charlevoix City Hall, Monday and Tuesdays.

ROCK ELM MRS. A. B. LAWTON

Electric current thru here for the past few weeks has been "off again on again" due partly to over-load and partly to electric storms. However, we are promised better service when the resort season closes.

Mr. and Mrs. George Metz came up from Florida this week to visit friends and relatives. It is their first visit north for several years.

Pastures and meadows have been fitted by the recent rains.

Thursday forenoon the front door of the Lawton residence came open, on going to close it Mrs. Lawton found a little four year old girl and her younger brother seated on the door step. The little girl said they were waiting for their daddy who had gone after berries. A few questions revealed the fact that they were lost but belonged to people visiting the Holiday family, so they were invited in and entertained until a distressed mother and daddy arrived and were greatly relieved to find them safe and sound.

Commercial Hatcheries Between 85 and 90 per cent of all chicks hatched in the United States are now produced by commercial hatcheries.

Watch Heating System
Be sure that your home heating system is in good repair. Check brick flues for loose mortar that needs replacing. Eliminate rusty smoke pipes that invite disaster. Do your firing systematically and regularly; avoid an overheated furnace working beyond capacity to warm a house that has become cold through negligence. When you leave your house or retire at night, be sure fires are properly banked and checked for safety.

Roasting Fowl
When roasting a fowl, start it cooking with the breast down so that the fat on the back will melt and start the basting.

Meet our Boss:

MRS. ROE

Who's the Big Boss of any business? That's easy—the person or persons who own the business!

In the case of Michigan Bell, our Big Boss is "Mrs. Richard Roe" and thousands of other thrifty folks who have invested in Bell System securities and provided the money for enlarging the system and improving the service.

Now let's see what Mrs. Roe's investment helped make possible. Here are just a few examples:

- From 1920 through 1945, it has permitted the Bell System to increase the number of telephones in service from 8 million to 22 million—almost 16 telephones for every hundred people in the United States.
- It has provided the facilities for handling a record-breaking billion and a half toll calls in 1945, compared to 360 million in 1920.
- It has financed the development and installation of dial telephone equipment so that now 4 out of 5 telephones in Michigan, for example, are dial operated.
- It has paid for the construction of 75 million miles of wire and cable throughout the nation, and accomplished many other improvements too numerous to mention.

If this progress is to continue—more money will have to be obtained from more investors through the sale of additional Bell System securities. And, since investors naturally want a fair return on their savings, telephone rates should be sufficient to permit paying a reasonable rate of return.

Michigan Bell's "cost of living", like yours, has been rising rapidly. If it continues to go up, rate increases may become necessary to insure adequate earnings. In any event, Michigan Bell wants telephone rates no higher—and no lower—than necessary to operate the business efficiently . . . pay good wages . . . give a fair return to investors and, thereby, protect the future quality of the service we give you.

That British loan has been the source of much comment. On a cash basis we're the best of friends—till debt do us part.

From Mr. and Mrs. Roswell Williams of Detroit we receive a note which says in part: "Thank you so very much for sending the paper to us. We certainly do enjoy it. It's almost like a breath of Charlevoix."

Many newspaper subscribers are experiencing an increase all over the United States. Reasons: Newspaper has gone up again. This time \$7.00 a year. This is the third increase within a year. All subscriptions received (in advance) by the Courier up to Oct. 1, will be guaranteed the same low price as in the past. Thereafter... well, it depends on OPA.

Introducing Republican gubernatorial candidate Kim Sigler last Thursday at the Belvedere Casino, when the State Registers of Deeds were in convention, Floyd Supp, local attorney and Circuit Court Commissioner made a slight slip of the tongue when he finished the introduction by saying "until now I have the great pleasure to present Kim Sigler, DEMOCRATIC nominee for governor."

We feel better knowing that Mrs. Gilbert was present at the Charlevoix bowling alley last Sunday while husband Julius had his picture taken with his famous all-star beauties. Mr. Gilbert sponsors a girls' R.C. Dunn bowling team, and is president of the famous cigar company and a Charlevoix summer resident for many years.

Besides being a first rate painter and decorator, J. H. George ("Let George Do It") is also a good fisherman. He proved his ability to catch fish last Saturday when he displayed four fine specimens of black bass. Largest measuring 17½ inches, smallest was 12½ inches in length. Total weight of this fine mess was 9 pounds. Largest bass weighing 3½ pounds.

Otto L. Hines of Santa Monica, Calif., likes the Courier. He writes: "Find enclosed check for \$5.00 for TWO YEARS subscription in advance. In case subscription should advance like everything else this coming year, although it is worth the advance. We all enjoy the improvement in the Courier. Wish you all kinds of good luck in the future."

"Gus" Fochtman, County Road Commissioner, "Trim" Reynolds, Road Superintendent and Ralph Hamilton, Clerk, had a narrow escape last Friday while on a road inspection tour, when the radius rods broke just as they approached the Orson Van Dusen corners, 4½ miles south of Charlevoix. Fortunately no one was injured as the Buick car they were riding in, barely missed a telephone pole after taking the ditch to avoid a head-on crack-up.

Automobile manufacturers plan a brief shutdown this fall to make minor changes for their 1947 model. We can only hope that they decide on production at the same time.

Air travel has made a lot of progress in the past few years. We hope they can keep the good work up—and we do mean up.

YOUR CITY... AND YOU
If you want to live in the kind of a town...

That's the kind of a town you like. You needn't slip your clothes in a heap.

And start on a long, long hike. You'll find elsewhere what you left behind.

For there's nothing that's really new. It's a knock at yourself when you knock your town.

It isn't your town—it's you. Real towns are not made by men afraid.

Let somebody else get ahead. When everyone works and nobody shirks. You can raise a town from the dead.

And if while you make your personal stake. Your neighbor can make one, too. Your town will be what you want to see. It isn't your town, it's you.

Theisen-Clemens Receives Huge Oil Shipment

The Theisen-Clemens Co., formerly Charlevoix Terminal last week received its first gasoline and oil shipment since the Maritime strike on the Great Lakes. It is the fourth cargo received by the new company since its operation here.

The tanker Mercury, carrying a cargo of 1,000,000 gallons of gasoline is one of several vessels that the Theisen-Clemens company has under charter from the Cleveland Tankers, Inc., to supply this terminal. Besides the Charlevoix terminal, the company has others at Gladwin, Bay City, Detroit and at the home office in St. Joseph.

The local terminal, purchased last February from Ray Cornell, has been enlarged with two new half-million-gallon tanks each and new starting-ethyl as well as fuel oil. The largest tank on the property has a capacity of 1,500,000 gallons. All tanks will be filled to capacity before the ice-bound season starts this fall.

A full line of petroleum products are stored in the company warehouses which offers the many dealers a most complete service. The Theisen-Clemens company was founded 45 years ago and is one of the largest independent distributors of petroleum products on the Great Lakes, according to George Whitley, sales manager.

Besides Mr. Whitley, the company maintains a full staff at the local terminal including Al Smith, local manager and Clarence Murray, yard man.

Mrs. Emma Hogart, Janney Bogart, Phyllis Williams and Mr. and Mrs. George Sands spent Sunday last week with Mr. and Mrs. Irving Sands at Mackinac City.

Three Nurses Get Diplomas at St. Mary's

Three Charlevoix girls were among the 120 graduates from the Mercy Central School of Nursing who received their diplomas at the commencement exercises held at St. Andrew's Cathedral, Grand Rapids, at 3 p. m. Sunday. They were Mary Gallagher (left), daughter of Lt. Cmdr. and Mrs. Lester A. Gallagher, now of St. Ignace; Barbara Bradley (center), daughter of Mrs. H. Keith Wagner, of this city; and Fay A. Bradley, of Lansing and Mary Gangle, daughter of Mr. and Mrs. Joseph Gangle, of this city.

The Rev. Leo Tooley, of Ludington, delivered the commencement address and diplomas were presented by the Very Rev. Robert W. Hogg, chancellor of the diocese of Grand Rapids. The class was the largest in the history of the school.

The three girls graduated from the Charlevoix high school and entered the Mercy Central School of Nursing at St. Mary's hospital in September, 1943, as cadet nurses. Besides their regular training courses they received special training by affiliations with other hospitals. All three affiliated for three months at the Kalamazoo State Hospital. Miss Gallagher also served with the Grand Rapids Public Health Service; Miss Bradley at Herman Keiffer Hospital, Detroit; and Miss Gangle at John Hopkins Hospital, Baltimore, Md.

Those who attended the exercises were Lt. Cmdr. and Mrs. Gallagher, of St. Ignace; Lester Gallagher, of Potosky and Mr. and Mrs. Peter O. Gallagher, of this city, who accompanied by Miss Gallagher will visit until Thursday in Chicago; Mr. and Mrs. H. Keith Wagner and son, and Miss Shirley Bradley, of Charlevoix, and Mr. and Mrs. L. E. Rodgers, of Boyne City; Mr. and Mrs. Joseph Gangle and sons, Tony and William. The latter were accompanied home by Miss Gangle who will spend the remainder of the week here.

Mr. and Mrs. Alex Droszewski returned to Charlevoix after several months in southern Michigan and Florida.

4-H Club Members Win State Prizes

Handicraft exhibits from the 4-H club of the Charlevoix public school made a fine showing when recently displayed at the State 4-H Club Show held at East Lansing, September 2-4. Blue ribbons were awarded to Dale Boss who displayed a foot stool and floor lamp and to Oliver Johnson on his model railroad cars. While ribbons went to Thomas Harrington who displayed a tool box and mallet and to Alvin Ranger on his pine rack and thimble.

Premium money will be mailed to the exhibitors from the State Club office. Uno Suomela, high school shop teacher, led the club. Francis Zitka and Burton Hunkler of East Jordan took 1st place with their electrical demonstration. The boys will receive a board. Zitka placed on display his electric welder which he made as his project last winter. It received a blue ribbon. The East Jordan electrical club was led by Lester Waleut now a club agent in Menominee county.

Nazarene Camp Meeting a Success

The first Annual Nazarene Camp Meeting held in a big tent at Whitlark's Park near Hoyos City on beautiful Lake Charlevoix came to a victorious close on Sunday, August 25.

In spite of the damp, cold weather the meetings were well attended. Every service was marked with the presence of the Lord.

As the result of the old fashioned gospel preaching of Rev. W. M. McGuire many souls sought God at the altar and prayed through.

There was a healing service held for two women and they later testified to the healing power of the Lord.

Rev. A. D. Richards and wife were the splendid song evangelists. They were ably assisted by Rev. R. Smith, whistler and inspirational singer from Lansing.

(Sister Suprenant returned missionary from China had charge of the missionary service held on Sunday afternoon which was well attended.

Members and friends responded generously with offerings of food and money.

Plans are being made to make this an annual affair. Time and place will be announced later in your local paper.

Rev. T. Tillman Wright said, "We take this opportunity of thanking each church, pastor, and individual for helping to make this Camp Meeting a success."

MRS. MINA DAWSON DISPLAYS BUTTONS AT J. L. HUDSON CO.

The Michigan Button Society will hold an educational and competitive display of buttons from all parts of the state at the J. L. Hudson store in Detroit on September 9-21.

Mrs. Mina Dawson, of this city, who teaches at Antares, has entered many cards of antique buttons in the exhibit. Her collection features buttons displaying heads in silk glass, hard rubber, and hoof and horn. One card portrays oyst Jenay Lind heads in many colors and sizes. In her collection she shows a special fondness for old black buttons with a peckmark on the back made from melted hooves and horns of cattle.

State Registers of Deeds Enjoy Successful Convention

Charlevoix County Hosts Sept. 18-19 to State Turkey Tour

The first state-wide Turkey Tour will be held September 18-19, starting at Tuscola County and the Michigan Turkey Growers' association are sponsors of the event.

The tour will start at the Elmer Hulas farm near Vassar in Tuscola county, 8 a. m., September 18. The Lewis Warner farm near Clare will also be visited during the morning enroute to Lake City. The Lawrence Hicks farm, nine miles east of Lake City, will be an afternoon stop before the group reaches the Michigan State College Experimental Station at Lake City. Here the college experiments with turkeys will be viewed and an evening supper and program will be held.

The group will stay overnight at Lake City and on September 19 will move on toward Charlevoix with a stop at the Clarence Orent farm in Antrim county near Bellaire. In Charlevoix county the farms of Arlo Wickersham, Dick Potter, Safford Matthei, and Frank Bird will be visited.

In addition to C. C. Card, head of the poultry department at the college, H. C. Ziadell, J. M. Moore, E. W. Henderson, and Otis Shear, of the college poultry staff will accompany the tour. Dr. W. A. Hillages, Minnneapolis, Minn., authority on turkey diseases and member of the University of Minnesota staff will join the tour and be the main speaker at the Lake City meeting.

If you're interested in the tour, see Ed Rehman, County Agricultural Agent and obtain an itinerary so you'll know the most convenient place for you to join the group. The dates—September 18 and 19.

The Michigan Association of Registers of Deeds closed their 32nd annual convention at the Belvedere Hotel on Friday evening with a banquet at which D. Hale Drake, state treasurer, was the principal speaker. Floyd Supp, of Charlevoix, was toastmaster. More than a hundred registers, deputies and guests attended the convention.

At the election of officers held on Friday afternoon, William J. Williams, of Jackson, was named president to succeed Clinton J. Stahl, of Monroe. Others were: first vice-president, Walter H. Nill, of Muskegon; second vice, Lillian Godin, of Ludington; and third vice, Fanny A. Aurilio, of Marquette. Ethel L. Phillips, of Mason, Ingham county, was re-elected secretary-treasurer.

Other highlights of the convention were a speech by Kim Sigler, GOP gubernatorial candidate at the opening luncheon on Thursday; a buffet supper on Thursday evening given by the Photostat Corp., at which Frank Tucker and Frank Bush were the principal entertainers and a luncheon at Camp Charlevoix on Friday followed by a talk by Louis Heiman, director of the camp on the subject of boys entitled "Why do they act that way?" The trip was made to the camp in Ward's cabin cruisers.

Frank F. Bird, Charlevoix county register of deeds, was convention host.

Cere Urged In Fodder Feeding

Dairy farmers should avoid
feeding corn fodder which has
been treated with DDT to milk-
producing cows.

Samples of corn fodder, spray-
ed or dusted with DDT for corn
borer control, have been analyzed
by the agricultural chemistry de-
partment of Michigan State Col-
lege. They were found to con-
tain DDT in amounts varying from
3.7 to 38.6 parts per million.

While this seems like a small
amount of DDT, chemists feel it
is enough to contaminate milk
if the fodder is given to dairy an-
imals.

A legal tolerance of 7 parts
per million has been established
for apples and pears marketed.
No tolerance, however, has been
established for dairy products and
a trace of DDT in the milk may
be enough to make it unaccept-
able for commercial use.

Don't Store Vegetables Too Early

It's well to consider storage of
some of the garden surplus for
winter eating, but Jack Rose,
Michigan State College extension
specialist in home gardening,
warns against storing vegetables
too early.

Whether in basement storage
room or outdoor pit, cool weather
is necessary for good results.
Crops in storage give off heat
which must be replaced by cool
air. One warm spell may cause
the entire crop to be lost. Rose
advises temperatures for most
vegetables in storage from 34 to
48 degrees.

Use Of Aerosol Bombs

In fighting flying insects in
the home, a lot of folks haven't
as yet learned how to use the new
DDT aerosol bombs in the most

efficient way.

Some do as some G.I.'s did when
they first tried the aerosol bombs
in the army. They wastefully let
out too much of the insecticide
at one time.

Ray Hutson, head of the depart-
ment of entomology at Michigan
State College says the process
is simple. You can keep down
flies and mosquitoes and other
flying insects in an entire ordi-
nary sized room by simply walk-
ing to the middle of the room,
holding up the aerosol bomb, and
releasing the insecticidal fog from
properly designed bomb, one that
takes about twenty minutes to
exhaust, and one that contains the
right amount of pyrethrum and
DDT, you can treat the room a
couple of times a day all season
with one aerosol bomb. That
makes it an economical way to
keep down insects.

At present, the aerosol bombs
on the market differ rather wide-
ly, and unfortunately all of them
are not so economical. For ex-
ample, the entomologists have
found that one type bomb filled
with a first-rate insecticide lets
out the insecticidal fog so fast
the bomb is completely exhausted
after two minutes' use. That
means more re-fills or more aere-
sol bombs each season.

Remember, the insecticidal fog
does not need to directly contact
the pest to get results. The re-
sidue left by the spray will do the
trick. DDT may not show as
immediate results as some old-
fashioned fly sprays, but in ten
minutes time it gets far more in-
sects and the residue is effective
for from weeks to months.

Don't Stop Too Quickly

Too many women made the mis-
take of quitting their canning too
soon last summer. As a result
they ran out of certain items such
as canned tomatoes and peaches
last spring about the same time

their family grocer could get
none. Then, they had to substi-
tute for these two highly desired
items of food.

Roberta Hershey, foods and nu-
trition specialist for the Michigan
State college extension service,
says the peaches and tomatoes
are now on the market at a price
which will prove advantageous to
the housewife. She knows you're
busy getting the youngsters ready
for school, but she believes you
will be thankful next spring if you
can more of these two products
now. Can all you can... that's
a good policy to follow this year.

A Word of Appreciation
to Telephone Customers

For your willing cooperation this summer in helping to speed
telephone calls over the crowded wires, Michigan Bell people
are deeply appreciative.

The vacation season just ended was one of the biggest of
all times. The telephone men and women in this area handled
more local and long distance calls than ever before, pro-
viding good service for most people most of the time.

Because of material shortages, only a limited amount of
additional telephone equipment could be provided to take
care of the up-surge in calls. So we appealed to telephone
users here to help by keeping their calls brief, and avoiding
the busiest hours. You responded wholeheartedly, cooperat-
ing every bit of the way to make the service as good as
possible under the circumstances. You have our sincere thanks.

We are installing additional facilities throughout Mich-
igan as fast as we can to hasten the day when telephone
service will be of pre-war quality or better.

What Is Small Business?

A depositor of ours asked us that question the other day. "According to the Department of Commerce," we told him, "a small retail business is one that has less than \$50,000 in annual sales." "Then, I'm one of the fellows you mean," he replied, "when you say you make loans to small businessmen." "Of course you are," we answered, "you and many others who run stores, shops, offices,

farms and service enterprises of all kinds." More than 92% of all business in the country is small business — it's the backbone of American free enterprise. You may have only two or three employees, and operate from your own home, but you are the head of a business just the same, and we want to help. We are ready to make loans for every constructive need. Come right in.

ROCK ELM MRS. A. B. LAWTON

Mr. and Mrs. Joseph Hyatt of Detroit, former residents of this community are visiting friends and relatives here and at East Jordan. Mrs. Hyatt is Lawrence Jensen's sister.

Mr. and Mrs. Thomas Cox who recently purchased a house, in East Jordan arrived at their new home Thursday. They were residents of Kalamazoo for several years.

Mrs. Julie Gunther and daughter, Elaine called on Mrs. Lawton Monday afternoon.

The following item was furnished by Mrs. Oscar Teboe too late for last week's paper: At Traverse City on the morning of Aug. 31st, a very pretty wedding took place at nine o'clock when Miss Reva DeTour, only daughter of Mr. and Mrs. Ed DeTour became the bride of Mr. Ralph Teboe,

youngest son of Mr. and Mrs. Oscar Teboe. High mass was held at St. Frances church by Rev. J. Kohler who read the single ring service. The couple was attended by Mr. and Mrs. Ruben DeTour and Mr. and Mrs. Levi DeTour. Nancy Ray DeTour was ring bearer.

Mrs. Delaney sang Ave Maria. The altar was decorated with white gladioli. The bride was given in marriage by her father. For her dress the bride chose white lace, with fitted bodice, sweetheart neckline, long sleeves pointed over the hands, long train. She wore a finger tip veil with deep lace edge and crown of orange blossoms, also pearls the gift of the groom.

Breakfast was served at Arts Cafe on 4 mile road.

The reception was held at 4 p. m., at the home of Levi DeTour, 428 Webster Street. The festivities closed with a dance at the Grange Hall on Garfield Ave.

The out of town guests were Mr. and Mrs. George Forton of Grosse Pointe, Mr. and Mrs. Don McCarron and Sally Ann, Miss Isabell Edgcomb, Ann Arbor, Mr. and Mrs. Oscar Teboe and Mr. Harry Smith of Ellsworth.

The bride received many beautiful gifts. The young couple will make their home in Traverse City where the groom has been employed in greenhouse work for about ten years. He has now established a business of his own. Their friends wish the young couple well.

Road Comm. Gets Directive From State Dept.

A directive has been received by the Charlevoix County Road Commission from Charles M. Zeigler, State Highway Commissioner regarding driveways on State Trunklines. Standard plans are on file at the Road Commission office which will be the basis for the approval of all applications for permits on state routes to provide a guide for proposed driveway layouts.

It has been the experience of the Department that when the prospective builder or owner of the property has been properly informed, before construction is started, in can conveniently comply with the standards without additional expense.

Persons or persons desiring to construct driveways on state routes should contact the Charlevoix County Road Commission when they contemplate the building.

Greyhound fares
are as low as
in Pre-War Days!

IT'S TRUE! That upward spiral of price rise hasn't so much as budged Greyhound fares. They have remained normal—just as low as before-the-war days. This is more remarkable too, since costs and maintenance of operating bus lines have risen sharply all along the line.

How does Greyhound do it? Well—it's no trade secret. The backbone of Greyhound Lines formula for success is more and better service to more people. Expansion and augmented service . . . thorough maintenance and efficient operation of equipment have all combined to hold the line on bus fares.

Your travel dollar really buys more today than ever before in bus line transportation. And when Greyhound's orders for new buses are filled, your dollar will buy even more in comfort, convenience and better bus service.

sive Ceremony Unites East Jordan Couple Sunday

Baskets of white gladioli and aslers and lighted tapers formed the background for the marriage of Mr. and Mrs. Gilbert Sturgell, and Walter C. Shepard, son of Mr. and Mrs. Frank Shepard, at the First Methodist church, East Jordan, at 7 o'clock Sunday evening, August 25. The Rev. Howard Moore read the impressive service in the presence of relatives and friends. Preceding the ceremony, Margaret Blossie played a program of wedding music and the traditional wedding marches and accompanied Iris Petrie who sang "As Long As I Have You."

The bride, given in marriage by her father, chose a street-length dress of aqua crepe, black accessories and a corsage of white gladioli for her wedding. Miss Doris Shepard, and Mrs. Boyd Henton, sisters of the bridegroom, were her attendants. Miss Shepard was attired in a rust dress with black accessories and Mrs. Henton, in a yellow dress with brown accessories. Both wore corsages of yellow chrysanthemums.

Willard Howe assisted the bridegroom as best man and Bruce Bartlett and Mr. Henton acted as the groomsmen.

A reception followed in the church parlors.

Both are graduates of the East Jordan high school. The bride was formerly employed at the local office of the Charlevoix county draft board. The bridegroom served in the Army Air Forces in World War II.

The couple will make their home in East Jordan.

Those from Charlevoix who attended were Mr. and Mrs. Bartlett, Mr. and Mrs. John R. Struthers, Miss Helen Goldstick, Miss Anne Miller, Mrs. Beatrice Richardson, Miss Helena Isaksen, and her cousin, Eleanor Henthaway of Des Moines, Iowa, and Miss Ruth Jewell of Stratham, N. H.

Tennis, Golf Popular at Belvedere Club

Tennis and golfing created great interest this season at the Belvedere where guests and members took part in tournaments which were very popular to players and spectators alike.

Interest in tennis at the Belvedere Club in Charlevoix has increased tremendously during the past few years and the completion of the five new Rubico, all weather courts, because of their quick drying surfaces, furnish the finest type of playing courts that may be obtained anywhere and are deservedly popular with the best players of this tennis club.

During the 1946 season, according to the statistics of Pro Wright, Belvedere's capable professional coach of long experience, there have been more than 180 players who have used the courts and a total of about 4700 hours of play has been attended. During the July tournament, 27 players were entered with Witherspoon and Pulliam winning the men's doubles and Mrs. Alvan Macaulay and Mrs. Richard Leatherman winning the women's doubles. The mixed doubles winners were L. Morrow and Minor Morrow.

The annual Belvedere Tournament, with 62 players entered, was the tennis event of the summer, 15 classes participating, and the matches were exciting, well played and largely attended. Men's singles was won by Ray Speth of River Forest, Chicago and women's singles by Mrs. Betty Forker of the Cincinnati Tennis Club. Men's doubles was won by Speth and Dale, of the Cincinnati Tennis Club. Women's doubles by Mrs. Richard Leatherman of Memphis, C. C. and Mrs. Forker. The mixed doubles was won by Mr. and Mrs. Verity of Middletown, O.

Golfing Popular
The annual Belvedere Club Championship tournament which has just recently been successfully concluded had 37 entries in the men's division and 15 in the women's contest. The men's championship for 1946 was won by Mr. Hardin of St. Louis, Mo.; Class A Flight by John Knight; Class B by Dr. Skiles of Chicago; Class C by J. Bemis of Prescott, Ark.; Championship Consolation by G. Geilfus of Cincinnati, O.; Class A Consolation by J. Hickney of St. Louis; Class B by C. Pike of Detroit; Class C by Bud Cudlipp of Detroit.

The Women's Championship was won by Mrs. Herron; the Sports-women's Flight by Mrs. Carney; the Championship Consolation by Mrs. Gardener; and the Consolation Sports-women's Flight by Mrs. Lawell. Many of the matches in both the men's and

women's flights were bitterly contested and required extra holes ere they were won.

During the past season there have been 6431 golfers registered as players at Belvedere who have come from all sections of the country to play the famous course and during the Michigan State Amateur Golf Championship this summer some 200 played from all over Michigan were entered for the honor at Belvedere.

It is of interest to know that the well-known British and American golf champion, Walter Hagen, after playing over the Belvedere course in the Great Lakes Tournament several years ago, stated that, in his opinion, "the Belvedere golf links were among the finest, if not the finest, resort links in the U.S.", and as a further word of praise he said he considered "the 16th hole at Belvedere the best golf lay-out that he had ever seen." These statements coming as they did from a great golf player who had played over practically all the world's best courses in his long and successful career, was, as the saying is, "praise indeed."

Spare Sugar Stamp Valid

Housewives may purchase five additional pounds of sugar with spare stamp No. 51 in the family ration book from September 1 through December 31, and use sugar stamp No. 49, formerly scheduled to expire August 31, through September 30, Lawrence Farrell, District Director announced today.

Farrell explained sugar stamp No. 49 was extended one month to enable housewives living in areas where sugar shortages exist to use stamps when supplies are delivered to groceries.

"Maldistribution occurred in certain areas," Lawrence Farrell said, "because of the difficulty of obtaining box cars for shipping the sugar."

Sugar stamps No. 9 and No. 10 for home canning remain valid until October 31, he said.

FORMER RESIDENT DIES IN DETROIT

Word has been received here of the death of Dare S. Burke, 64, former Charlevoix resident, in Detroit on August 22. Funeral services were held at the Hamilton Co. Chapel, Detroit, on August 26, with burial at Grandmont cemetery.

Born in Belleville, Mich., Mr. Burke resided in this city as a young man. He attended the Charlevoix high school and was a member of the football team. He was the son of the late Mrs. George Priest. He had resided in Detroit for the past 38 years, and was employed by the Socony Vacuum Co. for 19 years.

He is survived by wife, Marie; a daughter, Mrs. Betty Shook and two grandsons.

Former Resident Takes
Own Life In Florida
Home; Had Been Ill

Fred Thomas, 79, former Charlevoix resident, took his own life in his St. Petersburg, Fla., apartment recently, according to word received by friends here. He had been in ill health for some years.

A retired contractor, Mr. Thomas, lived in Charlevoix for many years before going to Florida to make his home 18 years ago. He is survived by a son, Chief Storekeeper Charles L. Thomas, U. S. Maritime Service, St. Petersburg, and one great-grandchild, Robert James Thomas, also of St. Petersburg.

Graveside services were held at Sunnyside cemetery.

Tropical Disease

Amelblasia is a tropical disease produced by a microscopically small parasite, composed of only one cell, which when swallowed attacks the lining of the large intestine of man, producing small and large ulcers with consequent diarrhea and dysentery. Once the illness is recognized and a correct diagnosis is made, treatment with specific drugs may be instituted, doctors say.

Average Farm

The average size of Illinois farms increased 5.4 per cent, from 143.4 acres in 1910 to 152.2 acres in 1945.

Standard Oil announces

A great new motor oil

Permalube Removes the 'goo'
Improves the go!

Gives you premium-plus lubrication

Here's the latest idea in motor oils... remove the "goo." Got rid of engine deposits of soot, varnish, carbon, and sludge... and you definitely improve the go! There's nothing to add power, stick rings, or put a damper on free valve action. You get a sweeter-running engine... a better-lubricated, longer-lasting one, too.

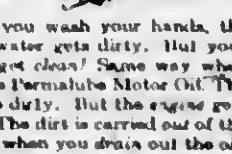

Permalube, Standard's great new motor oil, gives you this premium-plus lubrication. It does more than thoroughly lubricate... it cleans your engine and keeps it clean.

For Permalube contains a patented ingredient that not only cleans up deposits already present, but also prevents new ones from forming. It keeps engine dirt in harmless suspension... unable to interfere with free valve action and smooth, powerful piston strokes. The "goo" drains out when you change oil.

So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

"I never saw oil drain out so dirty!"
"Good! That shows Permalube's been taking out the 'goo!'"

When you wash your hands, the basin water gets dirty. But your hands get clean! Same way when you use Permalube Motor Oil. The oil gets dirty. But the engine gets clean. The dirt is carried out of the engine when you drain out the oil.

Next meeting will be held at the home of Clyde Cunningham October 9th.

Ironing Theory
Experts suggest putting dampened clothes in the clothes over night before ironing. The theory is that the hot iron on the very cold fabric creates condensation, which gives sufficient steam without the need for a great deal of moisture in the fabric.

Saunders, executive vice-president of the Michigan Real Estate Association, was present.

LOCAL NEWS

Arthur Edwards returned home Monday after visiting since Wednesday at Grand Rapids.

Guests of the Misses Marie and Evelyn Sipple at the home of their mother, Mrs. Marguerite Sipple last week were Willard Halonen of Lake Leelanau who attended college at Kalamazoo, his roommate, Ed Rossi, of Little Rock, Ark., better known as the Arkansas Traveler and pitcher for the college baseball team and Cletus Plomondon, of Lake Leelanau and Miss Marie Suprenant of Ellsworth who visited here from Tuesday until Thursday.

Mr. and Mrs. O. Gatti and their son-in-law and daughter, Mr. and Mrs. Pete Sharrow and daughter, Pamela, returned to their respective homes in Miami Beach, Fla., on Monday after spending the summer months here. Enroute Mr. and Mrs. Gatti will visit in New York and the Sharrow's will visit relatives in Vermont.

Miss Ardith Little, former teacher in the Charlevoix schools who is now at Traverse City, spent the week-end with friends.

Mrs. H. B. Jacobs spent Saturday in Petoskey.

Mr. and Mrs. Harry Olmstead arrived Sunday from St. Paul, Minn., to visit the former's brother-in-law and sister, Mr. and Mrs. W. H. Suprenant, Mr. and Mrs. Allen Campbell and Mr. and Mrs. Harold Bedford.

Mrs. Eva Smith left Monday for a week's visit in Grand Rapids and Ontario, Canada.

Mrs. Tom Barot visited Tuesday at Petoskey with Mrs. Edward Scherbat.

Mr. and Mrs. Ray Shearer left Wednesday on a vacation trip to the upper peninsula and Canada.

Mrs. Inez Harriman, and daughter, Miss Anna Harriman, spent the week-end at Central Lake.

Mr. and Mrs. Albertus Mulder arrived Wednesday from Zeeland to spend two days as the guests of Mr. and Mrs. Peter Timmer.

Thaw Poultry
When thawed before cooking, poultry cooks more evenly and with greater economy of fuel. It may be thawed slowly in a refrigerator. A three or four pound bird will take overnight or longer to thaw completely, or it may be thawed at room temperature, in which case it should be watched closely. Once thawed, cook poultry without delay because thawed meat is more perishable than meat freshly killed. Don't try to hurry thawing by soaking the frozen meat in water, hot or cold. Soaking causes loss of good juices.

La Befana
Christmas in Italy is known as Natale, and is considered a feast, but the real equivalent of Santa Claus there is "La Befana," a legendary old woman of Palestine who brings gifts to the children on January 6, Feast of the Epiphany. According to the legend she would not leave her household duties to see the Three Wise Men as they passed on their way to visit the Christ Child, saying she would see them as they returned. But they returned another way and she is still waiting to see them.

Mr. and Mrs. Martin Krehlik, of Robertsdale, Ala., and their son-in-law and daughter, Mr. and Mrs. Edward Dallenge, of Chicago, returned to their respective homes on Tuesday after spending a week with the former's brother and sister-in-law, Mr. and Mrs. John Krehlik, Sr., and Mr. and Mrs. George Krehlik, Sr., Mr. and Mrs. Krehlik are former residents and this was their first visit here in twenty-five years.

Miss Virginia Young will leave Wednesday to resume her studies at the University of Michigan after spending the summer months with her parents, Mr. and Mrs. Earl A. Young.

Pomona Grange Meets Friday, September 20

Charlevoix County Pomona Grange will meet Friday, September 20 at the Maple Grove Grange Hall. The meeting will open with a supper at 7:00 p.m. The entertaining Grange will furnish meat, potatoes and coffee, visiting members are requested to bring a dish to pass. The business meeting and program will follow. The program is being arranged by the Lecturer, Mrs. Joe Clark.

Members are urged to be present as this is the last Pomona meeting when resolutions can be prepared for the State Grange Session at Alpena in October.

Delicious Jelly
A delicious jelly, with a pronounced flavor and a delicate texture, may be put up at any time of the year. There are just three ingredients to use. They are: 1 cup of honey; 1/4 cup of water; and 1/4 cup of liquid fruit pectin. Heat the honey and water to boiling, stirring constantly. Add the liquid fruit pectin and heat just to boiling. Pour in hot sterilized jelly glasses. Seal with paraffin when the jelly is set.

Spinach Nutritious
Spinach is an excellent source of vitamin A for normal growth, good health and good eyesight, and vitamin C, for sound bones and teeth. It also has B vitamins, especially thiamin, riboflavin and niacin, important for steady nerves, good appetite, and general well being. Spinach also contains some needed minerals.

Feed Cost High
From 50 to 75 per cent of the cost of keeping horses is chargeable to feed consumed.

Tips on Slips
To get a slip that really fits, consider not only the size, but also the cut. A bias-cut slip usually fits a slender figure well. But a straight-cut slip is better suited to a stout person with large hips. Straight-cut slips stay down better over the knees when you sit, too, and are not so likely to hang unevenly and "cup under" at the back.

BIBLE QUESTIONS ANSWERED BY THE VOICE OF PROPHECY INTERNATIONAL BIBLE BROADCASTERS

Question—When does God reward men—here or hereafter?

Answer—Please read Matthew 16:27: "For the Son of man shall come in the glory of His Father with His angels; and then He shall reward every man according to his works."

Q.—Was there a city called Babylon in the days of the apostles? (See 1 Peter 5:13)

A.—Yes, Babylon was still a large city in the days of the apostles. Several centuries later it was completely destroyed, and today it is a desolation.

Q.—Do you not believe that those four strange animals mentioned in the seventh chapter of Daniel are new species that will be developed by science?

A.—No. They are not literal animals at all, but symbols of great world powers. Daniel 7:23 says: "The fourth beast shall be the fourth kingdom upon earth." The first beast was the first kingdom, or Babylon; the second, Medo-Persia; the third, Greece; and the fourth, Rome.

Q.—Will not Christ's coming be a silent growth of good?

A.—The New Testament says, No. "For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; and the dead in Christ shall rise first; then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord. Wherefore comfort one another with these words." 1 Thessalonians 4:16-18.

Q.—In Mark 13:31 it says that "heaven and earth shall pass away." I don't see where the righteous will go if heaven is destroyed along with this world.

A.—There is no cause for alarm. It is the atmospheric heaven that will pass away at the day of the Lord. The apostle Peter describes it as a great explosion. "But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up." 2 Peter 3:10. And then he adds: "Nevertheless we, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness." Verse 13.

THE SHOOTING is not all over for the sailor on the right. But he doesn't mind, so long as he will never live to see again his country send its sons across the seas to take up arms like the fighting men on the left did at Okinawa before the Japs surrendered to make possible the first V-J Day. In a year the United States Navy has demobilized its millions of wartime reservist personnel and has sent them back to their civilian pursuits and families far from the boom of guns at sea and the deadly scream of high-powered rifles on the beach. If ex-Sailor Joe Blow still wants to finger a musket, there are always the ducks and clay pipes at the range on the midway. For this is peace. (Official U. S. Navy photos)

Molotov is the kind of a guy who likes to be a chump ahead of everyone else.

It pays to look at the bright side of things — and it won't wear on your eyes either.

Regardless of what's in the future, we've certainly been going places. From plain cabin to cabin plane, all in one generation.

The gent who keeps pulling at the ears doesn't have much time to rock the boat.

After World War I, the American public was swindled out of \$100,000,000 in Liberty bonds. Today the stakes are even higher—watch out for racketeers.

The federal debt now amounts to more than \$5,100 for each citizen worker, according to an article. It makes us wonder whether we're swinging into a new era or a new error.

Twenty-five years ago a 12-year-old Tennessee boy won a national prize for a definition of a "batter home." The boy's words were: "A batter home is one my father is proud to support, one my mother loves to keep, one our friends like to come to. It is a place to grow old in." We don't believe anyone has improved upon the definition since then.

Everyone is crying over the shortage of building materials, and back in grandpa's day a little love nest was built on no stronger a foundation than a cute little limb.

BELVEDERE RESIDENT PASSES AWAY AT SAN DIEGO HOME

Word has been received here of the death of Mrs. Emmett L. Hollingsworth, a Belvedere Club resident for many years, who passed away suddenly at San Diego, Calif., on Wednesday, September 11.

Funeral services were held at the W. J. Wright Chapel, Reussel, Ind., at 2 o'clock Monday afternoon with the Rev. Morton L. Booth officiating. Interment was at the Weston cemetery.

Mrs. Hollingsworth was the daughter of D. M. Allen, one of the three founders of what is now the Belvedere Club. She spent many summers and in later years every fall at her cottage here and had many friends among the Charlevoix residents.

Watch Heating System
Be sure that your home heating system is in good repair. Check brick flues for loose mortar that needs replacing. Eliminate rusty smoke pipes that invite disaster. Do your firing systematically and regularly; avoid an overheated furnace working beyond capacity to warm a house that has become cold through negligence. When you leave your house or retire at night, be sure fires are properly banked and checked for safety.

John Harwood, 87, Long-Time Atwood Resident, Buried Friday

Funeral services for Aaron John Harwood, 87, of Atwood, who died at his home on Wednesday, were held at the Dittin Funeral Home, Central Lake, at 2 p. m. Friday. Burial was in the Antrim City cemetery.

Born at Palmyra, Wis., on February 11, 1859, Mr. Harwood came to Benk Township in Antrim county in 1861 when his parents, Joseph and Sarah Harwood, took up a homestead. He resided on that farm until he retired at the age of 75 years. He continued to be quite active until a year ago.

He was a life member of the Torch Lake Chapter of the Mas. one lodge.

He is survived by a brother, Albert Harwood; two nephews and several grand nieces and nephews.

WCTU NAMES NEW GROUP AT ANNUAL ELECTION OF OFFICERS

Mrs. John Ryder was elected president of the local union of the WCTU at their annual election of officers on Friday. Mrs. Guy Smith, retiring president, was named vice-president; Mrs. David Blake, treasurer; Mrs. Floyd Bartholomew, corresponding secretary, and Mrs. Clayton Kerr, secretary.

The meeting was held at the home of Ms. Lena Swanson. Mrs. Guy Smith presided and introduced the speaker, Rev. W. D. Wood whose topic was "Physical, Mental and Spiritual Fitness". Mrs. A. B. Claypole read the devotion. The Charlevoix union now has 75 members. It was stated in the treasurer's report.

Plans were made to attend the annual district meeting to be held at East Jordan on October 3. Mrs. Dora B. Whitney, state president, will be the principal speaker.

A good many folks are still waiting for telephones here, simply because we haven't the wire and cable we need to connect their homes with the central office.

We've ordered enough to give service to everyone who is waiting. But, continuing material shortages have seriously slowed production. It may be some time before we receive it. And—then—we'll need time to install and connect it into the system.

If an all-out effort to install telephones for as many waiting applicants as we can, we have laid our present facilities to the limit. If you

are waiting for a telephone, you can be sure your order will be filled in its proper turn as soon as equipment is available.

Meanwhile, our facilities are serving more telephones and handling more calls than ever before, which means that service for everyone may not always be as good as we want it to be. We're sure when that condition occurs, but you can be sure that we are doing our best to get additional equipment as soon as possible.

THINGS THAT NEVER HAPPEN—By Gene Byrnes

NOTICE

Dr. Helen A. Langell, optometrist of East Jordan will be away from her office on Sept. 22, 23 and 24. She will attend the 50th annual (Golden Jubilee) convention of the Michigan Optometrists at the Park Place Hotel, Traverse City.

Two world famous doctors will be among the lecturers. Dr. Ewing Adams who specializes on Contact lenses and Dr. Otis Wolfe who specializes on Cataracts. Arrangements will be made for a few patients to consult these specialists at the clinic.

Dependent on Auto
Statistics say that 54,000 communitities throughout the nation depend for transportation on the automobile and the highway solely.

Chemile Spreads
Colored chemile spreads should never be washed with white cottons even if they are color-fast and it's most important that machine or tub be well washed first. This is because white cotton lint will cling to the velvety tufts and give a dull look to the color.

Bath Towels
In buying bath towels, absorbency, softness and strength are the important considerations. The thicker and softer the pile, the greater is the absorbency. Colored towels, by the way, are somewhat less absorbent than white towels. For strength, the "ground" cloth—that part to which the absorbent "pile" tufts of the towel are fastened—must be firmly woven. When buying, hold the towel up to a strong light. If buy points of light show through—good. But if patches of light are disclosed, the ground cloth is poorly woven, and the towel will probably not stand up well in use.

Popular Wear
Dresses made of spun rayon are popular for school wear. When washed, they should be ironed when bone dry on a well-padded ironing board. The dress should be ironed on the wrong side first, then turned and pressed with a press cloth to prevent shiny edges on collar, cuffs and pleats.

Brush Blouses
Brushing is better than rubbing for extra-soiled places on blouses, underwear and other delicate fabrics when washing by hand. For strength, the "ground" cloth—that part to which the absorbent "pile" tufts of the towel are fastened—must be firmly woven. When buying, hold the towel up to a strong light. If buy points of light show through—good. But if patches of light are disclosed, the ground cloth is poorly woven, and the towel will probably not stand up well in use.

Storing Fabrics
When storing fabrics wash them thoroughly but do not iron; wrap in paper or old sheeting and, if possible, store in a well-ventilated closet or first or second floor where it's dry, dark and cool.

Lemon Oil
Be careful when grating lemon rind that you do not grate in any of the white part underneath the skin; this contains no lemon flavor and is very bitter. The lemon flavor comes from the oil found only in the yellow rind of the surface.

Unattractive Habit
The tongue lapping of animals, while a very unattractive habit, seems to cause no more harm than the thumb-sucking by a child. Some cows have the inclination to lap and drool the tongue, but just the same, they give their five gallons of milk a day, when fresh.

Cabbage Nutrients
Cabbage is well stocked in food values. Vitamin C is there in abundance, especially in raw cabbage. Then there's thiamin, riboflavin and niacin. In minerals, it has calcium, iron and phosphorus.

Sweet Fruit
Persimmons are used in making puddings, cakes and sweet spreads. This fruit is one of the sweetest grown in this country. In sugar count it is second only to the date, since it is nearly one-third sugar.

Trade Name
In general, trademarks are registered under the Act of February 20, 1905, and must have been used in interstate or foreign commerce, or in commerce with the Indian tribes before an application for registration may be filed in the Patent office, Washington, D. C., but no definite period of use is provided.

Keeping Parsley
Parsley will keep its color and its pungence a week at least, if after washing it well, you place the wet leaves and stalks in a tall glass jar. Screw on the top and put jar in the refrigerator.

Excess Fat
Some animals take on considerable fat in late fall before they turn in for the winter. Remove oil fat from raccoon and beaver meat before cooking because the fat has a strong odor. Excess fat on woodchuck and opossum may be removed to keep the meat from being greasy but is good in flavor.

Chicken Storage
Chickens should be dressed and chilled thoroughly to prevent discoloration and off-flavor from developing in storage. It is best to dress the chicken one day, store in a refrigerator overnight, and then wrap and take to the freezer locker the next day.

Watch Fat
When you see fat smoking in the skillet turn off the gas. Smoking indicates that the fat is beginning to break down chemically, and will soon develop a disagreeable flavor so that it cannot be re-used for cooking. If the worst happens, however, and the fat is ruined, oil is not lost. Deposit the discolored brown mess in your used fat container and turn it over to the meat dealer for four cents per pound. Because of its salvage value, it can still work for you.

Lading Clover

The place of Lading Clover in Michigan has not yet been determined by the farm crops department of Michigan State college.

Although a few tests and overstate trials have been started, farmers are cautioned to plant the new legume crop only in small acreages at the start.

The clover is white and very similar to ordinary white pasture clover, except that the plants are four or five times larger than Michigan pasture clover. The plants have runners that grow along the surface of the ground and at intervals take root. Seeds of the two plants are identical in size, color and shape.

Lading, originally came from northern Italy. It is a perennial plant and appears to be sufficiently winter hardy for Michigan conditions. Since it is shallower rooted than alfalfa, it cannot stand the drought as alfalfa can.

The following suggestions are for anyone wishing to try Lading clover:

1. Try only a small acreage until you see what Lading clover would do.

2. Lime and fertilize as you would alfalfa.

3. Prepare a fine seed bed and be especially careful that it is firm enough to prevent planting too deep.

4. Plant from one-half to two pounds of Lading per acre depending upon whether it is to be seeded in mixture or alone.

5. Seed in early spring and if planted with oats, reduce the rate of seeding of the oats.

6. Don't plant on a droughty soil.

7. Don't overgraze as this injures the stand.

BLOOD-IRON?

Here's One Of The Best
Home Ways To Build Up Red Blood!

You girls who suffer from simple anemia or who lose so much during monthly periods that you are pale, feel tired, weak, "dressed out"—this may be due to low blood-iron.

So start today—try Lydia E. Pinkham's TABLETS—one of the greatest blood-iron tonics you can buy to help build up red blood to give more strength and energy—in such cases.

Pinkham's Tablets help build up the very quantity of the blood (very important) by reinforcing the hemoglobin of red blood cells.

Just try Pinkham's Tablets for 25 days—then see if you, too, don't remarkably benefit. All druggists.

Holgers Resistance

In diets deficient in vitamin C, humans are less resistant to infectious diseases. Shortage of vitamin C is thought to be an important factor also in the prevalence of tooth decay. The ability of the body to store vitamin C is limited. Diets for all ages, particularly for children, should include an abundance of vitamin C containing foods.

Says Rayders Due to Repeat Performance

by David A. Hamilton

After watching just one hour of interesting drill scrimmage, etc., I am convinced that Charlevoix High School has a team that can repeat the order of last year. If not, it won't be the buy's or Coach Kipke's fault. In drills assigned to make the flabbiest muscles hard as iron, the boys went at it wholeheartedly. Swimming arms and legs, trotting up and down the field, and fake games are just a few of the drills, combined with the average American boy's rough-house, that will make this year's team another top-notch eleven. The following is the roster that will be ready and ready to show you that they can equal the Champs of 1945.

Line: Robert Carey, Pat Marton.

Back: Bill Julliffe, Al Fox, Don Zeidler, Al Bergmann, Bill Peterson, Jack Roberts.

Guards: Irv Manville, Lyle King, Bob Shanahan, Jack Klein, Arnold Loper, Warren Shadko.

Center: Jerry Ypma.

Quarter-Back: Bill Carey.

Half-Backs: Frank Martin, Dick Hardy, Cliff Legerman, Jim Roberts, Louis Holsted.

Full-Back: Dick Julliffe.

The reserves: Guy Smith, Herb Hamlin, Dave Smith, Dave Hardy, Jim Harvey, Roy Williams, Don Benumbach, Jim Gibbons, Bob Clarke, Bob Sherwood, Neil Soumela, Don Coney, Herb Weissinger, Hern Boss, Ed Klein, Vano Smith, Tom Hamlin, Elmer Sarasin, George Haggerd, Jim Jolliffe, Larry Peterson, Jerry Gibbons, Bill Barber and William Novotny.

The first game of the season is this Friday, Sept. 20th, with Gaylord, whom Charlevoix walloped last season 25-0.

A TOAST: Of the medical profession to the people of Michigan.

AN IDEAL: To which the individual person, the individual doctor and the individual medical society aspire.

A FACT: To make that ideal a reality, join Michigan Doctors of Medicine in furthering the following projects, which, on a voluntary basis, are promoting "Good Health To You":

- 1 Expanding the non-profit voluntary hospital and medical care plans—Michigan Medical Service, Michigan Hospital Service now giving approximately one out of every six persons in Michigan protection against hospital and surgical costs: Avoid the high cost, the compulsion and the new taxes of "political medicine".
- 2 Organizing the Michigan Foundation for Medical and Health Education to provide funds for medical and health scholarships for Michigan students.
- 3 Developing nine Rheumatic Fever Control Centers throughout Michigan for early diagnosis of Rheumatic Fever, especially among children.
- 4 Demanding activity on the part of 51 separate committees of the Michigan State Medical Society which seek the causes of illness and determine upon measures for prevention and cure of disease.
- 5 Urging your congressman to speak against false panaceas of "political medicine" which would regiment both you and your doctor. Keep your doctor free to treat you.

Hands of a Clock.
There are unsubstantiated legends to the effect that dummy hands of a clock are set at 8:18 in commemoration of an important historical event which occurred at that time. Although hands on dummy clocks are not always set at this time it is considered a good symmetrical arrangement for them; furthermore it leaves room for an advertisement on the face of the clock if such is desired.

Egypt's Garden
Nine miles below Cairo the Nile divides into the two main branches of its delta. This area is referred to as "the Garden of Egypt" and is a maze of small streams and canals which pierce rich farm land. The Nile enters the Mediterranean on the west at Rosetta, and on the east at Damietta. Both of these towns were commercially important until the opening of the Suez canal and the development of Alexandria.

THE FLAT TOP of "Fighting Lady" is a safer place today for the wandering sailor than it was a year ago. On the flight decks of many of the carriers that brought America's naval air might to the very soil of Japan itself, the visitor, like the Navyman (below), can walk without fear of thundering propellers or the spotting of squadrons ready to roar out over the sea to drop lethal loads on enemy targets. This V-J Day finds thousands of "the birds with folded wings" voiceless and at rest and their mother hens secured snugly to their piers, but ready for almost instant action should the unwanted time for their services come again.

ALVIN T. BENNETT DIES IN EARLY MORNING FIRE

(Continued from page one)
and awakening a neighbor, Mrs. James Marsh, who summoned the fire department. The boys, John, 19, who was discharged from the Navy recently, Alvin, Jr., 16, and William, 12 hearing their mother's cries, escaped through second floor windows to the porch roof in their night clothes.

Returning to the house, Mrs. Bennett found her husband unconscious in the bedroom which was rapidly filling with smoke and flames. Volunteer firemen carried him from the house and revived him by means of artificial respiration before rushing him to the hospital where he was treated for shock and injuries.

Fire Chief Charles Marshall, who would make no estimate of the loss said the house and furnishings were insured. The family lost all their clothing and personal possessions.

A native of Big Rapids, Mr. Bennett served overseas with the 32nd Division in World War I and was wounded three times. He joined the Metropolitan Insurance Co., in 1923 at Big Rapids and three years later was made assistant manager of the Cadillac Detached Territory of the Traverse City district. While holding that position he resided in Traverse City. In 1939 he was transferred to Charlevoix as representative in this district which includes Hellaire, Central Lake, Charlevoix and part of Petoskey.

He was a member of the Veterans of Foreign Wars and the American Legion. Besides his wife, the former Esther M. Shaumessy of Big Rapids, and sons, John, Alvin, Jr., and William, he is survived by another son, Charles, 17; and two daughters, Donna, at home, and Mrs. Keith Nickerson, of this city, and one sister, Mrs. Wayne Sizemore of Concord, Michigan.

Funeral services were held at St. Mary's Catholic church at 8 o'clock Wednesday morning with the Rev. A. V. Ulanowicz officiating. Burial was at Big Rapids.

ROUND LAKE CLAIMS ANOTHER VICTIM

Along the Avenue

By The Editor
A Note To Sportsmen

"For two weeks of every year, just before the gun fire of hunting season begins, Michigan Fields and Woods should be silent. In the fifteen (15) days preceding the start of Small Game shooting, no one is permitted to carry hunting firearms in game territory," warns Ed. Sturlock, conservation officer.

Mrs. H. B. Jacobs says it pays to advertise in the Courier. Last week she inserted a classified ad, requesting a home for her cat and five kittens. Shortly after the Courier was out a reader called and took all six.

A voluntary contribution to your very good paper is enclosed, Dear Editor:

Manly because I have a yen to see my non de plume in print, and secondly because it is dedicated to a resident of Charlevoix. I have enjoyed the Courier very much since moving here from Detroit, and wish to thank you for same enjoyment.

Yours sincerely,
Robin Adair.

TO D... I...

Just now the maple trees are red.

All along the valley bed,

Soon they'll be of barren hue,

But I'll be comforted by you.

Soon the colored woodland ride

Down its white for Christmas-tide.

When the forest's lost her charms,

I'll be soled in your arms.

Darling, only yesterday

You said you too must go away;

The summer's lost, but you, my own,

Can you leave me all alone?

—Robin Adair.

Mrs. Zack Whyte of "Zack-Mar Pines," Bay Shore, is again serving those delicious Sunday dinners. According to an advertisement elsewhere in the Courier, special steak and chicken dinners will be served commencing Sunday, Sept. 29.

Charlevoix-the-Bountiful will be advertised far and wide through the efforts of "Steve" Cleman, who has devised a color pamphlet to be printed and distributed over the nation soon.

Bang! Bang!

After viewing the film "How to Shoot Skeeet," local sportsmen last Sunday improved their shooting immensely. Gordon Moeller "killed" 25 "pigeons" in 25 shots—a perfect score—for which he was awarded 10 free rounds. President Bonnie Nickerson increased his "kill" 100%. Many others were in the 20's Sunday and will be out to get more next Sunday. Come on out.

William Harwood, Antrim Pioneer Dies at Atwood Home

William Albert Harwood, 84, pioneer resident of Antrim county, died at his home near Atwood early Sunday morning. He had been in failing health for several months and had been confined to bed for the past three weeks.

Mr. Harwood was born at Palmyra, Wis., on January 1, 1862, and came to Antrim county in 1864. In 1896 he was married to Minerva Hubic at Central Lake and they have made their home at Atwood since then.

Besides his wife he is survived by two sons, Lester, of Atwood and LaVerne, of Elkhart, Ind., and five grandchildren. His only brother, Aaron Harwood, preceded him in death on September 11th.

Funeral services will be conducted at the Norwood church at 2 o'clock Thursday afternoon by the Rev. Howard Moore, of East Jordan. Interment will be in the Brookside cemetery.

Louis Holstead (right) 16, a senior, comes from Cairo, Ill. where he had one year each of football, basketball and track. Dave Smith, 16, a junior, attended Redford high school last year where he played football and basketball.

Red Rayders Trim Gaylord In Opening Tilt

The Charlevoix Red Rayders 1945 Northern Michigan Class C champs, opened their 1946 season by defeating Gaylord, 52 to 0 on the home field on Friday afternoon.

Coach Ray Kipke gave all members of the squad a chance to display their ability after the starting line-up had run up a 39-0 score at the end of the first half. The Rayders scored three times in the first quarter and three more times in the second period. In the third and fourth quarters they scored a touchdown in each with reserves filling most of the positions.

Dick Hardy, half-back, scored twice and Bob Carey, end, went over with passes on two plays. Frank Martin, half-back, Pat Martin, substitute half-back, Dick Joliffe, full-back and Dave Smith, right end, each scored once.

Charlevoix's next game will be on the local field on Friday afternoon when they meet a much-improved Mancelona team, which defeated East Jordan 25-0 last week.

Other conference scores: Harbor Springs, 6; Boyne City, 0; Gaylord, 7; Pellston, 0.

Women Urged to Take Advantage of Extension Course

It has come to our attention that comparatively few women in Charlevoix county know much about the advantages offered them by Michigan State College through extension service.

Those who can afford to or have the time can go to the college and take short courses on various subjects. But many of our women cannot do this. So the college sends teachers out who are specialists in their subject to the counties to teach the women to be better homemakers. This service is free to all who wish to participate.

The lessons have already started for this year, but it isn't too late to join a club already formed or organize a new one. The first lesson is "Mixing and Remaking Cushions whose springs and padding have gotten out of shape." Also ship covers.

Through the winter there will be lessons on color harmony and contrast, gift suggestions for Christmas and others of interest to home makers. It makes no difference if you live in the country or in town, if you are interested and wish to know more, contact Hazel Craia, 318 Prospect, Charlevoix, county secretary, or Lulu Clark, East Jordan, county chairman for further information.

Chief William P. Woods (left) who is retiring from the Coast Guard after more than 25 years service, and Louis C. Holstad (right) who has been assigned to permanent duty as officer in charge of the Charlevoix Coast Guard group upon Chief Woods' retirement.

Chief Holstad, who came here from Cairo, Ill., has been in the Coast Guard since August 1, 1925. He has served at the North Manitowish Island and other stations along Lake Michigan. In 1938 he served with the Silver Guard

Detail at New York for several months. He was returned to the Great Lakes area and in 1941 was assigned to duty aboard the transport, Harry Lee and McCauley, in the Atlantic. He then served at the Washington Island station, Wis., for some time before being assigned to the Third Naval District, New York, in 1942. Late in 1943 he was transferred to the St. Louis district and served at St. Louis, Mo., and Cairo, Ill., until he was transferred to the Charlevoix group last week.

Local Couple Wed In Double Ring Ceremony

Miss Margery N. Hair, daughter of Mr. and Mrs. William Hair, became the bride of Marion J. McMan, son of Mrs. Lydia McMan, at a quiet ceremony performed at 7 o'clock Saturday evening at the Methodist parsonage.

The Rev. Gaylord Howell read the double ring service in the presence of their immediate families.

The bride was attired in an aqua dressmaker suit and brown accessories. Her flowers were a corsage of red roses.

Miss Peggy McMan, twin sister of the bridegroom was her only attendant. She wore a gray gabardine suit with black accessories and a corsage of red roses.

Rev. McMan of Berkley, assisted his brother as best man.

Mrs. Hair was attired in a black dress with matching accessories for her daughter's wedding. Mrs. McMan, mother of the bridegroom, wore a black dress with white accents and black accessories. Both wore corsages of red and white carnations.

Following the ceremony a reception was held at the home of the bridegroom's mother for a hundred guests. The refreshment table was centered with a three-tiered wedding cake topped with a miniature bride couple and decorated with bouquets of various colored gladioli and lighted tapers.

After a wedding trip to New York, the couple will make their home in Traverse City.

Both are graduates of the Charlevoix high school. The bridegroom, who was discharged from the Navy Sea Bees early this year after three and a half years service in the Pacific, is employed by the Michigan Bell Telephone company.

Out of town guests were Mr. and Mrs. Hyler Whitely and Mr. and Mrs. W. Whitney, of Cadwell; Mrs. Wallace Whitney, of Central Lake; Mr. and Mrs. Rex McMan, of Berkley; Mr. and Mrs. William Yost and son, of Wynner; Glenn Willis, of Lynbrook, N. Y.; Miss Peggy Stanton, of Grand Rapids; Mr. and Mrs. Ted Zipp and Lester Gallagher, of Petoskey.

POLISH PARTISAN TO MAKE HOME WITH RELATIVES HERE

Felix Krawczyk arrived last week from Ilusko, Kielce, Poland, to join his brother-in-law and sister, Mr. and Mrs. Joseph Holmes, in this city. He arrived two weeks ago at New York aboard the ship, Marine Perch.

Mr. Krawczyk, who was born at Niagara Falls, N. Y., twenty-eight years ago, returned to Poland with his parents at the age of three years. During World War II, he became a member of the Partisans and joined the underground movement against the Germans. He was able to leave the country now only because he was an American citizen.

A locksmith by trade, he hopes to learn the English language soon and to follow his trade in this country.

TEACHERS INSTITUTE OCTOBER 3 and 4

The annual Teachers Institute will be held in Petoskey on October 3 and 4. The Charlevoix school will be closed for the event.

8-Year-Old Donald Richardson Drowns While Fishing On East Side

Tragedy struck on Saturday for the second time in ten months at the home of Mr. and Mrs. Orva W. Richardson when their eight-year-old son, Donald, was drowned while fishing from a small dock on the east side of Round Lake near the junction of the lake and the upper channel leading to Lake Charlevoix.

The Richardson's daughter, Phyllis, 5, died suddenly on November 25, 1945, from unknown causes.

The first hint of the tragedy came early Saturday evening when Donald failed to appear for the evening meal, and a search was started by his family. When a playmate, Danny White, son of Mr. and Mrs. Walter White, was questioned he said Donald had been playing near the water and "sunk" have fallen in the lake. Glenn Baker, officer on duty when the police were notified at 8:30 p. m., questioned the child who said Donald had fallen in Round Lake a few blocks from his home. Danny said he had become frightened when he saw his playmate disappear in the water and had returned home without telling anyone of the accident.

He said he and Donald had spent most of the day together. They had made a trip to the Ferry Ave., park area along the west side of Lake Charlevoix and had started home by way of the beach following the channel to Round Lake from Lake Charlevoix.

It was at this point Donald stopped to fish with a line made from a small rope and a nail, and fell from the dock into about 20 feet of water.

The body was recovered at midnight about 200 feet from the scene of the accident in the middle of the channel by Coast Guard Chief Louis C. Holstad, of the local life boat station and Louis J. Mosier, retired Coastguardman, who was assisting in the craning operation. Other Charlevoix boat owners also assisted in the search.

Donald was born in Charlevoix on February 10, 1938, and a third grade pupil in the Charlevoix public school. Besides his parents, he is survived by one sister, Sophia, 1 years old; his paternal grandfather, Mr. Arthur Richardson, and his maternal grandparents, Mr. and Mrs. John Struthers, all of this city.

Funeral services were held at 10 o'clock Tuesday morning at the See Funeral home with the Rev. W. D. Wood officiating. Interment was in the Brookside cemetery.

Industry leaders visioned a tremendous expansion on turkey production next year if this year's operations prove abnormally high. Otis E. Sharr, of East Lansing, secretary of the Michigan Turkey Growers Association, said there is a home market for 1,000,000 turkeys.

The producers first post-war tour impressed the visitors with the great expansion which has taken place in Northern Michigan turkey production since 1939. On the swing north from Lake City the tourists saw many farm flocks ranging from a few hundred to several thousand. Northern Michigan was found ideally adapted to turkey production. There is a plentiful supply of low priced land with good drainage for range country.

Great expansion in turkey production has taken place in Charlevoix county where 50,000 birds will be sent to market this fall. Among Charlevoix flocks inspected were those owned by Arlo Wickersham, Sam Straw, Richard Potter, Sanford Matchett and Frank Bird. There were many other fine flocks in the county that were not visited. Only one farm was visited in Antrim County.

Growers suggested as the forecast, that next year's market be held in southern and southwestern Michigan.

Light-Bergmann Nuptials Event At Northport

The congregational marriage at Northport was the scene of the wedding of Betty Light, daughter of Mrs. Harriette Wolverson, of Eastport, and Robert O. Bergmann, son of Mr. and Mrs. Fred Bergmann, of this city, at 9 o'clock Friday evening. The Rev. B. R. Parker read the service in the presence of their immediate families.

Given in marriage by her uncle, C. M. Burgess, of Grand Rapids, the bride was attired in a green and white tailored wool dress and black accessories for her wedding. Her flowers were a corsage of yellow chrysanthemums.

Mrs. George Bergmann, sister-in-law of the bridegroom, and her only sister, were a new bride in dress with black accessories and a corsage of pink chrysanthemums.

Mr. Bergmann assisted his brother as best man.

Mrs. Wolverson was attired in a tuxedo suit and black accessories for her daughter's wedding. Mrs. Bergmann, mother of the bridegroom, wore a navy suit and matching accessories.

After a short wedding trip to the upper peninsula, the couple will make their home at Traverse City.

The bridegroom, a veteran of three and a half years with the navy in the Pacific, is now employed by the Western Electric Co.

Three's a Crowd
when
Two Are Talking

You know how distracting it is for a telephone
conversation to be interrupted by a third person
clicking the receiver on, in some other manner,
trying to use the line when it's in use. It just isn't
done by thoughtful rural line neighbors. Keeping
calls short is courteous, too. And hanging up care-
fully frees the line for the next fellow.

Although material shortages have been hold-
ing us back, we're making progress on our 5-year
\$13,500,000 program to expand and improve
rural telephone service. One of our chief aims is
to reduce the number of parties per line on over-
crowded lines.

The \$50 Check Mystery

"You say I've overdrawn my account," said Mrs. X, "but my checkbook shows a larger balance than the bank's statement." So we went over the account with Mrs. X. All of the deposits and all of the checks were entered correctly on her checkbook and our statement. Addition and subtraction were correct, too. All checks drawn that month had been presented at the bank, except one for \$75, so we deducted

that from the bank's statement. At this point, the checkbook and statement should agree, but there was still a \$50 difference. Then Mrs. X told us that the account had not balanced in 6 months! We finally discovered that Mrs. X had forgotten to enter a check for \$50—two months ago! Now Mrs. X goes over her account just as soon as she receives her statement from us. Do you always verify yours promptly?

SET YOUR SIGHTS

It takes
planning
to achieve
a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You have the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years. (Three enlistments permitted for men now in the Army with less than 12 months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parental consent) except for men now in Army, who may enlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A bonus for men who reenlist within 30 days. Full details of such bonus privileges can be obtained from Recruiting Officers.
5. Mastering pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service, increasing to three-eighths pay after 30 years' service. All premiums active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

FIRST MEETING OF TEACHERS' CLUB HELD

At the first meeting of the Teachers' Club held last week, Mrs. Mabel Smith was elected president for the 1946-47 term. Mrs. Elizabeth Trimble was named secretary and D. C. Malby treasurer.

Two Sumela was the retiring president. Mrs. Mary Cooper retired as secretary after serving two years in the office. Plans were made for the club's activities for the year.

MEDICAL SOCIETY HOLDS MEETING

The 81st annual session of the Michigan State Medical Society is being held at Detroit from September 22-27. Dr. G. B. Saltonstall, accompanied by Mrs. Saltonstall, left Sunday for Detroit to attend the meeting.

LOCAL FLYER MADE FLIGHT EXAMINER

Joseph A. McPhillips, who operates the McPhillips Flying Service at the local airport, was given the rating of flight examiner at Grand Rapids last week following a test by CAA Inspector, Richard Botsford.

As flight examiner, Mr. Phillips will "flight-test" student pilots and authorize their licenses as private pilots of single engine land and sea planes. His new rating makes the local pilot the only flight examiner in the lower peninsula north of Cadillac.

Civil War Eagle
A bald eagle called Old Abe was carried by a Wisconsin regiment through all its battles during the Civil war, and came home without a scratch, although the regiment's loss was heavy.

in
CHARLEVOIX

A good many folks are still waiting for telephones here, simply because we haven't the wire and cable we need to connect their homes with the central office.

We've ordered enough to give service to everyone who is waiting. But our mending material shortages have seriously slowed production. It may be some time before we receive it. And then—we'll need time to install and connect it into the system.

In an all-out effort to install telephones for as many waiting applicants as we can, we have located our present facilities to the best. If you

are waiting for a telephone, you can be sure your order will be filled in its proper turn as soon as equipment is available.

Meanwhile, our facilities are serving more telephones and handling more calls than ever before, which means that service for everyone may not always be as good as we want it to be. We're sorry when that condition occurs, but you can be sure that we are doing our best to get additional equipment as soon as possible.

No Man Can Foretell The Future

But everyone knows that if the future brings him
"Hard Luck" that much of the shock it carries can
be absorbed by a savings account.

Every family should save, thus having a fund on
hand to act as a buffer against "Hard luck."

To live up to one's income without the safety pro-
vision of saved money is hazardous to civic pride and
independence.

... along flame-bright highways

It's a grand time for travel and sightseeing.

Mother Nature's brilliant fall show is on dis-
play. Trees are dressed in fiery reds and golds.
Hills and valleys are tinted in vibrant rusts
and browns. The countryside is a bright crazy
quilt of warm, glowing color.

The best way to enjoy a "close-up" view of
this autumn spectacle is through the large pic-
ture frame windows of a Greyhound bus...
windows especially designed for greater look-
ing pleasure. And Greyhound's deep cushioned,
reclining seats add enjoyment to every mile.

Take your autumn trip now! Seats are more
plentiful. Departures are frequent. Fares are
still at their low pre-war level.

Rye Pasture

It's not too late to plant a good
rye pasture. Michigan State Col-
lege agricultural specialists say
that rye will not only provide good
fall and early spring pasture, but
will prevent soil from eroding. It
will also make excellent green
manure for plowing under next
spring.

Extension Service Caravan Will Roll Again This Winter

The Michigan State college ex-
tension service announced this
week that its Caravan would roll
again early in 1947. During Jan-
uary, February and March this
year, the Rural Progress Caravan
visited 58 Michigan counties and
showed before nearly 106,000 peo-
ple. So successful was the first
year's program, that a similar event
is being planned for early
1947.

George Amundson of the agri-
cultural engineering department,
who successfully managed the 1st
caravan, has announced that he
will continue as head of the com-
mittee making arrangements. J.
G. Hays, who assisted Amundson
last year, will be director. Hays,
former extension dairyman, more
recently has been with the emer-
gency farm labor office.

The committee is working on a
central theme for the caravan.
It is very likely that the program
will again replace Farmers' Week,
called off last year because of a
shortage of housing facilities and
space to hold the event because
of increased enrollment at the
college.

Farm Fire Losses

In four months—April through
July—Michigan had 409 farm
fires. They burned 442 buildings
including 187 dwellings and 171
barns. This information shows
a need for more emphasis on farm
fire prevention. With National
Fire Prevention Week scheduled
for October 6 to 12, this is the
time to remove and correct fire
hazards that exist on farms.

Farmers can do the best job of
prevention by carefully checking
all buildings from cellar to roof
to determine where the danger
spots exist. After they are found,
they should be eliminated. Fire
Prevention Week offers an excel-
lent time to check heating equip-
ment, including chimneys, pipes,
and furnaces.

Exposed electric wiring in barns
and basements of houses causes
a great many of the fires in farm

BLOOD-IRON?

Here's One Of The Best
Home Ways To Build Up Red Blood!

You girls who suffer from simple
anemia or who lose so much during
monthly periods that you are pale, fed
tired, weak, "dragged out"—this may
be due to low blood-iron.

So start today—try Lydia E. Pink-
ham's TABLETS—one of the greatest
blood-iron tonics you can buy to help
build up red blood—to give more
strength and energy—in such cases.

Pinkham's Tablets help build up the
red quality of the blood (very impor-

MRS. A. B. LAWTON

Mr. and Mrs. George Metz of
Melbourne, Florida, who have
been visiting relatives in this vic-
inity for the past few weeks left
Wednesday for the southern part
of the State where they will spend
two or three weeks visiting rela-
tives before returning to Florida.

Mrs. Joe Whitfield expects to
leave Monday for visits with rela-
tives in Grand Rapids, Flint and
Jackson. She will then join Mr.
and Mrs. George Metz for a vis-
it with friends in Chicago before
accompanying them to Florida for
the winter.

Mr. and Mrs. Lawrence Jensen
drove to Petoskey Tuesday. While
there they called on Mrs. Sund-
sted of East Jordan who is in
one of the hospitals with a broken
hip, the result of a fall.

Mrs. Jalle Gunther of East Jor-
dan called on her brother and
sister-in-law, Mr. and Mrs. Law-
rence Jensen Friday afternoon.

Fifty-five members of Rock
Elm Grange held a booster night
meeting Thursday evening. Two
applications for membership were
received. The speaker of the
evening was Miss Emma Fero,
home economics extension spec-
ialist for M. S. C. East Lansing.
She gave a talk on the work of the
Perry Jones Hospital for disabled
veterans at Battle Creek and
spoke of the need for helping the
men to become reestablished in
civilian life as soon as possible
after they leave the hospital.

Lawrence Jensen now has a

To those who eagerly await
their new Chevrolets...

Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything
that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that
the past month has witnessed only a slight improvement in
the rate of production of new Chevrolet passenger cars. As
a result, shipments of new cars to dealers for delivery are
still far below the level we and the factory had hoped to
attain by this time. In fact, through August, Chevrolet's
output of cars in 1946 was only 22.6% of the number turned
out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to
step up its production totals—to ship more and more cars to
us and to its thousands of other dealers throughout America
... and we know, too, that we are assured of getting our full
proportionate share of the current output and of future
production gains.

Disappointing as the total figures have been—and despite
the fact that Chevrolet has out of production entirely during
the first three months of the year—it is nevertheless true
that Chevrolet led all other manufacturers in production of
passenger cars during June 1946, and has continued to main-
tain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets
to our customers just as fast as we receive them; we regret
delays as deeply as you do; we thank you for your friendly
patience and understanding; and we promise you a new high
maturing experience when you take delivery of your new
Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

Keep Your Present Car Alive

Meanwhile, may we suggest
that you safeguard your
transportation by buying
your car to us for sale, now
and at regular intervals. Let
us help you to keep it in good
running condition—to main-
tain its performance, appear-
ance and resale value—until
the day when your new Chev-
rolet comes along.

Cub Scout Den No. 5 enjoyed a week-end camping trip near Norwood. Mrs. Lawrence Swanson, den mother, accompanied by Mr. Swanson, and the five boys left Saturday afternoon for the camping site, pitched their tents and cooked their meals outdoors. They returned Sunday evening. The boys were Larry and Tommy Swanson, Jimmy Novotny, Evert Pease and Ivan Whitley.

Sterilizes Can
Insuring contamination-free milk, an ultraviolet lamp can reduce the bacteria count in washed milk cans 98 per cent in one minute, tests show. Spraying invisible bactericidal rays, the new lamp is bent U-shape to obtain maximum radiation of all exposed areas in the can and consumes less electricity than a 25-watt electric light bulb.

LOCAL NEWS

Mrs. Dave McAllister of Sattus Bay and Mrs. Mary Zoulek visited their cousin Dan McAllister and family Sunday.

Mr. and Mrs. Leon Atkin, of Houghton, visited Tuesday and Wednesday at the home of Mr. and Mrs. Angus Fochtman.

Mr. and Mrs. Hazen Whitford, of Bellingham, Wash., and the former's sister, Mrs. May Root, of Portland, Ore., and Mrs. Winnie Huff, of Payallup, Wash., arrived last Tuesday to visit their cousins, Mr. and Mrs. Joe Moore, Mrs. Nora Brown and other relatives and friends. They are all former residents.

Mrs. Ralph Stafford, of Detroit, and Mr. Vern Darrow, of Cadillac, visited Monday at the home of Mr. and Mrs. Penny Gennett.

Mr. and Mrs. Jerry F. Scudder left Saturday for LaFeria, Tex., where they will spend the winter months. Enroute they will visit relatives in Pontiac and Detroit.

Mrs. Karl Kohler and Mrs. John Mol have returned home after taking the former's son, Had Kohler, to Alma where he has resumed his studies at Alma College.

Mr. and Mrs. Russell Herrick have returned here from Detroit to make their home. They are former residents and have lived in Detroit for the past 18 years.

Mrs. Angus Fochtman and son, Bill, returned home last Wednesday after spending several days in Lansing with her son-in-law and daughters, Mr. and Mrs. Robert Bliege and Miss Esther Lou Fochtman.

Ernest Nixon and family have purchased a modern home in the friendly little town of Lewistown, Ill., where they expect to go about June.

Dehorning Cows
Dehorning dairy cows no longer needs to be a painful ordeal, according to veterinary authorities. A method has been devised for injecting a local anesthetic into the nerves that supply the horns. The horns can then be removed with no more pain than when the dentist extracts an infected tooth.

Bath Towels
In buying bath towels, absorbency, softness and strength are the important considerations. The thicker and softer the pile, the greater is the absorbency. Colored towels, by the way, are somewhat less absorbent than white towels. For strength, the "ground" cloth—that part to which the absorbent "pile" of the towel are fastened—must be firmly woven. When buying, hold the towel up to a strong light. If tiny points of light show through—good. But if patches of light are disclosed, the ground cloth is poorly woven, and the towel will probably not stand up well in use.

Dependent on Auto
Statistics say that 54,000 communities throughout the nation depend for transportation on the automobile and the highway solely.

Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors fly flies, Basil preaches anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #IX&*!!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

Permalube

Removes the "goo"

Improves the go!

There's always more go to your car when you remove the "goo"—those engine deposits of sludge, varnish, carbon, and soot that stick rings and hamper valve action. There's a better lubrication, too—better protection.

Removing the "goo" is the latest idea in motor oils. It's the Permalube idea. Yes, Permalube, Standard's great new motor oil, does more than thoroughly lubricate—it cleans your engine and keeps it clean. That's the premium-plus lubrication!

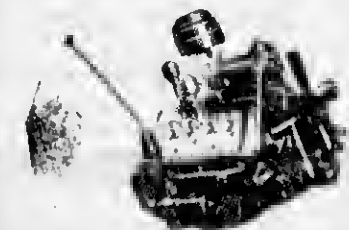

STANDARD SERVICE

When you wash your hands, the hand water gets dirty. But your hands get clean! Same way when you use Permalube Motor Oil. The oil gets dirty. But the engine gets clean. The dirt is carried out of the engine when you drain out the oil.

So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

Change to Permalube for premium-plus lubrication

ARE HANDS MAGIC?

No. The surgeon's knife is skillful only because a highly-trained brain "magically" guides the hands.

American doctors gain their magical skill through post-graduate study, research, experimentation, and exchange of information in their medical organizations.

American doctors continually study medicine because, under the American system of private practice, their success depends upon giving satisfaction to the patient (that's you).

One of the dangers of foreign systems of compulsory socialized medicine is that the doctor's success may depend upon his political connections—not his healing skill. His "post-graduate study" will be in politics—not in medicine.

The public (that's you) pays the bill under either system except that under compulsory socialization something new is added—the high cost of political administration.

The better way to protect yourself against hospital cost and serious illness expense is to join voluntary group hospital and medical insurance plans and to urge your congressman to support legislation that provides for better facilities for medical care.

SCOUT ORGANIZATION MEETS IN PETOSKEY; PLAN NEW SCHEDULE

What is regarded as the most ambitious program ever undertaken by the Boy Scout organization in the Northern District since Scouting was instituted here began to take shape last week in the annual district meeting at the Elks Temple, Petoskey.

Joseph Seaggin of Petoskey, elected chairman of the district six months ago to serve until the district organized under a new fiscal year arrangement which starts its year October 1st, was re-elected. Carroll A. Betts of Gaylord, was continued in office as vice chairman of the district.

Upward to 30 scouts attended the sessions, heard reports of divisional chairmen, and decided to go ahead with a comprehensive program of activities for this year.

The district representatives elected to the council executive board, besides the two officers named, were Don Sheets of Boyne City; Harley Ochs of Charlevoix; William Mencer, of Harbor Springs; Quinton J. Stone and Gordon Feather, both of Petoskey.

Finances were discussed. Mr. Betts stating that at Gaylord, where there is a tremendous Scouting enthusiasm, more than \$750 was raised by popular subscription in a scout drive. Ronald McGregor and Frank Miller, both of Albion, told the meeting that Antrim county scouts are to support the Community Chest drive and will obtain a fund allocated from the chest. Mr. Stone said this method would also be employed in Emmet county.

Evidence of increased interest in scouting is seen in the new organizations in the Gaylord and Boyne City areas. Boyne City has a newly organized Cub Pack. Gaylord has an Explorer Post, and there is a new troop at Vanderbilt. Two Cub dens at Vanderbilt have been organized and made part of Pack 101 at Gaylord, it was reported by Field Executive Roy Willard.

Dr. Hoering of Charlevoix, reporting for the health and safety committee, said that there had been no serious accidents nor illnesses at camp or in any other scout activity this summer.

Need of leadership training for scouts was an important item in the discussion with the consensus that such a program should be instituted this fall, possibly in November with a location for it near Boyne City as being most central to most parts of the district.

Mr. Stone, camping and activities chairman, said many suggestions had been made for fall and winter activities, among them a senior scout layover on a council wide basis.

Louis Sumner, scoutmaster of troop 3, Petoskey, a returned service man, said that before the war his troop had made a very successful winter camp. The men decided that a camp would be held for scouts who could qualify during the Christmas holidays. It was also decided to hold a rally this fall. There was unanimous agreement that a Camp-O-Ree should be held again this coming spring. A first aid tournament was also favored again for next spring.

A court of honor is being planned for this fall with Petoskey agreed upon as the location.

VOTERS TO RE-REGISTER UNDER NEW ACT

Charlevoix voters who are required to re-register under the Permanent Registration Act, and have not already done so, are notified that they will have to re-register on or before October 16, 1946. In order to vote at the November 5 general election.

Registrations are made in the office of the city clerk, city hall. Notifications were sent in June to all voters who had to re-register. Persons who received such a notification, and have not re-registered, should attend to the matter at once.

Grange Adopts Resolution On Sugar Rationing

At its last meeting at Maple Grove Friday, September 20, the Charlevoix county Pomona Grange adopted a resolution to the effect that inasmuch as our government seems able to export sugar, or allow sugar to be exported to foreign countries, more sugar should be available for the American people. Further, the Grange went on record for the discontinuance of sugar rationing at the earliest possible moment, certainly within a year. Copies of the resolution have already been forwarded to United States Senators Vandenberg and Ferguson, Congressman

Bradley, and to the State Grange for action in its coming session at Alpena.

Dear Sir:

Postman just handed me this week's Courier, which reminds me that my subscription is due. Sure want to keep it coming, since you have made such improvements in the paper. So an enclosing P. O. order for \$2.50.

Best wishes for future success.
Very sincerely,
Gala B. Hines,

California is experiencing a new gold strike. Even if we decided to go there, John L. Lewis would probably call it off before we got there.

This may be a great age for some people, but most of us would enjoy going back to the days when a ten dollar bill was real money.

The other day the wife laughed at one of our jokes. We found out later why—she wants a new Steinway piano.

We don't know which is the worst: Entertaining a guest who says nothing, or listening to a bore who does all the talking.

The first time you get fooled, it's not your fault. The second time it is.

Co-Operation—
It ain't the guns nor ammunition, nor funds that they can pay. But the close co-operation. That makes them win the day.

It ain't the individual, nor the army as a whole, but the overwhelming team-work of every bloomin' soul.

Another Group Leaves For Induction Station

The following named men have been ordered to report at the City Hall, Charlevoix, Michigan, October 8th, at 8:30 a. m., EST, for transportation to the Detroit Induction Station for Preinduction Physical Examination.

Donald Junior Kile, East Jordan, Mich.; Bernard Dale Hewitt, Bayne City, Mich.; Edward John Jensen, Walloon Lake, Mich.; John Helbert Kelly, St. James, Mich.; Anthony Greens of St. James, Mich.; and Charles W. Wake, Charlevoix, Mich., were accepted for service in the Army, September 12, 1946.

Mr. and Mrs. Lionel McLane, and son, Harold, attended the funeral of Mrs. McElhinney's mother, Mrs. J. W. Robinson, Saturday, Sept. 27 at Wayne Falls and burial at Gilmore cemetery near Farwell, Mich.

Local Men Enlist In Armed Services

Four Charlevoix men left Thursday for service in the army, according to Sgt. William R. Gemmill, recruiting officer.

They are: P. James McMillan, who has re-enlisted for three years. He was discharged on March 14, 1946, after serving 3 years in the army. Kenneth M. Russell, who enlisted for three years and Howard G. Struthers and William E. Pochman, who enlisted for 18 months.

Receives Honor

Nick Hamilton, of Troop 11, was one of four North District Boy Scouts and scouts who were taken into the honorary camping group, of the scouts, the "Order of the Red Arrow" at ceremonies held at Camp Grelick recently. The group is made up of scouts and scouters who have attained proficiency as woodmen and campers.

Nick, who is now 16, has been in the scouts for more than four years, and was made a life scout at Petoskey last spring. He has been active in all scouting activities and has acted as patrol leader and as den chief in the Cub Scouts. He is the son of Mr. and Mrs. Ralph Hamilton.

Camp Grelick, located near Traverse City, was inspected by Stanley Hawkins, of New York, assistant national director of engineering for the Boy Scouts of America. He made the inspection to determine procedure in projected camp site improvements to render it of greater use to the scouts and other agencies in this area.

Gideons Convene Here October 12

The district rally of the Gideons International, a Christian Commercial Men's Association, will be held in Charlevoix on Saturday, October 12. D. J. DeGree, of Zeeland, Mich., state president, will be the principal speaker at the meeting which is to be held at the Methodist church. Convention headquarters for the 70 members expected for the event will be the Charlevoix Hotel. The luncheon will be held at the church dining room at 7 o'clock Saturday evening.

On Sunday, October 13, members will fill church assignments in the churches of Charlevoix, Emmet and Cheboygan counties.

Fred W. Muncie, M. E. Wakefield and J. H. Fales, Charlevoix members of the organization are in charge of plans.

Keith Nickerson has accepted a position at Kaleva high school as coach and Junior high teacher and left last week to assume his duties. Mrs. Nickerson will join him next week-end.

TEACHERS' CLUB OPEN YEAR'S ACTIVITIES

The Teachers' Club opened their year's activities with a pot-luck supper on Wednesday evening, October 3, with the teachers their respective husbands and wives and the members of the Board of Education attending.

Mrs. Mildred Smith, president of the club, was toastmistress and introduced Roy C. Bennett, superintendent of schools, who presented the five new members of the faculty. Bonnie Nickerson, president of the Board of Education, spoke briefly for the board.

Group singing, directed by Clarence Odnark with Mrs. Ralph Shetterly at the piano, followed.

Forty-six members and guests were present.

Mrs. Bessie Coleman, Mrs. Dorothy McKie and Miss Frances Milner were in charge of the event.

Rare Fish Is Found on Beach

A freshwater sturgeon, 5 ft., 9 inches in length and weighing about a 100 pounds, was found recently on the Belvedere beach of Lake Charlevoix by William White and Charles Taly, Belvedere Club employees.

Believing at first that the floating object was a log, the men investigated and discovered the large fish which had evidently found its way into the inland lake from Lake Michigan.

Two large lamprey wound found on the sides of the fish are believed to be the cause of its death. This is another example of the great damage being done in the Great Lakes by this predatory marine animal.

The sturgeon, which is quite rare in the Great Lakes and which has been protected by law for many years, is a large, bulky, slow-moving fish with a long body, a skin covered with 5 rows of large bony plates and a conical and tapering snout. There are 25 species which vary greatly in size and specimen 8 to 10 feet in length are by no means rare. Most specimens now found in the Great Lakes, however, average less than 5 feet in length and weigh between 40 and 50 pounds.

Sturgeon are found only in the northern hemisphere and in this country the largest number are found in Lake Ontario and Lake Erie. Although they are unable to migrate to the sea, they are great wanderers and travel many miles each year. The fact that the fish is a scavenger and lives and feeds at the bottom of the lake is the reason it is rarely seen by fishermen. They come to shallow water and into streams to spawn and it was during this time that they were slaughtered in such great numbers that it became necessary to protect them.

Mrs. Arthur Richardson and daughter, Miss Delora Richardson, returned home Sunday evening after spending several days with the former's son-in-law and daughter, Mr. and Mrs. Albert Witkie, at Midland and her brother and sister-in-law, Mr. and Mrs. Orva Murphy, at Auburn.

C. H. S. Adds Mancelona to String of Defeats

by David A. Hamilton

Last Saturday, in a rough and tumble game, Charlevoix made her eighth straight unscored upon victory, by taking a 19-0 score from Mancelona.

Charlevoix kicked off to Mancy, and for the first few minutes of play, it was really an exciting ballgame. Mancy drove to the 49 yard line before being stopped cold. Billy Carey's passing, and Frank Martin's running coupled with superb blocking brought the ball to the 15 from where Billy tossed one to Dave Smith for the first score. The quarter ended with Mancelona on their own 33 yard line.

After Mancelona had lost the ball with a punt, Charlevoix ploughed to the 40 yard line and lost the ball on a fumble. Recovering it on another punt was Billy Carey. Two first downs and a touchdown that was called back got the boys to the 13, from where a fast, almost basketball play, planted the ball firmly on the 1 yard line. Billy let go with a long throw to Billy on the 5, who shoved a lateral back to Captain Hardy, who in turn shoved his way to the one yard line. Frank Martin over "right" and brought the score up to 12, and Billy's pass to the kneeling arms of "Jeanne" Hardy, left the tally at 13-0.

Patrick got the pigskin, from Lyle King's kick-off on the 11 where he was hit hard enough to (Continued on page eight)

Dire Need For Police Protection Here Is Reason For Request

Funds for a state police post in Charlevoix, Petoskey or vicinity will be requested of the legislature in the state police budget for 1947, Commissioner Oscar G. Olander informed the Charlevoix Courier Saturday.

The Courier, in a letter addressed to Commissioner Olander early this spring, requested consideration for Charlevoix because of the acute need for law enforcement here.

In addition to a written request the editor also contacted several state officials who have indicated that Charlevoix is the logical place for a post and that a request for funds would be made at the next legislative session.

In a letter to the press Olander earlier wrote:

"We are at this writing preparing our budget for the 1947 Legislature and I thought you might be interested in knowing that we have placed an item on the budget for a State Police Post in Charlevoix, Petoskey or vicinity."

Charlevoix, which is centrally located between Traverse City, Cheboygan and Gaylord, the posts which now serve this area took steps to obtain the post for this city when the organization announced an expansion program earlier in the year. In earlier announcement, Commissioner Olander indicated his desire to establish a post in this area but at that time the State Police budget lacked the necessary funds for such an installation. If the item for the Charlevoix or Petoskey post is allowed to remain in the 1947 budget by the legislature, construction of the post at an early date is anticipated.

Handicapped Week Proclaimed by Mayor

The week of October 6-12 has been designated by law and by Presidential Proclamation as "National Employ the Physically Handicapped Week". During this week employers throughout the land are being asked to make use of the abilities of the physically handicapped in industry, agriculture, commerce and government rather than turn them away from jobs because of their disabilities.

This country faces a dual problem with respect to its millions of handicapped men and women. First, it is necessary to provide suitable employment for the handicapped who are ready and able to take useful jobs. Secondly, necessary rehabilitation must be extended to those handicapped who require it in order to put their abilities to the best use.

There is a minimum of 25,000,000 persons in the United States who have some physical disability which is more or less permanent. Most of these have disabilities which do not prevent them from doing satisfactory work, but approximately 2,500,000 persons of working age have permanent disabilities which interfere with their getting or holding suitable jobs.

Here is what the Intergovernmental committee on the Employment of the physically handicapped are asking employers to do:

1. Hire a physically handicapped worker for a job which he can do.
2. Judge him by his ability, not his disability.
3. Survey his plant to see where physically handicapped can best be used.
4. Match the job to the capabilities of the handicapped worker.
5. Place all job openings with the United States Employment Service.

The physically handicapped can improve their specific jobs by taking advantage of the vocational choice offered by the Civil Service Commission, United States Employment Service and the Veterans Administration. They can also apply for jobs they know they can do and take the time to demonstrate their abilities, then courage and skills.

Aviation Color Tour To Visit Charlevoix

Charlevoix will welcome pilot-passengers of more than 100 airplanes from all parts of the United States, who are participating in the Michigan Aviation Color Cruise when they arrive at the local airport on Thursday afternoon.

S. E. Coleman, secretary of the Board of Commerce, has planned a program of entertainment for the guests while they are in Charlevoix. Meeting the flyers as they arrive from 2:30 until 2:30 p. m., will be buses which will transport them to their lodgings at the Lakeview Inn, the Hallett Annex, the Charlevoix Hotel and the Alhambra Hotel.

A turkey dinner at the Lakeview Inn at 5:30 p. m., will be followed by a two hour lake cruise aboard the North Shore or the Mary Margaret.

On Friday morning the guests will enjoy a breakfast at the Lakeview Inn at 8 a. m. They will leave the Charlevoix airport from 9 a. m. until 12 noon.

Meeting at Traverse City on Saturday, September 28, participants in the cruise spent the week end there before leaving Monday for a hop across the Straits of Mackinac. Flights were made by Mackinac, Crystal Falls, Gladys Park and Marquette before coming to Charlevoix. The cruise will end at Traverse City on Friday.

An early season visit from Jack Frost is turning Michigan forests into a carnival of brilliant color, so that the landscape should provide a breathtaking tapestry for sightseeing air enthusiasts.

"The Michigan Aviation Color Cruise is deeply significant," declared William Palmer, secretary-treasurer of the West Michigan Tourist and Resort Association. "Not only does it stir a bright new application of air travel, but it introduces a vast market for West Michigan's great tourist industry."

Mr. and Mrs. Robert Kelley left Sunday to make an indefinite stay in Rockford, Ill. The former's father, W. E. Kelley, came for them.

Navy Expands Training Of Trouble Shooters

In line with gearing the Navy's training program to meet the demands of "push-button" warfare, the Bureau of Naval Personnel today announced it will expand the training of trouble-shooting technicians in all phases of electronics.

The Navy's trouble shooters—electronics technicians mates and aviation electronic technicians mates—are essential men behind the buttons of "push button" warfare.

Beginning November 4, 1946, the basic course for ETMs and

AETMs will be broadened from 20 to 42 weeks under a program designed to fill 7,900 billets now open in these ratings. The present advanced training course of 28 weeks will be continued.

The expanded training program, coupled with practical experience at sea will offer qualified high school graduates or their equivalent a career in the field of electronics, including radio, radar, sonar, Loran navigation and other recently developed applications of electronic principles of a secret or confidential nature.

Excess Fat

Some animals take on considerable fat in late fall before they turn in for the winter. Remove all fat from mutton and heavier meat before cooking because the fat has a strong odor. Excess fat on woodchuck and opossum may be removed to keep the meat from being greasy but is good in flavor.

SPORTS
AFIELD

By Ted Kesting

In our sporting dogs, why should there be two separate standards? If beauty and performance can't really mix, isn't performance by far the more important of the two?

Horace Lytle, well-known sporting dog authority, has this view, that although bench shows were initiated in the interest of gun dogs and hounds they have expanded vastly beyond such limitations of late years. And it is a fine thing they have. There are more than a hundred recognized breeds of all kinds; and the show have done much for some of them that otherwise might not have come to light with the general public. Too, the shows have been greatly responsible in advancing general dog interest. Shows lend themselves well to this purpose, for they are typical spectator events.

When anything is as beneficial as shows have been for the canine cause, it is impossible for a certain hrm not to be "stirred into the mix," so to speak. And so it is in the case of shows. They have been responsible for developing two distinct types of dogs in some of the sporting breeds—that is especially true of the setters. There has grown up, regrettably, two distinct viewpoints toward dogs as between the gun-dog and the show-dog men.

Some years ago, while Mr. Lytle was secretary to a field trial club, the president of a kennel club came to see him. The kennel club president was then, as he still is, a nationally known A.K.C. judge. He owned pointers at the time, and he spent a full afternoon trying to argue that field trial men have long been breeding their dogs all wrong. His contention was that a dog had to be built right to run right—and run long. Otherwise, it was a physical impossibility for a dog to deliver. Thus the sum total of his argument was that a dog's body is everything.

His contention was good, but it was fallacious. For there is ever a "beauty that's more than skin deep"—that's the hidden, inside beauty. In short, no dog's body and bone tells a thing in the world as to what's in his head—and his heart—and his heels. It's the same old story with dogs as with men—you can't get away from it. It's the story of "Dempsey of Toledo" vs. Wildard. Jack Dempsey's matchless will to win was greater than his body handicap.

Sterilizes Can

Insuring contamination-free milk, an ultraviolet lamp can reduce the bacteria count in washed milk cans 96 per cent in one minute, tests show. Spraying invisible bactericidal rays, the new lamp is bent U-shape to obtain maximum radiation of all exposed areas in the can and consumes less electricity than a 25-watt electric light bulb.

Storing Foods Properly

When storing food in the refrigerator remove paper wrapping from all except frozen food, say home economists, explaining that paper acts as insulation and hinders the cold from getting at the food. Instead, use covered containers for all refrigerated food except uncooked meat, and cover that lightly with waxed paper.

Insure to Present Value

THE HOUSE you built not so many years back would cost you 30 to 50 per cent more to build today. Its value has gone up. If it is insured to cover only its original value you may be dangerously underinsured. Better talk this over with this Hartford Agency.

"What Will the G. I. Bill Do For Me?"

A Veteran of World War 2 asked us that question. This is what we told him: "It helps sick Veterans to get well, it provides for educational and vocational training, it can help you find a job, go into business, buy a home or refinance, alter or repair one you now own." He said that he and his wife were anxious to have a home, and wanted to know how to go about it. "Your first step," we

told him, "is to bring your original discharge certificate to us. An Honor-able Discharge is itself a certificate of eligibility. Then tell us enough about yourself and the home you want, so that we can determine that the trans-action will meet the provisions of the law. We want to do more than lend, we want to help you all we possibly can." Their loan was approved. Can we help you, too?

BIBLE QUESTIONS ANSWERED BY THE VOICE OF PROPHECY

Question—Was not Aaron Moses' younger brother?

Answer—He was Moses' senior by three years. (See Exodus 7:7.)

Q.—Revelation 20:10 speaks of a "lake of fire and brimstone." What is brimstone?

A.—The word means burning atone, and is a name for sulphur.

Q.—What does the word "Bible" mean?

A.—It comes from biblos, the Greek name for the outer layer of the papyrus reed of Egypt from which paper was made. Later it came to refer not only to the paper but also to books. So today the word "Bible" carries the meaning of the book.

Q.—Is the stone in the coronation chair in England the cornerstone mentioned in the Holy Bible?

A.—The "cornerstone" is a figurative name for Christ. Ephesians 2:19, 20: "Now therefore ye are no more strangers and foreigners, but fellow-citizens with the saints, and of the household of God; and are built upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone."

Q.—Isn't it a fact that only the Jews, and not the Israelites, came back to Jerusalem from the Babylonian captivity?

A.—The people who came back were called Israelites as well as Jews. Nehemiah 7:73: "So the priests, and the singers, and the porters, and the singers, and some of the people, and the Nehemias, and all Israel, dwelt in their cities; and when the seventh month came, the children of Israel were in their cities."

Q.—What is the difference between the Lord's day and the day of the Lord?

A.—The day of the Lord is a more or less extended period of time when God's judgments are on the earth. Zephaniah 1:14, 15: "The great day of the Lord is near, it is near, and hasteth greatly, even the voice of the day of the Lord: the mighty man shall cry there bitterly. That day is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of darkness and gloominess, a day of clouds and thick darkness. The Lord's day is the Sabbath. Mark 2:28: "Therefore the Son of man is Lord also of the Sabbath." In Isaiah 58:13, the Lord calls the Sabbath "My holy day."

DETROIT COUPLE MARRIED AT SHADY CORNERS

At a candlelight ceremony in the living room of the Shady Corner at 8 o'clock, Saturday evening Beatrice Vivian Beach became the bride of Leon E. Dukes, both of Detroit. Rev. Jackson Turner performed the service.

The bride is the sister of Mrs. Wm. Heering of this city.

Miss Beach chose a powder blue wool dress trimmed with silver nailheads for the wedding. Her corsage was of white and pale pink roses.

Mrs. Heering acted as matron of honor. She also wore blue with a small black shadow print. A corsage of yellow mums completed her costume. Mr. Heering was Mr. Dukes' best man.

Freeliving the wedding, the couple were guests at a number of dinners and social functions in their honor.

After a honeymoon in the northern peninsula and Wisconsin, Mr. and Mrs. Dukes will be at home at 912 Lakewood Blvd., Detroit.

Out of town guests included Mr. and Mrs. Dan Pierson, Mr. and Mrs. George Boyle, Mr. and Mrs. Walter Shaw, Mrs. Ellen Oliver, and Mr. Justin McCarty, all of Detroit and Mr. and Mrs. Paul Dotson of Cheboygan. Also present were many Charlevoix guests, friends of the bride and groom.

On motion the council adjourned.

KIWANIS CONVENTION WELL ATTENDED

The 29th annual Kiwanis International State convention opened at the Pansland Hotel, Grand Rapids, on Sunday, September 29, for a three-day session.

Theme of the convention is "Build for Peace, Unity and Opportunity."

More than a thousand club members and their wives, representing 85 Michigan communities, attended.

Attending from Charlevoix were the president of the Charlevoix club, Fenton R. Bulow, and Mrs. Bulow and daughters, Marilyn and Patricia, and Mr. and Mrs. William F. Meyer.

County Road Employee Dies after Year's Illness

Elmer Richards, 43, Charlevoix county road employee, died at the Little Traverse Hospital, Petoskey, last Tuesday, Sept. 24, from injuries suffered nearly a year ago in an accident with a grader near Holly Island and Ironton. He had been a patient at the hospital since the time of the accident on October 2, 1945.

Funeral services were held at the Stackus Funeral Home, Boyne City, on Thursday. Interment was in Maplelawn cemetery.

Archie Balch and John Martin attended the services.

Supt. Bennett Attended Annual Conference at Traverse City Recently

The annual conference of City School Superintendents was held in Traverse City on Friday and Saturday with superintendents of this area meeting with city superintendents of the state for the two day meeting.

Dr. Eugene B. Elliott, state superintendent of public instruction discussed Michigan educational problems; Ralph C. Wenrich, assistant superintendent for vocational education, was in charge of the GI program of education and state educators who toured eastern and midwest industrial centers last summer made reports.

Ray G. Bennett, superintendent of the Charlevoix public schools, attended the conference.

COAST GUARD ID CARD VOIDED

Coast Guard (Captain of the Port) identification cards of various types issued, after investigation, to responsible persons employed on ships or at water front facilities or to persons who had occasion to visit such facilities or to use them for recreation such as fishing or boating, have been cancelled and are no longer valid for any purpose.

Notification of such cancellation was issued by Admiral J. F. Farley, Commandant of the U. S. Coast Guard, who states, "During the war, the Coast Guard stressed the fact that the cards were for 'identification only' and that they were not a pass or permit."

Admiral Farley went on to say, "With the cessation of hostilities, the identification card requirements were gradually relaxed, and now the identification cards are no longer required by the Coast Guard for any purpose. Accordingly, all Coast Guard (Captain of the Port) identification cards are hereby declared invalid, and all persons are cautioned not to accept them as identification, or for any other purpose."

GIRL SCOUT NEWS

Girl Scouts of troop 1 are to meet in interest groups at their regular meeting time on Thursday. Those interested in the Cooking Badge will meet with Mrs. John K. Reed at her home; those working on the clothing badge will meet with Mrs. Harry W. Ladd at her home. The handy-woman badge workers will meet at the City Hall with Miss Edith Olch.

The Scouts of this troop are planning to pack a "Thinking Day" box to be sent abroad to a Girl Guide Troop as part of their service in international friendship. The box will be sent before Christmas in order for it to reach its destination by February 22, which is Thinking Day in Girl scouting the world around—the day set aside when scouts think of the members in other countries.

Discussions on ways to conserve food and eliminate waste have taken place in all of the five Girl Scout troops in this city. All scouts are united for famine relief and have promised to adhere to a sixteen point program in order to share more of our wheat, fat and dried foods.

DO YOU WANT ANOTHER 3% TAX PUT ON YOUR PAY CHECK?

Do You Want a Government Bureau to Decide What Medical Care You Need When You Are Sick?

UNDER a so-called National Health Act of 1945 introduced in Congress by Senators Wagner, Murray and Representative Dingell, proposal is made to take away your right to select, without hindrance, the doctor you want to treat you. Instead, the Act offers the services of whatever government doctor isn't busy — and makes you pay for his advice by taking a new 3% from your paycheck. If you don't use the government doctor you still have to pay at least 3% of your wages for his support and for the cost of administering the plan.

THE TOTAL YEARLY COST OF THIS WAGNER-MURRAY-DINGELL BILL IS ESTIMATED AT \$4,000,000,000.00.

Right now, without any four thousand million dollar Act, your family doctor is available 24 hours a day to treat you. He is well trained . . . He knows you personally. And, if you don't like what he prescribes, you can get a different doctor! If you want to continue to choose your own doctor without red tape . . . If you want the best health care that medical science and personal service can give you — urge your Congressman to vote against the Wagner-Murray-Dingell Bill.

MICH. TOURIST ASS'N TO MEET OCTOBER 24 AT GRAND RAPIDS

The twenty-ninth annual meeting and conference of members of the West Michigan Tourist and Resort Association, and interested business people of the area, will be held on Thursday, October 24th at the Rowe Hotel in Grand Rapids, according to Harry J. Brown, president.

The problems, proposals and results of entertaining tourist guests in west Michigan during the past season, which is believed to have been the greatest season in forty years, will be reported upon and discussed at the conference, preliminary to the annual business meeting of the association, Brown indicated. In keeping with the tradition of the association, a banquet program is being arranged for the finale of the conference.

HANDICAP WEEK PROCLAIMED BY MAYOR

(Continued from page one)
ers in each community to hire handicapped workers in the interest of better dollars and cents business and encourage the handicapped to seek and qualify themselves for steady employment at steady pay.

PROCLAMATION

WHEREAS, Victory in World War II cost us more than 2,000,000 casualties and

WHEREAS, there are many millions of handicapped persons in the United States, many of whom by their efforts were of great aid in manufacturing munitions or providing essential service for the war effort, and

WHEREAS, all of these persons including disabled veterans of World War I and II deserve self-supporting, self-respecting jobs in which they can make useful contributions to our community, state and nation.

NOW, THEREFORE, I, Karel J. Erber, Mayor of the City of Charlevoix, do set aside the week of October 6th to October 12th as EMPLOY THE PHYSICALLY HANDICAPPED WEEK, and I call upon all local officials, all local employers, all local civic organizations and all citizens to assist in every way possible, to the end that it shall be brought to the attention of all members of the community that disabled veterans and other handicapped civilians are fully capable and are performing efficiently, safely and reliably in thousands of different occupations.

AND I FURTHER URGE ALL EMPLOYERS to place all their job orders with the United States Employment Service so that disabled veterans and other handicapped workers may be given an opportunity to prove their value in productive and self-respecting jobs.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Charlevoix to be affixed.

C. H. S. Adds Mancelona To String of Defeats

(Continued from Page 1)
drop the ball and Irving Manville pounced on it, to put Charlevoix in scoring position again. Two plays later, with the 9 yard line as scrimmage, Billy faded back to the 3 and tossed one of the longest passes ever seen on this field, to brother Bob. The extra point failed and the score was 12-0. Mancy was kept on the mid-field stripe until CHS took the ball, and the first ended with Charlevoix on Mancelona's 40 yard line.

The second half made up for the excitement lacking in the first. After a passing barrage was foiled, Mancy punted to the 1 yard line. Bobby, in return booted back to the MHS 30, a kick of 70 yards. Buckwheat threw a short one, and Billy intercepted. Charlevoix fumbled and Mancy again had the

ball on the 30. Mancy fumbled and Zietler retrieved for Charlevoix. Then Mancelona earned the ball on downs, on their own 20 yard line. On the next play Irving Manville powerhoused his way through the line and snatched the ball carrier back to a ten yard loss. A punt to Frank on the 30, again brought the ball to the mid-field and the quarter ended rather calmly.

In the last stanza, Mancelona came the closest to scoring when they were on Charlevoix's 35 yard line, but were slapped back to the 50. The rest of the quarter was made up of foul play and penalties. Mancy tried more passes, which the Charlevoix line broke up, and CHS got to the 32. But the game ended with the ball exactly on the 50 yard line.

Statistics
Mancelona attempted 8 passes, completed 0. Lost 15 yards on penalties. Lost 2 families, recovered 2. 5 first downs.

Charlevoix attempted 14 passes and completed 6 of those, lost 25 yards on penalties. Lost 4 families, recovered 3. 5 first downs.

Bald Eagle Sighted By Evelyn Twp. Farmer

A bald eagle was sighted early Monday morning near the Will Stern farm south of the Belvedere golf course by John Knudsen, Evelyn township farmer.

The huge bird, which was being pursued by several crows, had a wing spread of about six feet and as it swooped low over the field was easily identified by the white feathers on its head and tail.

CITY WELCOMES GIDEONS

Along the Avenue

By The Editor

When a city councilman speaks about civility-mindedness we wonder if, in his own case, he turns out for himself; SECONDLY, he takes care of his friends; and FINALLY his interests are for the city and the taxpayers he represents. A civic-minded newspaper (like all councilmen should be) takes care of FIRST the problems of the city and the taxpayers; then selfishness cannot enter into the picture.

Perch are biting to heat the band in Round Lake.

Charlevoix's beauty is not confined to summertime alone as a trip through the countryside during October will attest. Scenery is beautiful as the trees turn colorful for fall and winter.

"Russians 100 years or older are to be questioned by physicians in an effort to determine why they have lived so long," says an article. We doubt if more than one in ten of them will have a good excuse.

There's no fool like an old fool, they say. But then look at all the practice he has had.

To avoid trouble and insure safety, breathe through your nose, advises a doctor. Just a nice way of telling you to keep your mouth shut.

Pictures of those bathing beauties impresses on you the shortage of materials.

It has long been a proven fact that horses have more sense than us humans. They were scared stiff of automobiles in the days when pedestrians were laughing at 'em.

Scientists report that they can analyze a man's breath in six minutes. Shucks, many wives can do it in a couple of seconds.

Many veterans have no fear of the wolf being at their door this winter. They have no door.

A single house fly which passes the winter safely, may have six trillion descendants by next September. No one is going to send you to the gallows for killing a few of them now.

Most of the trouble with home life starts when mother is expected to be an angel and work like the devil at the same time.

Anyone can win a battle. If the break will go his way. To ride in the winner's saddle at such times is only play.

But, when all things go against you And defeat you seem to face, Why—you've got to be a fighter If you win out in the race!

Anyone with lots of money Can get mostly what they want; Just to take the cash and buy it. Why, that's quite an easy stunt. But, when dough is mighty scarce And you're down to your last cent, Why—you've got to be a worker If you're going to pay the rent!

Tuesday Study Club Opens Tenth Year

Tuesday Study Club opened the tenth year of its activities Tuesday evening at the home of Mrs. Clinton B. Cooper, with twenty-four members and guests present. A playlet, written and produced by Mrs. Rosa Nettleton was given for the evening entertainment, those taking part being Mrs. Kit Carson, soloist; Mrs. Cooper, reader; Miss Helen Rose Cline, Mrs. Ronald Abfalter; Mrs. Oscar Smith, Mrs. Harvey Campbell and Miss Janice Weisenhausen. A social hour, followed during which refreshments were served by Mrs. Otto Krueger and Mrs. A. Goldard.

Lighthouse Tender Transferred Recently

The Charlevoix Coast Guard group here announced two transfers in lighthouse personnel in this area last week. Frederick Leslie, Bontswain's Mate, first class, was transferred from the South Fox light where he has served for 20 years, to the Grand Traverse light, near Northport as keeper. Allen Cain, a civilian, who has been first assistant keeper at the Grand Traverse light has been assigned to the light at South Fox Island as second assistant.

Pioneer Resident Dies at Age 87

Emma J. Graves, 87, pioneer resident of Charlevoix, died early Saturday morning at the Masonic Home at Alma where she has lived for the past four and a half years.

Emma Stoddard was born at Rochester, N. Y., on June 23, 1859. She was married to Charles Graves at Albion and came to Charlevoix to live about 1880. Mr. Graves died on January 4, 1932. Since April, 1942, she has lived at Alma.

She was member of the Charlevoix chapter of the Order of the Eastern Star.

Surviving are two grandchildren, Mrs. Graver Gough, Jr., of this city, William E. Graves, of Fort Lauderdale, Fla., one great-grandchild. Two sons, Will and Ray preceded her in death.

Funeral services were held at the See Funeral Home at 2 o'clock Tuesday afternoon with the Rev. Jackson E. Turner officiating. Interment was in the Brookside cemetery.

Mrs. Effie Barnes Succumbs After 11 Years' Illness

Mrs. Effie Barnes, 64, wife of Arthur Barnes, died at the Robbins Convalescent Home in Petoskey early Sunday morning. She had been in ill health for eleven years and had been a patient at the Convalescent home for a week.

Effie Clark was born in Charlevoix on February 20, 1882. On July 4, 1902, she was married to Mr. Barnes at East Jordan and they resided at Ellsworth until coming to Charlevoix in 1920.

She was a member of the Methodist church.

Besides her husband she is survived by five daughters, Mrs. Clarence Todd, of Rogers City; Mrs. Vivian Ager, of Grand Rapids; Mrs. Charles R. Brown, Mrs. Josephine (Continued on page 8)

Retired Lightkeeper Passes Away At 90

Funeral services for Ernest E. Winter, 90, who died at the home of his daughter, Mrs. Frank Rydlewicz at St. Joseph, Mich., on Saturday, September 28, were held at the See Funeral Home at 2 o'clock Thursday afternoon. The Rev. A. J. Chynoweth conducted the services. Interment was in the Brookside cemetery.

Born in Germany, Mr. Winter came to this country as a young man. He entered the lighthouse service a few years later and was stationed at the Aux Gales light for five years before going to the St. James lighthouse on Beaver Island where he remained until retiring 20 years ago. He was the last light keeper at that light, which was decommissioned when he retired.

Following the death of Mrs. Winter in 1941 he went to Frankfort to live with a daughter, Mrs. John Quinlan and later moved to St. Joseph to reside with Mrs. Rydlewicz.

Besides his two daughters he is survived by one grandson, who recently enlisted in the Marines and is now stationed at Parris Island, S. C.

Mrs. Howard Krause, the former Gladys Anderson, of Bay City.

Red Rayders Scalp Grayling Eleven, 13-0

The Charlevoix Red Rayders added another scalp to their belt last week when they defeated the Grayling eleven 13-0 on the last home field Friday.

The Rayders went over for touchdowns in every quarter putting together long gains and passes to get in a scoring position. In the last quarter they scored twice.

After steady ground-gaining in the first quarter Dick Joffe, fullback, went over for a touchdown and made the extra point by a line plunge.

In the second quarter, Pat Martin went over for another touchdown and on a pass from Bill Carey to Bob Carey, the conversion was scored giving the Rayders 14 points at the half time.

Joffe scored again in the third quarter bringing the score to 20-0.

In the last quarter the Carey combination, Bill and Bob, went into action and scored two touchdowns. The first conversion failed and the second one was made on a pass from Bill Carey to Smith.

Charlevoix will meet Boyne on the Boyne gridiron on Saturday. Other games this week-end are East Jordan at Pellston, Harbor at Mancelona and Grayling at Gaylord on Friday.

George L. Olsen Gets Transfer To Honolulu

Word has been received here that George L. Olsen, Chief Bontswain's Mate, who was at the local life boat station for several years and for a time officer-in-charge, has been transferred to the See Funeral Home at 10 T. H.

Mr. Olsen was transferred from here a year ago to special duty on the Detroit river and later was assigned to Holland station, Coast Guard duty in Holland, house division. He was to leave October 7 for his new assignment. Mrs. Olsen and children will remain in Grand Haven.

Farmers May Get 1946 Potato Loan

Producers of late crop potatoes can begin to take out Commodity Credit Corporation loans on their 1946 crop beginning this month, according to Walter H. Jenlev, Chairman of the Charlevoix County AAA Committee.

Loans are the only method the Government has to support prices on potatoes. The loan rate will be approximately 75 percent of the September bulk support price for potatoes. Loan rates for Charlevoix county are \$1.15 per ton, for U. S. No. 1 quality potatoes.

To promote orderly marketing of the crop under loan, borrowers must deliver 20% of their crop or one car load, whichever is larger, any time after completion of the loan.

Loans will mature on demand, but not later than April 30, 1947, and will bear interest at the rate of 3 percent. Borrowers who repay their loans before the maturity date will be entitled to a price support only on potatoes still and on loan at that date.

The loan program will be administered by the County AAA Committee.

Women's Guild Hold Parish Luncheon Meet

The Women's Guild of the Congregational church held a parish luncheon at the church at 1 o'clock Wednesday afternoon. At the business meeting which followed, plans were made to attend the Charlevoix Association meeting at Leavitt on October 10.

Mrs. Mabel Goddard gave a lesson from the Mission magazine.

Sowing for the Allies, a winter program of the organization, was distributed.

Harold Ikons, of Oak Grove, spent the week-end with his parents, Mr. and Mrs. Floyd Ikons.

Future Citizens of Charlevoix

Left to right (top row) Jeanette, daughter of Mr. and Mrs. Max Novak; Bruce, son of Mr. and Mrs. Clarence Murray; Patricia, daughter of Mr. and Mrs. Wilford Mayle. (Bottom row) Herbert, son of Mr. and Mrs. Lloyd Cummings; Judy Ann, daughter of Mr. and Mrs. Ludwig Greiner; Robert, son of Mr. and Mrs. Lloyd Barnett.

State President Is Principal Speaker

Gideons from throughout the state of Michigan will gather in Charlevoix on Saturday and Sunday, October 12-13, for a rally. The Charlevoix Hotel will be the headquarters for the two-day event. The banquet, which will be the highlight of the meeting, will be held at the First Methodist church. Pastors and their wives will be guests of the Charlevoix, Petoskey and Charlevoix camps of Gideons.

D. J. DePre, of Zeeland, state president of the Gideons of Michigan, will be the principal speaker at the banquet. Joseph Hoffer, president of the Petoskey Gideons, will provide the program which includes:

Invocation, Rev. W. H. Wood, Pastor Church of God, Charlevoix; Introduction of guestmaster, Arni Forseth, of Grand Rapids, state field secretary, by Mr. Hoffer; Devotion; Song service, led by Glenn Dorn, of Mt. Pleasant; Gideon quartette, Petoskey Gideons; Greetings, Rev. Gaylord Howell, pastor Methodist church, Charlevoix; Response, Edmund Peters, of Mt. Pleasant, state church assignment secretary; Special number, Gideon quartette, Messengers, Mr. DePace, state president; Announcements; Gideon Circle Benediction.

Sunday morning, October 14, the Gideons will speak in the churches of Charlevoix, Emmet and Charlevoix counties and inform the congregation about the Ministry of the Gideons.

The new project of the Gideons is to present a New Testament with Psalms and Proverbs to the Youth of America from the truth through the twelve grades to all schools who will cooperate in the work. It has been estimated that it will take approximately five hundred thousand Testaments for the state of Michigan.

The Gideons distributed over nine million Testaments during the war to our men and women in the armed forces. Two million, five hundred thousand and one hundred have been distributed by the Gideons, International, to hotels, hospitals, penal institutions, schools and in many other places throughout the world. The Petoskey camp of Gideons placed five hundred and thirty Bibles in Emmet, Charlevoix and Charlevoix counties during the months of August and September this year. They also presented the Youth Testament to all the eighth grade boys and girls in Emmet county.

Fred W. Bancroft, H. H. Fales and M. E. Wakefield, of The Gideons of Charlevoix, will be hosts to the convention.

Death Claims Norwood Farmer

Francis (Frank) A. Richardson, 87, Norwood township farmer, died at his home on Tuesday after a short illness. Funeral services were conducted at the See Funeral Home by the Rev. J. C. Matthews, of the Oudeburg Methodist church, at 2 o'clock Friday afternoon. Interment was in the Norwood cemetery.

MOST MOTHERS DO THIS

If Baby Has A Cold

Best-known home remedy you can use to relieve distress of children's colds is comforting Vicks VapoRub. Even while you rub it on, VapoRub starts to work to ease distress... and it keeps on working during the night. No wonder most mothers always do this when a cold strikes.

Sterilizes Can

Insuring contamination-free milk, an ultraviolet lamp can reduce the bacteria count in washed milk cans 90 per cent in one minute, tests show. Spraying invisible bactericidal rays, the new lamp is bent U-shape to obtain maximum radiation of all exposed areas in the can and consumes less electricity than a 25-watt electric light bulb.

St. Mary's Church Redecorated by Master Artists

The interior decoration of St. Mary's church was completed this week. The project represents one of the best examples of ecclesiastical art in Northern Michigan. It was handled in all of its aspects by the church decorating firm of Malo & Jordanoff of Detroit.

The decoration—by color, line and stencil designs was planned to fit the Early Christian architecture of St. Mary's; this style consists of simplicity with evidence of elaboration and perfection of form as shown by the Gothic style in altars and windows. The designs follow the liturgical rules of the church, rules which are intended to bring into the church interior only the kind of decoration that has ecclesiastical significance and fulfills the tenfold purpose of Christian symbolism; instruction in doctrine, Bible and Church history, expression of prayer and doctrine, confession of faith, love, an thanksgiving, imitation of Christ and the Saints, honor of God and the Saints, refutation of heresy, arousing the devotion of the faithful and presentation of the promise and glories of heaven.

Christian symbolism dates from the earliest days of the Church. It springs from the influence of the New Teaching over the art forms and expressions of the pagans of the pre-Christian era; it also assimilated symbols and forms from the Old Testament. This symbolism embodies man's innate desire to express himself in artistic form and when the artist's subjects were God and His wonderful works, there was no limit to the eloquent expressions of his soul translated into beautiful form, line and color. Symbolism grew most strongly during the Roman persecutions when the Christians used symbols to identify themselves and their doctrine to the brethren; further impetus was given to this form of expression during the pre-reformation era when the great cathedrals of Europe were raised to the sky as another expression of man's fealty to God.

T. Jordanoff and G. Dimitroff, the artists on St. Mary's decoration, come from Macedonian families who have been engaged in church work for centuries; the family of the former was engaged in ecclesiastical decoration in all its forms while the family of the latter was taken up with church building. They will collaborate in the publishing of an explanatory brochure on all the work at St. Mary's.

New Recruits Add to Coast Guard Service

With the arrival of new recruits at the local life boat station this week, the Coast Guard look-out and other services which have been suspended for several months because of lack of personnel have been resumed. Chief Wm. P. Woods, of the Charlevoix Coast Guard group, announced this week.

The life boat stations in the area have been operating with skeleton crews of two or three men since early last Spring when Coast Guard discharges depleted the service of much needed men for small stations. In a request sent to the district office at Cleveland and to Washington, D. C., last Spring fishermen, boatmen and resort officials urged that necessary replacements be sent to the Great Lakes area because they felt a need for the protection the Coast Guard gave.

On noon Friday, enough men were at the local station to begin operation again although it will be on a smaller scale than before. Twenty-four hour look-outs will be resumed.

Beaver Island will be back on pre-war schedule soon, it was announced by Chief Woods.

Before the war, the local station had a minimum of 9 men and a chief. Their work at that time was confined to this station. During the war their work was expanded and it became necessary for the chief to supervise the five light-houses, supply depot and other boat facilities in this area. There were more than 25 men stationed here at that time. Since the war, the staff was cut down until last spring the life boat stations had to be closed except for a few duties that could be carried out by a small crew.

Although the crew is now at an all-time low, an effort will be

made to carry on as before. New men who arrived last week were Thomas J. Culhane, William H. Steen, Lyle R. Anderson, and Anecito Salterelli, all apprentice seamen, who will be trained under Chief Woods.

Soak in Cool Soda
Soak clothes in cool or lukewarm soda, not cold, for the cold water causes the fabric mesh to close and hold the dirt. For this reason overnight soaking during the winter defeats its purpose.

Preparing Cabbage

Instead of boiling cabbage for a long time, just enough boiling to make it tender is not only sufficient, but just right to bring out good flavor. Another way to prepare cabbage without much loss of food value, particularly vitamin C, which is easily destroyed by heat, is pan-frying.

Dehorning Cows

Dehorning dairy cows no longer needs to be a painful ordeal, according to veterinary authorities. A method has been devised for injecting a local anesthetic into the nerves that supply the horns. The horns cut then be removed with no more pain than when the dentist extracts an infected tooth.

The Horns of Dilemma

INFLATION means higher prices—a condition hard on salaries, wages and fixed incomes.

DEFLATION means lower prices caused, in part by the peoples' refusal to buy goods inordinately high priced.

The thing to do is to steer a middle course through the horn of the dilemma. 1. By refusing to buy goods at unreasonably high prices, and 2. On the other hand to buy according to reasonable needs, and thus stall off deflation.

Try to keep things normal, but not wasteful. Look around and see what you can save by judicious economy. Bank the saving.

Save for security . . . Save for opportunity.

YOUR STATE TAX DOLLAR

State collected revenues for the year ended June 30, 1946, were equivalent to \$58.22 for each man, woman and child in Michigan.

THIS IS "HOW" YOU PAID

Returned to or for your local government: \$34 1/2, 59%

This graphic illustration, together with the financial information upon which it is based, was prepared by the office of John D. Morrison, Auditor General. It shows in this issue is a summary of all revenues and expenditures of the State of Michigan for the fiscal year ended June 30, 1946.

Your Dollar Today

Your best buy for a dollar is payment on a debt. Back in 1932 it took 303 bushels of corn to pay off \$100 in debts. From 1935 to 1939 it took 145 bushels, on the average, to pay that amount. In 1945, only 87 bushels of corn would bring \$100. In July, 1946, it took but 52 bushels of corn to pay \$100 in debts.

In other words, a dollar does not go far in buying things today. But in paying debts, a dollar is still a dollar.

As another comparison, it took 2.5 beef cattle weighing 1,000 pounds to pay off a \$100 debt in 1932. In the period from 1935 to 1939, it took only 1.5 cattle of the same weight. But in July of 1946, the \$100 debt could be paid with 6 of one beef animal.

Back in 1932 it took 9,400 pounds of milk to pay off \$100. During the 1935 to 1939 period this amount of debt could be liquidated with 5,800 pounds of milk. But today it takes only 2,800 pounds of milk to pay the same amount.

Order Insecticides Now
We used a lot of bug killers during the past growing year. In fact—we used all we had. We scraped the bottom of the barrel.

Strong demands for fruit and vegetables brought more use of insecticides by growers to reduce loss and increase yields. Production of arsenic materials was below normal. The supply of lead was tight—and will continue to be.

Good advice is to do a little planning and figure out how much you will need next year. Then go to your dealer or supply store and place your order now.

Of course it seems far ahead. But this will enable the dealer to place his order with the manufacturer.

Are you PALE? WEAK? from loss of BLOOD-IRON?

Here's One Of The Best Home Ways To Build Up Red Blood!

You girls who suffer from simple anemia or who lose so much during monthly periods that you are pale, feel tired, weak, "drained out"—and may be due to low blood-iron.

So start today—try Lydia E. Pinkham's TABLETS—one of the greatest blood-iron tonics you can buy to help build up red blood to give more strength and energy—in such cases.

Pinkham's Tablets help build up the red quality of the blood (very important by reinforcing the hemoglobin of red blood cells).

Just try Pinkham's Tablets for 30 days—then see if you, too, don't remarkably benefit. All druggists.

Lydia E. Pinkham's TABLETS

turner. That will give the manufacturer a better idea about the demand. Their season started October 1 . . . that's when they start making what you are going to use next year.

The pyrethrum, lead arsenate, DDT, rotenone, or erytholite you will need must be produced between now and the time you want to use them. The same is true for a million other users. Containers must be provided well in advance of delivery.

To order now is not with the idea of hoarding . . . but it will enable the dealer to get delivery from the manufacturer when you need it. Place your order for next year's supply of insecticides now.

Quick Freeze Units

With more farms in Michigan getting electricity each day, farmers are finding quick-freezing one of the most profitable farm uses of electrical energy.

Quick-freeze units make possible more varied diets for farm people. Freezing keeps the original color, texture, flavor and food value remarkably well. It makes possible fresh fruits and vegetables in the winter and turkeys and meat throughout the summer. It goes away with the need for seasonal butchering.

When materials become available, engineering specialists say different types and sizes of freezers will be on the market. There will be the chest-type home freezer with lift top . . . upright freezers with vertical doors and even walk-in units that have two temperatures . . . one for frozen food and the other for regular household refrigeration.

Plans are being developed for home-construction boxes to which are added for a lower-cost freezer unit.

Quick-freezing is here to stay. Within a few years, many farm families will find their home freezer one of the most convenient and economical electrical appliances.

Protect Roses for Winter
Rose growers should protect their bushes against winter, just before freezing weather sets in, mound the soil up around the plants to a depth of 8 to 15 inches. This will protect the base of the plant. Mulching the entire bed with straw will also help. A piece of burlap or strong weather-proof paper wrapped loosely around each plant protects the plants.

ELLSWORTH NOTES

J. Timmer, Reporter

Mr. and Mrs. Alonzo E. Sage observed their fifty-sixth wedding anniversary Tuesday at their home in Shady Nook, seven miles south west of Ellsworth. They were married October 8, 1890 and started housekeeping on the farm where they now live. Both are very active. Mrs. Sage still operating a lunch stand and gas station she started 27 years ago and Mr. Sage working on his farm every day. Mr. Sage, 76, was born in Clinton county October 2, 1870, the son of Daniel and Hannah Sage, and moved to Antrim county when a boy. Mrs. Sage, 73, was born March 1, 1873 the daughter of Mr. and Mrs. Andrew Drake, pioneer settlers who came here in the close of the Civil war in

1866. Both Mr. and Mrs. Sage received their education in Bay View school, near their home, as did their one son, Leon of Bay View, and a daughter, Mrs. Earl Hinkley of Flint. The couple have five grandchildren and six great-grandchildren.

The Atwood Christian Reformed church is celebrating its fiftieth year as a congregation today Wednesday with a program in afternoon and evening. Two former pastors, Rev. John D. Pikaart of Broten, Minn., and Rev. M. Dornbush of Volga, S. D., have promised to attend.

Banks township PTA will meet Tuesday night at Community hall. The Charlevoix band will furnish music. Ebenezer PTA will meet Monday night at Ellsworth Christian Reformed church. Pupils of the two schools are free of classes and are helping harvest the potato crop.

Brake on Slate

D. Hale Brake, campaigning for re-election to the office of State Treasurer on the Republican ticket, is a farmer and lawyer from Stanton, Montcalm County. Brake has long been a prominent figure in Michigan political circles, having served as State Senator from the 25th District for eight years and Prosecuting Attorney of Montcalm County for four years.

The candidate has sponsored in the legislature the Michigan Probate Code, the Court of Claims Act, the Anti-Sabotage Act in addition to many welfare and agricultural bills.

In his last term in the Senate Brake was elected President pro tempore, the highest honor the Senate can bestow on one of its colleagues.

In four years as State Treasurer Brake has followed a policy of honest and conservative handling of state funds. He has surrounded himself with a staff of unusual ability.

CLARK COMMUNITY

Mrs. Wm. A. Parsons

Mr. and Mrs. Carl MacBride and children, also Mr. and Mrs. Frank Brown went on a pleasure trip to Gaylord, and Vanderbilt Sunday. They enjoyed their picnic dinner at Gaylord State park.

Mr. and Mrs. George Parsons, Mr. and Mrs. William Parsons and sons, visited Mr. and Mrs. Fred Glozier at Central Lake and Mr. and Mrs. Jack Parsons, at Ellsworth Sunday afternoon.

Mr. and Mrs. Glen Lord and son, Terry Bruce of East Jordan visited at the Wm. Jolliff home Sunday afternoon.

A fine crowd attended the Booster night program at Barnard Grange last Monday evening. Everyone enjoyed the demonstration and pictures by the County Agricultural Agent, Mr. Redman and the district club agent Karl Festelting.

This community was saddened by the death of Frank Richardson of Norwood last Tuesday evening. Our sincere sympathy is extended to the bereaved family.

Mr. and Mrs. Clyde Warner spent Sunday with her sister's family, Mr. and Mrs. R. W. Liskum of East Jordan. Billy Warner was a guest there for the weekend.

A TOAST: Of the medical profession to the people of Michigan.

AN IDEAL: To which the individual person, the individual doctor and the individual medical society aspire.

A FACT: To make that ideal a reality, join Michigan Doctors of Medicine in furthering the following projects, which, on a voluntary basis, are promoting "Good Health To You":

- 1 Expanding the non-profit voluntary hospital and medical care plans—Michigan Medical Service, Michigan Hospital Service now giving approximately one out of every six persons in Michigan protection against hospital and surgical costs: Avoid the high cost, the compulsion and the new taxes of "political medicine".
- 2 Organizing the Michigan Foundation for Medical and Health Education to provide funds for medical and health scholarships for Michigan students.
- 3 Developing nine Rheumatic Fever Control Centers throughout Michigan for early diagnosis of Rheumatic Fever, especially among children.
- 4 Demanding activity on the part of 51 separate committees of the Michigan State Medical Society which seek the causes of illness and determine upon measures for prevention and cure of disease.
- 5 Urging your congressman to speak against false panaceas of "political medicine" which would regiment both you and your doctor. Keep your doctor free to treat you.

Lost Manuscript Saved by Error

Here is the unique story of a manuscript which was saved because it was lost.

If Morrison Wood had not inexplicably let the 1,500 pages of his novel, "The Devil is a Lonely Man", slip out of his hands, it almost certainly never would have reached this country. Wood, son of Dr. and Mrs. Neal N. Wood, never returned, he died of dysentery in a Japanese prison camp July 31, 1942.

Wood enlisted in the service in the fall of 1940 and a year later sailed for the Philippines, with the army air corps ground forces. With him went the manuscript, started in 1938. In January, 1942 he wrote to his parents that his luggage, including the manuscript in his foot locker had been shipped home by mistake.

Next came the message from the war department in the summer of 1942 that he was missing and a year later another that he was dead. Nothing more is known of him except that he was a private, first class and had been recommended by his colonel for a commission. It is not known with what outfit he served up to the time of his capture; if he served on Batnan or Corregidor; whether any comrade saved his diary or might have a snapshot of him. These are the things the publisher of his book, Arthur W. Wang, editor of the Thomas Y. Crowell Co., would like to know.

The novel, which the publisher estimates about 150,000 words, is still long enough to try the patients of many readers. The plot involves an extended list of characters, drags in most of the commoner acts of violence and some less common. The central figure is a southerner who winds up a checkered career as governor of California. The manuscript reached Crowell because editor Wang knew somebody who knew somebody else who had heard of it after it was sent to an agent, on the advice of a Washington newspaperman, by Wood's brother, Neal then in England.

Dr. and Mrs. Wood, parents of the author, were in Charlevoix during the summer of 1942 when Dr. Wood, of the U. S. Public Health Service, was in charge of the Health Unit here. Prior to coming here, he was at Mackinac Island for several years. He was at Bay City before going to Calumet where he is now located.

Funeral services were conducted at the See Funeral Home at 10 o'clock Wednesday morning by the Rev. Gaylord Howell. Burial was in the Brookside cemetery.

Capt. Leslie Shapton Weds Calif. Girl

(Continued from Page 1) training at Sacramento County Hospital. She plans to continue her studies.

Captain Shapton is a graduate of the Charlevoix high school and Michigan State College where he studied accountancy. He has been in the service for four years as an aviator with the Army Transport Command. He plans to remain in the service and expects to be stationed at his present assignment, the Fairfield Air Base, for some time.

CORRECTION

In last week's Wilbers Mens Store advertisement, the Courier inadvertently stated that socks were 60c per pair. It should have read 80c per pair. Another advertisement elsewhere in this issue. The error was made by the Courier and we apologize to Mr. Wilbers for the inconvenience caused by it.

GIRL SCOUT NEWS

Miss Katharine H. King, Field Advisor of Region VII for Girl Scouts, will be in Charlevoix on Monday, October 14, to meet with the members of the local Girl Scout Council, parents of the Scouts and all other interested adults. This meeting will be held at City Hall on that date at 8 p. m., and all interested are urged to attend.

During Miss King's visit here Mrs. Harry W. Ladd, President of the Girl Scout Council and leader of one of the Troops, will entertain her with a luncheon, having as her guests all members of the Executive Board. Also, on Thursday, October 17, at 2 p. m., Miss King will meet at the City Hall with the chairmen of all committees of the Council.

The Girl Scout Council held their October meeting at City Hall last Thursday evening, October 3rd, at which time two more committees were formed, these being membership committee with Mrs. A. G. Leitch as chairman and a camp committee with Mrs. LeRoy Allers as chairman. It was also decided at this meeting that all Girl Scouts and all adult volunteers in Girl Scouting in Charlevoix attend the Methodist church in a body on what is known as Girl Scout Sunday, October 27, for the morning service which is at 11 a. m.

Taking advantage of a school holiday and the beautiful weather last Friday, the Girl Scouts of the two Intermediate Troops and two of their leaders, took a hike to the old Line Kila, followed by a cook-out. Those girls who are working on this Cook's Badge, under the supervision of Mrs. J. K. Reed, did the cooking for the entire group of twenty-two scouts.

The girls were also accompanied by Mrs. George Roff, as well as Mrs. Harry Ladd, their leader.

Glass Making Art

Although the art of making glass goes back to the time of the ancient Egyptians, it was not manufactured in England until the 16th century.

Baptists Hold Annual Church Business Meeting

On Monday evening, October 7th the Baptist congregation held its annual business meeting in the church lecture room. A goodly number were present. Pastor Claypoole presided with Mrs. Usher as clerk.

(The reports of the various officers and Auxiliary organizations showed progress. Every treasury showed a balance.

The customary annual election of officers took place with a complete roster of officers being elected to each and every office.

The spirit was most harmonious and the Baptist congregation begins the new year's work with confidence that a better year than ever has just begun.

A social hour, with refreshments being served, followed the business session. The group enjoyed the warmth of a new oil burner, recently installed in the Lecture Room.

The Kroger store, which had been handling Swift's ice cream has disbanded with it and now has for sale Martin brand, manufactured in Petoskey, Mr. Hartzell, Kroger manager says he is selling much more of the latter brand and keeps it on hand always for his ever increasing trade.

We were asked to send out an S. O. S. by Mrs. Maryellen Kaden, of 225 State Street, Boyne City, for a copy of the Charlevoix Sentinel dated October 2, 1974. The issue carried an account of the wedding of her parents, Mr. and Mrs. Pearce Kinella. Mrs. Kaden gave us a lead, which old timers may recall. The affair was called the "Irish Wedding." It took place at Barnard. Who has a copy of the Sentinel for this "Old Timer"?

When Mrs. Homer Nasson of East Jordan asked us to explain why the words "Charlevoix Sickness" were included in a "diarrhea" advertisement, we asked our readers to give us their version of it. Mrs. J. K. Bogert of California writes asking what's the joke about Charlevoix sickness? And several similar letters were received during the past two weeks, but none explaining why the words "Charlevoix Sickness" appeared in the above-mentioned adv. All we could find out, Mrs. Nasson is the fact that Di-Jel is made by a Jewish concern in Detroit, the owners of which were former Charlevoix residents. No apparent reason can be found for including the two above-mentioned words in the adv., but advertisers have voluntarily stricken them from all future advertising.

The Tragic Adventures Of Ten Little Motorists

10 Little Motorists, driving in a line: One tried to pass the rest . . . then there were nine. 9 Little Motorists, solemnly I repeat: One passed a traffic stop . . . then there were eight.

8 Little Motorists, young and very left: One tried to show such skill . . . seven then were left.

7 Little Motorists, toting in the stix: One failed to dim his lights . . . then here six.

6 Little Motorists, very much alive: One did not see a train . . . then there were five.

5 Little Motorists, driving in the rain: One skidded on a curve . . . four now remain.

4 Little Motorists, coming from a ten: One faced about to chat . . . then there were three.

3 Little Motorists, this is sad but true: One slumbered from fatigue . . . then there were two.

2 Little Motorists, racing just for fun: One passed upon a crest . . . then there was one.

1 Little Motorist, though it's seldom done: It's a match to gauge his tank . . . now there are none.

Have Published In Michigan, California

The Charlevoix Courier has been sold to Mr. and Mrs. L. E. Towes of Susanville, Calif., by the present publisher, E. I. Steinhurst. The new owners will take possession on November 1. Mr. and Mrs. Towes and their son, arrived Monday after taking in some of the outstanding points of interest on their way.

Mr. and Mrs. Steinhurst plan to go to California for a much needed rest, but will return to their Dixon Ave. home again in the spring. Mr. Steinhurst has made no immediate business plans. Both natives of Michigan, Mr. and Mrs. Towes are graduates of Olivet College. Both taught school one year, after which time Mr. Towes went into the daily field, working in Lansing, Oklahoma City and Toledo.

In 1931 the couple purchased the Jonesville Independent and published the southern Michigan weekly for twelve years. While its editor, Mr. Towes served as secretary-treasurer of the Michigan Press Association for two years. In Jonesville the couple were active in community affairs, both serving on a variety of civic groups.

Following the sale of their weekly paper, Mr. Towes became Publicity Director at the University of Michigan at Ann Arbor, resigning that position to go to Susanville, Calif., where they purchased a county seat paper in a city of 8,000. After ten months they sold the paper because the high, dry climate of the Sierras did not agree with them. For the past two months, Mr. Towes has been Director of Publicity of the Shasta, Cascade Wonderland Association, a tourist promotion bureau serving an area the size of Ohio. He resigned that work on completion of the purchase of the Courier.

They have one son, Dudley, 12 years old, who will enter the seventh grade in Charlevoix.

Funeral services for Mrs. Emma Courter, 72, widow of Joseph Courter, who died at Butterworth Hospital, Grand Rapids, on October 8, were held at the Watson Funeral home, East Jordan, on Friday, with Rev. C. W. Sidebotham officiating. Interment was in the Brookside cemetery, Charlevoix.

Born in Brownsville, Ont., Canada, Emma Courter came to Charlevoix county as a child. After her marriage to Mr. Courter in 1890, they lived in Evelyn township, later moving to East Jordan. Mr. Courter preceded her in death in 1935. She has resided in Grand Rapids for the past two years.

She was a member of the OES and the Rebekah lodge.

Surviving are one daughter, Mrs. Carl Knop, of Muskegon; three sons, John, of Davison; and Frank and James, of Charlevoix; nine grandchildren and three great-grandchildren.

REPORTS GIVEN AT W. C. T. U. MEETING

The WCTU met at the home of Mrs. Floyd Bartholomew on Friday afternoon for the regular October meeting. Mrs. Guy Smith, who succeeded Mrs. John Ryder as president following her resignation, presided at the session. Mrs. Ernest Smith was named vice president to fill the vacancy left by Mrs. Smith's new office.

Mrs. Ellsworth Dykstra led the devotion. The program was in charge of Mrs. John Funk and Mrs. David Blake. Reports on the recent district meeting at East Jordan were given by Mrs. Smith, Mrs. Funk, Mrs. Blake and Mrs. Lena Swanson.

The next meeting will be a Roll Call luncheon. The date and place will be announced later.

GIRL SCOUT ADVISOR MEETS WITH BOARD

Mrs. Harry Ladd entertained at a luncheon for the executive board of the Girl Scout Council, Miss Katharine King, field advisor of this region, was guest of honor. Members of the executive board are Mrs. Harvey Campbell, Mrs. Uno Samela, Mrs. Charles Blehn and Mrs. Ladd.

Miss King met with the Girl Scout council at the city hall on Monday evening. On Thursday afternoon she will meet with the committee chairman of the council.

Rayders Take Boyne City Sat.

The Charlevoix Red Rayders continued their victory march this week by defeating the Boyne City 32-0 in the rain-soaked field on Saturday.

For the first time in more than two years, the Rayders were scored on when Boyne in a fast play by West, left half-back went over in the opening minutes. "Charlevoix," however, opened an attack which ended in five touchdowns.

A game Boyne team kept the score at 6-0 throughout the first quarter but in the second period Charlevoix took to the air in spite of a wet ball and on a pass from Bill to Bob Carey the Rayders tied the score.

Later in the half Charlevoix took possession of the ball again and on a pass from Bill Carey near the middle of the field Pat Martin ran 50 yards for a second touchdown. A pass from Carey to Carey made the extra point and the half ended 13-6.

The third quarter, started with ground-gainers. P. Martin and J. Joliffe, bringing the ball to Boyne's 21 yard line. A penalty on Boyne took the ball five yards closer to the goal line and after two tries Bill Carey went through the line to score. The extra point try was stopped.

In the next few plays P. Martin carried the ball 40 yards to the 10 yard line and then went over right tackle to score. He took the ball over to score the extra point making the score 26-6.

Bill Carey intercepted a Boyne pass as the quarter closed. After driving to the 10 yard line, the Rayders were penalized 15 yards. Not many plays later however, Bill Carey went over for another touchdown. Halstead failed to make the extra point on a line drive.

MORE TRANSFERS MADE IN LIGHTHOUSE SERVICE

Two more transfers in the lighthouse service were made last week. Chief William P. Woods, officer in charge of the Charlevoix group, has announced.

William E. H. Kruwell, who has been keeper at the Beaver Island light, has been transferred to the South Fox Island light as first in command. He relieves Frederick Leslie, BME, who went to the Grand Traverse light near Northport as keeper.

Bertrand J. McDonough, who has been first assistant at the Beaver Island light, becomes the keeper.

The transfer of Kruwell to the South Fox light was effected by the lighthouse tender, Sandew, under the command of Lt. E. H. Bergh, which will carry out its regular fall duties of maintenance to aids to navigation.

NOTE: For your convenience there is a North Star bus to Petoskey each morning at 10:15. Returning each evening at 6:15.

County Red Cross Officers Elected

Mrs. Helen Kreighoff, of Boyne City, was elected county chairman of the Charlevoix County Red Cross chapter for 1946-47 at a meeting held at the library assembly room on Tuesday evening, October 8. She succeeds Mrs. Elizabeth Robertson, of East Jordan.

Ralph S. Hamilton, of Charlevoix, was re-elected secretary and Miss Ethel Crowell, of East Jordan, will continue as secretary.

Members named to the board of directors include: Mrs. Violet Munglos, of Boyne City; Dan Gendit, of Charlevoix; Mrs. Elizabeth Anderson, of East Jordan; Mrs. Paul Demise, of Boyne Falls; Mrs. Dan Buckley, of Wulloon Lake; and Mrs. Ralph Price, of Ironton.

Many Attend Gideon Rally

More than a hundred members and guests attended the Gideon International rally and banquet held at the Methodist church on Saturday evening.

D. J. DePree, of Zeeland, state president of the organization, gave an inspiring talk on the work and aims of the organization. The Rev. Gaylord Howell presented the welcome. On Sunday, October 13, Gideons filled the pulpits in the local churches in Petoskey, Boyne City, and Pellston. On October 20 a speaker will appear in the local Baptist church and later on will preach in other churches in the county and in Emmett and Cheboygan counties.

M. A. Wakefield, Fred W. Bancroft and H. H. Piles of the local camp, were hosts to the group.

Colors Tangle

Snap bubbles, or drops of oil on a wet pavement, are vividly colored because the film is so thin that its thickness approaches the wavelength of light, causing the light rays to tangle up, or interfere with each other.

Starch Adds Life

A thin starch solution will put new life into cottons. Embroidered parts of blouses, neckwear, baby clothes and lingerie can be starched by dipping a soft cloth in a thin starch solution and brushing it over the embroidery before ironing.

Future Citizens of Charlevoix

Left to right (top row) John and Stanley, sons of Mr. and Mrs. John Martin; Dale and Ivan, sons of Mr. and Mrs. Wm. Parsons. (Bottom row) John and Mabel Clare, children of Mr. and Mrs. Harry Biogham; Maxine and Juanita, daughters of Mr. and Mrs. Miles Russell.

Morris Ackert Honored for Public Service

Morris Ackert was one of 262 public water supply employees in Michigan honored at the annual banquet of the Michigan Section of the American Water Works Association held at Traverse City, Sept. 12. He received the Edward Dunbar Service Award from Dr. William DeKleine, State Health Commissioner.

The award is conferred upon those who have completed 25 or more years of "arduous and faithful service in providing and maintaining a safe, dependable and adequate public water supply."

The award commemorates the career of "Colonel" Rich who recently retired from active service with the Michigan Department of Health in the field sanitary engineering.

Trio Escape Jail in Cheboygan

Lawrence Burger, 22, of Charlevoix, and Frederick Trudeau, 21, of Cheboygan, are being sought by police authorities in this area after escaping from the Cheboygan county jail shortly after 10 p. m., Sunday. The two, assisted by Michael DeBucca, 21, also of Charlevoix, overpowered Sheriff John Garrow as he was making a routine check late Sunday evening and escaped from the jail at Cheboygan.

BULLETIN: Burger and Trudeau were apprehended at Indian River on Tuesday and returned to the Cheboygan County jail to await sentence.

DeBucca, who left with the other escapees, returned to the jail voluntarily a short time later.

Burger and Trudeau are still at large and being sought by police throughout the state.

Burger and DeBucca were arrested in Charlevoix on September 18 and held on a larceny charge involving stolen tires. They were taken to the Cheboygan county jail on September 25 and were to have been sentenced there this month.

Trudeau was being held for violation of parole.

Legion Auxiliary Install Officers

Mrs. Lydia McGhan was installed as president of the Charlevoix American Legion Auxiliary at a joint installation with Boyne City at the local Legion Hall on Monday evening. Mrs. Anne Kamiske, of Alpena, district president, was installing officer and Mrs. Charles Henika, of Petoskey, past district president was sergeant-at-arms.

Other officers installed were: first vice president, Mrs. Lillian Ulrich; second vice-president, Mrs. Ruth Smith; secretary, Mrs. Elizabeth Reinhardt; treasurer, Mrs. Vance Waldstad; chaplain, Mrs. Eva Smith; publicity and historian, Mrs. Lela Allard; sergeant-at-arms, Mrs. Lillian Hull.

A social hour and refreshment followed the business session. Hostesses were Mrs. Leo Allard, Mrs. Charles Hannin, Mrs. Bert Carey, Mrs. Tom Bacet and Mrs. Lillian Hull.

GIDEONS HOLD SPECIAL SERVICE

A special Gideon service was held in the Church of God Sunday morning. Mr. Doran of the Mt. Pleasant Gideon Camp spoke on the work and future plans of the Gideon work of distributing Bibles throughout the State. An offering of \$42.00 was given by the church for this work.

Robert Bridge Heads County Committee

The 1946 Community Chest Fund drive opened today in Charlevoix with a quota of \$965.00 to be raised by November 1. George O. Haggard, city chairman, has announced. The quota for Charlevoix county is \$2890.00.

Robert Bridge was named county chairman at a meeting held recently at the Dilyorth Hotel in Boyne City. He has named the following city chairmen: Charlevoix, Mr. Haggard; East Jordan, Howard Porter; Boyne City, Don Sheets.

"The quota for this year is small compared to what was asked during the war years," Mr. Haggard said today, "and it is hoped that the merchants and residents of this community who were so generous in their contributions in other years will put forth every effort to complete the drive this month."

"In 1944 and 1945, we were asked to give a total of \$8,226 in the county or \$2,325 in this city and we went over the top each time by at least \$500. This year the needs are less and our quota has been lowered so we should fill it with little effort."

"Remember how anxious you were during the war to do your share for all the men in the services? Nothing was too good for them, you said and you showed you meant it by digging down deep many times. Have you stopped to think that there are more than a million and a half men still overseas carrying out the nation's occupation duties and as many more in uniform in this country who still need the services performed by the USO, one of the major beneficiaries in this community chest drive."

"Remember how you read the casualty lists during the war and remarked about the number of men who were wounded in action? That seems a long time ago to you, doesn't it? Did you ever stop to think how long ago that must seem to those same men who are lying in the many hospitals in this country? The war isn't over for them. It will never be for some of them."

"All these men need the entertainment and services of the USO more than ever so won't you be generous in your contribution. This will be the last year you will be asked to aid the USO."

Mayor Karl Erber, who is assisting Mr. Haggard as co-chairman, also asks you to pledge your support to this worthy cause. "We went over the top before and we can do it again," Mr. Erber said. "I know that I can count on all of you to come through as you have in other years."

Other organizations which share in the drive are Cancer Control, Salvation Army, Boy Scouts and Girl Scouts.

"As county chairman of the Community Chest drive, I am asking you to pledge your loyal support, as you have in the past, to this worthy cause," Robert Bridge stated. "The people of Charlevoix have shown themselves to be true humanitarians and this is truly a call deserving your response."

Church Association Meets At Lewiston October 10

The 69th annual meeting of the Cheboygan Association of Congregational churches was held at Lewiston on Thursday, October 10. Dr. Albert W. Kauffman was moderator and Rev. John B. Ellis, son of Vanderbilt, was registrar.

Addresses were given by Dr. Harold N. Skidmore, of Lansing, Miss Frances Dunnette and Miss Agnes Fenneman.

The Rev. Jackson E. Thomas, pastor of the local church, was elected to the advisory for 1947. Those who attended from Charlevoix were Rev. Turner, Capt. Hubert Padack, Mrs. Allen Campbell and Mrs. Jeff Novotny.

Death Benefits To Be Paid Survivors

Surviving relatives of World War II veterans who have died within three years after being discharged from the armed forces should contact the Social Security Administration for information regarding possible death benefits, William E. LaRock, manager of the Social Security Administration of the Traverse City field office of the Social Security Administration, said today.

A recent amendment to the Social Security Act permits monthly insurance payments to children under 18, widows with such children in their care, widows over 65, and aged dependent parents of deceased veterans who were discharged under conditions other than dishonorable, Mr. LaRock said. Where no person is qualified for a monthly income, a lump-sum payment can be made to the widow, child, parent, or to the person who paid the funeral expenses.

In order for his survivors to be qualified for benefits under the new amendment a veteran must have died within three years of discharge and had at least 90 days active duty after Sept. 16, 1910 (but the latter provision does not apply if the veteran was discharged because of physical disability incurred or aggravated while in service.)

Payments to minor children and dependent parents will be at least \$15.50 a month, according to Mr. LaRock, while widows will receive at least \$23.75.

Monthly payments will start from the date of the veteran's death only if an application is filed with the Social Security Administration before February 10, 1947, Mr. LaRock emphasized. After that date applications must be filed within three months of

the date of death in order to obtain maximum payments. Survivors of veterans who have previously applied for and received either monthly or lump-sum payments based on civilian employment covered by the Social Security Act may request a recomputation of benefits under the provisions of the amendment. This also must be done before Feb. 10, 1947, Mr. LaRock said.

Regular Social Security benefits based on civilian employment are paid regardless of other pensions, but benefits based solely on the new legislation cannot be received if a pension can be paid by the Veterans Administration, Mr. LaRock stated. National Service Life Insurance payments are not considered a pension and will not prevent the payment of Social Security benefits under the new amendment.

From where I sit... by Joe Marsh

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the Clarion, it looked so unmissed; didn't have any appetite with no-

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

SPORTS INFIELD

By Ted Kesting
Most of the life of a small boat is spent not in water, but on land. Winter finds rowboats, canoes and outboard boats in attics, cellars, sheds, garages, boathouses, and more often than many boat-lovers might think, simply outdoors somewhere. And the portable boat may even spend most of its summer days on land.

Willard Crandall, authority on boats, states that most of the aging of a boat occurs not while it is in use, but while it is on land. "That is when they wear out."

Air may not seem like much of a hazard offhand. But it may be in motion, or perfectly still; it may be damp, or dry; it may be hot or cold. It is the avoidance of these extremes, and of the particular extreme that is roughest on the boat in question, that is important.

This matter of boat preservation is timely now. The fisherman fortunate enough to have already his new, modern boat wants to know just how to preserve its present high quality. The man who has yet to buy his, realizes there is a good chance the particular storage conditions he has available may be a factor of importance to consider as he decides which of the many new types of construction he wants.

Yes, there are boats, many of them, right out in the desert today. Thousands of artificial lakes behind irrigation dams, now dot areas completely dry only a few years back. Boats are now in all sorts of places and under all sorts of conditions they never were before; they are of diversified types of construction, many brand-new; and inevitably, the

rules of storage have become more complex.

Any boat will last longer if not abused. A good boat, and modern boats are the best ever built, deserve good treatment. A boat who subjects his boat to wear and tear in use can claim at least he is getting something for his money; a man who lets a good boat wear, just lying around in an old place on land, can hardly deny charges of carelessness or ignorance, even though the effects of the wear may not be noticeable for a long time.

The position of the boat in the storage place can be important. Indoors, in crowded quarters, there may be a temptation to "cramp" the boat in some way - to rest it on its side, perhaps - a harmless enough way of doing with some boats, but damaging to others, like the round-bottom rowboat. As only one spot on the side of the latter can ordinarily touch the floor at one time. Right side up, resting along its keel, is usually the best position for this type boat. Be sure the boat is given sufficient support to avoid strain at any one point.

Protect Garden Furniture

Any piece of outdoor furniture, such as garden or lawn benches or tables, wears out or rots much more quickly than furniture used indoors, because of its exposure to the elements. If garden furniture is to be made to last, it is imperative that it be kept thoroughly painted or varnished. If kept indoors during the winter, the repainting or revarnishing job should be done before the furniture is placed in the open for the coming season.

Urban Counties

Forty-three per cent of the nation's population live in communities of less than 2,500 persons. Only about 400 of the 3,070 counties of the nation are really urban. Such an urban state as New York has a greater farm population than the five rural states of North and South Dakota, Nebraska, Wyoming and Montana combined.

ELLSWORTH NOTES

J. Timmer, Reporter

The Atwood-Ellsworth Missionary union will hold two meetings Monday. An afternoon meeting at 2 to be held at Atwood Christian Reformed church and evening meeting at 8 at Ellsworth Christian Reformed church. Speakers include George Oppenhuizen, former missionary in New Mexico, now city missionary in Grand Rapids; Mrs. Margaret Eversburg, missionary to Africa; Rev. William V. Muller, missionary to South America; and Miss Anna Petter, missionary to India. The afternoon meeting is usually a "ladies" meeting, but the general public is cordially invited to attend the night meeting.

Old King Horeas left his base at the North Pole Saturday and gave us the first sample of the hail and snow we may expect this winter.

Mr. and Mrs. Edward Tornga and daughter of Gobles spent the weekend with their parents, Mr. and Mrs. Herman Tornga.

Rosene Woodcock, who escaped serious injury last Tuesday when the truck he was driving hit a tree south of Williamsburg is recuperating nicely.

Treasure Hunt, Sunday, October 20. Be at the Ball Field at 9:30 p. m. Come and bring your friends.

FARM BUREAU

Twenty members of the Marion Center Community Farm Bureau met at the home of Mr. and Mrs. Vera McGhan Wednesday, Oct. 5. The discussion for the evening centered around the resolution sent out by the legislative council of the State Farm Bureau and were as follows:

Liquor tax law.
The future of our State fair and 4-H club show.
Control of migratory labor.
The minimum age for drivers' licenses.
Farmers and Social Security.
What about our rural schools?
Can State hunting and game laws be improved.
What can be done with the lungs disease law?
Refreshments were served by the hostess and a very profitable evening enjoyed by all.

The next meeting is to be held at the home of Mr. and Mrs. Wilbur Himebaugh, November 13. If you are a member of this group, make plans to attend this meeting.

CARD OF THANKS

I wish to thank all my many thoughtful friends for the lovely cards, flowers and fruit which were sent to me during my recent illness. I also wish to thank the doctors and nurses of the Charlevoix Hospital for their kind attention. Mrs. Zada Munyon.

GIRL SCOUT NEWS

Girl Scout Week, celebrated annually by more than a million Girl Scouts throughout the United States, will open on October 27 (known as Girl Scout Sunday) and continue through November 2.

The Girl Scouts of Charlevoix will join with sister Scouts in more than 8,000 American communities in the observance of Girl Scout week. Following the major interests of the Girl Scout program, the "seven service days" of Girl Scout Week are each devoted to highlighting some special phase of Girl Scouting. Sunday, October 27, is church going day, when all Brownies, Girl Scouts and adult leaders and volunteers will attend 11 o'clock services at the Charlevoix Methodist church; Monday is Home-making Day; Tuesday, Citizenship Day; Wednesday, Health and Safety Day; Thursday, International Friendship Day; Friday, Arts and Crafts Day; and Saturday, Out-of-Doors Day. On each day of the week, Girl Scouts make a special effort to show their families, friends and the community what they are doing and what their organization stands for.

Girl Scout Week traditionally takes place during the week which includes October 31, the anniversary of the birth of Juliette Low, founder of Girl Scouting in the United States. According to Mrs. Ladd, October 31 was originally observed as Founder's Day, back in 1920, and after Mrs. Low's death in 1927 the tradition of commemorating that day as the focal point of Girl Scout Week was established. Mrs. Ladd estimated that 128 scouts and adult volunteers will take part in local Girl Scout Week observance this year—the largest in the history of this organization in Charlevoix.

The DOCTOR WITHOUT A FACE

YOU don't know him — you never will. He's a government doctor — created by Title II of the Wagner-Murray-Dingell Bill. He's paid by the government, supported by new taxes. He works for the government... not for you. He works on a forty hour week, time and a half for overtime. He is interested in who can help him politically — not in whom he can help medically.

The Wagner-Murray-Dingell Bill, currently being studied by the U. S. Senate Committee on Education and Labor, encourages the progressive doctor to become a lazy doctor. It gives him an assured income as long as he doesn't take any chances. Political medicine penalizes the active, hard-working, daring doctor by paying a premium for mediocrity — ask any veteran, or one of the returned doctors who has been practicing state medicine for the past three or four years.

Voluntary non-profit hospital and medical care plans are available now. Over 40,000,000 people are protected today... more tomorrow.

Think! Write! Urge your congressman to vote "No" on the Wagner-Murray-Dingell Bill.]

Mary Jane Paddock Becomes Bride of Wis. Youth In Midland Ceremony

Before an altar decorated with white chrysanthemums and candelabra, Miss Mary Jane Paddock, daughter of Mr. and Mrs. Richard K. Paddock, became the bride of Mr. and Mrs. Anthony Barbiana, son of Mr. and Mrs. Anthony Barbiana, of Milwaukee, Wis., on Saturday, October 5, at the First Presbyterian church, Midland. Dr. John A. Gardner, pastor of the church, officiated at the rites. A program of organ music was played by Mrs. Willard Lampe.

Escorted to the altar by her father, the bride was attired in a white satin gown fashioned with long pointed sleeves, a fitted bodice and a full skirt ending in a

short train. Her fingertip veil fell from a seed pearl tiara. She wore a string of pearls, a gift of the bridegroom. She carried a cascade bouquet of white chrysanthemums centered with an orchid.

Attending the bride as maid of honor was her sister, Miss Roberta Paddock. She wore an aqua tulle gown and carried a cascade bouquet of bronze chrysanthemums.

Fred J. Barbiana assisted his brother as best man. Edward G. Hart, of Cleveland, O., and Robert L. Dietrich, of Midland, seated the guests.

For her daughter's wedding Mrs. Paddock chose a turquoise wool crepe dress with black necessities. Mrs. Barbiana, mother of the bridegroom, wore a gray dress with black necessities. Their flowers were corsages of chrysanthemums.

Immediately after the ceremony a reception for the newlyweds was held at the home of the bride's cousins, Mr. and Mrs. Clarence N. Bridge, of East Park Drive.

When Mr. and Mrs. Barbiana left on a two weeks wedding trip, the bride wore a gray suit with black necessities and an orchid from her bouquet.

The couple will make their home in Midland.

Methodist Promotion Night Big Success

Sixty-five children enjoyed a pot luck supper for "Children Only" Friday evening, October 11, 1946 at the Methodist church basement. The ages ranged from two to twelve years. Their teachers with the assistance of the intermediate girls served the boys and girls at the tables.

Following the supper, parents were present for the promotion exercises. A short talk was given of the pastor and each teacher handed out promotion cards to her pupils. The nine Juniors received Bibles as promotion gifts at the Rally Day service, Sunday morning, October 13.

The Rally Day service Sunday morning was a part of the promotion program. The exercises included something from every department of the Sunday School. The director was Mrs. Dean Day, who did an excellent job of directing the program entitled "Look in This Day."

Yes, "Skip" Krohnke got back from his pheasant hunting trip, escorted by policeman Glenn Rose. "Skip" wasn't a violator. He just needed a chaperone.

At 10:20 a. m., Monday, we stepped out of our office to view an airplane in the sky which was "standing perfectly still" in that wide expanse over Lake Michigan. Finally, we decided that Joe McPhillips was teaching one of his students how to set the brakes. Are we right, Joe?

An income is an amount of money that, no matter how large it is, you spend more than.

John Timmer, over Ellsworth way, sends us this one: The not-so-ambitious professor sent his wife to the bank and kissed his money goodbye.

When we returned from our pheasant hunting trip we remembered that we had promised a "bird" to Jack Hartzell. Passing by his home enroute, here we knocked at the door and when Mrs. Hartzell answered we asked, "Is Jack home? If not, can we leave a pheasant for you folks?" "Oh," she said, "I don't believe the buildings here would hold a pheasant." Not yet knowing the pheasant was a dead bird, we assured her that an ordinary refrigerator would hold the bird, whereupon she smiled and said, simply, "Bring that bird in."

The people of Michigan have just seen a most unusual act by a candidate for public office. Instead of trying to convince them that he knows all the answers, he has humbly asked them for their opinions and suggestions. He is Kim Sigler, Republican Candidate for governor.

Never look to an exclusively political paper for good reading for the family. You might as well try to get wool by shearing a hydrant.

If dirt was trumps, what a hand some politicians would have!

They say love is like the measles, no, don't, all the worse if it comes late in life.

It doesn't take long for a golfer to learn that hole in one are few and far between.

This will, no doubt, go down as the toughest war in history. Even Paul Revere didn't have to eat his horse afterwards.

Hunters are numerous these days. Those that aren't out looking for ducks that aren't there are hunting steaks that aren't there either.

Franklin's picture is on a \$100 bill and the Treasury Department reports a shortage of them. We've noticed it, too.

A fellow seeks a divorce because his wife knocked him down while he was intoxicated. When a man comes home tight as a drum he can expect to be beaten.

With the lifting of price controls on meat steaks are easier to get but tougher to pay for.

Election is coming, when men get hot under the collar and cold shoulder each other.

Nazi war criminals, who tied their country in a knot have reached the end of their rope.

NOVEMBER REGISTRATION SHOWS DECREASE

Registration for the November 5 election shows a slight decrease over the June 18th election figures, the office of Ray S. Hamilton, city clerk, has announced.

The June registrants numbered 1450 as compared to 1451 at the close of the new registration date, October 16.

New registrations totaled 98 against 106 cancellations due to death, change of residence and failure to re-register.

316 voters re-registered.

Dan McCann Gets Presidential Unit Citation

Daniel J. McCann, ex-Hornet swimmer's mate, first class, USNR, has been awarded the Presidential Unit Citation as a member of the crew of the aircraft carrier, USS Hornet, for heroism displayed in action against enemy Japanese forces in the Pacific War area.

The citation reads: "For extraordinary heroism in action against enemy Japanese forces in the air, ashore and afloat in the Pacific War Area from March 29, 1944, to June 10, 1945. Operating continuously in the most forward areas, the U. S. S. Hornet and her groups struck crushing blows toward annihilating Japanese fighting powers; they provided air cover for our amphibious forces; they fiercely countered the enemy's aerial attacks and destroyed his planes; and they inflicted terrific losses on the Japanese in Fleet and merchant marine units sunk and damaged. Daring and dependable in combat, the Hornet with her gallant officers and men rendered loyal service in achieving the ultimate defeat of the Japanese Empire."

The U. S. S. Hornet participated in the following operations: March 29 to May 1, 1944, Palau, Hollandia, Truk; June 11 to August 5, 1944, Marianas, Bonin, Yap; September 6 to 24, 1944, Philippines; October 10 to November 22, 1944, Ryukyu, Formosa, Philippines, Luzon; December 14 to 16, 1944, Luzon; January 3 to 22, 1945, Philippines, Formosa, China Sea, Ryukyu; February 16 to June 10, 1945, Japan, Bonin Ryukyu.

"Red" was discharged from the service in August, 1945, after serving three years in the naval reserve. He joined the crew of the Hornet as a gun captain when the ship was commissioned in the fall of 1943. She left the states in February, 1944 and returned in the summer of 1945 after she was put out of commission by a typhoon in June, 1945.

Don Meggison Weds Petoskey Debutante Saturday

Miss Helen Elizabeth Kaske, daughter of Herman Kaske, of Petoskey, became the bride of Don Meggison, son of Mr. and Mrs. Clarence B. Meggison, of this city, at a ceremony performed at 2 o'clock Saturday afternoon, October 13, at the First Methodist church, Charlevoix.

The Rev. Gaylord D. Howell read the double ring service before an altar flanked with large baskets of white gladioli and candelabra in the presence of seventy-five guests.

Mrs. A. C. Belding, at the piano, played the traditional wedding music and accompanied Miss Beth Meggison and Mrs. Clarence Meggison who sang "I Love You Truly" and "Because."

The couple left on a wedding trip to southern Michigan, Chicago, Wisconsin, the upper peninsula and Canada after which they will make their home at 302 State St., Charlevoix. For traveling the bride wore a green gabardine suit and white accessories.

Miss Meggison is a graduate of the Petoskey high school. Mr. Meggison graduated from the Charlevoix high school and was discharged from the army early this year after serving three years, fourteen months of which were spent in the Pacific theater.

Those from out of town who attended the wedding were Mr. and Mrs. Kenneth Wilson, of Grand Rapids; Mr. and Mrs. Neil Hurry, of Flint; Miss Beth Meggison, of Mt. Pleasant; Mr. and Mrs. Gerald Redell, of Bellaire; Miss Jean Nash, of Detroit; Mr. and Mrs. Guy Arman and children, Ethel, Marilyn and Roland and Mr. and Mrs. Leland Arman, of Munising; Mrs. Nellie Squires, of Harbor Springs; Mrs. Norma Johanson, Mrs. Dorothy Cetas, Mrs. A. J. Brown, Miss Ann Mackie, Gloria and Jack Kring, of Petoskey.

The Baptist Ladies will hold a rummage sale October 24, 25 and 26 in the Earl Young building.

DeBucca and Barger Get Prison Terms

Double prison sentences have been meted out by Circuit Judge Ward L. Waller to Lawrence DeBucca, 22, and Michael DeBucca, 23, of Charlevoix, their sentences for stealing out of autos being extended for breaking out of the Charlevoix County Jail.

Each man was sentenced twice. Barger was sentenced to 2 to 5 years in state prison for larceny from an auto, and to 7 months to one year additional for breaking jail.

DeBucca was sentenced to 18 months to five years for larceny from an auto, and to 6 months to one year additional for jail breaking.

The pair broke out of the Charlevoix county jail on the night of October 13, accompanied by Edward Trudeau. DeBucca gave himself up about an hour later.

Trudeau is now serving 60 days in jail for driving an auto after his license was revoked. Vincent Vincent is revealed by officers to have snuggled in a backseat to Barger and DeBucca. He and Trudeau have been found over to Circuit Court on jail breaking charges. Vincent as an accessory but they were not sentenced Saturday when Judge Waller sentenced DeBucca and Barger.

Barger and DeBucca were still in the county jail today, but they will be transferred to the State Prison of Southern Michigan at Jackson in the near future.

Fall Term of Circuit Court Convenes Oct. 29

The regular October term of Circuit Court which was scheduled to convene on October 28 has been postponed until October 29 due to the fact that the presiding Circuit Judge, Ward L. Waller, will be holding court in another circuit on the former date.

The jurors, subject to call if and when needed by order of the Court are listed below:

Albert Johncheck, Bay Township; Clyde De Loy, Boyne Valley Township; Ash Stewart, Chandler Township; Elijah O'Brien, Charlevoix Township; Eugene Fern, Evangeline Township; Godfrey McDonald, Evelyn Township; John O. Bass, Marion Township; Louis Laurie, Melrose Township; Eld Gregory, Norwood Township; Frank O'Donnell, Peoria Township; Ella Somerville, St. James Township; Mrs. William Shepard, South Arm Township; Loyal Watt, Wilson Township; Anna Dietz, Boyne City 1st Ward; Mrs. Talma Brady, Boyne City 2nd Ward; Rose Tooley, Boyne City 3rd Ward; Charles Lannack, Boyne City 4th Ward; Louis Bourgeois, Charlevoix 1st Ward; Edward Heise, Charlevoix 2nd Ward; Marie Bliss set, Charlevoix 3rd Ward; Earl Bassler, East Jordan 1st Ward; Edd Strehl, East Jordan 2nd Ward and Mrs. Pearl Melville, East Jordan 3rd Ward.

The Court calendar consists of four criminal cases, two issues of fact and law; two chancery cases and eight divorce cases.

POWER SQUADRON ELECTS OFFICERS

The Charlevoix Unit of the United States Power Squadron met Wednesday evening, October 16, for their annual election of officers. The following were elected: Commander, Benjamin Bustard, of East Jordan; Lieutenant commander, Ronald Alfalter; First Lieutenant, Charles Bellinger; Secretary, Hollis Drew, of East Jordan; Treasurer, Dr. Fred W. Young, Arthur Weststaff is retiring commander.

Plans were made for the annual free classes on navigation which will open shortly after January 1, 1947. Committees will be appointed at a later meeting. Information regarding the unit or classes may be obtained from any member.

JUNIOR DAIRYMEN ORGANIZE IN COUNTY

A new rural youth organization has been revealed in Charlevoix county.

The purpose of this organization is to develop the new modernized dairy work. For example, the purpose of fast milking; sanitation in barn and farm buildings, and recording cost of feeding dairy animals.

Paro boys in Charlevoix county—fourteen years of age and older are urged to join.

The officers are as follows: Leader, Wayne Saunders; President, James Fidler; Vice President, Robert Clarke; Secretary, Charles Elzinga; Treasurer, Richard Jolliffe; Advisory Committee, Uno Suonela, Jasper Warner, Max Novak.

The County Agent, Mr. E. Rehman, and Extension Agent, Mr. K. Festerling will provide lectures, training films and talks on dairy work.

\$3279.88 Paid County Old-Age Beneficiaries

A total of \$3279.88 is being paid each month to 185 beneficiaries in Charlevoix county by the Social Security Administration under the Federal system of Old-Age and Survivor Insurance, William E. LaRocq, manager of the Transverse City field office of the Administration, reported today. These figures show an increase of about 10 per cent during the past three months, Mr. LaRocq said.

Of these social security beneficiaries, 91 are retired workers, aged 65 or more, with payments totalling \$2134.89 a month. The remainder includes widows, over 65, of retired workers, widows, over age 65, of insured workers who have died, widows of any age with children under 18, these children, and dependent parents of deceased workers.

No payments have yet been made in Charlevoix county under the recent "Veterans' Amendment" to the Social Security Act. Mr. LaRocq said. Under the new legislation, the Social Security Administration can usually make payments to survivors of veterans who die within three years of the date of discharge from the armed forces. Retroactive payments under the new amendment can be made back to the time of the veteran's death only if a claim is filed before February 18, 1947. Mr. LaRocq said, but in spite of this time limit many persons who are entitled to payments have so far failed to contact the Social Security Administration field office in Transverse City.

St. Mary's Parish Sponsors Party For Hallowe'en

October 25, has been set as the date for the St. Mary's Parish Hallowe'en party to be held at the school hall on Friday evening for parishioners, their families and friends.

Foster, Mrs. Earl Miller, Mrs. Edward Golden; Decorations, Mrs. Emil Fischer; Mrs. Herbert Campbell, Mrs. Gales McCann, Mrs. Henry Supernaw; Refreshments, Mrs. Charles Hamlin; Mrs. George Haggard, Mrs. Joseph Howard; Publicity, Mrs. Philip Lemire.

A variety program, card games and a buffet lunch will be features of the evening.

Parishioners including high school students are invited to attend. This is the first of a series of parties being planned for the fall and winter months.

Public Treasure Hunt Sunday, October 27. Starts 9:30 p. m. from Harbor View Cafe.

Rayders Win Over East Jordan 42-0

It happened again! Charlevoix trounced all over East Jordan to defeat the Maroons 42-0 and to keep the slate clean. Harbor Springs and Pellston are the next two in the list, playing here on October 25 and November 1st, respectively.

The game opened with East Jordan kicking off to the Rayders who were held on their own 40. They then punted and held the Maroons in their own territory. Pat Martin with Billy Jolliffe blocked the East Jordan punt to place the pegasus in scoring position on the East Jordan 39 yard line.

Frank Martin gained a yard on double reverse, and Holstad went 22 yards to set the ball on the 16 yard stripe. Jordan set up a wall and gained the ball on downs. Lord's punt was blocked again, and Bill Carey dropped it to give the Rayders possession on the 22. P. Martin took a lead pass from center to gain 11 yards. Dick Jolliffe went through tackle for the first touchdown. The pass for conversion failed.

After the kickoff, the Danomathmen got a 100 yard pass from Ayers to Hammond, but the gain was stopped cold on the 12. Lord punted to Bill Carey on the 40 yard where Dick Jolliffe took the next play to the Maroons' 42. Bill Carey to Holstad stood for 19 yards, but both Jolliffe and Martin were thrown for losses and the ball went over on down on the 118 20 yard line. Ayers and Lord battered out a first down but on the next play Holstad intercepted a pass and scampered down the left sideline behind excellent blockers for the next score. Again the pass for extra point failed.

The nightmare for East Jordan started when Weisler fumbled the kickoff though it was recovered by Robinson on the 5. Lord punted and Bob Carey maced the catch up to the Jordanians 15. Bill Carey passed 10 yards to Holstad who went over for the third touchdown. The attempted pass for extra was batted down. The first half ended 18-0.

Sinclair took the kickoff on the 28 and was dropped on the 13. Drives against the Charlevoix wall were of no avail and Charlevoix downed the punt on their own 28. Frank Martin showed his old style by running 72 yards around his own end to bring the score up to 24. The plunge for punt failed.

Within a short time the Rayders held the ball on a punt. Dick Jolliffe blasted his way through center for 11 yards and P. Martin smashed over guard to the 4, and on the next play leaped over tackle to score. The pass for conversion failed again. Soon after, Pat Martin added another score around right end and early in the last period slammed the last score of the game and the 28th touchdown of the season through center. Power plays had brought the oval into scoring position both times.

SUPPORT THE COMMUNITY CHEST

Potato Growers Get Loan Increase

The 1946 late-crop potato loan program designed to assure farmers that they will receive the price support level for their potatoes has been made more attractive by the recent announcement that the support price level has been in-

creased 5 cents per hundred-weight to make allowance for the increased parity index for potatoes.

The new support prices for October, November and December are as follows for U. S. No. 1, per cwt., graded, sacked, and loaded F.O.B. on cars: October, \$2.10; November, \$2.20; December, \$2.30. Per cwt., loaded on cars in bulk: October, \$1.85; November, \$1.95;

December, \$2.05. Per cwt., loaded in bulk at grower's gate: October, \$1.65; November, \$1.75; December, \$1.85.

The loan rate, however, still stands as originally announced at \$1.15 per cwt. By placing his potatoes under loan, the grower is guaranteed by the Commodity Credit Corporation that he will receive not less than the announced support price for his potatoes by delivery to CCC if the local market price is below support price levels.

Borrowers can deliver their potatoes to CCC at any time after completion of the loan. However, they must agree to limit their deliveries in any calendar month to 20 percent of the amount placed under loan, or one carload, whichever is higher. In the case of deteriorating potatoes, more rapid delivery is provided. The government's price support program is based upon legislation contained in the Steagall Amendment which provides for a price support program to function on all principal farm commodities for two full years after the official end of the war. The policy is designed to cushion the necessary production adjustment required as agriculture reconverts to a peacetime economy. Full information regarding the potato loan program and support prices may be obtained at the Charlevoix County AAA Office.

Food For Thought

In another city, a depositor of ours stood at the counter of a small food store. She couldn't help but overhear the woman ahead of her ask for credit for the purchases she had just made. "I'm sorry," said the man behind the counter, "but you haven't paid last month's bill. I can't afford to let it run any higher." A look of disappointment spread over the woman's face, as she

held her baby closer to her. After she left, our depositor paid for the woman's package and hurried after her. "You left this on the counter," she said, and hurried off. Few of us would fail to share with others, if we but knew the circumstances. If we could see Europe's starving millions; all of us would be glad to eat just a little less. Let's all help them.

Watch Refrigerator
A refrigerator should be located in a cool part of the kitchen to avoid overworking. Its condenser, located at the back of the refrigerator or beneath the food compartment near the motor, should be dusted every few months, and the frost on the freezing unit should not be allowed to get thick.

Business Short-Lived
The average life of American business concerns is only five years.

Protect Iron Pipes
Flue pipes, stove pipes and ventilating pipes, especially if made of thin metal, go to rust quickly if rust is allowed to get a good start on them. They should be gone over thoroughly for signs of rust and all rust spots scraped or sandpapered down to the bright metal. They should then be thoroughly coated with stovepipe enamel, or other heat and moisture resistant coating, obtainable from paint and varnish stores or departments.

First Aid for Wounds
In giving first aid care in cases of severe wounds which are later to receive medical treatment, do not use soap and water, for, as has been said, this cannot be done under the conditions in which this first aid is usually carried out without introducing germs with the water itself. If the physician later washes the wound, he will do so in the dispensary under aseptic conditions, and this is medical treatment, not first aid. It must not be forgotten that first aid is not the same as medical care, and no matter how well versed one may be in first aid, he should not assume the responsibilities of the physician.

CARD OF THANKS
We wish to express our sincere thanks to our relatives, friends and neighbors for their many expressions of sympathy during our recent bereavement.
Joseph Shores and family.

Temple Orange
The Temple orange was found at a chance tree on the land of William Chaso Temple of Winter Park, Fla. Its origin was unknown and the tree was a budding tree. It has been suggested that, due to its characteristics, it is probably a hybrid between the orange and the tangerine but it was definitely not the result of any artificial hybridization and may have been only a bud sport. A similar fruit has been observed in Jamaica, but it is not known which fruit was found first.

WOMEN IN THEIR '40's

Were Never Meant To
Suffer Like This!

Here's a tip for women troubled by Nervous Tension, Irritability and Weak, Tired, Grumpy Feelings—due to "middle-age"

If the functional "middle-age" period peculiar to women makes you suffer from hot flashes, touchy, high-strung, weak, nervous feelings, try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Taken regularly this great medicine helps build up resistance against such "middle-age" distress.

Thousands Upon Thousands Helped! Pinkham's Compound is one of the best known medicines you can buy for this purpose. It has proved some of the happiest days of some women's lives can often be during their 40's. We urge you to give Pinkham's Compound a fair and honest trial. Just see if it doesn't help you, too. It's also a great stomachic tonic!

Great new motor oil by Standard

Permalube
Removes the "goo"
Improves the go!

You get premium-plus lubrication

Here's why there's more go to your car when the "goo" is gone. There are no gooey deposits of soot, varnish, carbon, and sludge. There's nothing to interfere with valve and ring action and smooth, powerful piston strokes. You get a sweeter-running engine... a better-lubricated, longer-lasting engine.

Standard's great new motor oil, Permalube, gives you this premium-plus lubrication. It not only thoroughly lubricates. It cleans your engine and keeps it clean.

So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

"I never saw oil drain out so dirty!" "Good! That shows Permalube's been taking out the 'goo'!"

Camelback Legend

Northeast of Phoenix, Ariz., is a mountain resembling a mammoth camel lying prone. Indian legend has it that one of the camels imported by Uncle Sam in the last century, for travel across the great southwestern desert, fled the herd and roamed for years. One day, according to the myth, it defied the gods of thunder and lightning and was transformed into stone. That, so the story goes, is Camelback mountain.

From where I sit... by Joe Marsh

On Playing the Fiddle Badly

A favorite recreation in our town is getting together in one or another's home and making music. There's somebody at the piano; a guitar; a fiddle player; and Molly Hirtles even has a harp!

What comes out isn't the best music in the whole world. In fact, a lot of it is downright bad. But nobody even thinks to question or to criticize.

Because the spirit of harmony is there—harmony between folks who like each other's company, who enjoy the simple, homey atmosphere

—with nothing more exciting than old songs, and a glass of moderate beer or cider.

From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. More important to be a part of the American scene—with its community music, home entertainment, friendly glass of beer—than to hold out for professional perfection. (Besides, I like to play the fiddle—even badly!)

IT ALL ADDS UP TO MORE

1 In Michigan Bell central offices, men are busy installing enough telephone equipment this year to serve 100,000 additional lines, many of them for new customers in rural areas.

2 More than 6,000 miles of wire have been added in rural sections this year. These wires join with cable leading to the nearest central office and must be spliced carefully in order that your telephone will work properly.

3 After a rural telephone line leaves the cable, it travels on big crossarms bolted to the poles. With the rural lines it's building, Michigan Bell will use about 100,000 crossarms on some 60,000 new poles this year.

RURAL TELEPHONE SERVICE

4 Bringing wires from the road to the house is one of the last steps in the telephone installation job. It's a commonplace scene throughout Michigan today. Michigan Bell is now installing telephones in the rural areas it serves at a rate of about 2,000 a month.

5 Serving about 98,000 customers in rural areas now—more than twice as many as in 1911—Michigan Bell is making real progress in extending and improving its rural telephone service, particularly in view of the many material shortages which hamper the job.

The Patient Will Live 14 Years Longer

YES, Death takes a holiday when the surgeon wins the battle of the operating room.

The extent and quality of the American Doctor's service to you is best indicated by the fact that the average life-span of an American has increased 14 years during the Twentieth Century.

Such valuable service was rendered and can be expected only under the American system of private practice which developed the ethically minded, highly trained, modern doctor.

Political control of your doctor can give you neither additional service nor better service.

It can only succeed in giving you more expensive service.

Political control, such as proposed by the Wagner-Murray-Dingell Bill, adds the cost of political administration to the cost of medical service. You pay for costly red tape by another tax on your income, starting at 3 per cent.

Endorse the success of American Medicine by encouraging plans that will build new hospitals and medical treatment facilities, but ask your Congressman to keep your doctor free to serve you by voting "No" on political control.

James Marsh Transferred To Coast Guard Cutter

James Marsh, chief motor machinist's mate, U. S. Coast cutter, who has served aboard the ice crusher Mackinaw, for the past year, has been transferred to the Coast Guard cutter, Cherry, at Buffalo, N. Y., as engineering officer.

A veteran of 14 years, Marsh served in lifeboat stations along Lake Michigan until 1941 when he was transferred to the east coast. He served aboard a destroyer escort during the war years and had been on the Mackinaw for a year.

His wife and two sons, Bobby and Tommy, reside here.

Charles F. Hamilton Is MCMT Faculty Member

Charles F. Hamilton is one of more than 25 administrative officers and faculty members at the Sault Ste. Marie Residence Center of the Michigan College of Mining and Technology. Instruction begins at the Center November 1. The 73-acre site was formerly Fort Brady established by the U. S. Army in 1822. This term it will accommodate about 300 of Michigan Tech's 1946 students. Most of the Sault group, all freshmen, are veterans.

Mr. Hamilton was superintendent of schools in Charlevoix for four years. He is an assistant professor of language at MCMT's Sault Center.

Supervisors End October Session; Set 1947 Budget

Concluding their 78th annual October session on last Wednesday, County Board of Supervisors set the 1947 budget at \$87,335.68, an increase of almost \$5,000 over the 1946 budget of \$82,371.

The tax rate, however, will be 8.5 mills instead of the former 9 mills.

A general 10% salary increase was granted county officers and employees.

Appropriations included in the budget besides those regularly placed there for county operational costs include: \$750 for hospital fund; \$100, Michigan Children's Aid; \$100, Harbor Springs Indian school; \$750, Whiting Park; \$3200 County Council of Veterans' Affairs; \$1500, advertising; \$1000, fish and game; \$200, bee inspection; \$582 to meet a Charlevoix county fair deficit. The county on taxes will be continued and \$500 was set aside with which to pay it with \$100 being added to the 1946 budget and \$400 to the 1947 budget.

No vote was taken on the site of the proposed county court house, but sketches submitted for a new building by the J. and G. Diverman Co., of Grand Rapids, were approved by the board who will request tentative plans and sketches, which will be subject to revision.

Rayders Chalk Up Another Win

By David A. Hamilton

An inspired Charlevoix eleven, who could have beaten anything in northern Michigan including the acknowledged Class B leader, Alpena, in the opinion of football experts and enthusiasts, ran rough shod over a Fighting Harbor Springs team here Friday to defeat them 61-0. Well on their way to a second Northern Michigan Class C Conference championship, Coach Ray Kipke's Rayders will meet Pellston here on Friday to conclude the season.

Harbor, still stinging from a 65-0 loss in 1945, came to Charlevoix on Friday with revenge in their hearts, but were never able to get past the 50 yard marker and only twice did the Rayders lose the ball to them on downs.

Commander Willard J. Smith, new commanding officer of the Traverse City Coast Guard air station, is shown at the left as he discussed local base operations with Lt. James W. Kincaid, who has commanded the station since the Coast Guard took over operational duties from the Navy a year ago.

Comdr. Smith, who officially assumed command on Saturday, served as administrative aide to Admiral J. P. Farley, Coast Guard commandant, prior to his present assignment. A veteran of 13 years of service, Comdr. Smith is the son of Capt. Oscar Smith, retired Coast Guardsman, and Mrs. Smith, of this city. He graduated from the Charlevoix high school and attended the University of Michigan prior to entering the service. He graduated from the U. S. Coast Guard Academy and during World War II served with the West Coast command and in Alaska.

His wife, Harriet, daughter, Larry, 2, and son, Jeffrey, 10 months, now reside at Traverse City.

Good Bye

With this, the final issue of the Courier under our tutelage, we say goodbye reluctantly to our many friends and acquaintances in Charlevoix-the-Bountiful.

For the past twenty-one months, as editor and publisher of your newspaper, we have enjoyed every day and hour in each week planning the news for our large family of readers. The fine cooperation of clubs, churches, businessmen and citizens and our own Courier force, have been a great factor in bringing to the citizens of Charlevoix a newspaper which has gained prominence throughout the north. For this fine spirit of cooperation and friendliness we are truly grateful.

Ever mindful of the great need for a fine newspaper in Charlevoix, we have chosen, with great care, a publisher who has the highest qualifications in the weekly newspaper field—a man who is civic-minded, dynamic in his efforts to bring to you unbiased news and willing and eager to help in the every day planning of the many problems confronting a great city.

From more than 25 publishers, who made bids for the Courier, Mr. and Mrs. L. E. Towe have been hand-picked to carry on where we left off. They have high qualifications, as publishers in the weekly field.

It has been a genuine pleasure to serve all of you for nearly two years. We know you will continue your friendly cooperation with the new owners.

Foraythia In Full Blossom In Loeb Gardens

The unusual weather and extended Indian summer which we've enjoyed these past weeks has upset Mother Nature's time table. Forsythia which normally blooms early in the spring, is now in full bloom in the beautiful gardens at the Loeb farm, it was reported this week.

Charlevoix Hotel Has New Owner

The Charlevoix Hotel, located at 304 Antrim Street, was sold last week to Mr. and Mrs. John J. Connelly, of Washington D. C., the former owners, Mr. and Mrs. Charles Anderson, have announced. The new owners will assume management November 1.

Mr. Connelly, well known in hotel circles, has been associated with the management of hotels for many years. He comes here from the Roosevelt Hotel, Washington, where he has been manager for two years. Prior to that he was with the Hamilton Hotel, Washington for 15 years and the Roosevelt in Lansing for one and a half years.

No strangers to northern Michigan, Mr. Connelly and his family have been vacationing here for 15 years. Mr. Connelly, accompanied by Mrs. Connelly and their 3-year-old son, John Jr., Jr., will return here this week to make their home.

Mr. and Mrs. Anderson, who have owned and operated the 12-room hotel for two summers, plan to remain in Charlevoix until December 1 when they will leave for the west to take a much needed rest. "We leave Charlevoix with many regrets," Mrs. Anderson said, "but we plan to return here for vacations in the future."

Youth Conference Held In Boyne City

Young 4-H club leaders and older youth from the top twenty-five counties of the Lower Peninsula of Michigan will hold their annual Youth Conference at the Hotel Delworth, November 1st, 2nd and 3rd. Approximately sixty-five delegates between the ages of eighteen and twenty-five and leaders will be in attendance. Arrangements have been completed and are in charge of Louis Webb, Assistant state club leader, in charge of Older Youth Work from Michigan State college. The delegates are being selected according to the interest in older youth work in the various counties. The group will begin registration at 4:00 o'clock on Friday, November 1st.

The program for Friday evening will consist of a get-together social session, recreation and a fire-side chat. Saturday morning will be devoted to discussion of the "Problems and Opportunities of a Junior Leader," also the question "What Makes Older Youth Groups Click." The youth are holding a banquet and party Saturday evening. Arrangements being completed to hold church services Sunday morning with the group participating at the Presbyterian church. Mr. Dan Anderson, District Club Agent from Reed City is completing these arrangements with Reverend Stoppel. The group will depart for home after dinner on Sunday.

Mr. and Mrs. Ed Larkies were guests of honor at a joint birthday party given at the home of their son-in-law and daughter, Mr. and Mrs. Henry Ingalls, on Saturday evening.

Runners solo, Nov. 1 and 2 in the Earl Young building by the Margaret Parker Circle.

Jackson E. Turner Ordained In Church Ceremony Here

With a large group of clergy and laymen from northern Michigan participating, Rev. Jackson E. Turner, pastor of the First Congregational church, will become the third minister to be ordained in the local church in its 44 year history. The ceremony will be held at 1 p. m. Saturday.

Rev. Turner has served as pastor of the church since June 1, 1946.

Prior to the ordination service the Council of Congregational churches in the Charlevoix Association of Michigan will meet at 10:30 a. m. to receive the credentials of Mr. Turner, who will also present a paper in which he will give a statement of faith. An oral examination of the candidate will be conducted by the council, composed of pastors and one delegate from each of the churches in the Association.

Following the examination of the candidate, a Fellowship dinner will be served by members of the Church Guild in the church dining room at 1 o'clock.

Presiding at the ordination service at 4 o'clock will be Harry

Rev. Jackson E. Turner

Sawton, moderator.

Dean P. W. Graham, of Oberlin, O., Dean of the Oberlin Graduate School of Theology of which Rev. Turner is a graduate, will give the ordination sermon. Dr. Albert W. Kauffman, of Alpena, will present the prayer of ordination.

Dr. L. M. Baes, of Gaylord, will give the charge to the candidate and Rev. Donald R. Evans, of Lansing, Minister of Christian Education, Congregational Council of Michigan, and former pastor of the local church, will give the charge to the people. The hand of fellowship will be extended by Rev. J. B. Ellison, of Wolverine.

At the conclusion of the ceremony, Rev. Turner will give the benediction.

Rev. Turner received his A. B. degree from Albion college and his Bachelor of Divinity degree from the Oberlin Graduate school of Theology, Oberlin, O. He is the son of Mr. and Mrs. E. N. Turner of Manistee.

Kiwanis Complete Plans for Annual Hallowe'en Treat

The Charlevoix Kiwanis have completed plans for the annual Hallowe'en treat for the pupils in the Charlevoix schools on Thursday, M. A. Levinson, chairman of the entertainment committee has announced.

Pupils of the public schools from the kindergarten through the sixth grade will march to the theatre, to the music of the high school band and attend the afternoon movie. Students of Junior high and high school age will attend during the evening. Both will receive special treats after the movies.

This annual Hallowe'en treat was inaugurated several years ago by the Kiwanis in an effort to stop the usual Hallowe'en pranks in which youngsters become involved at this time of the year. It has proven very satisfactory and is anticipated by all the young fry from five to twenty.

Mr. Levinson is being assisted by the following committee: Howard Brumm, Dr. F. E. McMillan, Harley Ochs and Harry Bingham.

Light Vote Is Expected At Nov. 5 Election

With election day November 5, only a few days away, politicians throughout the state are making a bid for office. Voters in Charlevoix county, normally a Republican county, are expected to follow the general trend in the northern counties and continue to vote a straight Republican ticket. With no opposition in county offices a heavy vote is not expected.

The two main tickets are as follows:

Republican State

Governor, Kim Siger; Lieutenant governor, Eugene C. Koyser; Secretary of State, Frederick M. Albert; Attorney General, Eugene F. Black; State treasurer, D. Hale Braler; Auditor general, Muel K. Aten.

Democratic

Governor, Murray H. Van Wageningen; Lieutenant governor, O. J. Kelly; Secretary of State, Joseph L. Hannigan; Attorney General, Thurman B. Doyle; State treasurer, John J. Kozanec; Auditor general, Marvin L. Coon.

Congressional Republican

U. S. Senator, Arthur H. Vandenberg; Representative in Congress, 11th district, Fred Bradley.

Democratic

U. S. Senator, James H. Lee; Representative in Congress, 11th district, Cecil W. Bailey.

Legislative

State Senator, 25th district, Otto W. Bishop; State Representative, Charlevoix district, Louis E. Anderson.

County

Prosecuting attorney, C. Meredith Blev; Sheriff, Floyd W. Blev; County clerk, Fenton B. Hulow; County treasurer, Lilla M. Plauder; Register of Deeds, Roy E. Davis; Coroner, Schuyler B. Stuekel; Coroner, F. E. McMillan; Surveyor, Mary C. Fennell; Road Commissioner, Samuel E. Rogers.

Election Can Still Register

According to a ruling of the Attorney General of Michigan, election laws of this state still permit the registration of electors on election day under certain conditions.

There has been some belief that the changes made in election laws in 1945 eliminated the right of any registration on election day. This is not the case, however.

Under provisions of the old law, a person whose name is not registered, but who has the qualifications of a voter, shall be allowed to vote provided that he was unable to register on the last two days of registration due to sickness or bodily infirmity of himself or some other member of the family, or owing to his absence from the city on public business or his own business, and without intent to delay or avoid his registration.

The new section added to election laws in 1945, although repealing the section outlined above, has been interpreted by the Attorney General to incorporate the provisions of the repealed section.

Voters making application for registration on election day must be accompanied and identified by a registered voter known to a member of the election board, and must state under oath their qualifications as electors and reasons for not registering.

Football Squad Attends MSC - Cincinnati Game

Thirty-four members of the Charlevoix high school football squad and their coach, Ray Kipke, attended the University of Cincinnati-Michigan State football game at East Lansing on Saturday.

Leaving here at 5:30 a. m. on the new school bus driven by E. T. Davis, the players arrived in the capital city shortly after noon and after visiting the capitol building and other places of interest, toured Michigan State campus before attending the game. Although Michigan State lost to the Ohio team 18-7 the Rayders enjoyed the game.

After a hurried lunch they left Lansing and arrived home about midnight.

NOTICE

All City offices will be closed on Election Day, Tuesday, November 5th.

From where I sit... by Joe Marsh

Friendship—Three Thousand Miles Apart

Ever play chess? It's a great game! One of the strongest friendships I know of started with a game of chess—between Dad Hawkins, in our town, and a man named Dalton Barnes, in England.

They've never seen each other, never met. But for the past eight years they've been playing chess by mail together—Dad puzzling over Dalton's latest letter, while he sends a chart of his next move to England.

Dad always thinks best with a mellow glass of beer beside his

chessboard. And the Englishman writes him that he does the same. "You know, it's almost as if we shared a glass of beer together, too!" says Dad contentedly.

From where I sit, you can talk about diplomacy and foreign policy, but it's often those little things—like a game of chess or a glass of beer—that can make for tolerance and understanding... between people of all nations... between neighbors here at home!

2, 4-D and Cows

Does the use of 2, 4-D to eliminate weeds in pasture have an ill effect on cows or the milk they produce? That's a question that Michigan State college specialists get from out over the state. It's a logical question too... but the answer is no... there seems to be no danger in the cows eating grass sprayed with the weed killer.

Cows were turned in pasture sprayed with about the quantity recommended for weed control. The cows showed no symptoms of discomfort or illness. A post-mortem examination of a slaughtered cow revealed no unusual conditions caused by the 2, 4-D. Experimenters even fed one cow a daily dose of about a fifth of an ounce of 2, 4-D for more than three months without harming her health. Although she carried a solution of 2, 4-D in her blood serum she did not secrete 2, 4-D in her milk.

The conclusion reached was that pastures sprayed for weed control are not likely to be harmful to livestock or to people who eat meat or milk from sprayed pastures.

Treating Fence Posts

Roy Skog, extension forester for the Upper Peninsula, recently tested a new process for treating pine posts. With chromated zinc chloride, he treated posts at an average material cost of nine cents each. The posts were 7 feet by 5 1/2 inches.

He slipped a portion of an inner tube over the large end of a green unpainted post and poured the chemical into the tube, allowing it to flow into the post. He stood the post on end with the solution in the tube at the top. In about 24 hours the chemical penetrated the length of the post. He believes the posts will last from 8 to 15 years with this treatment.

Prepare Strawberries for Winter
A protective mulch will reduce the loss of strawberry plants from winter injury. Timeliness in applying is the keynote to success with mulching.

Recent discoveries in experiments show that plants are severely damaged if the temperature around the plants falls below 21 degrees. For that reason the mulch should not be applied until after frosts, but before night temperatures begin to fall below 20 degrees.

Frosty nights prepare the plants for winter by gradually slowing down the life process and retarding development. If the mulch is put on before the first frosts, the plants will still be growing and will be very susceptible to winter damage.

Wheat, barley and oat straw, free from weed seeds, are the best mulch materials. A straw mulch that settles to approximately a three inch layer is best.

Keep Milk Clean, Cold and Covered for More Returns
Although mathematics teachers may not figure it that easy, Dr. G. M. Trout, professor of dairy manufactures at Michigan State college, says three "C's", add up to make more of one large "C".

The three "C's" to which Doctor Trout refers are those of quality milk production. By keeping milk clean, cold and covered, the dairy department specialists say it will mean more cash. That's the large "C" to which he refers—and the one in which most farmers are concerned.

Contrary to opinions of many, the aeration of milk is not necessary.

St. Francis Solanus Church Receives New Decorations

The decoration of the auditorium and sanctuary of St. Francis Solanus Church, Bay Shore, was completed recently. Color and stenciled combinations were laid out according to the liturgical rules of the Catholic church while the style of decoration was adapted to the modified Roman form of architecture in the building. The church decorating firm of Mado and Jordanoff of Detroit designed and executed the entire project.

the frame for the most important symbol that of the Lamb of God on a mound from which flow the four rivers of Paradise. The Lamb of God, head encircled by a tri-radiant patee nimbus, carries the resurrection banner of Victory to symbolize the Savior. "John saw Jesus coming to him and he said: 'Behold the Lamb of God, behold him who taketh away the sin of the world.'" John 1, 29. "He was offered because it was his own will and he opened not his mouth; he shall be led as a sheep to the slaughter and shall be dumb as a lamb before his shearer and he shall not open his mouth." (Isaiah LIII, 7). The four Rivers of Paradise, Gihon, Tigris, Euphrates and Pison, are symbols of the Gospels of Matthew, Mark, Luke and John respectively and represent the four Gospels flowing from the throne of the Lamb of God to irrigate the earth with the Waters of Life.

The symbolization of the Four Gospels is carried over into the symbols of the side panels. These each enclose two symbols of the Evangelists. According to Webster's "Christian Symbolism",

these symbols are assigned thus: "the winged man is the symbol of St. Matthew because the Evangelist begins his Gospel by tracing the human descent of our Lord. The lion denotes St. Mark, because that writer opens his inspired Gospel by describing St. John the Baptist who was the voice of one crying in the wilderness. The ox is a representation of St. Luke because he gave a very full account of the sacrificial death of our Lord. The symbol of St. John is the eagle because from first to last his Gospel soars on eagle's wings to the very throne of Heaven."

The winged creatures are most frequently seen as symbols of the Four Evangelists because they are mentioned both in Ezekiel I, 5 and Apocalypse (Revelation) IV, 6. The winged-symbols at St. Francis Solanus Church follow the description found in the latter book: "and in the sight of the throne were four living creatures, and the first living creature was like a lion, and the second creature like a calf and the third living creature having the face, as it were, of a man and the fourth flying creature was like an eagle flying and the four living creatures had each of them six wings."

The decoration of the sanctuary ceiling is predominated by symbols of the seven sacraments. Occupying the most strategic position, directly above the altar, is a conventionalized dove with a tri-radiant nimbus; this is the symbol of Confirmation and can also be interpreted as a symbol of the Holy Ghost, the guiding and protecting spirit of the church. Baptism's symbol consists of a font at which two doves are drinking; the Waters of Regeneration; the font is topped by a cross made of the Kh-Rho monogram of Christ. A pelican feeding its young with its own blood is the fitting symbol of the Holy Eucharist since it portrays the way the Savior feeds His children with His Body and Blood. A conventionalized Kh-Rho, another monogram of Christ made of two Keys crossed with a seraglio,

symbolizes the Sacrament of Penance; the key of Absolution and the key of Excommunication to show "the peculiar power which Christ has given to His Church on earth to forgive the penitent sinner but to retain, that is, not forgive, the sins of the impenitent, as long as they do not repent." (Webster), with the seraglio to signify the penance imposed on the penitent. Extreme Unction is symbolized by the matter used in its administration; in the center of a table stands an Ionic cross, a cross with the circle of eternity; two candles are separated from this cross by a ritual and the oil stocks containing the Oil of the Sick. Holy Matrimony is signified by two clasped hands draped with a stole fronting an altar over which rests the crown which symbolizes the divinity of Christ and His approbation of the sacrament: "This is a great sacrament; but I speak in Christ and in the Church" (Ephesians V, 32). An old time symbol represents Holy Orders: a chalice with a Kh-Rho inscribed host set upon a Bible with a folded stole hanging over the book, crossed keys are on the background; all these details portray the priestly powers conferred by this Sacrament.

The same set of sacrament symbols was used at St. Mary's, Charlevoix except in a different setting.

HELPS BUILD UP RESISTANCE against MONTHLY PAIN

When Taken
Thruout
The Month

Also A Fine Stomachic Tonic!
Lydia E. Pinkham's Vegetable Compound does more than just relieve monthly pain when caused by female functional monthly disturbances. It also relieves weak, tired, nervous, cranky feelings of such days—when due to this cause. Pinkham's Compound has a soothing effect on one of woman's most important organs.

Taken thruout the month—Pinkham's Compound helps build up resistance against such distress. It's also a very effective stomachic tonic.

Thousands Upon Thousands
of Girls and Women Helped—

There are no opiates in Pinkham's Compound. It's made from Mother Nature's own wholesome roots and herbs plus Vitamin B₁. It tastes NATURAL. Thousands upon thousands of women have reported remarkable benefits. If you suffer like this—no urge you to try Pinkham's Compound a fair and honest trial. At all drug stores.

RECENTLY, an ad for DiJel (a product of this company appeared in a Grand Rapids paper in which Charlevoix was associated or used in a manner unfavorable to the high reputation which this fine city has earned.

The manufacturer of DiJel regrets exceedingly this careless allusion which was the result of insufficient checking of the ad before its release.

This is especially regrettable because as a former resident of Charlevoix, the manufacturer has an enduring regard for its citizens and the rating of Charlevoix as one of the finest and most healthful resort spots in Michigan.

PCA Stockholders Receive Meeting Notice

Official notices have been mailed to the 750 farmer members of the Gaylord Production Credit Association announcing the annual stockholders' meeting to be held at Gaylord on Monday, November 4th. The meeting will be held in the St. Mary's church basement.

A feature of the meeting will be the report of the board of directors by Arnold W. Ostrander of Afton. Mr. Ostrander will discuss policies of the association, its progress and the plans for the future.

The secretary-treasurer's report will sum up the year's financial progress on the volume of business done, increase in farmer membership and investment and growth in capital and reserves. It will reveal the best year in the 12 years of association history.

A main business feature of the meeting will be the election of two directors. Directors, whose terms expire at this meeting are Arnold W. Ostrander of Afton and Charles Shepard of Boyne City.

The meeting will be called to order promptly at 11:00 a. m., recessing at noon for a free lunch. The program is to be resumed at one o'clock with adjournment scheduled for 3:30 p. m. In ad-

While this is a meeting of the stockholders of the association they will welcome anyone interested in farm credit and leaders of agricultural organizations.

Heavy Damages

Freight loss and damage payments made by the railroads of the U. S. and Canada in 1944 totaled \$59,756,336, an increase of 42.1 per cent over the preceding year. Lewis Pilcher, secretary, Freight Claim division, Association of American Railroads, announces. Claim payments by American railroads last year amounted to 0.82 per cent of the gross freight revenue as compared with 0.59 per cent in 1943. Mr. Pilcher reported. Those of Canadian roads, he added, were 0.36 per cent of the revenue, the same ratio as in 1943.

A Big Vote of Confidence for Senator Vandenberg

We believe that the re-election of Senator Vandenberg presents a challenge to the people of Michigan. The Senator has taken the voice of our State into the highest councils of domestic affairs and into the peace deliberations of the world. He has given our State a prominence and an influence in world events that is unequalled in our history. His re-election becomes a matter of State pride.

We are proud of Arthur H. Vandenberg. We are proud that he comes from Michigan. He should be re-elected to the U. S. Senate with an extra big vote of confidence.

And remember this — no matter how heavy his responsibilities around the world, he has never failed you and our home State when Michigan interests have been at stake in Washington.

Let's get out and vote on Nov. 5. Let's "tell the world" that we support our Senior Senator from Michigan.

This message is published in behalf of 100,000 citizens from all 83 Counties of Michigan who placed Senator Vandenberg in nomination in June.

\$136,000,000 SURPLUS and BALANCES JUNE 30, 1946

On June 30, 1946, the State Government had more cash on hand than the year's total collection of the sales tax... Much of this surplus has been set aside for future spending by the State, including State institutional buildings and improvements, highways, and veterans' benefits. There is \$21,500,000 surplus not earmarked. More than sixty percent of the State's operating funds come from sources other than sales tax.

RE-ELECT FRED BRADLEY

Republican to CONGRESS 11th DISTRICT

WHAT'S THE SCORE?

There were two teams on the field during the last session of Congress. Your Doctor of Medicine versus the Federal Bureaucrats. The Doctor's objective: Wider distribution of quality medical care; fair and equitable fees; cooperation with every recognized health agency. The Bureaucrats' objective: Control of the nation's health facilities and patients. A thinner spread of production-line medical care with increased taxes under a system of socialized medicine.

In Michigan the doctors' team scored as follows:

- 1 Enlarged coverage by Michigan Medical Service (a voluntary non-profit organization) to supply protection against catastrophic illness to 833,615 Michigan members.
- 2 Established the Michigan Plan for Medical Care of Veterans by home town doctors of their own choice, in cooperation with the Veterans Administration and the Michigan State Office of Veterans Affairs.
- 3 Recommended the Hill-Burton bill which congress passed to provide for additional hospital facilities.
- 4 Made a state-wide investigation of Child Health Care and Services.
- 5 Established the Michigan Foundation for Medical and Health Education, to provide training scholarships in the fields.
- 6 Established nine Rheumatic Fever Control Centers throughout Michigan.

Doctors in other states have taken similar action!

The Bureaucrats team scored: NOTHING! (Congress adjourned and wisely left no conclusive findings for a national program of socialized medicine) But the losers will be back again for another struggle next year. Keep your Congressman informed of your faith in American Medicine to solve medical problems. Keep your doctor free to serve you.

Announce Daughter's Engagement

Mr. and Mrs. Perry Davis of Petoskey announce the engagement of their daughter, Norma Jean, to Ray Jones of Pontiac. No definite date has been set for the wedding.

Local Young Couple Married
In Ceremony Friday Eve

Before an improvised altar of autumn flowers flanked with baskets of pink and white gladioli and white chrysanthemums, Miss Olga Rose Janacha, daughter of Mr. and Mrs. Stanley Janacha, became the bride of C. Clair Stevens, son of Mr. and Mrs. Charles Stevens, at 8 o'clock Friday evening. The Rev. W. D. Wood read the simple ceremony in the presence of their immediate families in the future home of the couple at 1207 Bridge street.

The bride chose a pastel green wool dressmaker suit and brown accessories for her wedding. Her flowers were a corsage of yellow tea roses.

Mrs. Thomas Carey, her only attendant, wore a gray wool suit with black accessories and a corsage of pink carnations.

Mr. Carey assisted the bridegroom as best man.

Mrs. Janacha was attired in a navy and teal crepe dress with black accessories for her daughter's wedding. Mrs. Stevens, mother of the bridegroom, wore a navy wool dress with matching accessories.

A reception followed the ceremony. A wedding cake topped with a miniature bride and groom centered the refreshment table which was decorated with haws of white pompons and lighted white tapers. The couple left on a short wedding trip to southern Michigan.

Both are graduates of the Charlevoix high school. The bride graduated from the St. Lawrence Hospital school of nursing, Lansing. The bridegroom was discharged from the Navy in January, after serving four years in the Pacific area.

Miss Marie Janacha, of Jackson, was the only out-of-town guest.

School Adds Fifth Bus To Fleet

A fifth bus has been added to the fleet of school buses owned and operated by the Charlevoix public schools. The latest is a Dodge with a two-ton truck chassis with all the modern improvements to make it the largest and best in the fleet. Roy G. Bennett, superintendent of schools, has announced.

The seating capacity is 48. Because it is the most comfortable and has the best seating arrangement, it will be used on trips in all athletic events.

THE REVIVAL MEETING at the

JUNIOR RED CROSS
OPENS DRIVE IN SCHOOL

(Continued from Page 1)

Cross members begin to sign up their fellow students in membership units. The regular fee of 60 cents for enrollment of each classroom in elementary schools and \$1 for a group of 100 or less in secondary schools will prevail, the chairman said. Helen Rothemberger pointed out that members usually earn their enrollment fees and that no individual fee is ever required, nor is any person excluded because he is unable to contribute toward group enrollment. All funds over and above enrollment fees go into a Junior Red Cross service fund, the chairman said, a fund used exclusively to finance local, national, and international Junior Red Cross programs and in no way connected with disbursements of the parent organization locally or nationally.

The chairman pointed out that Junior Red Cross members, the National Children's Fund, have contributed to the health of children abroad and, in addition to the \$200.00 contributed locally to the Fund last year, Junior Red Cross members have also packed 300 gift boxes filled with educational and health supplies for children overseas.

"One hundred per cent enrollment in all of Charlevoix county school is our aim, Helen Rothemberger said. "Children in our schools, realizing the accomplishments of the Junior Red Cross in the past will be eager to align themselves with the organization so that the American Red Cross in the schools can magnify its already impressive record."

Rummage sale, Nov. 1 and 2 in the Earl Young building by the Margaret Parker Circle.

Feather party at the Legion Hall Friday, November 1, at 8:30 p. m. 22 games for \$1. Chickens.

W. S. C. S. Convention
Held At Kalamazoo

The annual state convention of the W. S. C. S. of the Methodist church was held at Kalamazoo last week. Helen Tapping, who has been associated with Kalamazoo, Christian leader in Japan, was the principal speaker and talked on the subject, "International Peace." In her talk she asked that Christians of every denomination do what they can to aid their missionaries in the field in Japan by sending clothing, food and money.

Mrs. Jake White, as delegate from the local society, attended the convention. She was gone from Wednesday until Monday.

Engagement of Muskegon Couple Announced

Mrs. Lillian Crambitt, of Muskegon, announces the engagement and approaching marriage of her son, William, to Margaret Huggins, of Muskegon and Wolf Lake. The wedding will be an event of Saturday, November 2 at St. Mary's Hall, Muskegon.

Boys City Is Scene
Of Wedding Ceremony

At a quiet ceremony performed at 8 o'clock Thursday evening, October 18, at Boys City, Miss Isabelle Pabo, of Charlevoix, and Walter Carson, of East Jordan, were united in marriage.

Following the service a reception was held for the couple and thirty guests.

The couple will make their home on a farm near East Jordan.

About Town

News of folks, your neighbors and mine... but did you know that?

We take some things for granted. And never stop to think.

We feel as lost without 'em. As a printer without ink. And in my coy opinion. It would be sad, alas, To have ten lovely bonnets And on one looking glass.

It was Otto Krueger who expressed our feelings when he said, "you know I travelled all over the country and I have never found a spot any prettier than Charlevoix." A beautiful spot to live plus a town of friendly folks and what more could any man ask? Remember Mrs. John P. Kane, formerly Laura Kirby? A letter from her from Sheboygan, Wis., says that she has been away from the old home town for 35 years. She knows there must be many changes, but one thing remains—her enjoyment in reading the home town paper.

Bill Ochs, who is a Junior at Michigan State, spent the weekend with his parents. A real camera enthusiast he has a chance to continue his hobby while in East Lansing. Dr. Dean who used to be in their parts now lives there and Bill spends his spare time in the Doctor's basement in his dark room working on his pictures. Should like to know the names of six of the "loneliest" women in town.

Mr. and Mrs. G. W. Campfield are spending two weeks in Detroit with "Gitch's" parents and doing the town. They went out on a jaunt down Louisville, Ky., way. Charlevoix is a town of young folks. Just as I passed two women Tuesday morning in front of the Post Office I couldn't help but smile as I heard one of the women say, "Land sakes, can't for the life of me understand why the Republicans want to get control in Congress right now with the shape it is in."

Before church I had a most interesting chat with Mrs. Art Weststaff the other day. The Weststaffs, along with Mrs. E. J. Edwards and Mrs. Harriet Block had just returned from a vacation trip to Boston. While there they visited Mr. and Mrs. Richard Fineman former Charlevoix folks. Mr. Fineman is now connected with the U. S. Bureau of Fisheries and Wild Life at Nashua, N. H. An other interesting place the four-some visited was at Milford the white elephant town. Here is the famous antique place where one can buy anything from a collar button to a white elephant. Of course one cannot go East without taking in Plymouth and fascinating old Provincetown and have a clam chowder there.

Had forgotten that Bob Burns hails from Charlevoix until we received a letter from him at River Rouge where he is a lawyer. Since then we have been told of the time Bob tugged with a mother skunk and her family of little ones. Oh, yes, Bob burned his clothes. That's a mighty fine dog, the German Boxer, that the Ted Fosters own. Mrs. Sally Bergeson and son, Clark left Monday for Chicago for a week. Mrs. Bergeson went on a two-fold mission, to buy music for her church and investigate uniforms for the school band.

Then there is that lady about town who has always been considered a woman with a "green thumb" who is now being accused of having nicotine fingers. The truth of the matter is, she is not one who would "walk a mile for a Camel," or even ten feet, but she tried shucking walnuts wearing canvas gloves, and as a consequence has some beautifully stained fingers. But the folks who have been kidding her won't turn down a piece of black walnut enko when she bakes one. Mr. and Mrs. Alonzo Powers and Mrs. Leo Powers returned from Detroit after visiting Mr. and Mrs. Ted Cooper last week. Congratulations to the football team in winning the "C" Champ title for this district. Glad to learn of the interest shown in dramas by Ironton folks who organized a dramatic society last week. They are letting themselves in for a lot of work but a heap more of fun.

Mrs. C. D. Sternberg is back at her shop after a vacation during the month of October. The first two weeks of the month the Sternbergs spent it at their hunting lodge a few miles from Newberry. Then Mrs. Sternberg visited relatives at Grand Rapids and in the thumb section of Michigan. When the leaves begin to fall one knows that that is the time that some Charlevoix folks think about heading southward. Mr. and Mrs. George Meggison on Antrim Street are getting things in order and hope to leave the middle of the month for Detroit and then on to Tampa and St. Petersburg for the winter months.

Miss Dorothy Griffin left Friday for Dayton O., where she will make an indefinite stay.

Both Michigan and much of the United States along with Charlevoix County Tuesday went to the polls in force and voted heavily Republican.

In the county, it simply meant that Charlevoix citizens have not changed their political beliefs. In the rest of the country, it appeared like the ending of the 14 year old Democratic era.

Kim Sigler was elected governor by the largest majority in Michigan's history. Senator Vandenberg was reported leading 3 to 1. Fred Bradley was easily returned to Congress by the 11th district. Peaine, St. James and Boyne Valley followed custom and gave the only Democratic majorities in the county. The rest so far reported were Republican. The votes for the city of Charlevoix and the rest of the county as reported to the County Clerk's office are:

Kiwanis Entertains 1000 on Hallowe'en

Almost 1000 youngsters of Charlevoix and the neighboring country were entertained Hallowe'en by the Kiwanis Club at free movies and with treats afterwards.

An annual event with the club, it is part of the deal made with the young folks that no destructive mischief be perpetrated on the October spook night.

The theatre here was filled with 500 in the afternoon show, children through the sixth grade being the guests then. Paddle pops were served out after the picture as an added treat. The evening show attracted almost as many from the upper school grades. Chocolate bars were the treat then.

Arranging the affair for the club were M. A. Levinson, chairman; Harry Bingham, Harry Ochs, Dr. F. E. McMillan and Howard Brunum, with additional help at the theatre from other Kiwanians.

5 Scout Leaders at Alba Session

Ten leaders in Boy Scout work in Charlevoix County last Sunday attended the University of Scouting at Alba.

Five were from Charlevoix: L. C. Hamlin, David Hamilton, Harley Ochs, Howard Brunum and Roy Bennett. The others were Bruce, Richard and R. W. Milpass of East Jordan; J. M. DeVinney and Don Sheets of Boyne City.

The sessions of the University included outdoor activities, moving pictures and demonstrations on the work of a Boy Scout unit. A typical camp supper was served by Lewis Sumner, troop leader of Petoskey.

At the meeting next Sunday Chief Fred Ettawageshik of the Harbor Springs Indian Village will give a talk on Indian lore accompanied by demonstrations and illustrations. The session will start at 2 p. m. at the Alba school.

Youngsters Grin At Notice That Schools Will Continue Closed Until Armistice Day

The youthful reaction to news that school wouldn't reopen last Monday is shown above when six pupils saw the newly placed sign in the Staley Grocery window. Left to right they are Lois Dykstra, Charles Krahmke, Tommy Fessenden, Marlene and Dean Boss, and Jimmie Lewis.

Fr. Ulanowicz Given Farewell By Parishoners

Showing their appreciation for the work he has done and improvements made here during his three years service, the parishoners of Fr. A. V. Ulanowicz Monday evening gave a farewell party for him at the school hall.

More than 100 attended the pot-luck supper and short program which followed. George Lathia, Jr., read a poem and presented Fr. Ulanowicz with a purse. In turn, Fr. Ulanowicz responded with a short talk, thanking those present and asking for their prayers. Dancing and cards concluded the evening's entertainment.

Transferred to St. Bartholomew's church at Newaygo, Fr. Ulanowicz's place at St. Mary's and the mission, St. Francis Solanus at Bay Shore will be taken November 7th by Fr. Leo N. Zielinski, who comes here from St. Michael's church, Brunswick.

During his three years here, Fr. Ulanowicz has caused many improvements and innovations. Included have been the complete redecoration of St. Mary's school, the addition of many improvements to the convent and school grounds, and the complete redecoration of the church convent chapel and the Bay Shore church. This work was done according to the liturgical rules of the church.

RED CROSS OFFICERS ATTEND DISTRICT MEET

Mrs. Nell Kriehoff, Charlevoix county Red Cross chairman and Miss Ethel Crowell, treasurer, attended the Regional Red Cross Convention at Traverse City, Oct. 25.

A number of volunteer Red Cross workers from this district heard the principal speaker, J. Brannhorst, supervisor of this district from the St. Louis area, discuss the coming fund campaign for foreign relief and other approaching activities.

BLUE STAR MOTHERS HOLD FIRST SESSION

The Charlevoix chapter of the Blue Star Mothers held the first meeting of the fall season at the club room in the city hall Thursday evening.

At the business meeting, the president, Mrs. Leo Carey, appointed the following nominating committee: Mrs. P. R. Ross, Mrs. Charles Novak and Mrs. Charles Bellinger. Plans were also made for the winter season.

A social hour and Hallowe'en refreshments followed.

Feather party at the Legion Hall Friday, November 8, at 8:30 p. m., 22 games for \$1. Chickens.

Our Greetings To Charlevoix

As the new publishers of The Charlevoix Courier, we're glad to be here and that this community is to be our home.

The welcome we have received since arriving is the most heart warming one we ever have had. It has changed our former belief into a conviction that we have acquired the newspaper in one of the finest communities in our old home state of Michigan.

We want to express our thanks to all who have had a part in this welcome and in helping us get started here; to the many individuals; to the businessmen and women who spontaneously sent in the many welcome ads appearing in this issue; and to the Board of Commerce for its flowers and work.

Being new here, it is only right and fair that you folks should know what our plans are, especially for your home town paper, The Courier.

As for ourselves, we hope to continue to live here, to be and be counted as a part of the community.

As for The Courier, we shall work our hardest to make it an asset to Charlevoix County.

We shall try to get and print all the news that a good newspaper can and should carry. This means many kinds—personal, political, farm, city, county, school, church, individual and group. It all will be written as clearly, as interestingly as we know how. And above all, it will be done impartially. There will be no slanting or bias in the news columns.

Through the advertising portion of The Courier, we expect to be of a real service to the buyer and seller. We have contracted for the two best weekly ad services we know, services designed to help in preparing timely and effective advertising. In this and other ways we shall seek to be of use in the economic life here.

While the news columns will be impartial, the editorials will be strictly the expression of the editor's own opinions, and only of his. The Courier will say plainly what it thinks is right. It will advocate strongly whatever it honestly believes is best for Charlevoix.

But it takes time to come to know a new community. Until a sound measure of that acquaintance and knowledge is gained, this editor does not plan to be tackling with his linotype lance all the wind mills he sees or hears about.

This, however, certainly does not mean that mention of controversial issues is barred. Both the editorial page and the news columns are open at all times to public discussion, to the presenting of public issues and private views. There are just two requirements:

Both sides will have an equal opportunity to state their cases. And everything is to be presented fairly and in a spirit of sincere effort aimed at the achievement of worthwhile goals.

Lawrence E. and ElDean Towle.

How Big Will Squash Grow Here?

Just how big will a Charlevoix County squash grow? Last week Mr. and Mrs. Dewey A. Bruce of Route 2 reported a 25 pounder.

Along this week comes M. K. Chew, a Courier subscriber for 40 years, with a squash weighing 32 pounds. (Wonder if reading The Courier all those years had anything to do with it.)

Anyway, here at the office we'd like to know if they grow any bigger than 32 pounds. Not only that, but we'd like to have the next big one (and the Dewey and Chew heavyweights) brought in sometime soon so we can get pictures of the growers, and incidentally of the squashes.

Elizabeth Lee, R. N., Joins Hospital Staff

Miss Elizabeth Lee R.N. has joined the nursing staff at the Charlevoix Hospital as operating room supervisor, Miss Kathryn Nolan, Hospital Superintendent, has announced.

Miss Lee, a native of Wayne, Mich., graduated from Alton Memorial Hospital, Alton, Ill., in 1944, and was on the staff of the Wayne county General Hospital, Elkhart, Mich., before coming here.

School to Open Monday; Board Seeking Boiler

School will reopen Monday for the pupils in at least one of the buildings here, and possibly in both, depending on the weather.

Tuesday the boiler from the local school was brought to the Charlevoix building and is being temporarily mounted beside the burned out one. According to Supt. Roy Bennett if the weather is mild, the small boiler may be able to heat both buildings. If it is cold, at least one can be used. Supplemental oil burners also will be installed.

Meanwhile, school officials literally are scouring the entire United States for a replacement boiler. Every known manufacturer has been contacted; the War Assets Corporation has been enlisted and is trying to find an unused one of the right size.

The failure of the other boiler was unforeseeable. Last summer the 20 year old boiler had a thorough inspection and given a complete okay. Less than a month ago the heating control manufacturer's inspector was here and checked all controls. Yet ten days ago, these automatic controls all seemed to go bad at once with the result that the boiler burned out when the stoker failed to shut off as it normally would.

Carson Robbery Declared Work of Professional

No new leads have been found in the \$3000 robbery at the Kit Carson Lumber Co. office last Wednesday night.

That it was a professional job there is no question, according to the State Police who are on the case. They are almost certain that the robbery was the work of a cracksmen who has committed 24 similar burglaries in Northern Michigan in recent months. The procedure in all the cases is strikingly similar they say.

At the Carson yard the thief broke into the back of the building, came through windows and doors to the main shed, broke into the office. No amateur he skillfully knocked off the combination lock of the safe, drilled on the lock, punched the mechanism back to release the bolts and then easily opened the door.

The loot consisted of \$2000 in cash, \$1000 in Series B bonds, valued papers to Carson, a Winchester rifle and a Remington pistol left at the office by a returned veteran.

The loss was discovered when Carson opened the office Thursday morning. State troopers from Gaylord and Traverse City investigated.

Hardy Jallopy Back in Town

That colorful jallopy owned by Dick Hardy which received so much publicity last week after it was stolen on Tuesday night, is now back in circulation and you'll be seeing it on the streets again.

The car was taken from Park ave., late Tuesday evening, but Dick, thinking some of his friends had hidden it some place, did not report it to the police until Wednesday afternoon. A state wide call went out over state police radios and newspapers in western Michigan and even radio broadcasters over the Chicago stations joined in the search for the 1926 Model T coupe painted red, green, black and silver, undoubtedly the most conspicuous car in these parts.

The car was found Thursday by the State Police at Traverse City. Out of gas and in a ditch south of Traverse on US 31, the police towed the car to the Post at Traverse where Dick claimed it Friday night.

Why anyone would steal such a car has the police puzzled and how the thief could start the car has not only Dick but the State Police at Traverse stumped.

The Margaret Parker circle will continue its rummage sale in the Earl Young bldg., the afternoon of Nov. 7 and 8 and all day Nov. 9. Any member or friend wishing to contribute may phone 447.

WE SHOULD BE PROUD OF 'EM

Congratulations to the young folks here on their behavior this Halloween.

They displayed the finest kind of citizenship; they made a deal and they scrupulously stuck in their end of it.

Halloween is one of the few nights of the year which traditionally belongs to the youngsters. By all rights they are entitled to a bang-up good time then. I'm entirely in sympathy with the "trick or treat" of the smaller kids. Dressing up and prowling the neighborhood at night is a lot of

fun. And it is equally fun for the older folks greeting the youngsters and seeing the weird outfits. (Unless you suffer embarrassment like ours when the treat supply gave out in the middle of evening and we had to stall while we in turn could raid a friendly groceryman's shelves.)

Commendation is due the Kiwanis members for taking the lead, for organizing the show and for giving the kids a good time. It was an excellent record for all concerned.

THE CHANGE IN TIME

With this issue, The Courier starts coming out later in the week. This change is being made made for what the editors feel are three good and sufficient reasons.

First, general experience has shown that a Thursday paper is the most effective for advertiser and buyer. It reaches the home when folks are thinking what to buy during the time when much of the purchasing is done, making it more convenient for customer and merchant.

Second, more of the advance news on coming events can be printed in a Thursday paper, thus giving the news readers a fresher, better paper.

Third, and this is strictly a local reason. When the paper comes out on Wed-

nesday morning, it means long hours and extra strain on the mechanical staff. The boys are loyal and capable, but night work week after week gets tiresome. By shifting press time 12 hours later, all this is avoided for them, the other advantages are gained. (The ad and news deadlines, however, stay the same.)

So after this The Courier will be coming out Thursday morning. No papers will be on sale at the office or elsewhere before then, nor will any be permitted to be taken from the plant until all go.

In this way we hope to make the paper of more value, and to treat all our readers exactly alike.

In Flanders Fields

(Lt. Col. John McCrue)

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt down, saw sunset glow,
Loved an were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe;
To you from falling hands we throw
The torch; be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

Farm Loan Agencies Are Combined

The credit facilities and services of the Farm Security Administration and the Emergency Food and Seed Loan Division of the Farm Credit Administration were transferred to a new agency, the FARMERS HOME ADMINISTRATION on Nov. 1.

The Farmers Home Administration Act of 1946 provides credit services for farmers who are unable to finance their needs from banks.

Farm Ownership Loans to buy, repair, improve or enlarge family type farms and insure Mortgage Loans are available under the act, as are Production Loans to buy livestock, seed, feed, fertilizer, farm equipment, and supplies.

A special condition under which all loans are made requiring that at any time the borrower may be able to obtain a similar loan from a private credit source, he must apply for such loan and pay off his debt to the Farmers Home Administration.

The Farmers Home Administration will be represented in Charlevoix county by Carl H. Brown, and Sabia Hooper. The county committees of the F. S. A. will act as advisory committees for the Farmers Home Administration. The Charlevoix County committee consists of Bert Lumby, William Shepard, and Rowley Williams.

Shoe Prices May Go Up

SHOES AND LEATHER LIFTED FROM ALL OPA CONTROLS

From the Chicago Daily Tribune of October 31st, 1946.

WASHINGTON, D. C., (Recess) version Director Steinhilber has removed price controls from shoes and leather effective Nov. 1st. O. P. A. officials predicted that shoe prices will advance 20% to 30%. In announcing his action Steinhilber said in a statement, "After a careful study of all the facts, I am convinced that the control of Hides, Leather and Footwear is in the best interest of production and supply to consumers."

What does this mean to the people of Charlevoix and the rest of the people throughout the nation. It means that they are going to have to pay considerable more for footwear, unless they play a smart game and take an inventory of their footwear and buy immediately from the stocks that are on the shelves of stores before the new shoes arrive at increased prices. There are still lots of shoes to be had at the old prices, but the stocks will be sold out rapidly.

Collegiate Chatter

From Anderson, Ind., comes the news that Miss Janita Dickie is a member of the record breaking freshman class at Anderson college this fall. The first year group now totals more than 400 and all four classes a year ago as the school has now grown to 789 students.

Mrs. Dickie, a 1944 graduate of the Charlevoix high school, is seeking a Bachelor of Science degree in physical education.

East Lansing—Students in editorial management in the Department of Journalism, at Michigan State have selected the Charlevoix Courier for study.

Miss Mary Frances Zeidler, senior from Charlevoix, made a recent study of the paper for make-up, typography and content, historical background, staff and mechanics.

Miss Zeidler is the daughter of Mr. and Mrs. John Zeidler, Sr.

BLOOD-IRON?

Here's One Of The Best
Home Ways To Build Up Red Blood!

You girls who suffer from simple anemia or who lose so much during monthly periods that you are pale, feel tired, weak, "unsexed out"—this may be due to low blood-iron—

So start today—try Lydia E. Pinkham's TABLETS—one of the greatest blood-iron tonics you can buy to help build up red blood to give more strength and energy—in such cases.

Pinkham's Tablets help build up the red quality of the blood (very important) by reinforcing the haemoglobin of red blood cells.

Just try Pinkham's Tablets for 30 days—then see if you, too, don't remarkably benefit. All druggists.

Phillips Retires After 33 Years

After 33 years on isolated light-houses and lightships Angus H. Phillips has retired from the U. S. Lighthouse Service.

Sixty-seven years old, he officially left the Little Traverse Light at Harbor Point Nov. 1. He had been stationed there since 1942.

His record includes a steady advance in rank during his 33 years. Born in Simco, Ont., on Dec. 24, 1878, Mr. Phillips came to this country as a young man. In 1904 he entered the government service as a cook on the Lansing Shoals lightship. Steady study and work brought corresponding promotions until he was

Angus H. Phillips and Grandson chief engineer when he left the Little Traverse Light.

During these years he served in Lansing Shoals, White Shoals, Manitowish, Gray's Reef and Poe Reef, all in upper Lake Michigan.

Twice since 1904 he left the Lighthouse Service. In 1919 Mr. Phillips accepted the post as engineer with the Cheloygan Paper Co. Later he was with the McClure Lumber Co. at Saginaw. Both times he left to rejoin the light service and stayed with it until he became eligible to retire.

From 1930 until 1942 when he became officer in charge at Little Traverse Light a shore station, he and his family lived in Charlevoix and Mrs. Wallace Barrett of Charlevoix. Mr. and Mrs. Phillips have five children: Mrs. Alwyn Sang, Cheloygan; Mrs. Marshall O'Neill of the Soo; Warren Phillips of Grand Rapids and Ivan Phillips of Charlevoix. There are 12 grandchildren.

Ministers Plan Thanksgiving Service

The Charlevoix Ministerial Association met at the home of Rev. and Mrs. W. D. Wood Monday evening. Plans were made for the Community Thanksgiving service.

Ann Gibbard, Glen Crain are Wed

Miss Anna Gibbard, daughter of Leslie Gibbard of East Jordan, and Glen Crain, son of Mr. and Mrs. Everett Crain of Ellsworth, were united in marriage Saturday afternoon by Rev. A. J. Alander at the parsonage of the Pilgrim Holiness church at Ellsworth.

Mr. and Mrs. Elmer Crain, brother and sister-in-law of the groom, were the only attendants. Later in the evening a reception was held at the home of Mr. and Mrs. Miles Russell in Charlevoix. Mrs. Russell is a sister of the groom.

The party at the Russell home also honored Mr. and Mrs. Everett Crain, who celebrated their 42nd wedding anniversary. Both couples received many gifts and good wishes.

Charlevoix Girl Hurt in Car Crash

Dorothy M. Dixon has been in the Charlevoix hospital since Sunday night as a result of an auto crash at May and Garfield streets.

A car she was driving smashed into one driven by Leo M. Honel, also of Charlevoix. According to city police, Dorothy has been charged with operating a car without a license and, being a minor, was slated to come before Probate Judge Rollie Lewis Wednesday.

St. Francis Salonus Scene of Wedding

St. Francis Salonus church, Bay Shore, was the scene of the wedding of Miss Elizabeth Lagel, daughter of Mrs. Anna Liegel, to Mr. Melvin Niswander, Jr., son of Mr. and Mrs. Melvin Niswander, of this city. Fr. A. V. Ulanowicz read the double ring service before an altar banked with chrysanthemums and carnations, at 9 o'clock Saturday morning, October 26.

The bride was attired in a gown of white nylon fashioned with a sweetheart neckline, long sleeves extending in points over the wrists and a full skirt ending in a long train. The gown was made from a parachute the bridegroom had brought from Japan. Her long veil of bridal illusion fell from a pearl tiara and she carried a bouquet of red roses. Her only jewelry was a string of pearls, a gift of the bridegroom.

Mrs. Anna Liegel, sister of the bride, was maid of honor and wore an aqua gown with net over-skirt. Miss Mary Liegel, niece of the bride, as bridesmaid wore a yellow gown. Both carried bouquets of white lilies and carnations.

Charles Russell assisted the bridegroom as best man and James Niswander, brother of the bridegroom, was groomsmen.

A wedding breakfast was served at the home of the bride's mother following the ceremony. The brides-

County Grange Initiates Group

A group of candidates were initiated into the Pomona degree when the Charlevoix County Pomona Grange met Friday night as the guests of the Deer Lake Grange.

The supper was provided by the host organization after which the initiatory work was put on by the fifth degree team from Grass Lake in Antrim County.

A request for support of the Elk Rapids Lacks project was received during the business meeting from the Antrim Granges.

This project includes the deepening of the Elk Rapids channels so that lake freighters can enter Torch Lake. The Grange message said this would aid agriculture in the entire area.

St. James Soldier Completes Cook's Course

Private Edward E. Burk of St. James, Michigan has successfully completed to two-months intensified course at the Army's streamlined School for Bakers and Cooks located in the heart of Schofield Barracks recreational Area.

While at the school, Private Burk had an opportunity to learn about, and to put into practical use, the Army's latest methods of food preparation. Among these were such colorful courses as dehydrated food preparation, use of all-automatic portable electric ice cream machine and a course in pastry making, which included fancy cake decorating.

Applicants selected for attendance at the school after a thorough screening for prerequisites set by the school itself, came from the Middle and Western Pacific Areas. Available for students use in the school area is a 100-meter Olympic swimming pool, theatre, skating rink, 18-hole golf course, and a gymnasium. In addition to cooks, Mess Sergeants and Mess Officers are trained in the school.

From where I sit... by Joe Marsh

Who Gets Off Easiest—Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

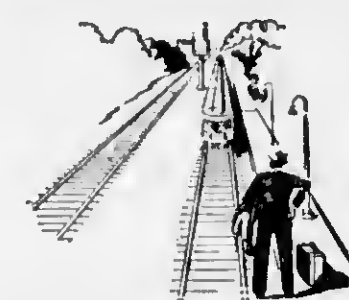

Of course, none of it goes very

deep. Thad knows way deep down that the Missus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

Joe Marsh

Great new motor oil by Standard

Permalube

**Removes the "goo"
Improves the go!**

Gives you premium-plus lubrication. Why does your car have more go when you remove the "goo"? That's easy! You get rid of goosy deposits of sludge, varnish, carbon, and soot. So there's nothing to stick rings, or interfere with free valve action and smooth, powerful piston strokes. You have a sweeter-running engine . . . a better-lubricated, longer-lasting engine.

This is the latest idea in motor oils—to thoroughly lubricate the engine . . . to clean it . . . and keep it clean. It's the Permalube idea. It's premium-plus lubrication! So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

"I never saw oil drain out so dirty!" "Good! That shows Permalube's been taking out the 'goo'!"

chase for the "woman of the week" Mrs. John K. Reed, former mistress of the kitchen in which I now hold forth. I remember my first impression of that attractive Peter Hunt style of room. If a woman couldn't prepare delicious food for her family in such a livable place, well, no one ever could.

Mrs. Reed was kind enough to submit some favorites which follow:

Potatoes With Savory Sauce
Cut 4 to 6 raw, pared potatoes into long strips; cook in boiling water until tender. Drain and turn into a warm dish.

Cut 2 small onions into rings, brown in 4 tablespoons of fat. Add 2 tablespoons flour, stirring thoroughly; add 1 cup milk, 2 teaspoons salt, 1/4 teaspoon pepper and 2 tablespoons chopped pimiento.

Cook in double boiler 20 minutes, stirring occasionally. Pour over cooked potatoes and sprinkle with grated cheese and serve. Approximate yield: 6 portions.

Creole Meat Pie
6 medium-sized potatoes, 3 cups boiling water, 1 1/2 lbs. ground beef, 6 tablespoons fine cracker crumbs, 1 cup evaporated milk, 3 tablespoons finely cut onion, 3 3/4 teaspoons salt, 1/4 teaspoon pepper, 3 tablespoons hot fat, 1-10 1/2 oz. can condensed tomato soup, 3/4 cup hot evaporated milk.

Pare and quarter potatoes. Cook in boiling water about 20 minutes, or until tender. Drain and save 3/4 cup potato water. Turn on oven and set at 350 degrees. While potatoes are cooking, mix together ground beef, cracker crumbs, 1 cup milk, the onion, 2 1/4 teaspoons salt and 1/3 tsp. pepper. When thoroughly mixed, divide into 12 portions. With wet fingers shape into patties. Brown on both sides in hot fat. Pour over patties a mixture of tomato soup and 1/2 cup potato water. Then put patties and sauce in baking dish. Mash potatoes thoroughly, adding hot milk and remaining 1/4 cup potato water, 1 1/2 tsp. salt and 1/8 tsp. pepper. Beat until light and fluffy, then with a tablespoon heap equal portions of mashed potatoes in circle on top of patties. Bake about 45 minutes, or until potatoes are lightly browned. Serves 6.

Quick Mustard Dressing
1/2 cup prepared creamstyle mustard, 2 tablespoons sugar, 1 1/4 teaspoons salt

2 tablespoons lemon juice, 1 1/4 cups evaporated milk. Put prepared mustard in mixing bowl. Add sugar, salt and lemon juice. Stir in milk and beat until smooth. Makes about 2 cups, or sufficient to serve 6.

Mock Angel Food Cake
(No shortening)
Sift 1 rounding cup cake flour, 3 level tsp. baking powder, 1/2 tsp. salt, 1 cup sugar—beaten together in times. Add 1 cup milk—brought to boiling point.

Fold in—Beaten whites of two eggs and 1 tsp. vanilla. Bake in greased and floured angel-food tin at 350 degrees about 45 minutes. Ice with favorite icing, if desired.

We hope you're right. For our part, we're doing our best to get those grand new Packards to our customers.

• You know the situation

But, like every other motor car manufacturer, Packard is still struggling with parts and materials shortages.

This year, the industry as a whole has been able to build only 44% of its output for the same period in 1941.

Packard has done better than that, but we'd like to put in a word of caution:

It may be some time yet before you get behind the wheel of your new car.

• Don't take a chance!

Make sure your present car keeps rolling. Test your car with this easy quiz.

If you find any of these symptoms, bring your car in for a quick check-up.

Lots of cars are lasting longer and running better because our expert mechanics are trained to nip trouble before it takes hold!

WINTERIZE NOW! These days, it's doubly important to beat winter to the punch. Bring your car in early for a thorough check-up of your battery, electrical system, and cooling system—as well as pre-winter lubrication and engine tune-up. The last-minute rush will be terrific—and the first cold snap may damage hard-to-get parts!

P.S. Fenders, doors, running boards—in fact, all body parts are scarce. Don't let rust eat them away. Our protective treatment will add to your car's life, appearance and value.

X This home quiz can help you catch little troubles before they become big ones!

1. ENGINE: Is smoke coming out of the exhaust? Are you using more oil than you used to? If "Yes," better have your piston rings looked at.

OK ☐ Needs Attention ☐

2. CLUTCH: Can you push the pedal down 1" to 1 1/2" before the clutch starts to release? If the distance is less than that, better have it adjusted.

OK ☐ Needs Attention ☐

3. STEERING: Measure amount of "free play" from "A" to "B" and from "A" to "C." Two inches or more indicates too much lost motion before wheels begin to turn.

OK ☐ Needs Attention ☐

4. BRAKES: Does your brake pedal travel more than one inch before any braking is felt—and at least one inch of pedal travel left after a full stop in 30 feet at 20 m.p.h.? If not, police will say they are unsafe.

OK ☐ Need Attention ☐

BOARD OF COMMERCE MEETS WEDNESDAY

Last night the Board of Commerce members here met at the City Hall to discuss current problems.

Clubs Join to Hear Book Reviewer

The home of Mrs. Charles A. Duerr on Dixon Ave., looked most inviting Monday for the annual guest day of the Dickens club, at which time the members of the Shakespeare club were the invited guests.

Mrs. Earl A. Young, president of the Dickens club gave the welcome and introduced Mrs. Alfred Snook of the book department of Heppelshimer's in Grand Rapids. Mrs. Snook reviewed Margaret Sharp's newest book "Reincarnation News," the story of a court in London, around which was centered the life of an English child from the time she was 10½ years until the day of her death. In her sympathetic and understanding interpretation, Mrs. Snook gave the true English flavor of the story.

During the social hour refreshments were served by Mrs. Clair Webster, chairman of the Menu Committee, ably assisted by Mrs. Harvey Campbell and Mrs. Ray Hamilton. The refreshments were carried out in the club color.

The hunting season is now on and accidents are being reported.

Every hunter should carry comprehensive Personal Liability which covers not only the activities of himself, but also his wife, his children, his dogs or pets, as well as accidents that might occur around the home thru some neglect. Medical payments up to \$250.00 for help hired around the home, in case they get hurt. You can't afford not to be protected.

Premium, \$10.00 per year.

GOES TO SHOE SHOW

P. D. Campbell left Sunday for Detroit, expecting to be gone three days while attending the annual Michigan Shoe Show at the Statler and Book hotels in the big town.

E. B. Bowman, his Harbor Springs partner, went with him. With 165 manufacturers exhibiting, Camp-

bell said he hoped to be able at least to order shoes and possibly get them.

Dr. and Mrs. W. W. Mitchell returned to their home at Miami Beach, Fla., on Thursday after an extended stay at their Park Ave. home.

GIRL SCOUT NEWS

In celebration of both Halloween and the birthday anniversary of Juliette Low (founder of Girl Scouting), the two intermediate troops of Girl Scouts held a dinner at the Masonic Temple last Thursday evening.

The dinner was prepared by the following girls who are working on their Cooks Badge: Viola Anderson, Marilyn Balow, Shirley Clement, Leonie Scott, Helen Moore, Carolyn Smith, Virginia Smith, Freda Taylor and Virginia Taylor. Among the foods prepared by these Scouts were home-made rolls, cookies, meat loaf, salad and

home-made ice cream and the four-ty-old Scouts, their leaders and other adult volunteers, present agreed that the girls had prepared these foods like veteran cooks. Following the dinner the scouts then attended the Halloween show sponsored by the Kiwanis Club.

About Town

News of folks, your neighbors and mine... but did you know that—

Charlevoix saw its first snow Monday... Mr. and Mrs. Walter Chadwick will be moving within the next few weeks to Grand Rapids. A driver for the Greyhound line, Mr. Chadwick has been transferred from the Grand Rapids to Detroit run, necessitating his living in Grand Rapids... Was Mrs. Editor's face red the other day when a voice came over the phone saying, "Is it you or your husband who writes the 'About Town' column?" Had to confess that it was I. That cleared things up a bit, for several persons had telephoned and wondered why the editor was interested in knowing the lonely ladies in town. Certainly, the joke was on him!... Monday may have been a holiday for some folks but for the boys and girls it was a back-to-school-day. They had really had their vacation for the past two weeks... It's no wonder that Mrs. Charles Bellinger is a State Officer in the Order of Eastern Star. At the annual installation of officers of Charlevoix Chapter last week she proved herself a most gracious presiding officer... There is one youngster in town who is wearing a broad smile these days. That is young John Norstrom, who is going to have the wonderful opportunity of going deer hunting with dad, his first time. What a thrill!

Had a big surprise last week. Henry C. Hammond of Ironton brought in a bouquet of sweet peas grown in his own garden. California has nothing on this section when we can grow posies like that in November.

If Charlevoix folks stop off at Washington on their way to Florida now they will be able to call at the White House. On Nov. 14, the doors will be opened again to Mr. and Mrs. John Public. A few months before Pearl Harbor the executive mansion was closed as a safety measure... Rev. Earl Wells, who has been conducting a revival meeting for the past two weeks at the Church of God, left Monday morning for Chicago. From there Wells will go to Mansfield, Ohio where he will take over a pastorate. Rev. Wells made many friends while in Charlevoix and was most successful in his work here...

Mr. and Mrs. Clara Usher of Grand Rapids were called to Charlevoix Sunday by the illness of Mrs. Usher's mother, Mrs. R. Hendricksen. Mr. Usher returned home Monday night but Mrs. Usher plans to remain for a while with her mother... Mr. and Mrs. Kenneth Moore left Monday for West Palm Beach, Florida where they will spend the winter months. Mrs. Moore's parents live there. The home on Petoskey Avenue, known as the Scudder house, has been rented to Dr. John M. Trudeau.

Had a most interesting chat with Mrs. T. P. Leonard from Beaver Island the other day. Said the boats were full of men going trout fishing these days. The island will soon be invaded by a score of hunters. The Leonards, who came to the island last June to live have been coming up here from Chicago for the past 35 years. A real record... Surely the Democrats will be lonely men in the next Michigan legislature, as there will be but nine Democrats having seats in the House and Senate... Armistice Day passed quietly in Charlevoix... Have been agog with curiosity about those big letters painted on the front window of the Ford agency...

What a proud woman Mrs. Leo Carey must have been Friday night at the installation of Officers of the Eastern Star when her daughter Margaret Coleman paid her such a beautiful tribute as a mother... The prize letter of the week was received by George Hennigway, who specializes in beautifying homes with his shrubs. Recently he wrote to a Chamber of Commerce in South Carolina requesting information about some nurseries in that section for he hoped to visit some of them when he went down there. Written on his special nursery stationery he nearly swooned when he received a letter saying that they did have some fine nurseries in that section and also some splendid kindergarten... Do you realize that there are only 39 more shopping days until Christmas. Tempus fugit!

Services Monday For C. S. Shellenberger

Funeral services were held Monday at East Jordan for Christian S. Shellenberger, who died Saturday at his farm home near that place. Sixty years old, he was born April 17, 1886 in Osbourne county, Kansas. He lived in Kansas, Iowa and Colorado before coming to Michigan in 1916 where he became a farmer and fruit grower. Surviving are three children, two grandchildren, a sister and two brothers. Burial was in Greenwood cemetery, Petoskey.

New Building Added by John Cross to House Nets, Fishing Equipment

Almost doubling the size of his present net house off Belvedere Avenue, John Cross now is completing an addition measuring 24 by 35 feet.

Two stories high and connected to the older building, the new addition will permit him to bring nets here from Northport and from garages in Charlevoix where he has had to store them for lack of room.

The new building, sided and painted white, follows the same lines as the older one. Walter Smith was in charge of the construction for Cross.

Bureau Halts Building Here

Work on the new Reed-Stroud building on Petoskey road was stopped Tuesday on instruction from H. L. Lewis of the Civilian Production Administration. Lewis, a Federal inspector, quoted rules showing that the building needed to have permission from the Detroit office before going ahead with the work. The facts that used materials are being largely used and that the proposed building will meet a need here were disregarded by Lewis in his closing order.

A new eating place, which in the winter will cater especially to the young folks, is being erected on the Petoskey Road just beyond the golf course by Oscar Stroud and John K. Reed.

In plan the building is T-shaped, with a large lobby-lounge at the junction of the arms. The west arm will be the main dining room; the east one will be soda bar complete with a small dance floor for the high school group.

The lobby will have curved picture windows at the front with a large fireplace at the rear. Behind the fireplace and occupying the stem of the T will be the kitchen, office and chef's quarters. In the basement will be storage space and the heating plant.

Old English in outward appearance, the low building will be 72 by 122 feet. Built of cement blocks, virtually all the material inside from the concrete used in it is either used stuff bought locally or war surplus shipped in. Some of it came from as far as Mississippi.

The interior equipment—soda bar, chairs, tables, kitchen—all has been bought. Reed says they hope to be able to open in January.

Watch Out For Rabbit Fever, State Warns

With two cases of tularemia reported as rabbit hunting begins in earnest after the close of bird season, the conservation department's game division has renewed its warnings to observe the customary precautions against rabbit fever.

The primary rule is to avoid or discard any thin, sickly-looking rabbit that gets up slowly in front of the dog. No one should skin and clean rabbits when he has an open cut on his hands. Safest practice is to wear rubber gloves. Rabbits should be thoroughly cooked.

For further information, contact Sgt. William Gemmill, 214 Howard St., Petoskey.

Bowling Alleys Being Resurfaced

A complete overhaul of the six alleys here is being done by Bert Smith, owner and manager of the Charlevoix Recreation.

A week ago the Charlevoix Bowling Association was formed. At Smith's request the new officials made a close check of the six alleys with him and approved his offer to have the alleys trued and resurfaced.

The two men's leagues are suspending bowling for two weeks due to deer season. With this drop in demand, Smith started work Monday on three alleys. When they are done, the other three will be closed and refinished.

The work consists of truing the alleys exactly, then sanding and completely resurfacing them. During the week that the work is going on, the women's leagues and open bowling will go on as usual.

Keith Carey to Play In Traverse Games

Keith Carey, former Charlevoix and college basketball star, will be a member of the Dow Chemical team which plays the Detroit Island-field quintet next Wednesday and Thursday at Traverse City's Central Gym.

Both teams are top flight ones in national basketball. The games start at 7:30 p. m.

Milk Dealers to Use Hooded Caps

Through the cooperation of local milk dealers with the District No. 3, Health Department, "hooded caps" will be placed on the bottled milk sold in Charlevoix after Jan. 1.

Due to unavoidable delays in obtaining the new type caps and the desirability of using stocks of the present caps it may be necessary to continue the use of present type caps on a limited basis for a short period beyond Jan. 1.

The new type cap provides increased protection for the bottle of milk, in that the pouring lip of the bottle is safeguarded against contamination during handling processes after it leaves the dairy plant.

Hunters Head for Hunterland to Hunt Hiding Deer

Last week-end saw most of the hunters off to their favorite haunts for the opening of the deer hunting season in the upper peninsula and northern counties of the lower peninsula. Lack of snow and warm weather were their greatest worries but they're hoping for snow and cold—ideal hunting weather.

Sheriff Floyd Ikens, Percy Edwards and Harry Gregory took off Saturday afternoon for their camp near Ontonagon. The Bergmann family, Fred and his sons, George, Bill, Bud, Shad, Shene and Al, and Bob Mitchell left Sunday to set up their camp in the same territory.

Glenroy Ikens, Clare Stafey, Gordon Dennis and Bonnie Nickerson left Sunday for their camp near Lake Gogebic. Mike Hamlin, Capt. Alfred Brown, Lance Neff, M. J. "Mac" McCarthy and Milt Block will hunt in the Sage River area. W. E. "Spike" Goss and his son, Shelly, and Ed McClanahan, who will be joined later by Bob Cross, of Scottsville, have set up camp near Watersmeet. George Whitley will hunt with Ray Cornell at the latter's camp near Ralph.

Chief of Police Clarence Heise and his brother, Charlie, Pete Withers and Ken Usher, of Petoskey, left Sunday for their hunting

City, County Pass Quota on Chest Drive

Both Charlevoix city and county are well over the top in the 1946 Community Chest drive. Charlevoix, East Jordan and Boyne City each were given quotas of \$905. Reports the first of the week showed Charlevoix, \$1200; East Jordan, \$1150 and Boyne City, \$900 with more funds coming in to all three.

At Charlevoix the success of the drive is due to one man, George D. Inggard. Asked to head the local campaign, Inggard solicited and collected the entire sum singlehanded. Robert Bridge is the county chairman.

The money thus raised goes to the USO for work with service men, and to several local organizations such as the Boy and Girl Scouts.

HOSPITAL INCREASES RATES

Effective Nov. 8, the rates at the Charlevoix Hospital will be \$5.50 for a ward bed; \$6.50 for a semi-private room and \$8.00 for a private room. Miss Kathleen Nolan, Superintendent of the hospital has announced.

The increase has been made necessary to meet the rising cost of operating and maintaining the institution, Miss Nolan explained.

Farm Bureau Planning Drive

Agriculture is the biggest business in the United States according to Wesley S. Hawley, district representative for the Michigan State Farm Bureau, told the membership committee of the Charlevoix County Farm Bureau at Charlevoix, Nov. 6.

The annual Charlevoix County fair will this year will be conducted from Dec. 3 to 10. The committee now organizing their teams are Sanford Matchett, Howard Bennett, H. L. Rising, Orval Bennett, Leonard Habel and Irlie Williams.

Monday night the Beaver Island Game Club will put on its annual Hunters Ball.

After every year since 1938, the dinner and dance this year will be in the Parish Hall at St. James. The dinner will be served from 6 to 7:30 p. m. with the dance following.

The main dish at the dinner will be Beaver Island lake trout. Those in charge are Jewell Gillespie, mrs.; George VanEckel, signs; Willard Pischner and Ray Cull, fish and food; Fred Korthaus, advertising; Mrs. Spaulding, tables; Mrs. Roland McCann, hostess.

Kenneth Russell Now Is At Aberdeen

Kenneth Russell who enlisted in the Army September 26 is stationed in Maryland at the Aberdeen Proving Ground. His address is Pvt. Kenneth M. Russell, A. S. 1, 46-008-099, Co. K, 2nd Ord., Eng. Regt. O. T. C., 8th Bn. Bks. 7, Aberdeen Proving Ground, Maryland.

Here's Proof on That Big Squash

With Mr. and Mrs. O'Neill will be their sons-in-law and daughters, Mr. and Mrs. Glenn Penherton and Mr. and Mrs. Kenneth Balch. Harry Turner, Mayor Karl Erber, Walt Moore and Joe Bradford, of Eastport, will hunt north west of Escanaba.

Carl Kohler and John Mol have gone to their camp near Seney where they'll be joined by John Kohler, of Cambridge, Mass., and a party from Traverse and latter by Rud Kohler and a friend, students at Alma College, who will hunt with them during Thanksgiving vacation.

Charlie Bellinger and party from East Jordan and Boyne City left Saturday for Raco. Hap Dacy, Max Seamerhorn and party of friends from Traverse left Monday for the Lake Gogebic country.

A. C. Belding and son, Wayne and Marion Mull and son, Carl, left Sunday for the former's camp north of Newberry. R. T. Davis, his brother-in-law, Howard Taylor of Harbor Springs and George Wood, of Beaver Island will leave Thursday for their camp near Atlanta.

Shorty Sternberg and Jack Bacon left Saturday for the former's camp near Newberry. Mr. and Mrs. Leroy Melms, Jr., Elmer (Continued on page 4)

Wood Elected Kiwanis Head

The Kiwanis Club Monday evening, following a dinner at the Hotel Tourist Home, elected those officers for the ensuing year:

President Elect, Rev. W. D. Wood; 1st vice-president, Howard Brunni; 2nd vice-president, Harley Gehl; sec'y-treas., Dean Davinport.

A general discussion of problems and projects for the betterment of the community followed with Dean Davinport as discussion leader. Discussion centered around the new court house and where its site should be, a community building for a Youth Center and a new hospital.

Potato Growers Will Meet At Boyne City

A second meeting of the potato growers in Charlevoix county who are interested in the Michigan Potato Development Association will be held at the Boyne City Library, Thursday, November 14 at 8 p.m.

Lynas D. Boomer of the Detroit Board of Commerce and a representative from Michigan State College will be present.

An executive committee set up in Charlevoix county at the close of the first meeting, was composed of Melvin Sommerville, Boyne City; Elmer Holt, East Jordan; LeRoy Hardy, Boyne City; Howard Stephens, Charlevoix; Salisz, Boyne Falls and Vera Matthews of Charlevoix. Melvin Sommerville was elected Chairman of the executive committee.

NEIGHBORS GIVE SURPRISE PARTY

Neighbors last Friday gave a surprise party to Miss Aila E. Greene and Mrs. Margaret McLean at their home, 315 Mason street.

Refreshments were served and a lamp presented to them. Those present were Mesdames Ringham, Heise, Bartlett, Graves, Boss, Whitley, Jardine, Hendrickson, Lewis and Harrington.

City Will Vote Dec. 16 on \$107,000 Bond Issue for New Unit at Power Plant

White Elephant Sale Starts This Friday

Friday and Saturday of this week will be a big day in Charlevoix, as the annual White Elephant Sale sponsored by the Kiwanis Club gets under way at the Turkey Wing.

Otto Krueger who has been busy for the past few weeks collecting materials for the sale says there are many real buys to be found. This will mark the 11th annual sale by the service club. Funds from the sale will be used for the underprivileged, and girls and boys activities.

There is always room for more article, and if any person still has doubts they wish to make the committee will gladly call for them.

Board Approves Promotion Group

Seeking greater cooperation among all business men here, a committee was named last Wednesday night at the Board of Commerce meeting to report on ways and means of doing this.

The appointment followed considerable discussion of the goal sought. Men on the committee named by Board President George LaBlanc, Jr., are Charles Novotny, L. E. Doten, Meyer Levinson, Wayne Wilher and L. E. Towse.

The question of Saturday night closing also was aired thoroughly, with seemingly an almost unanimous opinion against it.

The editor of The Courier was presented to the members present at the meeting in the City Hall.

Library Observes National Week

"Books are Bridges" is the slogan for the 28th annual Observance of Book Week which this year is Nov. 10-16. Miss Florence Milner, librarian, has announced.

The children of our own library can appreciate the fact that books are truly bridges to a better understanding of other peoples for this fall a letter comes from Amsterdam, Holland. It was sent to the Charlevoix Library and stated that the Treasures Chest made and filled with choice books and scrapbooks by our children had finally found its way to the library in Amsterdam.

Book Week is international. In 39 countries the observance of this week is playing its part in building world friendship.

Because of circumstances such as scarcity of paper and strikes, the new book selection is not so large as in some years.

Here's The Straight Of That Accident

In last week's issue it was reported to The Courier that Dorothy M. Dixon, a minor, was involved in an auto accident and that she was confined to the hospital.

The name should have been Dorothy Nixon. Her sister, Helen, 17, was admitted to the hospital for first aid treatment and dismissed to her home. A third sister, Ernestine, was also a passenger in the car.

The accident occurred at the corner of Garfield and May when a car, driven by Miss Nixon, failed to stop at a stop-sign and collided with a car driven by Leo N. Houck. According to police records Miss Nixon had no driver's license, failed to stop, and was driving without lights.

The girls are the daughters of Mr. and Mrs. Ernest Nixon.

Legion Feather Party Is Set For Nov. 26

An annual event in Charlevoix, the American Legion post here is putting on its traditional Feather Party at the Legion Hall the evening of Nov. 26.

The Legion has arranged to have Matchett turkeys as prizes. There also will be a door prize awarded.

Citizens of Charlevoix Dec. 16 will vote on increasing the size of the municipal electric plant here.

Technically, the vote will be on a \$107,000 bond issue. This bond issue, plus cash on hand and due soon, will be enough to install a new and efficient 1000 kilowatt Diesel-generators unit, almost doubling the present capacity of the plant.

The need and situation is outlined by City Supt. A. G. Leitch as follows:

Last summer demand repeatedly hit the maximum capacity of the plant, forcing uneconomical peak operation. The experience of the last six years has been that consumption goes up between 10 and 15% a year. A 10% increase in 1947 means that the plant will be in serious trouble. In 1948 it means that Charlevoix would not be able to come even close to meeting its municipal responsibility.

Present plant capacity in the summer is 1300 kilowatts, divided as follows:

Bellair	100 kw.
1931 Diesel unit	150 kw.
1938 Diesel unit	500 kw.
1941 Diesel unit	550 kw.

Bellair varies with the water supply and the original 450 kw Diesel is both inefficient and nearly obsolete. Thus, Leitch says, if the plant must produce more power, more capacity must be added. The economical course is to put in a unit now which will meet demands for years to come.

In proposing the bond issue and vote, the Council intentionally left two details to be worked out later. One is that no exact power unit is specified; the other is that the exact terms of the bonds are left open.

On both these points, Leitch points out, the city can make a much better deal later, once the voters have approved the general plan, competitive bids on both equipment and on bonds can be asked and the best offer taken.

The cost of the improvement would be paid by the unit itself, he declares. For years the municipal plant has turned money back into the city's general fund. Records for the last three years are exact and typical.

	Cash	City Power
1944	\$13,500	\$4,100.00
1945	5,000	5,626.89
1946	10,000	7,503.74

This return cuts the city tax rates to that extent. In addition Charlevoix enjoys lower cost electricity than similar communities in this section. The rate here is about one cent lower per kilowatt than Boyne City and two cents lower than East Jordan for the average small household.

If a bond issue is approved, the rate could stay the same but the yearly surplus would be used to retire the bonds.

Camp Charlevoix Enrolls 119 Boys

Camp Charlevoix will be operating full blast next summer. In a letter to The Courier, Lewis C. Reimann the Director, owner of the camp, says that there will be 119 boys at Camp Charlevoix all season next summer.

Borrowed Weather

The unusually warm weather which continued until last week has worked an upset in nature's calendar. Mrs. Mary Griffin reports that the raspberries bushes in her garden at 109 E. Lincoln are loaded with buds and blossoms and that she also has pansies blooming. Mrs. Floyd Bartholomew and Mrs. Edgar Smith have budding rose bushes and even the lowly dandelion has staged a return appearance for the season. Many other flowers, which are ordinarily killed by the first frost now, are still blooming in many gardens about town.

As the Romans Said, "Let's Remember These Things"

Once an old Roman wrote a line which went something like this: "... and someday you shall be glad to have remembered these things."

Last week the voters definitely reversed themselves for the first time in 14 years in the political field. Just what this will mean, few folks know. Old line Republicans see it as a chance to start wrecking all the Rooseveltian works. Old line Democrats and possibly the radical labor leaders (two of the strangest befallings in U. S. history) may believe it spells the end of political righteousness and progress.

All likely are wrong. A little more sanity in government spending, a stiffening and clarifying of foreign policy, a lot of pulling-and-hauling between executive and legislative are the most likely immediate results.

But beyond or behind these things is one big fact we should not forget. What we do, what happens to us in the next five years will be largely the result of what we have done in the last ten.

The frontier orator who screamed that he and his kind were starting out unaffec-

ted by the past was full of eagle milk. The present was built 25 years ago just as we're laying up trouble for our children 25 years hence.

World War I produced the moral slackness which permitted for the Ohio Gang; which plus the Coolidge do-nothing program contributed to the crash for which Hoover took the blame and which elected Roosevelt in '32, as well as making possible all the social changes which he instituted, social changes whose momentum carried so far they produced James Caesar Petrillo, jurisdictional strikes and temporarily hamstringing internal economy.

So today the aftermath of War II, slackened morality, upset internal conditions and a disjointed world, all stewing together, are preparing for us the conditions under which we shall be living and working five years hence.

What Truman does today, and what the newly elected Republican majority does tomorrow will affect that result slightly, but only slightly. The major forces that will create our tomorrow are in motion. All we can do is hope to direct them for ten years from now.

For the Protection of the Public

This week The Courier carries the news that the two dairies here after January 1 will begin using the "hooded caps" on bottles of milk.

Sanitarian William Ross of the Health office says that change will cost the dairies in the neighborhood of \$750 a year, which extra charge is dead loss, so far as any immediate income is concerned.

Maybe We'd Better Be a Little More Careful

Charlevoix County surely showed up bad in the newly issued traffic report of the State Police for September.

Last year we had no traffic deaths. This year there were three.

Along with the report comes a warning from Commissioner Oscar G. Olander about winter driving. The Commissioner says (and he certainly should know) that

But, for the protection of their customers, the dairies are making the change now that the better caps are available. They mean that proving dogs and cats, unwashed hands and other potential sources of contamination cannot touch the lip of the bottle over which the milk is poured.

It is this safeguard which the dairies are giving their public by this new change.

winter is almost twice as dangerous a time to drive as is the summer. Its exact figure is 79%.

Slippery roads, early nightfall, sleety windshields—all these combine to cause the added danger. The remedy is simple—show down when conditions are anything but the best, and be scared of the other fellow.

What's Wrong With 'Em?

The gentleman who writes The Observer column in the Traverse City Record-Engle doesn't like to see girls in blue jeans. He feels they are not feminine enough, not becoming and generally obnoxious.

He may feel that way, but his saying so sure won't persuade the girls to leave off wearing the rolled-up pants; if anything, it's a certain way to convince them they should keep on with them.

My own opinion is that the girls show more sense than The Observer in this matter.

For one thing, I imagine the kids find

blue jeans comfortable. I know a pair of levis and a flannel shirt is the easiest outfit to wear I've ever found.

For another, it is a highly democratic fashion, something rather rare. The poor man's daughter can afford exactly the same clothes as her rich sister. They also are economical, long wearing, suitable for almost any activity, and above all, the girls evidently like 'em.

They may not be feminine enough to suit the Traverse gentleman, but the girls inside still seem to fit that description. After all, they are what count.

Lt. Freeburn Given Navy Bronze Medal for Work at Omaha Beach

Lt. William L. Freeburn, USNR, was awarded the Bronze Star Medal at a special ceremony during the annual Navy Day celebration at Detroit.

Vlm. Richmond Kelly Turner made the presentation to Freeburn for service in the Normandy invasion.

The citation reads in part: "For meritorious performance of duty as Training Officer of a Task Unit prior to and as Commanding Officer of a Task Unit during the invasion of Normandy."

As training officer of the unit, charged with towing and planting all floating bridge units, pier head units and caissons which formed the breakwater of Omaha Beach for the invasion of Normandy, Lt. Freeburn displayed outstanding skill, initiative and resourcefulness both during the period of preparation and planting and during the actual operation. During the preparation period Lt. Freeburn supervised the organization and training of per-

sonnel and the maintenance of heavy, cumbersome floating equipment for the Whale Planting Operation. On D-Day, Lt. Freeburn, as Commander of a Task Unit, directed the Whale Planting Operation, which consisted of accurately locating the bridge and pier head units. As a result, for the first time in history a man-made harbor was established in a strong tide way and the landing of heavy equipment was thus facilitated.

Lt. Freeburn, a former Charlevoix resident, was called to active duty with the Naval Reserve in August, 1941 and served 26 months as C.O. of the USS Minnow, a net tender, in the Panama Canal Zone where he assisted in the installation of the zone net defenses. From there he was sent to Cairnhead, Waghshiretown, Scotland, where he attended the School of Royal Engineers in preparation for the action described in the citation.

After the invasion he lectured to personnel of all the Armed Forces in the Hawaiian Islands prior to the amphibious action off Iwo Jima and Okinawa. From October 1944 until July, 1945, he was Station Transportation Officer at the U. S. Naval Net and Fuel Depot, Melville, R. I. In July, 1945, he was assigned to the net tender, USS Nutmeg, as commanding officer and was enroute to Guam when the war with Japan ended.

He was separated from the Navy in October, 1945, and at present is employed by the Michigan Mutual Life Insurance Co. in Detroit where he resides with his wife, the former Byrnes Lamphear and son, Billy.

THINGS THAT NEVER HAPPEN

By GENE BYRNES

WHAT'S COOKING

TO THE TOWN'S TASTE

Methuselah
Methuselah ate what he found on his plate. And never, as people do now. Did he note the amount of the caloric count? He ate it because it was chow.

He wasn't disturbed, as at dinner he sat. Destroying a roast or a pie. To think it was lacking in lime or in fat.

Or a couple of vitamins shy. He cheerfully chewed every speck of food. Untroubled by worries or fears. Lest his health might be hurt by some fancy dessert.

And he lived over 900 years.

Mrs. Harold Miller tops our list this week as the "Recipe Woman of the Week" and has given us some ideas that you can incorporate into your Thanksgiving menu.

Cranberry Sherbet
1 pound cranberries
2 1/2 cups water
Cook together for 7 or 8 minutes. Put through a sieve and add two cups of sugar. Bring to a boil. To one tablespoon gelatin add 1/4 cup of water and dissolve. Add juice of two lemons and combine with the cranberries. Put in refrigerator until well set, then beat until fluffy in a chilled bowl and freeze. Serve with your dinner instead of at regular dessert time.

For a mouth-watering dessert after your holiday dinner, Mrs. Miller's rule for "Lemon Bisque" is perfect. Incidentally this dessert was served at the recent Guild meeting at Mrs. Harry Foster's last week and made a real hit.

Lemon Bisque
1 package lemon jello
Add 1 1/2 cups boiling water and the juice and rind of one lemon.
1/3 cup honey or 1/2 cup sugar.
1 1/4 teaspoon salt.

Combine ingredients and when it begins to set, whip up one tall can of chilled evaporated milk. Add to jello mixture and whip until fluffy. In pan put a layer of vanilla wafers or graham crackers. Then fold in jello mixture and top the dessert with another layer of crumbs. Put in your ice-box until ready to serve.

Mrs. Miller has learned that fish retains its flavor if cooked quickly, and her preparation of fish is much liked by her family. Her method is:

Wash your trout or whitefish and cut into individual servings. To one cup of milk add one tablespoon salt.

Dip the fish in the salted milk and then dip in cracker or bread crumbs. Put in a greased baking dish. Add melted butter and sprinkle with paprika. Bake 15 minutes in a 550 degree oven.

Spaghetti Delight
It is possible that you have your own spaghetti dish, but this one has a certain "oomph" to it that makes anyone who has ever eaten it at the Miller household beg for the rule.

Cook one pound of spaghetti in boiling water.

Cut up one large onion and cook in four tablespoons of bacon drippings, or shortening until transparent. Add one pound of hamburger. Cook thoroughly, season-

ing with salt and pepper, but do not brown.

To this mixture add 2 heaping tablespoons chili powder and a No. 2 1/2 can of tomatoes. Chop up tomatoes. Cook this for 15 minutes slowly.

Drain spaghetti and add one-half pound of Cheddar cheese.

Pour tomato mixture over all and let set for at least two hours. Then bake two hours at 225 degrees.

Household Hints
Cranberries need salt to bring out their richness of flavor. In whatever form you serve them, add a bit of salt if you want them to be really delicious.

To keep icing soft add a pinch of baking soda to the egg whites before beating them. Beat in the usual way. Pour the hot syrup over the stiffly beaten egg whites.

The mixture will be soft and creamy and will not harden readily.

An easy way to get the paraffin off the top of jams or jellies is to heat the blade of a knife in hot water and cut down through the middle of the paraffin. The two pieces will come out easily.

When toast is to be buttered and is hard, heat the knife in hot water and see how much easier the job will become. As the knife cools re-heat it and spread the butter evenly around.

Color Distinction
That the eyes need training and experience in color appreciation is demonstrated in color matching tests. Children were given colored squares and asked to place those of the same color together. Two-year-olds were wrong more than half the time in grouping the squares. Ability to distinguish colors improved with age, with six-year-olds making an almost perfect score.

Dogs and Rickets
Successful Farming magazine says that it is thought dark-skinned breeds of dogs are more susceptible to rickets than light-skinned breeds. Reason is that the dark skins absorb less ultraviolet light rays from sunshine.

How to Handle a Fortune

Some months ago I reported in the *Clarion* how Mel Bates' uncle died up north, and left him with a tidy fortune.

Naturally, our town was curious to see how Mel would spend it: Traveling around the world... getting a new house or car... wearing fancy clothes... or dining on cold pheasant and champagne...?

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his shirt sleeves by the fire, chatting

with the Missus, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, homey life; companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

Calf Feeding Program

A. C. Baltzer, extension dairy specialist, says dairy farmers are troubled with the proper procedure for feeding calves. Greater volumes of milk are being used by the public and by the processing plants as "whole milk" leaving little behind on the farm for calf feeding.

Baltzer points out that calves

thrive best when natural milk is given the calf by letting it nurse. The second best method is giving the calf a minimum of 21 days of whole milk feeding. This will give the animal a good start. The calf should be allowed one pound of milk for each ten pounds it weighs. And the best method is to feed in small quantities . . . two, three or even four times a day.

After three weeks of such feeding, liquid skimmed milk or reconstituted skim milk or buttermilk can be used. Commercial

calf meals are also recommended. Baltzer says a low cost method to follow would be to use reconstituted buttermilk or skim milk and follow the rule of one pound reconstituted material to 10 pounds body weight of the animal. He reminds us that the supply should be made fresh daily, that clean pails be used and that the milk be warm at feeding time. Whole grain, such as oats and corn also, should be given.

Lice and Hens

Michigan poultry flock owners may be losing as many as 20,000 eggs daily because of lice on laying hens. J. M. Moore, extension specialist in poultry, reports that in 1944 about 40 percent of Michigan's laying flocks were found to be lousy. That year the eight million laying hens produced an average of 20,000 eggs per day less than normal.

With definite knowledge that lice will cut down egg production, Moore says flock owners should check their flocks and get rid of the lice. Two treatments—12 days apart—of Black Leaf "40" on the perches, will rid the flock of lice.

To control the mites, paint the nests and perches and perch supports with carbolineum or equal parts of crock case oil and kerosene.

While lice live on the birds and mites live in the nests and in cracks or crevices about the house, both can be eliminated by treating the perches. The fumes from the Black Leaf "40" coming from the perch as the hens dust at night, kills the lice.

So to get more eggs from your flock . . . rid your hens of lice and mites.

Buy Legume Seed Now

Michigan is harvesting a good crop of legume seeds this year. Last year the crop was very light. But indications point to an average crop of most legumes in 1947.

The farmer who wants to make sure of getting good adapted seed for his plantings next spring will be busy locating some good seed now. Carter Harrison legume specialist in the farm crops department at Michigan State College, says it is wise to buy the seed before it is shipped out of the state. Seed buyers like Michigan's winterhardy seed. By spring it is possible that Michigan's good adapted seed may be all sold out. Then you might have to buy a variety that isn't as adapted to Michigan climate.

Alfalfa and other legume plantings this year did not do so well in many sections of Michigan because of the drought. That means there is a big need for alfalfa planting next spring. Legume seed will keep through the winter with little attention . . . and if you lay your seed now, you will know that you have it when you want to plant next spring. And if you get a variety adapted to Michigan soil and climate, you'll be a little more certain of production when you make your seedling.

Thick and Thin
Here's a tip for homemakers who soon may be buying Turkish towels. Thick, heavy towels naturally wear better than do thin, light-weight ones, but they do not absorb water so well.

George Burns well known farm resident here, is back in Charlevoix for a month. He is relieving B. Nickerson as agent at the Pere Marquette while the latter has his vacation and goes deer hunting. Mrs. Burns was here last week for the Eastern Star installation.

Mrs. John Reed and Mrs. Don Coney went to Grand Rapids Sunday, returning Tuesday.

Ben Wojciechowski is nursing two burned hands. Last Wednesday night at his Harbor View Cafe he scalded them with steam. What made the accident worse was the fact that only last summer he had similarly burned his hands.

Mr. and Mrs. Earl A. Young and daughter, Marguerite left Charlevoix Sunday for Atlantic City, where they are attending the annual convention of the National Association of Real Estate Boards, Nov. 10 to 18. From Charlevoix they went to Detroit where they boarded the special train of the Detroit Real Estate Board.

Mrs. Iva Martin, of Los Angeles, Calif., a former resident, is spending some time here as the guest of Mr. and Mrs. Harry Gehlen and visiting old friends. Mrs. Martin the former Iva Mudge, is enjoying her first visit here in ten years.

Uno Suomela has returned home after spending several days at Ishpeming where he was called last Wednesday by the death of his father, August Suomela.

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a new life—with interesting work, sports, entertainment and travel opportunities—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 6th, 7th, 24th or 25th Infantry Divisions.

What an opportunity . . . what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language. Learn the intricacies of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These "tropical haunts of peace" and many new developments—provide a broad choice of recreation.

Not everyone can grow up to this job. Only 4-year enlistees who meet physical and mental standards can enjoy the benefits of such a job. High over-age pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss! See your nearest Army Recruiting Officer for full details.

• Listen to: "Sound Off," "Warriors of Peace," "Voice of the Army," "Proudly We Hall," and Major Football Broadcasts on your radio.

Bert Smith and Ed Hansen Monday flew to Muskegon to get material for refurnishing the Charlevoix Recreation bowling alley. On the way back they were grounded at Baldwin and reached here Tuesday morning.

Mrs. Jesse A. Jones of Traverse City visited over the weekend with Mrs. Charles Novak.

Supt. Roy Bennett and Howard Brumm attended the University of Scouting Sunday at Albion.

Deer hunters at the Blue Post garage to Beaver Island for the first day of the season were Paul G. Farber, Robert J. Carter of Detroit; Edward Schmidt, Mr. and Mrs. John Kaistrac of Three Rivers; G. Kroeger, R. Knochling; Roy Boyker, L. Hughes of Grand Rapids and Al Wachowski of Flint and W. Tange of Allegan.

Mrs. F. F. Leonard and Joseph Haudley of St. James, Beaver Island were business visitors to Charlevoix Monday and Tuesday and were guests at the Blue Post Inn.

Mrs. George Hargrett has returned home following a two-week business trip to New York City. Karsone home she visited in Cleveland when her plane was grounded there.

Maurice Foster left Saturday on a week's vacation trip to the Sea and to Chicago and Port Wayne, Ind. He plans to attend the Notre Dame - Northwestern football game Saturday.

Mr. and Mrs. Albert Edwards and daughter, Miss Elaine Edwards returned home Saturday from a three weeks' sight-seeing tour along the east coast as far south as Atlanta, Ga.

Mr. and Mrs. Don Stevens returned to Grand Rapids on Saturday after visiting since Wednesday with the former's parents, Mr. and Mrs. Charles Stevens.

Peter Scott and Cash Belem of Escanaba were in town Monday. They brought the latter's mother, Mrs. Catharine Belem, here to board the boat for Beaver Island where she had been called by the illness of her sister, Mrs. Frank Narberman. Scott visited his parents, Mr. and Mrs. E. C. Scott and other relatives and friends while here.

Miss Ruth Edwards, student at the U. of M., Ann Arbor, and Howard North, student at Michigan State College, East Lansing, visited over the weekend with the former's parents, Mr. and Mrs. Albert Edwards.

His friends have been kidding Patrick W. LaFramiere of St. James about a little brush he had with the traffic law down in Stanton the other day. They report the judge got the best of the argument.

Hunters in Hunterland

(Continued from page one)

Barber, Mr. and Mrs. Walter Scott left Wednesday for Ralph, Minn. and Mrs. Mahan, Sr. and Mr. and Mrs. Pete Scott hope to join them for the last week of the season.

Toni Novotny, Ray O'Brien, Harry Oldham, John Nordham and son, Johnny, Bill Novotny and Jim Scholz, of Grand Rapids, will return to their old campsite near Vanderbilt. Chuck Novotny and his brother, Jim Novotny and son, Dick, of Battle Creek, plan to hunt in the upper peninsula.

Doug Livingston, Gordon Raby, Maurice and Curt Dixon left Sunday for their camp near Ralph, Jeff, Frank and Albert Novotny and Bill Edwards left Monday for Moulisling.

Red Samson and son, Irving Manville, will hunt in the Ontonagon district. Other parties who will hunt in the same district will be Mr. and Mrs. Irving Frost, Jr., and Albert Webster who left Tuesday and Louis and Cecil Frost and Bob Osterkirk who made up a third party.

Guy Smith, Sr., and son, Guy, and Albert Fox left Tuesday for the Pigeon River area. Art Weststaff and son, Bob, and brother, Bud, and Harry Powers will spend a few days at the opening of the season near Vanderbilt.

Many hunters will go to Beaver Island where they say the deer are really plentiful this year. Among those going are Dr. G. H. Adenstedt, Charlie Sessions, Glen Sec, Jr., Gerald Gilhaus, Art Ranger and Ray Ashdown.

Many others will enjoy a day's hunting now and then from their home in Charlevoix for many deer are reported in the countryside not too far from town.

(Editor's note: although many names are listed above, I realize it is far from a complete list. Yet those given are all of whom we had sure information. The others were left out solely because we did not hear about them.)

The hunting season is now on and accidents are being reported. Every hunter should carry comprehensive Personal Liability which covers not only the activities of himself, but also his wife, his children, his dogs or pets, as well as accidents that might occur around the home then some neglect. Medical payments up to \$250.00 for help hired around the home, in case they get hurt. You can't afford not to be protected.

Premium, \$10.00 per year.

BARNARD NEWS
Mrs. Clyde Smith, Reporter

We hear that some of our turkey raisers are beginning to market their birds for Thanksgiving.

Clayton Smith returned Sunday from the upper peninsula where he has been trapping muskrat the past ten days.

Miss Ann Potter entertained a girl cousin over the week-end. She is the daughter of the former Eva Cork of Barnard.

A nice group attended the W. S. C. S. meeting at Mrs. Henry Potter's on Thursday. A bountiful lunch was served. The ladies spent the time helping Mrs. Potter with a quilt.

The Women's Society of the Methodist church has been invited to meet with the Reformed Church Fellowship group on Dec. 10th. Also on Dec. 6th with the Norwood ladies where they will have a returned missionary to entertain and instruct them.

Donald Carey Given Navy Commendation

Donald G. Carey, former Marine's Mate with the Naval Reserve, has received the Navy Unit Commendation which was awarded Cruiser Division Twelve and included the U.S.S. Cleveland, U.S.S. Columbia, U.S.S. Montpelier, U.S.S. Denver.

The citation reads in part: 1. On Sept. 3, 1946, the Secretary of the Navy awarded Cruiser Division Twelve the Navy Commendation for the outstanding heroism displayed by the crews of the vessels forming Cruiser Division Twelve in action against the enemy Japanese combatant ships off Empress Augusta Bay, the night of Nov. 1-2, and the hostile air attack of the morning of Nov. 2, 1943.

2. By virtue of your service in one of the vessels forming Cruiser Division Twelve during the period mentioned, you are hereby authorized to wear as part of your uniform a Navy Unit Commendation ribbon.

Don Carey entered the navy immediately after his graduation from high school in June, 1943, and after boat training at Great Lakes was assigned to the cruiser Denver. When this ship was returned to the States after being damaged by enemy action he was transferred to the Cleveland where was serving at the time mentioned. He was separated from the Naval Reserve in Feb., 1946, and is now attending Michigan State College. He is the son of Mr. and Mrs. Leo Carey.

Need Much Space

Cucumbers require so much space and produce such a small amount of food per unit area of land they generally are not grown in the smaller gardens. They are not only frost-sensitive, but require warm weather for good development. They are especially susceptible to various insects and diseases, so that frequent sprayings or dustings are necessary.

Congratulations On a Job Well Done

To those who never have solicited money for a worthwhile cause, the job done in the last few weeks by George Haggard may seem a small thing. But to those who have been given a campaign list and told to get busy, his feat of single-handedly raising 120% of Charlevoix's Community Chest quota is remarkable.

It bespeaks three things at least.

A public spirit on the part of the businessmen of this town, who made up Mr. Haggard's list and with few exceptions contributed almost the entire amount.

A worthwhile cause which could command such a response.

An unusual amount of energy on the part of Mr. Haggard, to tackle and wind

up the drive in quick time and successfully.

The idea of a Community Chest is an excellent one for any community such as ours.

It helps to sort the sheep from the goats as far as organized charity is concerned. The deserving causes are assured of support; the questionable and fly-by-night ones are effectively discouraged.

It gets the collecting all done at one time and ends the continual planning, making of lists, dividing of work and soliciting. Folks expect to pay once, to pay more and to have it done with.

The community which will adopt and carry on a Chest program shows both sense and forward thinking.

Changed Minds—Trash—No Soap

The American Farmer definitely is reversing his world outlook. Before the war remember how the Middle West was the stronghold of isolationism; how the farmer was the man who wanted this country to steer clear of any political dealings with Europe?

Well, that period is ended, according to Successful Farming magazine. It checked with some six million farmers. Ten years ago a vote on internationalism vs isolation likely would have been 75% for the latter. The magazine reports that today the sentiment is 54% definitely for taking a strong part in world affairs. In fact, only 25% said they did not favor giving up our right to wage war.

When the American farmer decides that it is right for his country to turn over control of her armed forces to a super-national authority (if the other nations do too) then this nation certainly is willing to pay the price of peace.

Down around Traverse City a conser-

vation officer arrested a man for dumping rubbish by the roadside. More power to him! Folks who willfully will disgrace the landscape with rusty tin cans and weather-soaked cartons need picking up. Up in these parts one of our biggest businesses is the tourist—and he isn't attracted by unsightly roadsides.

Soap today in a store attracts almost as long and anxious lines as do 12 dozen pairs of nylons. The cause of the shortage is largely fat scarcity.

With coming of peace, housewives dropped the fat saving habit. The great coconut plantations of the Pacific still aren't producing the way they used to. There is more demand for food fats and industrial fats all over the world. Soap, as one of the less essential users, is not getting enough fat to meet the demand.

Result—less soap and sky-rocketing prices.

Remedy—save more fats in the kitchen instead of putting them in the garbage can.

WHAT'S COOKING

TO THE TOWN'S TASTE

Neighbors

Neighbors are priceless in emergency.

When one must run for quick advice or aid—

But, day in, day out, it is good to see

And know neighborliness is really made

Of small and simple things, a "hello"

Across the yard, the waving of a hand

Too far away for speech, the happy glow

Of giving or receiving berries canned,

Or wedge of any cake, or fishing flies,

Of even slips of bright geranium,

And sometimes one has less apparent ties

With neighbors, yet is happier in some

Way unexplainable for living near them.

Blessed be all things, ever, that endear them.

—Elaine V. Evans.

In a social item that came from Ironton last week regarding a party at the Wickersham's, I noticed that the crowd had refreshments made from oatmeal. Wondered what the dainties could be. Mrs. Wickersham was very kind and sent in the recipes at my request.

Here they are for your pleasure:

Oatmeal Raisin Bread

2 cups enriched flour

5 teaspoons baking powder

1 teaspoon salt

1/4 teaspoon soda

1 cup quick-cooking oatmeal

1 cup seedless raisins

1 1/2 cups milk

1/4 cup molasses

1/3 cup brown sugar

2 tablespoons melted shortening

ing.

Sift flour, measure, add baking powder, salt, soda, sift again. Add oatmeal and raisins, mix. Combine milk, molasses, sugar and shortening, add to flour mixture and stir just enough to moisten dry ingredients. Turn mixture into greased loaf pan, bake in moderate oven, 350 degrees F., about one hour.

Oatmeal Muffins

2 1/2 cups oatmeal

1/4 teaspoon salt

3 teaspoons baking powder

1/4 cup sugar (or less)

1/2 cup raisins, chopped dates or nuts

1 beaten egg

1 cup milk

1/4 cup melted shortening.

Grind oatmeal with fine blade of foodchopper. Measure 2 cups of the ground oatmeal. Mix together ground oats, salt, baking

powder and sugar until thoroughly blended. Add dried fruit or nuts. Combine butter, egg and milk, add to dry ingredients, stirring lightly. Fold in cooked shortening, fill greased muffin pan 2/3 full; bake in a hot oven 425 degrees F. 15 to 25 minutes, depending on size of muffins.

Oatmeal Honey Cookies

1 cup grated raw carrot

1 cup honey

2 eggs

1/2 cup butter

1/4 teaspoon salt

1/4 teaspoon soda

2 cups enriched flour

(sifted before measuring)

2 teaspoons baking powder

1 cup raisins

1 cup chopped nuts

2 teaspoons cinnamon

1/2 teaspoon cloves

2 cups quick cooking oatmeal

From the butter, add the honey. Add carrots and beaten eggs. Add flour which has been sifted with all the dry ingredients except the oatmeal, raisins and nuts. Add these three ingredients last. Mix well. Drop by spoonfuls into a greased baking sheet, bake at 375 degrees for 15 minutes (about 5 dozen).

Household Discoveries

To remove printing from flour sacks, saturate the sacks in kerosene and roll lightly for an hour or more, then wash sack in warm soap suds and rinse. Another way is to wet them in cold water and after washing out some of the flour, rub with a strong soap until well covered. Roll up tightly for several hours. Wash in cold water with more soap. Put to boil in a good suds and the sacks will come out entirely free from lettering and snow white.

Mildew can be removed from a garment by wetting the cloth in water and then rubbing on plenty of soap and salt; then hang the garment on the line in the sun and air for a few days.

To remove ink stains place the article over a bowl and cover the stain with borax. Then wet the borax thoroughly with peroxide, using plenty of peroxide and the stain will almost immediately disappear. Another way is to use a thin mustard paste spreading it over the ink spot and leave it for 24 hours. This takes out the ink and does not injure the most delicate fabric.

A Few Don'ts

Never place an empty glass vessel over the flame. Use a wire rack or asbestos pad to protect the vessel from direct contact with heat. Do not let glass containers boil dry. Do not set a hot utensil on a wet surface, plunge it into water or let it come in contact with a wet cloth. Do not use for deep fat frying.

Avoid Pinches!

IF YOU try to jam your feet into footgear that is too small you'll find that your feet will suffer. But if fire destroys your home and you are underinsured—then the shoe really pinches. Ask this agency to check up on your insurance. Call us now.

T B Seals Go On Sale Monday

Christmas seals, symbol of the nation's fight against tuberculosis, will go on sale here Monday.

Funds raised in this 40th annual nation-wide campaign, which continues until Christmas, will carry on the fight of the tuberculosis associations to eradicate this disease.

Residents of Charlevoix county contributed \$1,553.24 to the seal sale last year. During 1945 tuberculosis took 1 life in this county and 1 new case was reported.

In a county like Charlevoix where so few deaths were reported from tuberculosis last year, it is

Christmas Seals

... Your Protection Against Tuberculosis

essential that the people not relax their efforts against the disease, Theodore J. Worle, executive secretary of the Michigan Tuberculosis Association said.

Ninety-five per cent of all funds raised in the state remain in Michigan to support tuberculosis associations' state-wide program of health education, home service "follow-up," rehabilitation and vocational retraining of the tuberculous, medical research, and supplying—where needed—tuberculosis tests and X-ray film for case finding.

Youth Temperance Council Organized

The Youth Temperance Council was organized September 28 by Mrs. Leisner, YTC director of Petoskey and Mrs. John Funk of Charlevoix.

The following officers were elected: president, Marilyn Ikens; vice-president, Lorna Lewis; secretary, Patsy Rose; treasurer, Joyce Keller; leader of devotions, Patsy Davis; song leader, Susanne Miles; Advisor, Mrs. David Blake.

The officers were installed in a lovely candlelight ceremony in which all members took part.

The first meeting was held Oct. 28th in the Baptist church lecture room. Mrs. Funk gave an interesting and very helpful message on alcoholic beverages.

Among plans made by the council was a study of the harmful effects of liquor and other narcotics in newspapers and magazines, and over the radio. It was decided to pack boxes for wounded veterans, also to have a treasure hunt and a pot-luck. Miss Janice Howe is in charge of the hunt.

The Y. T. C. is a part of the State and National Y. T. C. and is sponsored by the W. C. T. U.

The next meeting will be held at 7:30 p. m., in the Congregational church lecture room. All young people of teen-age and up are cordially invited. Adults are welcome.

Hasty Marriages

The notorious Gretta Green marriages were performed by the village blacksmith, as a rule, although the tollkeeper, ferryman or any other person could officiate. Runaway couples needed only to declare their wish to marry in the presence of witnesses. The practice virtually ended in 1863 when the law required one of the contracting parties to reside in Scotland three weeks prior to the wedding.

Clean Strainers

If you have trouble cleaning strainers, orange and lemon squeezers and graters, try using a stiff little brush on them. Get as many of the food particles off as you can with the brush. Then rinse the grater in cold water and then in hot water.

Share Your Home With a Veteran

Throughout the country, many people have opened their homes to Veterans and their families who have been unable to locate living quarters. If you have rooms, or unused space in the attic, basement or garage that can be converted into rentable rooms, here is your opportunity to perform a useful service. If you need funds to pay for repairs, alterations and improvements, come in and talk with us about a home modernization loan you can repay out of the income you will receive for rent. Remember Back When?

TEN YEARS AGO

Wednesday, November 18, 1936 Mrs. Hattie Stevens of Central Lake and Mrs. Lephie Hannon of Charlevoix, arriving at Hollywood, California to spend the winter, left their car to visit a friend and, when they returned, found it had been forcibly entered by thieves who took their luggage with clothing, bonds, postal saving certificates, deeds and other valuables.

Mary Paddock, wife of R. W. Paddock and daughter of the late John Nicholls, pioneer banker and business man, died last Friday morning at her home on Dixon Avenue, following a long illness.

Charlevoix and Beaver Island commercial fishermen have made a handsome profit out of the wrecked tanker, J. Oswald Boyd, wrecked on Simmons Reef last week, salvaging thousands of gallons of gasoline. The water for several miles around the wrecked tanker was coated with the precious fluid.

The Herman Meyer hardware store at Boyne Falls was sold last week.

Western State College has six students enrolled from Charlevoix. They are Lytle B. Anee, Bernard J. Foster, Jack Foster, Harry B. Goldstick, Edward C. Heise and Marshall E. O'Neill.

Cold weather hit Charlevoix with a vengeance Tuesday night and Wednesday morning. Reports from various sections show the thermometer ranged from six to eleven above zero.

Turkey meat could be had this week for from 45 to 48 cents per pound.

Julius Moses builds 28 by 48 foot bathhouse, just east of Robbins, Inc., fish house on north shore of Round Lake. Will Bogart had the contract.

Pioneer merchants pass on—Sevin Orlovski, founder of the wholesale and retail grocery firm of S. Orlovski and Son and forty years a resident of this vicinity, at the age of 76. Adolph Fochtman, Petoskey's oldest merchant and founder of the Fochtman Department stores, in business since 1876.

Two more weddings—Miss Norma Sherman to Joseph W. Riley and Miss Emily Himebaugh to Albert Stanley Houghton.

THIRTY YEARS AGO

Wednesday, November 22, 1916

Horatio P. Parmelee, one time agent for Michigan for the New York Life Insurance Company, and the company's most able solicitor in this territory, died last Thursday morning. He was in his 81st year and had been a resident of Charlevoix since 1880. He built and lived in the house known as "Breezy Point", now a part of the Belvedere resort and long a familiar landmark.

Roy Humilton caught the fingers of his right hand in the ice crusher at the Robert Heutel fish station, where he is working, last Friday. He smashed one finger quite badly, but narrowly escaped losing his arm.

Arthur L. Guild of this city, writing to the Courier about living conditions in Flint, says: "Wages are from \$2.50 per day upward. A house that could be rented in Charlevoix for from \$10.00 to \$12.00 per month will run from \$25.00 to \$35.00 per month here."

Margaret Stroud, 15 year old daughter of E. E. Stroud of Hays township, planted a half bushel of beans, which were marketed last Friday, netting Miss Stroud \$216.91. The money was laid away to defray her future college expenses.

Joe Shores, Nick Shores, Bill Pearl and Seward Aldrich, are in the woods 18 miles from Newberry. They have bagged one buck so far.

The Charlevoix roller rink will open in December under the auspices of the Board of Education as an indoor basketball field and gymnasium.

We understand that the two deer reported last week by Art Fitch as having been shot by himself and Bob Medill have dwindled to one. Dick Lewis wounded one, but it got away. Better luck next time.

New Pig Warming Drug

Sodium fluoride has been proved an effective and low cost drug to be used in removing worms from pigs. W. N. McMillen, swine specialist at Michigan State college, warns farmers, however, to use the poison drug cautiously.

By using one pound of sodium fluoride to 100 pounds of dry feed for pigs for one day's consumption, roundworms are removed

from 95 percent of the animals in the first treatment.

Two treatments may be necessary for growing pigs exposed to heavy infestations. They should be given a month apart, however.

Power Lift

A power lift attachment for tractors, easy-to-build, quick and simple to put on and take off, has been perfected by Michigan State college agricultural engineers.

The device consists of an automobile wheel with a drum welded to it. This is mounted on the frame of the tractor in such a way the tire can be pulled back to contact the belt pulley. A brake is

installed on the other side of the tire to hold the load in any desired position.

Complete drawings for construction and illustrated views of how the lift is attached are shown in Extension Bulletin 282 from Michigan State college. The bulletin, entitled "Belt Pulley Power Lift" is available without charge from the county extension office.

Better Meat Type Poultry
All this talk of a meatier chicken isn't a swivel chair dream at Michigan State college. Facts are the actual experiments have been going on for years.

Results of MSC experiments were first published back in May 1941. The work was continued and a scoring system was developed to assist the breeders of any breed of poultry to improve his own flock.

Indiscriminate crossbreeding is not the answer to improving meat type. That's one thing that the tests have shown. Actual meat type can result only from selection for that specific character, whether the work be done with cross breeds or pure breeds.

The United States Department of Agriculture has set up a few blue-prints for what it thinks the ideal broiler will look like. The chicken should weigh at least three pounds at 12 weeks, be relatively free of pin feathers and not eat over 100 pounds of feed getting to that weight.

Pullets of the strain should be laying eggs by September if hatched February. From September through May the egg production should average 150 strong-shelled two-ounce eggs.

Research has helped bring about many improvements in poultry, and there is reason to believe that someday this bigger breasted and meatier chicken with other good features, will be produced.

White Fruit Cake

"I have talked with several home makers who are going to make a fruit cake despite the shortages. So for those of you who have found or saved the necessary ingredients, I give you the recipe for my favorite cake. Substitutes can be made—any kind of nuts can be used in place of almonds, coconut can be eliminated and mixed fruit peel can be used.

Remember, pressure cooker owners, a cake made in a cooker can't be beat, they don't have to age to become moist as in oven baking. (I like to remove mine from the pressure cooker when the time is up and dry off the top slightly in a moderate oven for 10 min.)

1 cup shortening
1 cup sugar
5 eggs
2 cups flour
1 tsp. salt
1 1/2 tsp. baking powder
1/4 cup pineapple juice
1/4 lb. citron, finely cut
1/4 lb. candied orange peel, finely cut
1/4 lb. candied lemon peel, finely cut
1/4 lb. candied cherries, sliced
1/4 lb. dates, coarsely cut
1/4 lb. dried apricots, coarsely cut

No Information Yet on Bonus

Just what the passage of the veterans bonus amendment will mean is not yet known but as soon as any definite information is received the County Office of Veterans Affairs will pass it on.

This word has been received from Gilbert M. Lindsay, county veteran counselor. Here are some facts he points out:

Application blanks have not yet been printed and cannot be until the legislature provides money for this and other costs. The legislature also must decide what agency will administer the bonus payments which cannot be made until the state treasurer gets bids and sells the bonus bonds. In turn the bonds cannot even be issued until the legislature passes on details about them.

Hills also has just approved a similar bonus. It is possible that with both states marketing similar bonds at the same time, the sale may go slowly.

Why Bert Won First Prize

Folks weren't surprised when Bert Childers won first prize for his corn at the county fair.

Yet the judges admit it wasn't just because Bert had the finest ears of corn. He knew how to display them: neatly arranged, with the husks cleanly trimmed, and the booth white and spotless.

"Trimmed" sure make a difference no matter what you're offering—as Andy Hutkin, keeper of the Garden Tavern, well knows. Andy doesn't just sell good beer. He sells it in a place that's clean and attractive... in nice surroundings that

belong with the enjoyment of a wholesome beverage of moderation.

And Andy, of course, is a whole-hearted supporter of "Self Regulation." That's the system by which the brewers and tavern keepers themselves make sure that taverns selling beer are clean and orderly.

From where I sit, people like Andy also rate a "First prize." Not just for the quality of the product—but for the "trimmings" too.

Beauty and Brawn ...the perfect team!

Here, there and everywhere, Hudson style and stamina are making new conquests—taking thousands of hearts by storm.

This preference for the new Hudson is phenomenal, even in a year when car demand is far above normal. You ought to know the reasons for it.

Women's hearts—men's, too—have been captured by the smartness of new exterior styling, and the luxury of new interiors upholstered in a leather-fabric combination found in only one other 1946 car (one of the highest priced).

Present Hudson owners—and thousands of "habit buyers" of other makes as well—also know what a mountain of evidence Hudson piled up during the war years for smooth performance, reliability, endurance and economy.

There's another reason... the splendid Protective Service offered by 3,000 authorized Hudson dealers from coast to coast—with expert mechanics, modern equipment and genuine Hudson parts.

We are here to serve you—promptly, courteously, at moderate cost. Visit us today. You will find this Hudson organization, too, is "the perfect team"—backing fine cars with expert service, for your satisfaction.

A REPORT ON

PROGRESS IN CHARLEVOIX

There are still a number of people waiting for telephones in this area. Before we can serve everybody, we'll need more outside wire and cable to connect new customers' premises with the central office. But shortages of lead and copper have seriously slowed their manufacture.

Even after we receive the new wire and cable, there will be the painstaking job of interconnecting it with the present telephone plant—a job that must be done carefully without interrupting existing service.

We are continuing to stretch our

present equipment to the limit to install telephones for as many waiting applicants as we can. If you are waiting for a telephone, you can be sure your order will be filled in its proper turn just as soon as possible.

Meanwhile, our facilities are serving more telephones and handling more calls than ever before, which means that service for everyone may not always be as good as we want it to be. We're sorry when that condition occurs, but you can be sure that we are doing our best to get additional equipments as soon as possible.

5,859 Miles of Concrete Pavement on US-131 from Hoyne Falls North to Two Miles South of Charlevoix in Charlevoix County.
Project: F 15-2, C7 (F-160 (8))
Net classification required for this project is 26 B.

Sealed proposals for the construction of this project located in Twigs, of Boyne Valley and Melrose, Charlevoix County, will be received from contractors having 1946 Michigan State Highway Department prequalifications, in the Veterans Memorial Bldg., 213 South Capitol Avenue, Lansing, Michigan, until 10:00 A. M., Eastern Standard Time on Wednesday, December 4, 1946, and will then and there be publicly opened and read. Proposals may be mailed to Room 424, State Office Building, Lansing, Michigan.

The work will consist of placing a 22 ft. concrete pavement, 8" uniform, reinforced, and incidental work.

Completion date for entire project—October 15, 1947.

The Department's Standard Specifications (1942 edition), its current Soils Manual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Cadillac, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-Estimate Engineer, Room 424, State Office Building, Lansing, Michigan, up to 5 P. M., of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows for Zone 3: Skilled labor \$1.50 per hour, Intermediate labor \$0.90 per hour, Unskilled labor \$0.70 per hour. Other rates as listed in the proposal.

A certified or cashier's check on an open, solvent bank, in the sum of \$12,500.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that those of the two lowest bidders will not be returned until executed and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

CHARLES M. ZIEGLER,
State Highway Commissioner

Are you PALE? WEAK? from loss of BLOOD-IRON?

Here's One Of The Best Home Ways To Build Up Red Blood!

You girls who suffer from simple anemia or who lose so much during monthly periods that you are pale, feel tired, weak, "dragged out"—this may be due to low blood-iron.

So start today—try Lydia E. Pinkham's TABLETS—one of the greatest blood-iron tonics you can buy to help build up red blood to give more strength and energy—in such cases.

Pinkham's Tablets help build up the quantity of the blood (very important) by reinforcing the hemoglobin of red blood cells.

Just try Pinkham's Tablets for 30 days—then see if you, too, don't feel markedly better. All druggists.

Margaret Hughson Weds William Crambitt

In a double ring ceremony performed by Rev. Fr. Dark at St. Mary's Rectory Muskegon, at 4 o'clock Saturday afternoon, Miss Margaret Hughson, daughter of Mrs. Arthur Helinger, of Wolf Lake, became the bride of William Crambitt, son of Mrs. Lillian Crambitt, of Muskegon, formerly of this city.

The bride chose an afternoon dress of dark blue chiffon velvet and matching accessories for her wedding. Her corsage was of sweetheart roses.

Miss May Mudasy, her only attendant, wore a gown of light blue crepe with navy accessories and a corsage of yellow mums.

Jesse Crambitt assisted his brother as best man.

After a small dinner party on Saturday evening, the couple left on a wedding trip through northern Michigan, visiting relatives and friends on the way. They will make their home at 1456 Seventh St., Muskegon, Mich.

IS THERE SUCH A THING AS PERFECT WOMANHOOD?

"No"—claim medical authorities, who ought to know! Nature has so constructed and physically endowed woman that in many cases she's apt to suffer certain distressing symptoms during her life. For instance, when she enters womanhood—or during the menopause, the period when fertility ebbs away.

Now if on 'certain days' of the month—female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel so tired, cranky, you snap at your children and husband—then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose.

• Made ESPECIALLY For Girls and Women
Pinkham's Compound does more than relieve such monthly pain. It also relieves accompanying nervous tension, irritability and weak, highstrung feelings—when due to this cause. Taken regularly throughout the month—this great medicine helps build up resistance against such distress. A thing any sensible woman should want to do!

Lydia Pinkham's Compound is also very effective to relieve hot flashes and those funny, embarrassing feelings during the years 38 to 52—when due to the functional 'middle-age' period peculiar to women.

Pinkham's Compound is worth trying!

About Town

News of folks, your neighbors and mine... but did you know that—

Getting time for the observance of that annual custom, the church supper and bazaar. Seems like there is no place where coffee tastes quite as good as at a church supper... George and Jimmie Hair of Detroit were guests last week of their parents, Mr. and Mrs. Henry Hair. The boys were in the Mio section deer hunting last week. No luck. They headed north in hopes of finding their luck, and incidentally having a chat with mother and dad over the dining room table... Mrs. Frances Olmstead and Mrs. Clara Todd left Friday for Muskegon for a few days visit with Mr. and Mrs. S. H. Clark. From there they will go to Chicago and on to Glendale, Calif., where they will remain for an indefinite time...

Word has been received that Ed Heise, Sr., who underwent major surgery at the St. Joseph Hospital in Ann Arbor about a month ago has been taken to the home of his daughter, Mrs. Charles Robertson in Adrian. Mrs. Heise has been with her husband through out his illness... Mr. and Mrs. Ray Faulkner plan to spend the Thanksgiving holiday with Mrs. Frank Geiken in Petoskey. Mrs. Geiken is a former Charlevoix resident... Wonder if the day will ever get cold enough so that Robert Livingston will don a hat as he goes to work?... Arlene Hayden, employed at the Freedman Aircraft plant, plans to call Thanksgiving dinner with her parents, brothers and sisters over at East Jordan...

Mrs. Harold Hunt, Jr., is hoping that her reservations will arrive so she can leave Monday for Marshalltown, Iowa to be with her husband's parents through the holidays. She will be accompanied by her seven-week-old daughter, Coral Louise. Hunt, who is at the Coast Guard Station in Boston, plans also to be there for the holidays and to see his daughter for the first time. The trio will return to Boston to make their home providing housing accommodations can be found... Mr. and Mrs. Albert Holmes are getting things in readiness to leave the last of next week for their winter home in Port Orange, Florida...

The Bad Gebeaus and Elaine Taylor of Lansing will spend the coming week-end with Mr. and Mrs. Walter Taylor and Mr. and Mrs. Harry Gebeau... Mrs. Zada Munyon carries a pencil in her pocketbook that is more than 50 years old. It is just about half the size of a present day pencil. Capt. L. E. Taylor visited Sunday with his mother, Mrs. C. Henderson. His trip was laying in port at Harbor Springs...

Feather parties are surely the vogue these days in this section. There is many a turkey that is now gracing Charlevoix folks deep freeze boxes ready for the big day... The Harry Bingham family expects to spend the Thanksgiving recess in Kalamazoo with Mrs. Mabel Parks, mother of Mr. Bingham... The editors are grateful to C. A. Wilber for a copy of the Tuscola County Advertiser down Caro way in Michigan. Mr. Wilber's son, Norris is County Agricultural Agent in that county and according to press notices must be doing a bang-up good job in that capacity...

Mrs. Fred Meyers is back home after quite a vacation junk, as she termed it, for she was gone for six weeks. The first two weeks she was in Detroit visiting her two daughters, Mrs. Norman Brodick and Mrs. A. MacNallen. Then Mrs. Meyers went to her old home state, Minnesota, where she has not been for nine years. Here she visited at St. Paul and Owatonna, with her sister, Mrs. Robert Ahern. Mrs. Meyers said the weather was perfect while she was gone. She arrived in Charlevoix last week just ahead of the storm. The Carl Nelsons and their daughter, Sylvia, from Suttons Bay will rat the traditional bird with the editor's family...

Mr. and Mrs. Charles Holmes expects to be leaving soon for Detroit and Ypsilanti to visit. After the holidays they hope to go on to Hot Springs, Ark., for a month and then spend the remaining winter months at Orlando, Florida—Mrs. Sue Clark and Mrs. Zada Munyon will spend Thanksgiving at the hunting lodge of Don Clothier at Atlanta... Many students from colleges about the state will be here for Thanksgiving... There was big excitement at the Gordon Clement house the other night when Gordon returned from hunting accompanied by Al Miller and Hal Newhouse of Detroit. Half the kids in town were up at the Clement house during the evening begging Hal for his autograph. They got quite a thrill out of personally meeting the famous baseball star...

Remember your wait line Thursday when all the good food appears on the table, and also remember your blessings...

U. S. Okays Completion of New Building

Work has been resumed on the new building being put up by John Reed and Oscar Stroud on Petoskey road north of town. An authorization came from the Civilian Production Administration at Detroit last Thursday. Explaining the entire occurrence, the following letter to the editor was received from John D. McGillis, district CPA manager:

Dear Mr. Towse: On Nov. 13 you wrote to us concerning the community need for the Teen Age Center which has been partially constructed by John K. Reed and Oscar Stroud.

Our Citizens Committee has carefully considered all of the facts in the case and have determined that it appears probable that construction was begun without authorization under a misunderstanding. It appears, further, that the completion of the structure can have little or no effect on housing in the Charlevoix area.

Letters sent to us from leading officials and citizens of Charlevoix would indicate that the community, including the veterans, are solidly behind the project. We feel that you have the prime responsibility for housing in your own community and that if, despite the many difficult problems in connection with housing, your community believes the Teen Age Center should be completed, much weight should be given to your recommendation.

It has been decided, therefore, to approve the application for completion of the structure and official authority will reach the applicants within the next day or so.

Cordially yours,
JOHN D. MCGILLIS,
District Manager.

Securities Commissioner Will Attend Dinner

Securities Commissioner Howard M. Warner and state realty officers will be present Dec. 5 at the meeting of the Antrim-Charlevoix Board of Realtors at the Belaire Community Hall.

This meeting is open to the public. The charter of the two-county board will be presented by Gerritt Klinkers, President, and A. R. Saunders, vice-president of the Michigan Real Estate Association. Besides the presentation of the charter, there will be discussion and information about the National Home and Property Owners Foundation, whose aim is helping the real estate owner.

Earl A. Young, Charlevoix realtor and president of the Antrim-Charlevoix Board, is taking reservations for the turkey dinner.

Pomona Grange Meets At Peninsula Dec. 6
Charlevoix County Pomona Grange will meet with the Peninsula Grange at the latter's hall on Dec. 6.

The business meeting will start promptly at 9 p. m. Mrs. Joe Clark of East Jordan, Grange lecturer, will be in charge of the program. The new arrangement of serving lunch after the business meeting will be followed.

City in Serious Trouble if Power Plant Isn't Increased, Leitch Says
Asked why Charlevoix needs a new diesel generator unit at this time, City Superintendent Angus Leitch listed a half dozen cogent reasons.

The voters here will go to the polls on Dec. 16 to vote on a \$107,000 bond issue to install a new 1000 kilowatt generator at the Municipal plant.

To a large extent, Leitch says, Charlevoix depends on the tourist business during the summer. At that season, the present plant is taxed to its full capacity to meet the demand. Inability to supply current when wanted is a black eye for a tourist center.

If the demand continues to increase 15% a year as it has for five years, next summer will see the Charlevoix plant in serious trouble.

If at such times, one of the present generators were to fail, it would mean some part of the city would have to go without power and lights.

New and heavy demands will be made on the city utility during the next and future years. Two new factories have come here this

Maple Grove Grange Installs Officers

Peter J. Winnick was installed last Tuesday as the new Master of the Maple Grove Grange. Installing officers for all the new officers were Mr. and Mrs. Edward Beene of the Rock Elm Grange who are delegates to the State Grange.

The other new officers were: Overseer, George Smith; Lecturer, Alice H. Willis; Steward, Frank Sheehan; Assistant Steward, Gerald Burke; Chaplain, Eva Ostrum; Treasurer, Fred Willis; Secretary, Clara Kane; Gate Keeper, Walter Harvey; Ceres, Anna Smith; Pomona, Sadie Allison; Flora, Pauline Winnick; Lady Assistant Steward, Minnie Burke; Executive Board member, Anna Stoud.

Following the installation, Mrs. Beene reported on the State Grange meeting.

Rev. Mrs. Eldridge Plan Golden Wedding
Rev. and Mrs. William Eldridge, former residents now living at Burlington, Mich., will observe their golden wedding anniversary Nov. 28. Rev. Eldridge, the first resident pastor of the Church of God here and Mr. Eldridge, were married on Thanksgiving Day, 1896.

Rev. Eldridge, 76, and Mrs. Eldridge, 77, have retired from active ministerial service. They were here from 1920 to 1925.

Red Gun Club To Feast
Members of the Red and Gun Club will have a venison dinner Dec. 5 at the 100P Hall. The meal is free to all members.

The trees for the logs were both planted and harvested by the same man. Set out as seedlings 13 years ago, last summer when Hemingway cut them they were 50 foot trees with eight inch butts. According to Prof. Ira Hall of MSC, this is the first time to his knowledge that trees have been planted and cut by the same man.

Gardens In America Discussed At Club
The Charlevoix Garden Club met at the home of Mrs. Charles Harkin on Tuesday with Mrs. Fred Cartier as hostess. Mrs. Carl Kohler was in charge of the program for the afternoon giving a most interesting account of gardens to visit while traveling to other climes. Highly informative it was much enjoyed.

Painting Contractor Buys Young Home
Charlevoix County will have a new painting contractor after February.

Sometime that month Don Feagan and his family are moving here from Cincinnati and he will engage in his business of painting.

Mr. and Mrs. Feagan Saturday completed the purchase of the Dr. Fred Young residence at Ironton. They have one daughter, Nancy, 9.

Prize Island Buck Shrinks, Acquires Bell

There were some funny doings over on Beaver Island during the first part of the deer hunting season.

The alleged truth about them has been seeping back to the mainland, helped along considerably by the all too willing reports of hunting companions.

In the first days of the season a story came over on the Mary Margaret that Glenn See had killed a 245 pound buck and was the leading contender for the \$50 prize offered by the Beaver Island Game Club for the biggest deer.

Now it seems that See didn't shoot that 245 pounder after all. It was killed by two other men. And furthermore, it weighed only 67 pounds.

"And I'd gone out and tied a hell around its neck so those two would be able to find it." See explained with an honest look.

Public Invited to Visit School

Open House at the Charlevoix schools will be the night of Tuesday, Dec. 3.

Planned to acquaint parents and other citizens with the workings and aims of the school, the evening will start at 7:00 p. m.

The first hour will be left free for the adults to meet the teachers and discuss any general or specific problems, especially those concerning their own children. Each teacher will be in his own room or office.

From 8 to 8:30 there will be a tour of the buildings, including an inspection of the new heating plant which has just been installed.

At 8:30 there will be a short general assembly in the gymnasium. Clarence A. Oduark will lead community singing. Supt. H. G. Bennett will welcome the guests and introduce the speaker, Dr. T. Luther Purdon from the University of Michigan.

Dr. Purdon is director of the vocational guidance and job placement bureau at Ann Arbor.

Following his talk will be a period for discussion of school problems, with S. E. Coleman presiding.

Last will be refreshments, served by the Home Economics department of the school.

St. Mary's Seeks Clothes To Aid Europe's Needy

Sunday another drive for good, usable clothing and shoes to be sent to the destitute people of Europe and the Far East will be inaugurated here.

This "Clothe the war-stricken" campaign will continue until Dec. 8, operating under the auspices of the National Catholic Welfare Conference. The goal is 4,000 pounds of clothing and shoes.

St. Mary's Parish members will collect contributions and bring them to the parish hall. Parishioners who can assist in picking up the clothing are asked to volunteer. Members of the Altar Society will sort articles next week for packing.

Anyone having usable clothing or shoes to donate and who have no way to get them to the parish hall, will kindly call 517.

Turkey Crop Being Harvested Now

Everywhere around Charlevoix these days farmers are harvesting one of the year's big crops, the Thanksgiving turkey. Typical of the flocks which will be on the table Thursday are the white birds shown above at the Sanford Matchett farm.

Coal Strike Forces Short Hours at Public Offices; U. S. Applies Strict Rules

The coal strike is making itself felt here. The Court House and the City Hall both are going on short hours starting Friday. Both will open at 11 a. m., stay open during the noon hour and close at 4 p. m. Neither will be open Saturday.

Monday night the City Council heard reports on the small coal supply here, in Boyne City and East Jordan. They also read the ruling of the Hard Fuel Commissioner. They talked the situation over with Supervisor C. B. Myerison and Clerk F. R. Bulow. The joint action was the result.

The coal ruling forbids sale of fuel to anyone with more than a ten day supply, or to any but public utilities, hospitals, hotels, food plants, laundries, homes, hotels and apartments.

Public buildings, stores, theaters, business establishments all are barred from new supplies.

The Council also ruled that none of the City Hall will be heated except the essential offices, and no public gatherings will be scheduled until the shortage is over.

What will happen at the jail caused wonder. Since the same plant that heats Sheriff Ikens' residence keeps the county guests warm, it developed that likely they would not shiver.

Rayders Place 5 on Northern All-Conference

Five members of Coach Ray Kipke's Rayders, Bob Carey, Irv

Manville, and Kyle King, Immen; and Frank Martin and Bill Carey, backs; won berths on the All-Conference Northern Michigan Chess C team picked at a special meeting at Boyne City last Wednesday night by Conference coaches and officials.

Pat Martin, Don Zettler, Bill and Dick Joffe were placed on the second team and Louis Holstad was given honorable mention.

The All-Conference team is as follows:

R. Carey, Charlevoix, L. E.; T. Garlick, Munielona, L. T.; Munville, Charlevoix, L. G.; H. Ryan, Boyne City, C.; L. King, Charlevoix, R. G.; E. Montgomery, Munielona, R. T.; W. Central Lake Assessor Funeral Is Friday

Funeral services for Fred Curtis, 70, of Central Lake, who died of a heart attack while hunting near Newberry, were held at the Diton Funeral Home, Central Lake, Friday.

Burial was in the Southern cemetery.

He is survived by his wife, Isadora, whom he married in May, 1915; three sons, Russell, of Charlevoix, Allen, of Eastport, and Lloyd, a former Charlevoix resident now living in Los Angeles; a daughter, Mrs. Neil Crawford, of Central Lake and ten grandchildren.

Marion Center Farm Bureau Hears Report

The Marion Center Farm Bureau Community Group met at the home of Mr. and Mrs. Wilber Hinchman Wednesday.

L. E. McGhan, county delegate, reported on the final action taken by the State Farm Bureau Convention on resolutions previously submitted by the membership through their discussion group.

Refreshments were served by the hostess.

Howard Griffin Wins Prize

Howard A. Griffin this week received word that he was winner of the third prize in the monthly "Mom and Pop" fan letter contest.

With the letter came a \$15 check from the Hygienic Products firm of Wilmington, Ohio. Griffin lives at 109 East Lincoln.

Plane Brings Injured Worker From Island

Harry Lewis, 70, was admitted to the Charlevoix Hospital late Wednesday afternoon for treatment of a severely mauled left arm received in a saw mill accident on Beaver Island.

Mr. Lewis was flown to the local airport by a plane owned by Airborne, Inc., which was at the Island at the time of the accident.

Gets Deer Early

Among the early, fortunate hunters around here was Adolph Kopkan, who shot his buck at 8:30 on the opening morning in the Arlo Wickersham farm.

Ferry to Stop for Two Hours Thursday

The men who run the Ironton Ferry are taking two hours off from duty Thursday so they can be home and have Thanksgiving dinner with their families, like other folks.

From 12 to 2 p. m. Thursday the ferry will not be operating.

The same plan will be followed Christmas day.

Tanker Brings Million Gallons of Fuel Here

Pumping another million gallons of fuel oil and gasoline into the This-on-Themes Co., tanks, the tanker "Mercury" completed, filling of the firm's storage capacity here.

With 2 1/2 million gallons on hand, the company expects the present supply will take care of the IX deals for the coming winter.

Wilbers Mens Store To Have Music

Wilbers Mens Store from now on to Christmas will provide its customers with holiday music while they are doing their gift buying.

Convened at one side of the store is an automatic record player. Wayne Wilber has set it for continuous playing and installed a repertoire of 16 of the traditional Christmas airs. The customers like it, he reports.

It's Surprising What Things Have Value

Like any new owner, when we first arrived at The Courier office, we started going through the records and files. Among other things unearthed was a big pile of letters from service men and women received during the War, published in the paper and then put away.

A couple of years ago down at Ann Arbor I was talking to Dr. Lewis G. VanderVelde, director of the Michigan Historical Collections. He pointed out that it was surprising what historical value a pile of business records, of letters, or similar everyday, seemingly unimportant things could acquire in 50 to 100 years. (It's also amazing how short a time a historian or museum man can make a century sound.)

How About The Others?

It was a welcome piece of news this week when an authorization from the Civilian Production Administration came through, approving the completion of the Stroud-Reed building. One of the fine features of the whole deal is the fact that public opinion counts with the CPA.

While we're on the subject, I cannot help wondering what is the object, the value of halting work on some other construction around here.

There's John Bos, Jr.'s cabins out south of Charlevoix. Bos is a veteran. These cabins will be desperately needed next summer. Externally they need only some more Onaway stone. Exposed to the weather as they are, the winter will do them little good.

Then there is the new Pemberton building. The case of another veteran, perhaps the CPA was justified in halting work. But Pemberton's investment, the looks of the

Something New Needs To Be Added

It's about time this country put an end to the annual coal strike, with its attendant industrial paralysis, economic upset and billions of waste.

The remedy is not getting rid of John L. Lewis but of the conditions which have produced him. Two things must do the job—an informed public opinion willing to see both sides; and a Congress which is dominated neither by Labor nor Operator.

If Lewis didn't represent the ideas and wishes of the majority of America's coal miners, they wouldn't follow him year after year. You can't fool all the people all the time.

But if he didn't grab every opportunity to get more for his miners, regardless of the nation's welfare, the operators might be able to install some of the safety devices and change their policies to better conditions.

There is some right on both sides. Every miner knows that 83 of every thousand men in the pits are industrial casualties every year. In other words, unless he is lucky, within 12 years he is due to be crippled, killed. And he knows the legally required but uninstalled safety devices would cut this to one quarter.

GIRL SCOUT NEWS

Mrs. Harry Ladd, president of the local Girl Scout Council and a member of the Great Lakes Regional Committee, returned to Charlevoix last Friday after attending a two day session of the Great Lakes Girl Scout Conference in Milwaukee, Wis.

Among the speakers at this conference was a Girl Scout who had been loaned to UNRRA for three

years and who had spent that entire time in working in the European area. Also among the interesting speakers, according to Mrs. Ladd, were two representatives from the National Conference of Christian Churches.

Group meetings devoted to specialized topics of Girl Scout interest were held both days of the conference and national Girl Scout staff members were on hand to discuss individual problems with

local executives. Mrs. Ladd states that she received a wealth of new ideas that can be used here in local troops.

Clean Strainers

If you have trouble cleaning strainers, orange and lemon squeezers and graters, try using a stiff little brush on them. Get as many of the food particles off as you can with the brush. Then rinse the grater in cold water and then in hot water.

Business records give a better insight into habits, tastes and customs than any history book; letters actually show what the average folks are thinking.

So when I ran across that big pile of letters, I asked Fred to ship 'em to the Historical Collections. Last week a letter arrived thanking us for them.

So if you've a pile of Aunt Susie's letters, or your great grandfather's store journals, don't use them for kindling. Just keep them or turn them over to the Historical Collections. Since historians notoriously are poorer than church mice, the papers won't have any monetary value, but your grandchildren may find out about how you lived in some history book 100 years from now.

city, and the uncompleted structure all would be better off if he had been allowed to install some non-critical glass to keep out snow and rain.

The Charlevoix Oil Co. had their materials all bought before the restraining order went into effect. It doesn't seem in the public interest to keep a building half done while the materials to complete it collect dust.

The CPA without doubt was entirely right in ordering work stopped on these structures. It has shown that it is a fair-minded organization, seeking to serve the public.

It likely is too late in the season to do much building this fall. Yet it seems that we would be justified in asking for a reconsideration of any or all of these cases by the Federal Bureau so that when spring comes, these structures might be finished before the need for them arrives next summer.

Similarly, the operators know they have had to increase pay 161 percent in seven years and face a yearly and costly shutdown. They do not dare do a lot of things they could if Lewis was not spilling the fat in the fire regularly.

Some procedure is needed which will compel the respective leaders to fight out their scraps fast and without resorting to the shutdown.

As it is now, the miners say the operators would prolong negotiations month after month to keep the old rates or conditions unchanged. The law should provide teeth against that tactic.

To protect the operators, a contract should become what it used to be—a binding agreement, not something which could be reopened or disregarded whenever Labor takes a notion it can't boost its price. Which is what has been happening for the last few years.

Law alone will not do the job. It will require a public opinion which demands a just law, and which will support the government in enforcing that measure to the hilt, and against either party.

When that happens, John L. Lewis will be cut down to proper size.

For all things beautiful, and good, and true;
For what seemed not good yet turned to good;
For all the sweet compulsions of Thy will
That chastened, tried, and wrought us to
Thy shape;
For things unnumbered that we take of right,
And value first when they are withheld;
For light and air;
Sweet sense of sound and smell;
For ears to hear the lovely harmonies;
For eyes to see the unseen in the seen;
For vision of the Worker in the work;
For hearts to apprehend Thee everywhere—
We thank Thee, Lord.

WHAT'S COOKING

TO THE TOWN'S TASTE

Talking Turkey

The turkey is a noble bird. More noble than he's father! He looks good prancing in his pen, but better on a platter.

He lives a life of splendid ease. I wish mine were no harder. Strutting 'round and getting fed. The best that's in the turkey.

He dies a very splendid death—lauded by the nation—And rides to fame upon a fork in honor of gastronomy.

His epitaph's a happy sigh. From satisfied Thanksgiving. His memory lingers on in hash. Full of hearts and livers.

While we lived in California we discovered that the folks in the northern part of the state were the "turkey-outfitters" people we ever met. They ate turkey like we eat chicken in Michigan. As a consequence we came back to our home state blessed with several recipes for turkey and left-overs.

The other day I mentioned my "left-overs" to a Charlevoix woman and she said, "Please put some of those recipes in the paper so we won't have to eat turkey for the rest of the week."

The "Day After" Curry

3/4 cup diced celery
3/4 cup chopped onion
1 tablespoon butter
2 cups left-over turkey (chicken or veal can be used as well)

1 cup gravy or soup stock
Curry powder
Boiled rice
Sauté onions and celery, add meat and gravy.
Mix 1 teaspoon curry powder in 1/4 cup water, pour in mixture. Simmer slowly.
Serve with rice.

Turkey Scramble

4 cups turkey broth
1 cup cornmeal
1 to 2 cups diced turkey

Salt, pepper, powdered sage.
Put broth in top of double boiler, bring to a boil over direct heat. Sift in cornmeal gradually stirring constantly. Let boil about five minutes. Place over boiling water, cover and cook 30-45 minutes. Stir in turkey. Turn into a loaf pan which has been rinsed with cold water. Chill until firm. Slice. Dip in cornmeal, sauté in shortening, until nicely browned. Serve with turkey gravy.

Turkey in A Ring

Heat diced turkey in turkey gravy. Pack stuffing in a greased ring, mold. Heat in oven. Unmold stuffing on a platter and fill center of ring with the turkey mixture. A rice or noodle ring may be substituted.

Turkey Turnover

A good finale for that holiday bird!

Filling:
2 tablespoons butter or oleo
2 tablespoons flour
1 cup turkey broth
1/2 cup cream or top milk
Salt and pepper

THIRTY YEARS AGO

Fire started on the second floor of the Hotel Michigan (now the Lakeview) near the center of the building last Friday at 2:30 a. m. and gave the fire department a pretty stiff fight until half past five, when the last flame was extinguished. A forty mile yule was blowing.

Deaths reported this week were Frank Reed, 55, at his home on the Norwood road, from heart trouble; Mrs. Kim Samaan, another of the late Lisle Shamdan, Charlevoix attorney at Edwardsburg, Mich., and Mrs. Henry Jacobs, at her home on State Street following a lung illness.

If General Carranza ignites immediately the protocol providing for the withdrawal of the Pershing expedition from Mexico, at least two regiments of Michigan militia are likely to eat their New Year's dinner at home, array of Teers declared today.

The new fixtures for the Western Union Telegraph Company are here awaiting the completion of the company's office in the Novak building.

Ray Ashton, Bob Madell and Fred Conn returned home from the hunting ground. Saturday, Ray got a 60 pound fawn and Fred Conn, who was in near Rexton, got a doe.

Ray Faulkner assumed his duties at the post office Monday morning.

Henry B. Jacobs left Sunday evening for Webberville, called there by the serious illness of his father, D. Jacobs.

New Amendment's Effect Not Known

What the sales tax amendment to the state constitution will mean to Charlevoix is not known now.

According to County Clerk Fenton Bulow no money will come directly to the county. However, the return to the townships and the school districts will ease their financial condition, which in turn may give the county more leeway in the division of the 15 mill taxes now available.

A share will be coming directly to the city, but as far as Charlevoix is concerned, the return is not in line with what this community pays the state treasury. Money is related on the basis of a 2299 official census figure. In

Ann Arbor—The United States is in no position to wage an extensive atomic war, according to Dr. K. K. Landis, chairman of the Department of Geology at the University of Michigan.

Furthermore, he points out that this country can get enough raw materials for the peaceful harnessing of atomic energy only by international co-operation.

"The greatest known supplies of raw materials for atomic energy are in Central Africa, India, and near the Arctic Circle in Canada," Dr. Landis says.

"Well anyway, dear, I saved the FOX DE LUXE BEER!" And worth saving, too—for FOX DE LUXE is a choice EXTRA PALE BEER made with the finest malt and hops—the very best money can buy!

ARE YOU JUST A PLAYTHING OF NATURE?

Nature may endow you with breathtaking beauty, a lovely curvaceous figure, a lovely brilliant actress, a leader in your class at college, sought after at dances, or a charming wife and mother.

Yes, Nature may do all this. And yet you may find your face mockingly slapped if you suffer these distressing symptoms, which so many unfortunate girls and women do.

Something You Should Not Joke About!

So if female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel weak, restless, so cranky and irritable that you almost turn into a "she-devil"—on such days—this is something you shouldn't joke about. Start right away—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose. And don't

forget—Pinkham's Compound does more than relieve such monthly pain. This great medicine also relieves accompanying nervous tension, irritability, those tired-out, mean "pick-up-everyone's feelings—when due to this cause. Taken regularly throughout the month—Pinkham's Compound helps build up resistance against such distress—a very sensible thing to do. Just see if you, too, don't remarkably benefit! All druggists.

Slant On Pigs

Sometimes an accident makes a practical achievement. Such was the case in Kentucky where a foundation to a pig farrowing house crumbled. It allowed the floor to slant. (When the little pigs arrived, stockmen found the slanting floor a great idea for saving little pigs.

Here's how it works. On a sloping floor a sow prefers to lie down with her back to the high side. Lousy little pigs stagger a bit the first few days. The slightly sloping floor tends to make them tumble to the low side. Now if the old sow prefers to use the high side of the pen, and the little pigs are likely to be bunched against the low side, fatalities from crushing are apt to be less.

The slope used was about one and a half inches in each foot. Experiments conducted in Kentucky showed that sows, in farrowing

houses with sloping floors, saved an average of two pigs more per litter. At the price of pigs these days, that's no small amount.

So it's something to keep in mind when spring farrowing season comes around. You might run a few experiments of your own. Block up one side of one or more of your farrowing houses and see if the results prove as satisfactory to you.

Controlling Cannibalism

Cannibalism in the laying house can be controlled. A few precautions usually prevent pullets from killing each other.

Plenty of floor space... about three and a half square feet per bird is necessary. Some grain should be thrown in the litter in the laying house. Nests should be darkened. While adequate window space is needed, an excess may cause cannibalism.

Plenty of feeder space will prevent hens pecking at each other. Salt in the drinking water is also an aid. If all of these fail, the use of pigkards or of an electric dehenker will make the chickens incapable of doing damage to each other.

Block Construction

With a shortage of other building materials, concrete block construction has become quite popular in Michigan. To aid farmers and others in their construction, Michigan State college has published an informative bulletin on "Concrete Block Construction."

It gives information about the types of aggregate used, a comparison of commercial and hand-made blocks, insulation requirements and surface treatments. This extension bulletin 277 may be obtained from your county extension office.

Watch Soft Corn

Although weather this fall in most parts of Michigan has been more favorable for preparing corn for storage, farmers should be certain they do not crib grain with excess moisture content.

Farm crops specialists at Michigan State college contend that our corn carrying moisture in excess of 25 percent in the grain is not safe for storage. Such grain may heat on warm days if piled deep in cribs and may spoil next spring.

Shelled corn should not be cribbed with more than 15 percent moisture, crops specialists say.

Farmers should seek the cooperation of local elevators to test the moisture content of their corn before storage.

Success in drying corn by forced ventilation without heat has not proved too successful. Ventilators, however, may be installed in a crib to increase the air movement through the corn. These reduce the thickness of layers of corn through which the air has to move.

ROCK ELM

MRS. A. B. LAWTON

Dr. Mitchell of Detroit accompanied by another Dr. spent a few days last week at his cottage here.

Mrs. Sundstedt who is still in one of Petoskey's hospitals with a broken hip was given a birthday postcard shower by her O. E. S. sisters and other friends last week.

Thursday afternoon, Jesse Lawton came in from the woods with a stalk of wild fox in full bloom. Mr. and Mrs. Lawrence Jensen are planning to leave soon for Florida to spend the winter.

Owing to road conditions pupils from the county who reach East Jordan schools by bus, were dismissed early Friday afternoon, which gave the drivers more time on their routes.

The snow is doubtless welcomed by the deer hunters, but some at least would have preferred to have the weather remain mild a little while longer for this weather is certainly hard on fuel of all kinds. Even the electric current has not been entirely reliable since the storm began.

Resembles Butter

The mild flavor of chicken fat more nearly resembles butter than any other fat except margarine, according to May E. Foley, extension nutritionist at Massachusetts State college. This is good news to housewives during these hot short days, particularly now that plenty of "fat red hens" are on their way to market. It can be used in many foods, says Miss Foley, and is excellent in white sauce, both quick and yeast breads, and pie crusts. The portions for pie crust are 1/4 cup chicken fat to 1 cup of flour.

Golden Gloves

Tourney Jan. 27

Amateur boxing will be revived in Northern Michigan this year when entries from 13 northern Michigan communities will again compete in the Northern Michigan Golden Gloves tournament in Boyne City Jan. 27, 28 and 29.

Winners who clear through the Northern Michigan tournament will compete in the state tournament at Grand Rapids.

The 1947 tournament will mark the first revival of organized boxing in this area since 1941. A large field of veterans who learned their boxing in the service is expected to swell this year's entry list.

Invitations are being extended this week to veterans' organizations, service clubs, and athletic clubs to sponsor teams to be entered in the 1947 tournament. Prospective entries in communities not sponsoring teams may enter as unattached fighters.

Hubert Brady Awarded Navy Unit Citation

Hubert Brady, WT2/c, USN, has been awarded the Presidential Unit Citation as a member of the crew of the USS San Jacinto in the Pacific during the war.

Enlisting in the navy in August, 1943, Brady was assigned to the aircraft carrier, San Jacinto when she was commissioned in November, 1943, and remained aboard until she was de-commissioned in June, 1946. Among the campaigns in which his ship participated were Wake and Marcus; Marianas, Bonins, Palau, Yap, Ryukyu, Formosa, Luzon, Philippines; China, Iwo and Japan.

He is now serving aboard the USS Enterprise. Enlisting in the navy before he graduated from high school, he received his diploma recently from St. Mary's high school, Flint, after receiving credit for work done in the Navy.

Mio Deer Obeying Genesis Command

Deer are on the decided increase over around Mio.

A couple of Conservation men spent 11 night hours out shinning the animals. Their census showed 500 over routes which formerly showed from 200 to 400.

One peculiarity was noted. This year the deer were in the oak woods, eating acorns, instead of in the fields feeding on farm crops.

Water Power

Almost one-third of the potential waterpower of the U. S. is located in the region drained by the Columbia river.

Agriculture Hazardous

Agriculture, with more workers than any other industry, has a death rate per 100,000 workers of 53; the all-industry rate was 31. Farm residential deaths from accidents in 1945 were 8 per cent more than in 1944.

A Lesson In Conservation

We were sitting on Bill Webster's porch the other night, chatting over a glass of beer—when the talk turned to forest preservation, soil erosion, and other things that affect a farming community.

Judge Cunningham speaks up: "It's all right to worry about conserving our natural resources," he says, "but there's a far bigger problem when it comes to conservation—and that's preserving our democratic way of life, our sense of personal freedom, our respect for one another's rights."

From where I sit, the Judge is right. All America's great resources, our abundant natural wealth, are lost the minute we lose the right to work them as free people in a free land!

Whenever you see or hear of an encroachment on our rights—whether it's the right to free speech, or the right to vote as we see fit, or the right to enjoy a friendly glass of beer in licensed, law-abiding places... watch out!

The Farm Bureau is fighting your battle for fair prices, good laws, and a square deal for farmers. Men of ability represent our membership to congress, to the state legislatures, to business, industry and labor. Farm Bureau members are informed and organized to act on legislation and other proposals that affect their business.

Farm Bureau has advanced and protected members' interests in the past. You can depend upon it in the years ahead. Our platform is that farmers, industry and labor should go up and down the price ladder together. That's a square deal for agriculture.

ELLSWORTH NOTES

J. Timmer, Reporter

Mr. and Mrs. Martin Elzinga will celebrate their fiftieth wedding anniversary with open house at Atwood Reformed church Friday evening, Nov. 29. They were married Dec. 21, 1896 at the home of the bride's parents, five miles southwest of Ellsworth. They are having the celebration at this time as their children will be home for Thanksgiving Day. Both are in good health and are still operating a farm three miles west of Ellsworth, where they have lived since 1904. Mr. Elzinga, 72, was born May 3, 1874 in the Netherlands, the son of James and Rose Elzinga, and came to the United States at the age of 9 and has lived in Antrim county since 1886.

Mrs. Elzinga, 69, was born Alice Telgenhof, daughter of George and Fannie Telgenhof on Sept. 8, 1877 in the Netherlands and came to the United States in 1884. Both are members of Atwood Reformed church. They have four children, Julius M., and Mrs. Bert Green of Detroit and George and Mrs. Edmund Curtis of Central Lake, and six grandchildren.

Mr. and Mrs. William P. Smith will observe their fifty-first wedding anniversary Thursday at their farm home four miles west of Ellsworth. They were married Nov. 28, 1895 at Ellsworth and have lived in this vicinity since then. Rev. A. A. Wall, who married them, recently celebrated his 90th birthday at Central Lake. Mr. Smith, who will be 70 Dec. 7, was born at Kemp, Ohio, the son of William and Mary Farham Smith, and came to Antrim county at the age of 14. In addition to operating his farm, he served 15 years as Banks township road commissioner. Mrs. Smith, who will be 69 Dec. 5, was born Rachel Rogers at Memphis, Ohio, the daughter of Hiram and Eliza Hinckins Rogers, and came to Antrim county at the age of 5. They have three daughters, Mrs. Isabelle Vandenberg of Detroit, Mrs. Merion Best and Mrs. William Pether of Ellsworth; seventeen grandchildren and two great-grandchildren. Mrs. Smith has a brother, Robert Rogers, in Canada and a sister, Mrs. Herbert Peablos of Bentley Hill, and Mr. Smith has two brothers, Charles and Bert of Battle Ground, Wash. and a sister, Mrs. Leota Howe of Klamath Falls, Ore.

The Margaret Parker Circle will hold their annual bazaar and cafeteria supper at the Congregational Church December 5.

About Town

News of folks, your neighbors and mine... but did you know that—

Sure, and Old Man Winter has arrived... Mrs. George Darance, who is spending the winter in Mackinaw City with her daughter, Frances, was home for Thanksgiving. She had as her guests her daughter, Frances, her sons, Alvin and William of Detroit and the latter's sons, John and Edward.

Mr. and Mrs. Don Clothier returned Sunday from their Buena Vista way and Don had his four-point buck with him. The Clothiers had been there since Nov. 12.

Mr. and Mrs. David J. Dick of Tecumseh and two sons, Babble and Jackie, spent the holiday recess with Mrs. A. J. Usher and Mrs. Gertrude Dick. They did not arrive until late Thanksgiving day, as the feast was delayed until Friday when the families gathered around the festive board of the Dick home.

Deep water fishermen these days are telling of seeing eel markings on the bodies of the big fish that are caught... Mr. and Mrs. Otto Krueger had a long-remembered holiday this year. They drove to Decorator to the home of their daughter, Mrs. Winter Schurf. There they were joined by their other daughter's family from Berkeley. Then, of course there were the grandchildren. "It was the first time in fourteen years that we were together and we certainly had a wonderful time," said Mrs. Krueger. Craig LeValley returned with his grandparents and plans to remain there until Christmas holiday time.

Orchid of the week goes to Mrs. Eva Smith of the Tower Hotel, who brought a great deal of happiness to five underprivileged children on Thanksgiving Day. She did a little missionary work in her home town, found the children, had them as her Thanksgiving guests. Can't you just imagine what that table looked like with the eyes of five hungry children seeing the many good things to eat, and then, knowing that they could have all they wanted...

Well, the deer season is over and it is time when several wives go vacationing, as is the custom in many families. Of course it could also be a time when they get some early Christmas shopping done.

Commander Edward K. Shanahan and his wife were among those seen at the basketball game Friday night. Commander Shanahan arrived home Friday on a fifteen day leave, from Texas, arriving in Chicago on the streamlined train, the Ann Rutledge. Thanksgiving dinner was eaten on the dinner although the circumstances, said an excellent meal. When he returns he will go to Orange, Texas where he is stationed with the 16th fleet putting into preservation the U. S. S. Casco.

Another person seen at the game was Tom J. Kehoe, Jr., of Perrysburg, Ohio, house guest of Gladanne Coney, daughter of Mr. and Mrs. Don Coney of Clinton Street. Tom, who is now a freshman at Toledo U is much interested in athletics. He was a star football man on his high school team as well as manager of the basketball team. Now Gladanne is looking forward to the Christmas holidays when she will attend the formal at Toledo U with Kehoe. Before the house guest left Sunday evening there was a farewell dinner for him with Joan Ward being invited in with the family.

Maria Camburn of Boyne City was a week-end guest of Barbara Thod.

"We are trading on air this morning," said Mrs. Clarence Wood as she and her husband appeared at church Sunday. There was a mighty good reason! The Woods had just received word that they were, Grandpa and Grandma. The special baby news had come from their son, Robert Wood, of Bridgeport, Conn., announcing the arrival of Richard Frank, who tipped the scales at nine pounds.

Don't forget your feathered friends the birds. A few crumbs will mean a lot to them with the ground covered with snow, and it will also furnish you much enjoyment watching them feed.

Week-end guests of Mrs. Charles Novak were her son and wife, Mr. and Mrs. William Novak and family of Traverse City, Mr. and Mrs. George Messenger of Howard City and Mrs. George Messenger, Jr., of Aberdeen, Md.

Miss Mary Frances Zeitler, who will graduate from Michigan State school of Journalism in December, has received word from Mademoiselle Magazine that she has been selected as one of the MSGC College Board members.

Miss Zeitler won the honor by submitting a trial report on some new phase of campus life. She will now receive four assignments to do by Jane when the staff will pick 14 college board members to go to New York in June to help put out the August college issue of the magazine.

Poor Pictures Are Denounced by Parents

Direct charges that the Palace Theatre is serving a positively harmful movie fare to the youngsters of the Charlevoix community were made Tuesday night at the school's Open House.

They came during the discussion period following the talk by Dr. T. Luther Purdom of the University of Michigan, were made by Dr. Earl Faber and strongly endorsed by virtually all the 225 persons present by a show woman looking for a job also.

Dr. Faber presented figures on the October and November films shown. There have been 36 programs or bills. Of the 36, only six were suitable for children. Six were rated as good for adults and only three as excellent. The ratings were from Parents Magazine and the Legion of Decency.

Films such as "The Cat Man" were cited as being thoroughly harmful for any youngster.

Three men were named to a protest movement by parents to last no longer as poor pictures are shown here. They are Supt. Roy Bennett, Dr. Faber and Rev. Jackson Turner. These three are to appoint three others to work with them.

The movement was given the endorsement and backing of all the ministers, both Catholic and Protestant.

The 225 persons at the school spent the evening talking with the teachers, visiting the rooms, viewing the new boiler. At 8:30 in the gym community singing led by C. A. Odmark opened the assembly. There was a clarinet ensemble, Supt. Roy Bennett welcomed the parents and presented Dr. Purdom who spoke on Why People Fail.

Chiefly, he said, failure in economic life comes from inertia, not knowing the thing that counts, not knowing other folks and not being known. Hiding ones light under a bushel is fatal. He also said that the modern young man and woman looking for a job also should look more to their own appearances.

Refreshments prepared and served by Mildred Smith, Margaret Strehl and Dorothy Edwards completed the evening.

Rites To Be Thursday For Roland Farmer

Roland Rollo Farmer, 65, resident of Norwood township for 21 years, died at the Charlevoix Hospital Monday evening following a long illness.

Born in Chicago Dec. 2, 1881, the son of Richard John and Margaret Rollo Farmer, he was married to Anna Krulik, of Charlevoix in 1906. They came to Norwood township in 1922.

Mr. Farmer was active in community affairs and served as treasurer of Norwood township, school board director and Justice of the Peace.

He is survived by his wife; a daughter, Mrs. Robert Dunbar, Mt. Pleasant; three sons, Roland, of San Francisco, Calif., Richard J., of Charlevoix, and Alexander G., of Lansing; and four grandchildren.

Funeral services will be held at the See Funeral Home at 2 o'clock Thursday afternoon with the Rev. Gaylord Howell officiating. Interment will be in the Brookside cemetery.

Funeral Services Held For Annabell Lombard

Funeral services for Miss Annabell Lombard, 67, who died at the Mercy Hospital, Grayling, on Thursday, were held at the Walker Funeral Home, Grayling, on Sunday. She had been a patient at the hospital for a month prior to her death.

A native of Otsego, Miss Lombard had taught commercial subjects in the Charlevoix high school from 1903 until 1921 when she transferred to the Potosky high school. She taught there until her retirement in 1941. Since then she has lived in Otsego.

Mrs. W. H. Miller and daughter, Miss Gwendolen Miller and Miss Kay Fitch of this city attended the services.

Wolf, Cobra Patrols Lead Scout Meeting

The Wolf Patrol was in charge of the Boy Scout meeting Nov. 26. Neil Suomalainen led the patrol to the flag and the Scout Law. Bill Wallace the Scout Oath. Songs followed patrol meetings.

The Cobra patrol was in charge of the closing ceremony. Committeemen present were Elmer Barber,

Arguments Against Utility Bond Issue Stated by Citizens Here

That there are two sides to the question of voting \$107,000 in bonds for a new power generator has been pointed out by several citizens of Charlevoix.

The criticisms of the program urged by City Supt. Angus Leitch and okayed by a majority of the councilmen fall into four principal arguments. These are:

1. The time element.
2. The way the case has been handled.
3. The possibly inefficient operation of the present plant.
4. The distributing system here.

However, virtually all who have expressed an opinion, whether or not they consented to be quoted by name, admit that sooner or later Charlevoix must have added capacity at the electric plant. On this one fact there is pretty complete unanimity. The arguments center more on what should come first—the new unit or other needed utility improvements.

More in detail, the four criticisms could be stated thus:

1. If the new unit is approved Dec. 16, it still couldn't be operating by this summer. What will we do for 1947? (The obvious answer of course is that if it takes 18 months to get a generator installed, this is a good time to get going.)

2. The Council announced its utility decision and called for the bond vote only four weeks before the special election. This is not time enough for the public to become familiar with the pros and cons of the question, it is claimed.

Similarly, no full survey of the city's utility equipment and plant has been made by an outside and impartial engineering firm. Lacking this, the decision that a new generator is the primary need only represents the opinion and best judgment of the superintendent and the councilmen.

3. That increased efficiency is possible at the plant is asserted by Councilman Kenneth McFadden, erstwhile employee. He cites as an example of this situation the new 250 kw generator, whose Diesel engine draws its air supply from inside the building. After a few minutes of operation, it is literally starving for air. Completion of the partly finished outdoor air intake would correct this.

4. The distributing system is the largest issue, however. McFadden contends that it and not

the new generator should be No. 1 on the improvement list.

The present system, it seems, has grown like Topsy. Some lines are overloaded and wasting current; others nearby are comparatively underloaded. T. E. Browe, electrical contractor here, says it is like a farmer with three horses hitching them to a load so that two do most of the work.

Browe says that he fears if the generator is installed first the distributing system may languish on for years, wasting power and tax money. Quick with comparisons, he says putting on more power is like putting more pressure on a leaky barrel. You can fill it faster but the leaks are going to squirt harder.

Councilman Harold Datcher, who has been on the inside of the discussion from the start, summed up his belief clearly:

"We need more capacity and we need an efficient distributing system. I voted against the special election because I don't see how one is subordinate. I'd like to see the whole thing made a unified program and do it all as one job. Then we'd be getting somewhere."

F. E. Cartier Sells Cleaning Business

The F. E. Cartier Dry Cleaning business, one of Charlevoix's oldest, has been sold to Robert E. Weststaff, Cartier has announced. The new owner assumed possession Dec. 2.

Cartier will continue in the clothing and tailoring business as in the past, he has stated.

Mr. Weststaff has announced that the entire cleaning plant will be modernized as soon as conditions will permit. He will continue to operate at the same address on Belvedere ave.

Tryon Recovering, Faces Charges

William Tryon, 34, is recovering at Lockwood General Hospital in Potosky from a shotgun wound in the left side, supposedly self-inflicted at 4 a. m. Monday.

At the same time his wife, Opal, 30, was shot twice and killed while she covered in the bed at their Boyne City home.

Tryon is a locally famous CIO leader, vice-president of the state CIO and president of the Boyne City local. During WPA days he was a recreation director for a time.

Guarding him at the hospital are four deputies assigned by Sheriff Floyd Ikens. Prosecutor C. M. Bice says a formal charge of murder will be filed as soon as he is sufficiently recovered.

To many, the most tragic aspect of the shooting was the fact the couple's son, William, 13, saw the shooting, ran two blocks to the more of his maternal grandparents to give first word of his mother's death. He is now under the doctor's care. There also is a daughter, Patricia, 11.

Theodore Rasseur Dies At St. Louis

A summer resident here for 45 years, Theodore Rasseur of St. Louis died there Nov. 23.

He was 80 years old and had been ill for several weeks. It was in 1901 that he built the Rasseur summer home on Mercer blvd.

Carrying his picture, in a tribute to him the Post-Dispatch told how he was known as the "lawyer's lawyer" had been attorney for the litigation when the company started political maneuvering.

Surviving are Mrs. Rasseur, three sons, two brothers and six grandchildren.

Announces Engagement Of Daughter

Leslie Howe, of R. R. 3, Charlevoix, announces the engagement of his daughter, Eleanor Marguerite, to Paul H. White, son of Mr. and Mrs. Bob White, of Hayes township, Charlevoix.

Miss Howe, who graduated from the Boyne City high school and attended Michigan State College, is now employed in the office of Dr. L. R. Bates in Potosky. Mr. White, a veteran of World War I, is now employed by the Allen Pease Trucking Co., Charlevoix. No date has been set for the wedding.

First Communion to Be Sunday

Communion Class at St. Mary's church will receive their first Holy Communion next Sunday morning on the Patronal Feast of the Catholic Church in the United States, the Immaculate Conception.

The class members also will receive their first Holy Communion from the new pastor, Rev. Leo Zielinski, who will sing the High Mass at 7:30 a. m., assisted by the school choir.

Members of the class include Barry Pischner, Gordon Melms, Robert Mayne, Marjorie Lagerman, Deanna Left, Paul LaBlanc, Thomas Hlanlin, James Haggard, Charles and Laurence Ager, Sandra and Dennis Wojciechowski, Richard and Bruce Zeitler.

James Eccleston and Donald Zeitler will serve the Mass, assisted by George Haggard, cross bearer; William Bennett and William Golden, candle bearers; Roger Pischner, Charles McDonald, William Haggard, Thomas LaBlanc, Thomas and Michael Gibbons as guards of honor.

Fr. Zielinski arrived here at his new pastorate Nov. 7. A native of Bay City, he was ordained a priest May 19, 1929 in the diocese of Grand Rapids. For a time he was assistant pastor successively at Sacred Heart church in Grand Rapids, St. Adelbert's in Muskegon.

In 1938 he was appointed pastor of St. Michael's at Brunswick. He came here to St. Mary's and St. Francis Solanus from Brunswick.

Club Hears Report On Taming Of Wife

Shakespeare's comedy about the shrewish wife was reported for the Kiwanis Club Monday night by Mrs. Helen O'Neill.

Assisting her by giving several parts from "The Taming of the Shrew" were Jill Stewart and Joel Arvilla. Dr. F. F. McMillan was program chairman.

The club will observe Farmer's Night Dec. 23.

Island Boat Makes Three Trips Weekly

Only three trips will be made to Heaven Island weekly for a while.

Starting Dec. 2, the boats leave here Monday, Wednesday and Friday at 7 a. m.

Veteran Buys Antrim Farm

Mr. and Mrs. LaVerne Spilde, a Chicago veteran, have bought a 160 acre farm near Bellaire. They plan to move in the spring. The United Farm Agency handled the deal.

Circle Elects Officers

The Mary Burns circle of the Congregational church held the annual election of officers last week. Mrs. Versal Seymour was named president and Mrs. Ray Kipke, secretary-treasurer. Miss Anne Hlgman is retiring president.

So Sorry

Because everyone was so cooperative in sending us their news it is with sincere regret that we find due to lack of space that many items have had to be omitted.

New Licenses Now on Sale

New 1947 license plates went on sale Monday.

The new plates have black letters on an orange background, two letters and four figures. Charlevoix still has the letters PW.

Plates from PW1000 to 2750 are being sold at Hoyne City. The County Clerk's office here has 2751 to 4400. East Jordan is selling PW 4401 to 5850.

Only one license is needed this year. That goes on the back of the car. Penton says that title is needed when applying for a passenger car plate. Commercial vehicles or trailers require the 1946 registration slip or a new weight card.

Rayders Take Mancelona for 31st Victory

(By David Hamilton)

The Red Rayders Friday night chalked up their 31st consecutive Conference basketball victory, although for a few minutes Mancelona's zone defense kept them hustling.

The game was a fast, hard one with Mancelona holding the score even until the third quarter when the Rayders scored ten points to the visitors one. The final score was 34-14. C. Langerman, R. Hardy, R. R. Carey, W. Carey, P. Martin played almost the entire game. D. Hardy, L. Holstad and F. Martin were sent in substitutes in the last quarter.

Boh Carey was high point man with 15.

The second team game was almost as thrilling to watch. Like the senior squad, they took the lead from the visitors and kept it to the final score of 28-20. Ross Case made ten points, top individual score for Charlevoix.

Charlevoix athletes have been accorded another honor. Three of the 1946 Class C gridders were given honorable mention on a state wide survey of scholastic teams by the Detroit Free Press. They are Bob Carey, end; Irving Manville, guard; and Frank Martin, back.

Farm Bureau Starts Member Drive

The kick-off meeting that officially opened the annual roll call of the Charlevoix County Farm Bureau was held at the Charlevoix Methodist church Tuesday. Captains and team workers met at 10 o'clock in the morning of a school of instruction conducted by the roll call manager, Chas. McGinn of Marion township and Wesley, S. Hawley, State Farm Bureau representative.

Following a potluck dinner there was a closing pep meeting and plans were made to make a thorough solicitation of the county. Mr. McGinn announced that awards would be made to the teams making the highest score during the drive. The membership roll call will officially close December 10 and plans are being made to reward all of the workers with a turkey dinner.

Stores Put Up Yule Decorations

Christmas decorations are appearing along Bridge street.

At Bergou's the entire interior is festooned with greenery and colored trimmings.

Belding's real estate office has a winter scene in the front window, made more realistic by patches of reindeer and other mosses brought back by the Hedges from the Upper Peninsula hunting trip.

School Band Elects Carey President

The Charlevoix high school band elected officers for the coming year Dec. 2nd.

Bill Carey is president and Nancy Kipke, secretary-treasurer. Ken Hardy was unanimously elected student director.

The librarians will be appointed by C. A. Odmark.

Kegler Rolls 7-10 Split In Match

The supposedly impossible happened Sunday afternoon at the Charlevoix Recreation alleys.

In a match game between the Recreation and the Cal's Tavern of East Jordan teams, Monk Chik made a 7-10 split. Incidentally, Cal's won the match. There will be a return match next Sunday at East Jordan.

Drive Starts to Build New City Hospital

Definite moves to build a new and adequate hospital for Charlevoix are now underway.

The decision to start was made by the Hospital Board last week with the naming of a Special Planning and Campaign committee and a Finance Committee.

The first will have charge of obtaining plans and raising funds. It is composed of Earl A. Young, chairman, Joseph F. Foster, E. J. Edwards and W. H. Wallace.

Robert P. Bridge is chairman of the Finance Committee and will name the other members of his group, whose responsibility will be the receiving and management of all building funds and contributions.

These two new groups will work with the Summer Advisory Board members, and with the previously appointed Building Committee. This latter is composed of 12 representatives from the Hospital Board, Board of Commerce, City Council, American Legion and Kiwanis Club.

First move of the special planning committee will take place Sunday when Young and Edwards plan to leave for Chicago. There they will meet with N. A. Owings, member of the architectural firm of Skidmore, Owings and Merrill, and confer about plans and construction. The Owings firm specializes in hospitals. Among others, they designed the one at Potosky.

While in Chicago, the two local men also will meet with John P. Wilson and Ernest Loeb, members of the Summer Advisory Board, and go over the entire situation with them.

The Hospital Board, under whose direction all this is done, is composed of J. F. Foster, president; Drs. G. B. Saltonstall and F. F. McMillan, vice-presidents; Peter Trimmer, secretary; P. D. Campbell, treasurer; and W. H. Wallace, Albert Cook, E. J. Edwards and Mrs. Louis Hamlin.

Mrs. C. Himebaugh Dies At Potosky

Mrs. Catherine Himebaugh, 89, resident of northern Michigan for 74 years, died at the Robbins Convalescent Home in Potosky early Sunday evening.

Catherine Polock was born in Ontario, Aug. 27, 1857, and came to Atwood in 1872. On Dec. 10, 1874, she was married to Daniel Himebaugh. They resided on a farm near Atwood and later near Potosky before coming to Charlevoix in 1907. Mr. Himebaugh died in 1927.

She was a member of the Congregational church and the Rebekah lodge.

Surviving are one grand-daughter, Mrs. Wesley Wells and one great-grandson, Stephen Wells.

Funeral services were held at the See Funeral Home Wednesday at 2 p. m. with the Rev. Jackson E. Turner officiating. Interment was in the Brookside cemetery.

Owls Will Play Bellaire Wednesday

Independent basketball will start here next Wednesday night when the Charlevoix Owls will play the Bellaire Independents in the high school gym.

The Owls team is made up of last year's veterans team members, plus former high school players. They have games scheduled with a number of northwestern Michigan teams, in addition to contests with downstate fives later in the year.

Naval Recruiting Unit At Post Office Dec. 9

A U. S. Naval Reserve traveling recruiting unit will be in the lobby of the Post Office here Dec. 9 from 9 a. m. to 4:30 p. m.

The recruiting unit is enrolling former veterans of all branches of the armed services, including ex-WAVES, in the new Naval Reserve V-6 inactive duty program. Under this program the person enrolled remains a civilian but is subject to call only if Congress declares a national emergency.

Mr. and Mrs. Earl Bacon and family, Mr. and Mrs. Clara White and daughter, Clarice and Margie and Ruth Murray visited Oliver Garver and family Sunday.
Mr. and Mrs. Ted Tunison and family have moved to the Schrigley farm west of Burgess.
Students who have left Murray school during the past six weeks include Ralph and Delight Lewis,

Donna and Myrna Hawes, Shirley Yager and Ray Kunkle. New students are Mary and Pat Flynn.
Visitors of the Wm. Price home Sunday were Clyde Green, Wolfe Price, Andrew Spelgle, Bud Murray, Edna Southwood and Greta Lewis.
Mr. and Mrs. Bill McMillan called on Southwoods Saturday evening.
Clara Spelgle visited her parents Sunday.

Mr. and Mrs. David Miller and Mr. and Mrs. Marion McGhan visited the home of Mr. and Mrs. Wm. Blair Sunday.
BEAVER ISLAND
Mrs. Ellen Piscnar, Reporter
Archie LaFraniere Sr., returned Tuesday from Detroit and Ann Arbor and will now settle for the winter in his little cabin.
Mr. LaFraniere was recently awarded the Edward Dunbar Rich Service Award for completing 25 years or more, of meritorious and faithful service in providing and maintaining a safe, dependable and adequate public water supply for the City of Detroit.
Mr. LaFraniere was a resident of the Island when the Beaver Island Lumber Co., was here and now he has returned for a well earned rest. We are always glad to have old friends return and surely there is not a better place for a man who really wants to retire and be comfortable.

Mr. and Mrs. Harry Fritz of So. Haven who came for the hunting season, left by plane on Monday. On leaving Mr. Fritz said, "Gee, I hate to leave this place." They took away one buck.
A plane from So. Haven flew in Sunday p. m., and after hunting Monday until late afternoon, left for their home, accompanied by Dave Olsen and his father.
Mr. Olsen and five sons, each got their buck. They have a cabin near Fox Lake.
Mr. and Mrs. Peterson left Monday by plane.
V. H. LaFraniere arrived by plane Monday after spending a few days with his family in Charlevoix.
Mr. and Mrs. Jerry Lockwood spent Thanksgiving Day with Mrs. Lockwood's parents.
Both boats, the Mary Margaret and North Star made daily trips for a few days to return the hunters and cars.
Beaver Island had the first snow on Thanksgiving Day.
The motor boats "White Swan" and "Raibler" both left Monday

with loads of lumber. The "White Swan" went to Loraine, Ohio and the "Raibler" will continue making trips to Boyne City.
Mr. and Mrs. C. R. Paschner and little Johnnie left last week for Green Bay, Wis., where they will reside this winter.
Mr. Dubison and Mr. Winderman of So. Haven, the last of the four deer hunters who stayed at the home of Mr. and Mrs. Gus Mielke, left Saturday for their homes. Three of the four got their buck.
Missionary To Mexico To-Speak At Joint Rally
Miss Mamie Baird, a Methodist missionary on furlough from Mexico will speak Friday at a joint meeting of the Women's Societies of Christian Service of the Charlevoix and Barnard churches with the Norwood Society as host to the group.
The meeting will open at 10:30 a. m., at the Town hall at Norwood with a school of instruction for officers. A potluck luncheon at noon will be followed by talks by the guest speaker.
Miss Baird, a native of Michigan, has been in the missionary field since 1924 and has served in Mexico for several years.

Game Caught Here Rare November
Certainly not the largest but likely the most unusual November game was brought to The Courier last Thursday by Angus Leitch.
He caught it in his car in front of the office, killed it, brought it in and carefully laid it out on the editor's desk.
It was a mosquito.

Increase Costs Boost Milk Price Here 2 Cents
Milk prices here went up two cents a quart Sunday morning.
This gain, explain the dairymen here, brings Charlevoix prices more in line with nearby towns and result from increase costs.
At Traverse milk is 13 cents; at Petoskey it is 18, the same as here.
A high butterfat price of 92 cents, 26 cent fluid milk in Chicago, wild buying by Traverse milk handlers, increased consumption of dairy product—these are some of the things that have helped to force up the price here, says John Boss.
Farmers Union Will Start Member Drive
The Charlevoix County Farmers, Educational and Cooperative Union is planning a membership drive soon.
The first of its kind, the Union so far has relied on voluntary membership. It has four houses now, Norwood, Hayes, Wilson and Walloon Lake. The organization is restricted strictly to farmers.
Want Those Pictures Appearing In Courier?
From time to time The Courier takes pictures or has them taken which we use in the news columns.
Once these pictures have been used, we have no further need for them. Anytime any person would like the print and the negative, just call at the office. We would rather give them away than have them collect dust in a file or be thrown away.
The Grand Rapids Diocese Sunday will start a Sunday evening broadcast over W.L.A.V. from Grand Rapids. Consisting of sacred music and a discourse on Catholic doctrine and practice, it will be from 6:30 to 7.

Excited Hunter Forgot His Pants
More deer hunter stories are coming back to town. The latest is about the man who forgot his pants.
His fellow hunters blame it all on the fact he became over-excited at the prospect of going across the Straits. "Sort of pre-season case of buck fever," one of them called it.
As brought back, it seems Louis Wallace left with his hunting companions about 9 p. m. Nov. 12. In straightening up the house after last-minute packing flurry, Mrs. Wallace found his red wool step-ins right where he had left them. Frantically she phoned around town and finally found that Elmer Barber, Francis Garvey, Mr. and Mrs. Walter Scott and Mr. and Mrs. LeRoy Melin, Jr. were going to Ralph early the next morning. They consented to take the pants up with them.
As the story comes back, Wallace was considering the idea of using barn paint if he couldn't buy another pair.
The Margaret Parker Circle will hold their annual bazaar and catered supper at the Congregational Church December 5.

Mrs. Hamlin Visits Quartet Convention

A SPERSQA convention, an anniversary and lots of Charlevoix visiting all were enjoyed by Mrs. Charles Hamlin on her two weeks vacation trip.

She returned last Tuesday. From here she went to South Bend and then to Brazil, Ind., where she stayed with Mr. and Mrs. Fred Gregory. It was the latter's 30th anniversary. Mrs. Hamlin brought back a picture of Gregory seated at his office desk. Behind him is a picture, about 4x5 feet, showing Charlevoix and all three lakes.

From Brazil, the Gregorys, their daughter, Marie, Mrs. Hamlin and another guest drove to Louisville to attend a meeting of the district Barber Shop Quartette society. The national champions from Jersey City were there.

ORDER FOR PUBLICATION
STATE OF MICHIGAN
The Circuit Court for the County of Charlevoix.

In Chancery
Harriet Susie McRoberts, Plaintiff,
vs.
Percy Nelson McRoberts, Defendant.

Suit pending in the Circuit Court for the County of Charlevoix in Chancery, at the City of Charlevoix in said County, on the 20th day of October, 1946.

In this cause it appearing from affidavit on file, that the Defendant, Percy Nelson McRoberts is not a resident of the State of Michigan, but is a resident of the State of New York as the plaintiff is informed but his whereabouts is unknown.

On motion of R. L. Lewis, Plaintiff's Attorney it is ordered that the said Defendant Percy Nelson McRoberts cause his appearance to be entered herein within three months from the date of this order and in case of his appearance that he cause his answer to the Plaintiff's Bill of Complaint to be filed, and a copy thereof to be served on said Plaintiff's Attorney within fifteen days after service on him of a copy of said bill and

notice of this order; and that in default thereof, said bill will be taken as confessed by the said non-resident Defendant.

And it is Further Ordered, That within forty days the said Plaintiff cause a notice of this order to be published in the Charlevoix Courier a newspaper printed, published and circulating in said County, and that such publication be continued therein at least once in each week for six weeks in succession, or that she cause a copy of this order to be personally served on said non-resident Defendant at least twenty days before the time above prescribed for his appearance.

WARD I. WALLER,
R. L. LEWIS,
Attorney for Plaintiff. 49-t-6
